Committee effective as of June 1, 2026. In support of the Application, the Committee respectfully relies upon and incorporates by reference the *Declaration of William Sirignano in Support of the Application for Entry of an Order Authorizing the Retention and Employment of Willkie Farr & Gallagher LLP as Counsel to the Official Committee of Unsecured Creditors Effective as of June 1, 2026* attached hereto as **Exhibit B** (the “Sirignano Declaration”) and the *Declaration of Brett H. Miller in Support of the Application for Entry of an Order Authorizing the Retention and Employment of Willkie Farr & Gallagher LLP as Counsel to the Official Committee of Unsecured Creditors Effective as of June 1, 2026* attached hereto as **Exhibit C** (the “Miller Declaration”), and represents as follows:

JURISDICTION, VENUE, AND STATUTORY PREDICATE

1. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Order of Reference to Bankruptcy Judges* from the United States District Court for the Southern District of Texas entered on May 24, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Committee confirms its consent pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) to the entry of a final order or judgment by the Court in connection with the Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief requested herein are sections 328(a) and 1103 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), Bankruptcy Rule 2014(a), and rule 2014-1 of the Bankruptcy Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Local Rules”).

BACKGROUND

4. On May 17, 2026, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Bankruptcy Local Rule 1015-1. No trustee or examiner has been appointed in these chapter 11 cases.

5. The factual background regarding the Debtors, including their business operations, their capital and debt structure, and the events leading to the filing of these chapter 11 cases is set forth in the *Declaration of Thomas Studebaker in Support of the Chapter 11 Cases and First Day Motions* [Docket No. 23].

6. The Office of the United States Trustee (the "U.S. Trustee") selected the members of the Committee pursuant to section 1102 of the Bankruptcy Code and filed a notice of appointment on May 28, 2026 [Docket No. 101]. The current members of the Committee are: (a) Cash Cloud, Inc.; (b) WPS Kiosk Partners LLC; (c) Loomis Armored US, LLC; (d) OptConnect Management, LLC; (e) Legacy Vending Fund I, LLC; and (f) Bibbeo.

7. On June 1, 2026, the Committee selected Willkie as its proposed counsel.

RELIEF REQUESTED

8. By this Application, the Committee respectfully requests that the Court enter the Order authorizing the Committee to retain and employ Willkie as its counsel in connection with these chapter 11 cases and all related matters effective as of June 1, 2026.

I. Willkie's Qualifications

9. Willkie has represented to the Committee that it has extensive general legal experience and knowledge and, in particular, has substantial expertise in the field of business reorganization under chapter 11 of the Bankruptcy Code, and that it has significant experience representing official creditors' committees in large and complex bankruptcy cases. Among other cases, Willkie or its attorneys have represented the official committees of unsecured creditors in *Avenger Flight Group, LLC*; *Office Properties Income Trust*; *Spirit Aviation Holdings, Inc.*; *Sunnova Energy International, Inc.*; *Core Scientific, Inc.*; *Digital Media Solutions, Inc.*; *Vertex Energy, Inc.*; *New Rite Aid, LLC*; *Spirit Airlines, Inc.*; *Azul S.A.*; *GOL Linhas Aéreas Inteligentes S.A.*; *Grupo Aeroméxico, S.A.B. de C.V.*; *Avianca Holdings S.A.*; *SAS AB*; *WOM S.A.*; and *Energy Future Holdings Corp.*, among many others. As a result of this experience, Willkie represents that it is well-positioned to anticipate and resolve legal issues that may arise during these chapter 11 cases.

10. Willkie also has informed the Committee that Jennifer J. Hardy, a Willkie partner who will work on these chapter 11 cases, is a member in good standing of, among others, the Bar of the State of Texas and the United States District Court for the Southern District of Texas. Other partners of, counsel to, and associates of Willkie who will work on this matter are members in good standing of other bars and courts. As a result, Willkie represents that it is well qualified to represent the Committee in these chapter 11 cases in an efficient and effective manner.

II. Services to be Provided

11. The Committee anticipates that Willkie will provide a range of services to the Committee including, but not limited to, the following:

- a. assisting and advising the Committee in connection with various forms of relief sought by the Debtors, including with respect to "first day" motions;

- b. assisting and advising the Committee in the evaluation and preservation of any claims and on any litigation matters, including avoidance actions, releases, and claims against directors and officers and any other party;
- c. assisting and advising the Committee in any matter relevant to the Debtors' tax attributes and the preservation of such attributes under a plan or through a sale of assets;
- d. assisting and advising the Committee in connection with the Debtors' proposed debtor-in-possession financing facility;
- e. assisting the Committee in the review, analysis, and negotiation of any chapter 11 plan(s) of reorganization or liquidation that may be filed, and assisting the Committee in the review, analysis, and negotiation of the disclosure statement accompanying any such plan(s);
- f. assisting and advising the Committee in analyzing claims asserted against and interests in the Debtors, their affiliates and related parties, negotiating with the holders of such claims and interests, and bringing or participating in objections or estimation proceedings with respect to such claims and interests;
- g. assisting and advising the Committee in connection with the Bankruptcy Local Rules and the practices in the Southern District of Texas;
- h. generally preparing on behalf of the Committee all necessary motions, applications, answers, orders, reports, replies, responses, and papers in support of positions taken by the Committee, and appearing, as appropriate, before this Court and any appellate courts, and protecting the interests of the Committee before those courts and before the U.S. Trustee with respect to any of the above; and
- i. performing all other necessary legal services in these chapter 11 cases.

12. Willkie intends to work closely with the Debtors' representatives and the other professionals retained by the Committee to ensure that there is no unnecessary duplication of services performed or charged to the Debtors' estates.

III. Professional Compensation

13. Willkie intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the

Bankruptcy Rules, the Bankruptcy Local Rules, and the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013, established by the Executive Office for the United States Trustees (the “U.S. Trustee Guidelines”) and any other applicable procedures and orders of the Court (collectively, the “Fee Guidelines”).

14. Subject to the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and the Fee Guidelines, Willkie proposes to be compensated for services rendered at its customary hourly rates that are in effect from time to time, as set forth in the Miller Declaration, and reimbursed according to its customary reimbursement policies. Further, in accordance with the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 406] and the Fee Guidelines, Willkie will seek payment of 80% of its fees and 100% of its expenses on a monthly basis. Willkie respectfully submits that its rates and policies as outlined in the Miller Declaration are reasonable.

15. The hourly rates and corresponding rate structure that Willkie will use in these chapter 11 cases are the same as the hourly rates and rate structure that Willkie uses in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect the fact that such restructurings and other complex matters are typically national in scope and involve great complexity, high stakes, and severe time pressures.

16. Willkie’s hourly rates are set at a level designed to fairly compensate Willkie for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses. These hourly rates are based on a variety of factors, including seniority, distinction, and expertise

in one's field, and are subject to periodic adjustments to reflect economic and other conditions.²

Willkie's standard hourly rates for services to be rendered in these chapter 11 cases will range as follows:

Billing Category	Current Hourly Range
Partners and Senior Counsel	\$1,950 to \$2,795
Associates, Other Attorneys, and Law Clerks	\$790 to \$1,850
Paraprofessionals	\$420 to \$680

17. Willkie, in consultation with the Committee, believes that the terms and conditions of Willkie's employment are reasonable.

18. Willkie will also seek to be reimbursed, subject to the Court's approval, for all actual out-of-pocket expenses incurred by Willkie on the Committee's behalf, such as travel expenses, late night working meals and transportation, computer-assisted legal research, photocopying, postage, overnight courier expenses, and other disbursements, as more fully set forth in the Miller Declaration. All requests for reimbursement of expenses will be consistent with the Fee Guidelines.

19. No promises were received by Willkie or any of its attorneys as to compensation in connection with these chapter 11 cases, other than in accordance with the provisions of the Bankruptcy Code. Neither Willkie, nor any of its attorneys, has any agreement with any other entity to share with such entity any compensation received by Willkie in connection with these chapter 11 cases.

² As set forth in the Order, Willkie will provide ten (10) business days' notice to the Debtors and the U.S. Trustee before implementing any periodic hourly rate increases by filing such notice with the Court.

IV. Willkie's Disinterestedness

20. Willkie does not hold or represent any interest adverse to the Debtors' estates and, except as disclosed in the Miller Declaration, does not have any "connections" to the Debtors' creditors, affiliates, other parties-in-interest or potential parties-in-interest, the U.S. Trustee or the Assistant U.S. Trustees for the Southern District of Texas and attorneys employed by such office, or any judge in the Court. Willkie believes it is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code and as used in section 328(c) of the Bankruptcy Code.

21. As set forth in the Miller Declaration, Willkie has represented, currently represents, and will likely in the future represent certain parties-in-interest or potential parties-in-interest in these chapter 11 cases in matters unrelated to the Debtors, these chapter 11 cases, or such entities' claims against the Debtors, as part of its customary practice. Willkie is retained in cases, proceedings, and transactions involving many different parties throughout the United States and worldwide, some of whom may represent or be employed by the Debtors, claimants, and parties-in-interest in these chapter 11 cases. Pursuant to section 1103(b) of the Bankruptcy Code, Willkie submits that it is not disqualified from acting as the Committee's counsel merely because it previously represented or currently represents the Debtors' creditors, or other parties-in-interest, in matters unrelated to the Debtors or these chapter 11 cases.

22. Willkie will periodically review its files during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise and, if any new relevant facts or relationships are discovered or arise, Willkie will use reasonable efforts to identify such further developments by filing a supplemental declaration with the Court.

23. For these reasons, the Committee submits that the retention and employment of Willkie is necessary, in the best interests of the Debtors' estates, and will enable the Committee to carry out its fiduciary duties owed to creditors under the Bankruptcy Code. Accordingly, the

Committee submits that the relief requested in the Application is appropriate and should be granted by the Court.

NOTICE

24. Notice of this Application will be provided to any party entitled to notice pursuant to Bankruptcy Rule 2002 and any other party entitled to notice pursuant to Bankruptcy Local Rule 9013-1(d).

NO PRIOR REQUEST

25. No previous application for the relief requested herein has been made to this or any other court.

[Remainder of page intentionally left blank]

CONCLUSION

WHEREFORE, the Committee respectfully requests that the Court (a) enter the Order granting the relief requested herein and (b) grant such other and further relief as the Court may deem just and proper.

**DECLARATION OF WILLIAM SIRIGNANO IN SUPPORT OF THE
APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING
THE RETENTION AND EMPLOYMENT OF WILLKIE FARR &
GALLAGHER LLP AS COUNSEL TO THE OFFICIAL COMMITTEE
OF UNSECURED CREDITORS EFFECTIVE AS OF JUNE 1, 2026**

Pursuant to 28 U.S.C § 1746, I, William Sirignano, hereby submit this declaration (the “Declaration”) under penalty of perjury:

1. I am a Managing Partner of WPS Kiosk Partners LLC (“WPS Kiosk Partners”). WPS Kiosk Partners is an unsecured creditor in the above-captioned cases of Bitcoin Depot Inc. and its debtor affiliates (collectively, the “Debtors”). I serve as WPS Kiosk Partners’ representative on the Committee² and WPS Kiosk Partners serves as a member and chair of the Committee. In such capacity, I was part of the process and involved in selecting Willkie Farr & Gallagher LLP (“Willkie”) as counsel to the Committee. I submit this Declaration solely in my capacity as WPS Kiosk Partners’ representative on the Committee, and not in my individual capacity. All rights of WPS Kiosk Partners are expressly reserved and preserved.

¹ The Debtors in these Chapter 11 Cases (as defined herein) and the last four digits of their respective federal tax identification numbers (if applicable) may be obtained on the website of the Debtors’ claims and noticing agent at <https://restructuring.ra.kroll.com/bitcoindepot>. The location of the Debtors’ corporate headquarters is: 8601 Dunwoody Place, Sandy Springs, Georgia 30350.

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Application (as defined below).

2. I have reviewed and am familiar with the contents of the *Application for Entry of an Order Authorizing the Retention and Employment of Willkie Farr & Gallagher LLP as Counsel to the Official Committee of Unsecured Creditors Effective as of June 1, 2026* (the “Application”). In support of the Application, the Committee relies upon the Miller Declaration, which is attached to the Application as Exhibit C.

3. The attorneys primarily responsible for the Committee’s representation in these chapter 11 cases, Brett Miller, Paul Labov, James Burbage, and Jennifer Hardy, have represented to the Committee that they have extensive experience representing official committees of creditors in large and complex bankruptcy cases.

4. Given that Mr. Miller, Mr. Labov, Mr. Burbage, and Ms. Hardy have represented the official committee of unsecured creditors in a significant number of recent large chapter 11 cases, they should be well-positioned to anticipate and resolve legal issues that may arise during these cases. Moreover, Willkie has represented to the Committee that it has extensive general legal experience and knowledge and, in particular, has substantial expertise in the field of business reorganization under chapter 11 of the Bankruptcy Code.

5. The Committee has reviewed Willkie’s standard rates for bankruptcy services, as set forth in the Application. Based upon representations made to the Committee by Willkie, those rates appear to be generally consistent with Willkie’s rates for comparable non-bankruptcy engagements and the billing rates and terms of other comparably skilled firms for providing similar services. Based on these representations, these rates appear to be reasonable. The Committee understands that Willkie will seek payment of 80% of its fees and 100% of its expenses on a monthly basis in accordance with any orders of the Court and the Fee Guidelines.

6. Additionally, the Committee or a chair of the Committee will: (a) develop a prospective budget and staffing plan with Willkie to comply with the U.S. Trustee's requests for information and additional disclosures and any other orders of the Court, recognizing that, in the course of these chapter 11 cases, there may be unforeseeable fees and expenses that will need to be addressed by the Committee and Willkie; (b) review all staffing plans and budgets to supervise Willkie's fees and expenses and to manage costs and, together with Willkie, make adjustments as may be necessary or appropriate; (c) review all applications for compensation and reimbursement of expenses submitted by Willkie to ensure that Willkie's fees and expenses are consistent with the budget, appropriate in scope and amount, and that there has been no unreasonable duplication by the Committee's other professionals.

7. The facts set forth in this Declaration are based upon my personal knowledge, my review of the relevant documents, and information provided to me or verified by Willkie. I am authorized to submit this Declaration on behalf of the Committee and, if called upon to testify, I would testify competently to the facts set forth herein.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States that the foregoing statements are true and correct.

PROFESSIONAL COMPENSATION

5. Willkie's hourly rates are set at a level designed to fairly compensate Willkie for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses. These hourly rates are based on a variety of factors, including seniority, distinction, and expertise in one's field, and are subject to periodic adjustments to reflect economic and other conditions.³ Willkie's standard hourly rates for services to be rendered in these chapter 11 cases will range as follows:

Billing Category	Current Hourly Range
Partners and Senior Counsel	\$1,950 to \$2,795
Associates, Other Attorneys, and Law Clerks	\$790 to \$1,850
Paraprofessionals	\$420 to \$680

³ As set forth in the Order, Willkie will provide ten (10) business days' notice to the Debtors and the U.S. Trustee before implementing any periodic hourly rate increases by filing such notice with the Court.

6. The hourly rates and corresponding rate structure that Willkie will use in these chapter 11 cases are the same as the hourly rates and rate structure that Willkie uses in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect the fact that such restructuring and other complex matters are typically national in scope and involve great complexity, high stakes, and severe time pressures. I believe that these rates, and the terms and conditions of Willkie's employment, are reasonable. Willkie intends to seek payment of 80% of its fees and 100% of its expenses on a monthly basis in accordance with any orders of the Court and the Fee Guidelines.

7. In addition to the hourly rates set forth above, Willkie customarily charges its clients for all actual out-of-pocket expenses incurred on the clients' behalf, including travel expenses, lodging, working meals and transportation, meal charges for business meetings, computer-assisted legal research, photocopying, facsimile transmissions, postage, printing, transcripts, filing fees, overnight courier expenses, messengers, and similar items. Willkie will seek to be reimbursed, subject to the Court's approval, for all actual out-of-pocket expenses incurred by Willkie on the Committee's behalf. All requests for reimbursement of expenses will be consistent with the Fee Guidelines.

8. No promises have been received by Willkie or any of its attorneys as to compensation in connection with these chapter 11 cases, other than in accordance with the provisions of the Bankruptcy Code. Neither Willkie nor any of its attorneys has any agreement with any other entity to share with such entity any compensation received by Willkie in connection with these chapter 11 cases.

DISINTERESTEDNESS AND DISCLOSURE OF CONNECTIONS

9. In order to ascertain Willkie’s “connections,” as that term is used in Bankruptcy Rule 2014, Willkie obtained an extensive (but not necessarily complete) list of interested parties and significant creditors (the “Potential Parties in Interest”) from counsel to the Debtors, a copy of which is attached hereto as **Schedule 1**.

10. The list of Potential Parties in Interest provided to Willkie by the Debtors comprised approximately 20,000 parties. A significant number of these entries fall within the “Contract Counterparties” and “Vendors” categories and are understood to be parties with de minimis connections in this case, such as individual retail operations that accepted payment using the Debtors’ products. Given the volume of the list and the burden and expense of analyzing conflicts reports for approximately 20,000 parties, Willkie—following conversations with the Office of the United States Trustee—employed the search methodology described below, which Willkie believes is reasonable and proportionate under the circumstances.

11. Under the supervision of attorneys in Willkie’s Restructuring group, an internal search in Willkie’s computerized conflict database was conducted to determine if Willkie (or any of its affiliates) currently represents or formerly represented any of the Potential Parties in Interest within the past three years, except as discussed below. Willkie also made inquiries to the partners responsible for open matters involving the Potential Parties in Interest or their affiliates to determine the nature of the work and any relationship to the Potential Parties in Interest.

12. Consistent with the approach discussed with the U.S. Trustee, Willkie did not run conflicts searches against the parties listed in the “Contract Counterparties” and “Vendors” categories. Such a fulsome conflicts analysis would be unduly burdensome to the estates and would not, in Willkie’s view, materially affect the disinterestedness analysis. To address the categories not individually searched, Willkie generated a list of its clients for fiscal years 2024,

2025, and 2026 that each accounted for one percent (1%) or more of Willkie’s annual revenue in the applicable year, and compared that list of significant clients against the Potential Parties in Interest, including the “Contract Counterparties” and “Vendors” categories. This comparison did not identify any client that is a Potential Party in Interest other than those otherwise disclosed on Schedule 2.

13. The following is a list of the categories of Potential Parties in Interest that Willkie searched:

Category
Debtors & Affiliates
Current and Former Officers and Directors
Current and Former Employees
Current Shareholders
Secured Creditors
Top Unsecured Creditors
Banks
Insurance Carriers
Benefits Providers
Contract Counterparties
Contractors
Vendors
Landlords
Parties to Capital Leases
Litigation Parties
Ordinary Course Professionals
Non-Debtor Bankruptcy Professionals
Other Professionals
Counsel to Board Subcommittee
Taxing and Regulatory Authorities
Utilities
UCC Lien Parties
Southern District of Texas Bankruptcy Judges and Staff
United States Trustee Office Employees

14. As described above, the “Contract Counterparties” and “Vendors” categories are reflected on Schedule 1 for completeness but were not individually searched. The remaining categories were searched in the manner described herein.

15. This search revealed that certain Potential Parties in Interest are or may be currently represented by Willkie. Current and past Willkie representations of Potential Parties in Interest are identified on the list attached to this Declaration as Schedule 2.⁴ To the best of my knowledge, Willkie has no connections with the Debtors, creditors, any other party in interest, their respective attorneys and accountants, the U.S. Trustee, or any person employed in the Office of the United States Trustee – Southern District of Texas except as set forth on Schedule 2. Based on the results of this search, and through direct inquiries with Willkie attorneys, Willkie determined that the representation of the Potential Parties in Interest disclosed on Schedule 2 hereto concerned matters in which such clients were not adverse to the Debtors, the Debtors’ estates, or the members of the Committee.

16. The status of entities identified as Potential Parties in Interest by the Debtors may have changed or could change during the pendency of these chapter 11 cases without Willkie’s knowledge. Willkie will periodically review its files during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. To the extent any party within a category not individually searched is later identified as material, or additional searches otherwise become warranted, Willkie will conduct such further searches and file a

⁴ As referenced in Schedule 2, (a) the term “current representation” means an entity listed as a client in Willkie’s conflicts search system in connection with an open matter to whom time was billed in 2023, 2024, 2025, or 2026, and (b) the term “past representation” means a client matter in Willkie’s conflicts search system to which time was billed in 2023, 2024, 2025, or 2026 but has now been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Willkie’s representation rather than its potential listing in Willkie’s conflicts search system. The list generated from Willkie’s conflicts search system is over-inclusive.

supplemental declaration as appropriate. If any new or relevant facts or relationships are discovered or arise, Willkie will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

SPECIFIC DISCLOSURES

17. As specifically set forth below and in the attached schedules, Willkie represents or has represented certain Potential Parties in Interest in matters unrelated to the Debtors and these chapter 11 cases; however, except as otherwise set forth herein, Willkie does not hold or represent any interest adverse to the Debtors' estates. Moreover, pursuant to section 1103(b) of the Bankruptcy Code, Willkie is not disqualified from acting as the Committee's counsel merely because it represents certain of the Potential Parties in Interest in matters unrelated to these chapter 11 cases. Willkie submits that it is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

18. Willkie represents, and has in the past represented, certain entities with respect to which Willkie is providing additional disclosures beyond those in **Schedule 2**.

19. Should the Committee decide to undertake any litigation against a client of Willkie, and Willkie does not have a conflicts waiver that permits Willkie to be adverse to such client in these chapter 11 cases, the Committee will retain and use separate conflicts counsel to prosecute such litigation.

20. For the avoidance of doubt, Willkie will not represent any parties other than the Committee in these chapter 11 cases, irrespective of whether such parties (including any additional interested parties that may be identified in the future) are Willkie clients.

21. Willkie attorneys⁵ have represented the official committee of unsecured creditors in the chapter 11 cases of *In re Avenger Flight Group, LLC*, Case No. 26-10183 (MFW) (Bankr. D. Del.); *In re Office Properties Income Trust*, Case No. 25-90530 (CML) (Bankr. S.D. Tex.); *In re Spirit Aviation Holdings, Inc.*, Case No. 25-11897 (SHL) (Bankr. S.D.N.Y.); *In re Sunnova Energy International, Inc.*, Case No. 25-90160 (ARP) (Bankr. S.D. Tex.); *In re Core Scientific, Inc.*, Case No. 22-90341 (CML) (Bankr. S.D. Tex.); *In re Digital Media Solutions, Inc.*, Case No. 24-90468 (ARP) (Bankr. S.D. Tex.); *In re Vertex Energy, Inc.*, Case No. 24-90507 (CML) (Bankr. S.D. S.D.N.Y.); *In re GOL Linhas Aéreas Inteligentes S.A.*, Case No. 24-10118 (MG) (Bankr. S.D.N.Y.); *In re Grupo Aeroméxico, S.A.B. de C.V.*, Case No. 20-11563 (SCC) (Bankr. S.D.N.Y.); *In re Avianca Holdings S.A.*, Case No. 20-11133 (MG) (Bankr. S.D.N.Y.); *In re SAS AB*, Case No. 22-10925 (MEW) (Bankr. S.D.N.Y.); *In re WOM S.A.*, Case No. 24-10628 (KBO) (Bankr. D. Del.); and *In re Energy Future Holdings Corp.*, Case No. 14-10979 (CSS) (Bankr. D. Del.), among many others.

22. No agreement or understanding exists between Willkie or any of its attorneys and any other entity to share with such entity any compensation received for services rendered in connection with these chapter 11 cases, other than as permitted by section 504 of the Bankruptcy Code, nor shall Willkie or any of its attorneys share or agree to share compensation received for services rendered in connection with these chapter 11 cases with any other entity, including any of Willkie's foreign affiliates, other than as permitted by section 504 of the Bankruptcy Code.

⁵ Willkie attorneys advised on certain of these matters while at prior firms.

23. Willkie will make all reasonable efforts not to duplicate the services rendered by any other professional retained by the Committee in these chapter 11 cases.

STATEMENT REGARDING U.S. TRUSTEE GUIDELINES

24. Willkie intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, the U.S. Trustee Guidelines, and any other applicable procedures and orders of the Court. The following information is provided in response to the request for additional information set forth in Paragraph D.1 of the U.S. Trustee Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: No.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the 12 months pre-petition, disclose your billing rates and material financial terms for the pre-petition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

Response: N/A.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: Willkie will prepare a proposed staffing plan and budget through August 31, 2026 to comply with the U.S. Trustee's requests for information and additional disclosures, and any other orders of the Court, recognizing that in the course of these chapter 11 cases there may be unforeseeable fees and

expenses that will need to be addressed by the Committee and Willkie.

AFFIRMATIVE STATEMENT OF DISINTERESTEDNESS

25. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) I believe that Willkie is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by sections 328 and 1103 of the Bankruptcy Code, and does not hold or represent any interest adverse to the Debtors, their estates, their creditors, or the Committee and the members thereof, and (b) Willkie has no connection to the Debtors, creditors, any other party in interest, their respective attorneys and accountants, the U.S. Trustee, any person employed in the Office of the United States Trustee – Southern District of Texas, or other parties-in-interest except as disclosed herein.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

¹ This list (and the categories contained herein) are for purposes of a conflicts check only and should not be relied upon by any party as a list of creditors or for any other purpose. As listing a party once allows Willkie's conflicts specialists to run a check on such party, Willkie has attempted to remove duplicate entries where possible. Accordingly, a party that otherwise would fall under multiple categories is likely to be listed under only one category.
