**FIRST SUPPLEMENTAL NOTICE OF PROPOSED
ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS**

PLEASE TAKE NOTE OF THE FOLLOWING DEADLINES:

Assumption and Assignment Objection Deadline: On or before 7 days after service of the Supplemental Assumption and Assignment Notice, or such deadline set forth in the applicable Supplemental Assumption and Assignment Notice.

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On May 28, 2026, the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”) filed the *Emergency Motion of Debtors for Entry of Orders (A) Approving (I) Bidding Procedures, (II) Form and Manner of Notice of Sale, Auction, and Sale Hearing, and (III) Assumption and Assignment Procedures; (B) Scheduling Auction, Sale Hearing, and Related Deadlines; (C) Approving (I) Sale of Substantially All of Debtors’ Assets Free and Clear of Liens, Claims, Encumbrances, and other Interests, and (II) Assumption and Assignment of Executory Contracts and Unexpired Leases; and (D) Granting Related Relief* [Docket No. 98] (the “**Bidding Procedures Motion**”).

2. On June 10, 2026, the United States Bankruptcy Court for the Southern District of Texas (the “**Court**”) entered that certain order [Docket No. 193] (the “**Bidding Procedures Order**”) approving, among other things, the Bidding Procedures, which establish the key dates and times related to the sale of all or substantially all of the Debtors’ assets (collectively, the “**Assets**”), and the Assumption and Assignment Procedures to facilitate the fair and orderly assumption or

¹ The Debtors in these Chapter 11 Cases (as defined herein) and the last four digits of their respective federal tax identification numbers (if applicable) may be obtained on the website of the Debtors’ proposed claims and noticing agent at <https://restructuring.ra.kroll.com/bitcoindepot>. The location of the Debtors’ corporate headquarters is: 8601 Dunwoody Place, Sandy Springs, Georgia 30350.

assumption and assignment of certain executory contracts (the “**Contracts**”) or unexpired leases (the “**Leases**”) of the Debtors.²

3. Between June 16, 2026 and June 18, 2026, the Debtors filed and served eighty omnibus notices of proposed assumption and assignment of executory contracts and unexpired leases [Docket Nos. 215–217; 221–265; 271–302] (collectively, the “**Assumption and Assignment Notices**”), pursuant to which the Debtors identified certain Contracts or Leases that the Debtors may seek to assume and assign to a Winning Bidder, together with the proposed Cure Costs (as defined below) associated therewith.

4. Pursuant to the Bidding Procedures Order and the Assumption and Assignment Procedures, and in accordance with the Debtors’ reservation of rights to modify and supplement the Potential Assigned Contracts and Leases Schedule, the Debtors hereby provide this first supplemental notice (this “**First Supplemental Assumption and Assignment Notice**”) that they may seek to assume and assign to a Winning Bidder the additional Contracts or Leases listed on **Exhibit A** attached hereto (each, a “**Potential Assigned Contract or Lease**”).

5. **You are receiving this First Supplemental Assumption and Assignment Notice because you may be a counterparty to a Potential Assigned Contract or Lease (a “Contract/Lease Counterparty”) that may be proposed to be assumed and assigned to a Winning Bidder in connection with a Sale Transaction.**

6. If the Debtors assume and assign to a Winning Bidder a Potential Assigned Contract or Lease to which you are a party, on the closing date of the Sale Transaction, or as soon thereafter as practicable, you will be paid the amount the Debtors’ records reflect is owing for **pre-bankruptcy filing arrearages** as set forth on **Exhibit A** (the “**Cure Cost**”). The Debtors’ records reflect that all postpetition amounts owing under your Potential Assigned Contract or Lease have been or will be paid and will continue to be paid in the ordinary course until the assumption and assignment of the Potential Assigned Contract or Lease, and that other than the Cure Cost, there are no other defaults under the Potential Assigned Contract or Lease.

7. The Debtors’ inclusion of a Potential Assigned Contract or Lease on **Exhibit A** does not: (a) obligate the Debtors to assume any Potential Assigned Contract or Lease listed thereon or obligate a Winning Bidder to take assignment of such Potential Assigned Contract or Lease, or (b) constitute any admission or agreement of the Debtors that such Potential Assigned Contract or Lease is an executory contract or unexpired lease. Only those Potential Assigned Contracts and Leases that are included on a schedule of assumed and assigned Contracts and Leases attached to the definitive sale agreement with any Winning Bidder (including amendments or modifications to such schedules in accordance with such agreement) will be assumed and assigned to the Winning Bidder.

8. Notwithstanding anything to the contrary herein, the proposed assumption and assignment of each Potential Assigned Contract or Lease listed on **Exhibit A** hereto will be subject to the Debtors’ or any Winning Bidder(s)’s right to conduct further confirmatory diligence with

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Bidding Procedures Order.

respect to the Cure Cost of each Potential Assigned Contract or Lease and to modify such Cure Cost accordingly. In the event that the Debtors or any Winning Bidder(s) determine that your Cure Cost should be modified, you will receive a notice pursuant to the Assumption and Assignment Procedures below, which will provide for additional time for you to object to such modification.

A. Assumption and Assignment Procedures

9. These Assumption and Assignment Procedures set forth below regarding the assumption and assignment of the Potential Assigned Contracts and Leases proposed to be assumed by the Debtors and assigned to the Winning Bidder(s) in connection with one or more Sale Transactions will govern the assumption and assignment of all of the Potential Assigned Contracts and Leases, subject to the payment of any Cure Costs:

- (a) **Assumption and Assignment Objections.** Any objections to the proposed assumption and assignment of any Potential Assigned Contract or Lease on any grounds, including without limitation, the amount of the proposed Cure Costs, if any, or the ability of a Winning Bidder to provide adequate assurance of future performance (“*Adequate Assurance*”) (each, an “*Assumption and Assignment Objection*”), must: (a) be in writing; (b) comply with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any order governing the administration of these Chapter 11 Cases; (c) state with specificity the nature of the objection, including, if applicable, the cure amount alleged to be owed to the objecting Contract/Lease Counterparty or the adequate assurance alleged to be required, together with any applicable and appropriate documentation in support thereof; (d) be filed with the Court no later than 7 days after service of the First Supplemental Assumption and Assignment Notice (the “*Assumption and Assignment Objection Deadline*”); and (e) be served on the Objection Notice Parties (as defined below).
- (b) **Objection Notice Parties.** Each Assumption and Assignment Objection must be filed with the Court and served on the following parties (the “*Objection Notice Parties*”) so as to be received no later than the Assumption and Assignment Objection Deadline: (i) proposed counsel to the Debtors, Vinson & Elkins LLP, 845 Texas Avenue, Suite 4700, Houston, Texas 77002, Attn: Paul E. Heath and Sara Zoglman and 1114 Avenue of the Americas, 32nd Floor New York, New York 10036, Attn: David S. Meyer and Jessica C. Peet; (ii) counsel to the Term Loan Agent, Alston & Bird LLP, 90 Park Avenue, New York, New York 10016, Attn: James Vincequerra; (iii) the U.S. Trustee, 515 Rusk Street, Suite 3516, Houston, Texas 77002, Attn: Andrew Jimenez and Ha Nguyen; and (iv) counsel to the Official Committee of Unsecured Creditors appointed in these Chapter 11 Cases, Willkie Farr & Gallagher LLP, 787 Seventh Avenue, New York, New York 10019, Attn: James H. Burbage and Emma Karim.
- (c) **Resolution of Assumption and Assignment Objections.** If a Contract/Lease Counterparty timely files an Assumption and Assignment Objection and the Winning Bidder has designated that it wishes to take assignment of such contract or lease, and the parties are unable to consensually resolve the dispute prior to the

Sale Hearing, then such Assumption and Assignment Objection will be resolved at the Sale Hearing, but such contract or lease shall be assumed and assigned only upon satisfactory resolution of the Assumption and Assignment Objection, to be determined in the Winning Bidder's discretion. If a Contract/Lease Counterparty timely files an Assumption and Assignment Objection, the Winning Bidder(s) has designated that it intends to take assignment of such contract or lease, and the parties are unable to consensually resolve the dispute, then, to the extent the Sale Hearing has occurred, the Debtors shall seek an expedited hearing before the Court to resolve such objection, but such Potential Assigned Contract or Lease shall be assumed and assigned only upon satisfactory resolution of the Assumption and Assignment Objection, to be determined in the Winning Bidder's discretion. If an Assumption and Assignment Objection is not satisfactorily resolved, the Winning Bidder may determine that such contract or lease should not be assigned in connection with the Winning Bidders' Sale Transaction(s), in which case the Winning Bidder will not be responsible for any Cure Costs or Adequate Assurance with respect to such executory contract or unexpired lease.

- (d) **Modification of Assigned Contracts and Leases Schedule.** At any time prior to the closing of any Sale Transaction, the Debtors may: (a) supplement the Potential Assigned Contracts and Leases Schedule with executory contracts or unexpired leases inadvertently omitted therefrom; (b) remove or add any Potential Assigned Contract or Lease from or to the list of executory contracts and unexpired leases ultimately selected as Potential Assigned Contracts and Leases that the Winning Bidder(s) proposes be assumed and assigned to it in connection with the Sale Transaction(s); and/or (c) modify the proposed Cure Costs.
- (e) **Supplemental Assumption and Assignment Notice.** In the event that the Debtors exercise any of the rights reserved above, the Debtors will promptly file with the Court, cause to be published on the Case Website, and serve on each relevant Contract/Lease Counterparty an additional supplemental notice of assumption and assignment (the “***Supplemental Assumption and Assignment Notice***”). Each additional Supplemental Assumption and Assignment Notice will include the same information as would have been included in this notice.
- (f) **Supplemental Assumption and Assignment Objections.** A Contract/Lease Counterparty listed on an additional Supplemental Assumption and Assignment Notice may file an objection (a “***Supplemental Assumption and Assignment Objection***”) on the same bases set forth above. All Supplemental Assumption and Assignment Objections must comply with the requirements set forth above, and be filed with the Court and served on the Objection Notice Parties no later than the date that is the later of (a) the Assumption and Assignment Objection Deadline, or (b) seven calendar days following the service of such additional Supplemental Assumption and Assignment Notice.
- (g) **Resolution of Supplemental Assumption and Assignment Objections.** If a Contract/Lease Counterparty timely files a Supplemental Assumption and Assignment Objection, the Winning Bidder(s) has designated that it intends to take

assignment of such contract or lease, and the parties are unable to consensually resolve the dispute, then, to the extent the Sale Hearing has occurred, the Debtors shall seek an expedited hearing before the Court to resolve such objection, but such Potential Assigned Contract or Lease shall be assumed and assigned only upon satisfactory resolution of the Supplemental Assumption and Assignment Objection, to be determined in the Winning Bidder's discretion. If a Supplemental Assumption and Assignment Objection is not satisfactorily resolved, the Winning Bidder may determine that such contract or lease should not be assigned in connection with the Winning Bidders' Sale Transaction(s), in which case the Winning Bidder will not be responsible for any Cure Costs or Adequate Assurance with respect to such executory contract or unexpired lease.

- (h) **Failure to Timely File Assumption and Assignment Objections or Supplemental Assumption and Assignment Objections.** If a Contract/Lease Counterparty does not timely file an Assumption and Assignment Objection or Supplemental Assumption and Assignment Objection: (i) the Cure Costs, if any, set forth in the Assumption and Assignment Notice (or additional Supplemental Assumption and Assignment Notice) shall be controlling and binding upon the applicable Contract/Lease Counterparty for all purposes and will constitute a final determination of the Cure Cost required to be paid by the applicable Debtor in connection with the assumption and assignment thereof, notwithstanding anything to the contrary in any Potential Assigned Contract or Lease or any other document; (ii) the Contract/Lease Counterparty will be deemed to have consented to the assumption and assignment of the Potential Assigned Contract or Lease and the Cure Costs, if any; (iii) the Contract/Lease Counterparty will be forever barred and estopped from objecting to the assumption and assignment of such Potential Assigned Contract or Lease and rights thereunder, including any objection to the Cure Costs or the Adequate Assurance with respect to the applicable Potential Assigned Contract or Lease; and (iv) the Contract/Lease Counterparty will be forever barred and estopped from asserting or claiming against the applicable Debtor(s) or the applicable Winning Bidder that any other additional amounts are due or other defaults exist, that conditions to assignment must be satisfied, or that there is any other objection or defense to the assumption or assignment of the applicable Potential Assigned Contract or Lease.

II. Additional Information

10. Unless otherwise provided in the Sale Order, the Debtors will have no liability or obligation with respect to defaults relating to the Potential Assigned Contracts and Leases arising, accruing, or relating to a period on or after the effective date of assignment of such Potential Assigned Contract or Lease.

11. Copies of the Bidding Procedures Motion, the Bidding Procedures Order, the Bidding Procedures, and the Sale Notice may be obtained free of charge at the website <https://restructuring.ra.kroll.com/bitcoindepot> dedicated to the Debtors' Chapter 11 Cases maintained by their claims and noticing agent and administrative advisor, Kroll Restructuring Administration LLC.
