Debtors in a Foreign Proceeding.

Chapter 15

Case No. 26-90709

(Jointly Administered)

**SUPPLEMENTAL DECLARATION OF THIAGO DA COSTA SILVA
IN SUPPORT OF THE MOTION FOR (I) RECOGNITION
OF FOREIGN MAIN PROCEEDING, (II) RECOGNITION OF FOREIGN
REPRESENTATIVE, AND (III) RELATED RELIEF UNDER CHAPTER 15
OF THE BANKRUPTCY CODE AND ADDITIONAL FIRST DAY FILINGS**

Thiago da Costa Silva (the “Foreign Representative”), declares under penalty of perjury, pursuant to 28 U.S.C. § 1746, as follows:

1. I am over eighteen years of age and, if called upon, could testify on all matters presented in this statement except those portions specified as being otherwise.

2. I submit this Declaration pursuant to section 1515 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007(a)(4) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

3. I am an officer of Ambipar Participações e Empreendimentos S.A. – em recuperação judicial (“Ambipar Topco” and, together with its subsidiaries and affiliates, the “Ambipar Group”) and director of Ambipar Emergency Response – em recuperação judicial (“Ambipar Response”). I have been appointed as the authorized foreign representative of the Debtors in the present Chapter 15 Cases.

¹ The debtors in these chapter 15 cases (the “Chapter 15 Cases”), along with the last four digits of each Debtor’s tax identification or corporate registry number, are: Ambipar Emergency Response (0263), Ambipar Lux S.à.r.l. (9448), Ambipar Participações e Empreendimentos S.A. (01-24), Environmental ESG Participações S.A. (01-23), and Emergência Participações S.A. (01-49). The location of the Debtors’ corporate headquarters is Avenida Pacaembu, 1088, São Paulo, São Paulo, Brazil, 01234-0000.

4. I submit this declaration (the “Supplemental Declaration”) to supplement my prior *Declaration in Support of the Motion for (I) Recognition of Foreign Main Proceeding, (II) Recognition of Foreign Representative, and (III) Related Relief under Chapter 15 of the Bankruptcy Code and Additional First Day Filings* [Docket. No. 7] (the “Original Declaration”), filed with this Court on July 9, 2026.²

5. The purpose of this Supplemental Declaration is to supplement and clarify certain statements contained in the Original Declaration regarding the geographical location of the operational and economic activities of the Ambipar Group and to make a distinction between corporate headquarters of the Ambipar Group vis-à-vis its main center of revenue generation and economic results, or its main establishment, the defining criterion under Brazilian restructuring law for determining the appropriate venue for Brazilian judicial reorganization proceedings.

6. As set forth in my Original Declaration, the management of the Ambipar Group (and the bulk of its operations) are located in Brazil. The São Paulo office serves as a centralized operating center (the “São Paulo Headquarters”). The São Paulo Headquarters houses part of the Ambipar Group’s management, including internal legal and human resources teams, information technology department, and financial development teams. It is also the formal statutory headquarters of the Brazilian Debtors.

7. By contrast, Rio de Janeiro is the main center of revenue generation and economic results of the Ambipar Group in Brazil. A comparative analysis of net operating revenue and net income shows that the city of Rio de Janeiro is the place where the most important economic activities of the Ambipar Group in Brazil are carried out. Rio de Janeiro also generates more revenue of the Ambipar Group than any other city in Brazil. The Ambipar

² Capitalized terms not defined in this Supplemental Declaration have the meanings given to such terms in the Original Declaration.

Group also maintains significant operational infrastructure in Rio de Janeiro, including bases in Duque de Caxias, the Port of Açu and the Barra da Tijuca airport, in addition to a main office in the city of Rio de Janeiro—which is responsible for managing the largest volume of critical business of the Ambipar Group and for strategic and administrative decisions related to relevant economic operations of the Ambipar Group.

8. The functions performed in São Paulo and Rio de Janeiro are complementary. São Paulo serves as the headquarters of the holding company and is the base for administrative support functions for the Ambipar Group. Rio de Janeiro, in turn, is the main center of economic activity and revenue generation, where the largest volume of business, the most lucrative contracts and the most strategically relevant operations are concentrated.

9. On the basis of the foregoing facts, the Court of Appeals of the State of Rio de Janeiro has determined that, for the purposes of Brazilian restructuring law, specifically article 3 of Law 11,101/05, the “main establishment” of the Ambipar Group is in the city of Rio de Janeiro, which is the defining criterion under Brazilian restructuring law for determining the appropriate venue for Brazilian judicial reorganization proceedings. Any suggestion that my Original Declaration constitutes an alteration, retraction, or acknowledgment of inconsistency with respect to the information provided in the Brazilian judicial reorganization proceeding reflects a misreading of the relevant documents. The Debtors’ positions, as presented across both jurisdictions, have remained consistent, and my Original Declaration accurately reflects the substance of those prior representations.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.
