I. OVERVIEW OF THE PLAN**RECOMMENDATION BY THE DEBTORS**

It is the Debtors' opinion that confirmation and implementation of the Plan is in the best interests of the Debtors' Estates and their creditors. Therefore, the Debtors recommend that all creditors whose votes are being solicited submit a ballot to accept the Plan.

A. Introduction

The following is a brief overview of certain material provisions of the Plan. This overview is qualified by reference to the provisions of the Plan, which is attached hereto as Exhibit A, and the exhibits hereto, as amended from time to time. In the event that any inconsistency or conflict exists between this Disclosure Statement and the Plan, the terms of the Plan will control. The requirements for confirmation, including the vote of creditors entitled to vote on the Plan and certain of the statutory findings that must be made by the Bankruptcy Court for a plan to be confirmed, are set forth in Article I.F. Confirmation of the Plan and the occurrence of the Effective Date are subject to certain conditions, which are summarized in Article X. There is no assurance that these conditions will be satisfied or waived. At the Combined Hearing, the Bankruptcy Court will confirm the Plan only if all of the applicable requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation of a chapter 11 plan are that the plan: (1) is accepted by the requisite holders of claims or interests in impaired classes under the plan; (2) is in the "best interests" of each holder of a claim or interest in each impaired class under the plan; (3) is feasible; and (4) complies with the applicable provisions of the Bankruptcy Code. In this instance, only Holders of Claims in Classes 3B and 4 are entitled to vote to accept or reject the Plan. Because Classes 5, 6, and 7 will receive no distributions under the Plan, those Classes are deemed to reject the Plan. Because Classes 1, 2, and 3A are unimpaired, they are deemed to vote to accept the Plan. See Article I.F.5 for a discussion of the Bankruptcy Code's requirements for Plan confirmation.

B. The Plan

The Debtors filed for chapter 11 bankruptcy protection on March 17, 2025 (the "Petition Date"). Since the Petition Date, the Debtors have sold substantially all of their assets pursuant to section 363(b) and (f) of the Bankruptcy Code. The following phase of these Chapter 11 Cases is the confirmation and Consummation of the Plan, pursuant to which the Debtors will (1) wind-down the Debtors; (2) liquidate the Debtors' remaining assets after the consummation of the Sale Transactions, if any; and (3) make distributions to Holders of Allowed Claims as set forth in the Plan.

A chapter 11 bankruptcy case permits a debtor to resolve its affairs and distribute the proceeds of its estate pursuant to a confirmed chapter 11 plan. To that end, the Debtors filed the Plan, the terms of which are more fully described herein, contemporaneously with the filing of this Disclosure Statement. Because the Debtors have sold substantially all of their assets, and now seek to distribute the proceeds from those sales, the Plan is referred to as a "plan of liquidation." The primary objective of the Plan is to maximize the value of recoveries to Holders of Allowed Claims and to distribute all property of the Debtors' Estates that is or becomes available for

distribution in accordance with the Bankruptcy Code and the Plan. The Debtors assert that the Plan accomplishes this objective and is in the best interests of their Estates, and therefore seek to confirm the Plan. The Plan classifies Holders of Claims or Interests according to the type and nature of the Holder's Claim or Interest, as more fully described below.

The Plan designates the Classes of Claims against and Interests in the Debtors and specifies which Classes are (a) Impaired or Unimpaired by the Plan; (b) entitled to vote to accept or reject the Plan in accordance with section 1126 of the Bankruptcy Code; or (c) deemed to accept or reject the Plan. Claims against the Debtors and Interests in the Debtors are classified in ten separate Classes, as described herein.

C. The Adequacy of This Disclosure Statement

Before soliciting acceptances of a proposed chapter 11 plan, section 1125 of the Bankruptcy Code requires a plan proponent to prepare a written disclosure statement containing information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the plan. The Debtors are providing this Disclosure Statement in accordance with those requirements. This Disclosure Statement includes, without limitation, information about:

- the Plan, including a summary, the procedures for voting on the Plan and projected recoveries thereunder (Article I hereof);
- the statutory requirements for confirming the Plan (Article I.F hereof);
- the Debtors' organizational structure, business operations, and financial obligations (Article II hereof);
- the events leading to the filing of the Chapter 11 Cases (Article II.D hereof);
- the major events during these Chapter 11 Cases, including (i) significant pleadings filed in the Chapter 11 Cases, (ii) the Committee Settlement, and (iii) certain relief granted by the Bankruptcy Court (Article III hereof);
- certain risk factors that Holders of Claims should consider before voting to accept or reject the Plan (Article XV hereof);
- the classification and treatment of Claims or Interests under the Plan, including identification of the Holders of Claims entitled to vote on the Plan (Article IV hereof);
- the means for implementation of the Plan, the provisions governing distributions to certain Holders of Claims pursuant to the Plan, the procedures for resolving Disputed Claims and other significant aspects of the Plan (Articles V, VII, and VIII hereof);
- the releases contemplated by the Plan that are integral to the overall settlement of Claims pursuant to the Plan (Article XI hereof); and
- certain United States federal income tax consequences of the Plan (Article XVI hereof).

D. Summary of Classes and Treatment of Claims or Interests

The classification of Claims or Interests, the estimated aggregate amount of Claims in each Class, and the amount and nature of distributions to holders of Claims or Interests in each Class are summarized in the table below. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims have not been classified. For a discussion of certain additional matters related to Administrative Claims and Priority Tax Claims, see Article II.A of the Plan.

Each amount designated in the table below as “Estimated Percentage Recovery” for each Class is the quotient of the estimated Cash or other assets to be distributed to holders of Allowed Claims in that Class, divided by the estimated aggregate amount of Allowed Claims in that Class. In determining those amounts, the Debtors have assumed that the Plan is consummated as described herein.

For a discussion of various factors that could materially affect the amount of assets to be distributed pursuant to the Plan, see Article XV of this Disclosure Statement.

CLASS	CLAIM OR INTEREST	STATUS/ ENTITLED TO VOTE	ESTIMATED ALLOWED CLAIMS	ESTIMATED RECOVERY (%)
Class 1	Other Secured Claims	Unimpaired Deemed to Accept the Plan. Not Entitled to Vote.	\$452,131	100%
Class 2	Other Priority Claims	Unimpaired Deemed to Accept the Plan. Not Entitled to Vote.	N/A	100%

Class 3A	Library Debtors General Unsecured Claims	Unimpaired Deemed to Accept the Plan. Not Entitled to Vote.	\$119,292,360 ³	100%
Class 3B	Non-Library Debtors General Unsecured Claims	Impaired Entitled to Vote.	\$8,579,606	85%

Class 5	Intercompany Claims	Impaired Deemed to Reject the Plan. Not Entitled to Vote.	N/A	0.0%
Class 6	Existing Equity Interests	Impaired Deemed to Reject the Plan. Not Entitled to Vote.	N/A	0.0%
Class 7	Intercompany Interests	Impaired Deemed to Reject the Plan. Not Entitled to Vote.	N/A	0.0%

³ The estimated amount of Allowed Library Debtors Unsecured Claims assumes that the Warner Bros. Claims are Allowed in full.

⁴ The low end of the estimated recovery for Holders of Allowed Senior Secured Notes Claims assumes that the Warner Bros. Claims are Allowed in full. The high end of the estimated recovery for Holders of Allowed Senior Secured Notes Claims assumes that the Warner Bros. Claims are \$0.

E. Solicitation Package

The package of materials (the “Solicitation Package”) to be sent to Holders of Claims on the Plan will contain:

- a notice of the Combined Hearing;
- for Holders of Claims in the Classes eligible to vote (the “Voting Classes”), an appropriate form of Ballot, instructions on how to complete the Ballot, a pre-paid, preaddressed Ballot return envelope, and such other materials as the Bankruptcy Court may direct;
- for Holders of Claims or Interests in Classes 1, 2, 3A, 5, and 7, the form of Notice of Non-Voting Package;
- Committee Letter; and
- any other documents that the Bankruptcy Court directs to be included in the Solicitation Package.

The Debtors will cause the Notice and Claims Agent to complete the distribution of the Solicitation Packages to Holders of Claims in the Voting Classes within two (2) Business Days after entry of the Disclosure Statement Order.

The Solicitation Package may also be obtained free of charge from the Notice and Claims Agent by: (1) visiting <https://www.veritaglobal.net/vreg>; (2) emailing the Notice and Claims Agent at vreginfo@veritaglobal.com; or (3) calling (866) 526-6865 (U.S./Canada) or (781) 575-2076 (International).

F. Voting and Confirmation of the Plan

The Disclosure Statement Order, among other things, (1) conditionally approved this Disclosure Statement pursuant to section 1125 of the Bankruptcy Code for solicitation purposes, and (2) established Plan voting tabulation procedures, which include certain vote tabulation rules that temporarily allow or disallow Claims for voting purposes pursuant to section 502 of the Bankruptcy Code and Bankruptcy Rule 3018.

1. Certain Factors to be Considered Prior to Voting

There are a variety of factors that all Holders of Claims entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan, including:

- the financial information contained in this Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and this Disclosure Statement;

- although the Debtors assert that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan; and
- any delays of either the Confirmation Date or Consummation could result in, among other things, increased Administrative Claims or Professional Fee Claims that would likely reduce the recoveries to the Holders of Claims and Interests, if any.

2. Voting Procedures and Requirements

Pursuant to the Bankruptcy Code, only classes of claims against or equity interests in a debtor that are “impaired” under the terms of a plan of liquidation or reorganization are entitled to vote to accept or reject a plan. A class is “impaired” if the legal, equitable or contractual rights attaching to the claims or interests of that class are modified, other than by curing defaults and reinstating maturity. Classes of Claims or Interests that are not impaired are not entitled to vote on the Plan and are conclusively presumed to have accepted the Plan. In addition, Classes of Claims or Interests that do not receive distributions under the Plan are not entitled to vote on the Plan and are deemed to have rejected the Plan. The classification of Claims or Interests is summarized, together with an indication of whether each Class of Claims or Interests is impaired or unimpaired, in Article I.D. February 18, 2026 is the voting record date (the “Voting Record Date”) for purposes of determining which Holders of Filed or scheduled Claims in Classes 3B and 4 are entitled to receive a Solicitation Package.

Voting on the Plan by each Holder of a Claim in Classes 3B and 4 is important. Please carefully follow all of the instructions contained on the Ballot(s) provided to you. All Ballots must be completed and returned in accordance with the instructions provided. To be counted, your Ballot or Ballots must be received by the Voting Deadline at the address set forth on the preaddressed envelope provided to you.

If you are entitled to vote and you did not receive a Ballot, received a damaged Ballot or lost your Ballot, please call or email the Debtors’ voting agent, Kurtzman Carson Consultants, LLC dba Verita Global (the “Voting Agent”), at (866) 526-6865 (U.S./Canada) or (781) 575-2076 (International) or vreginfo@veritaglobal.com. Also, this Disclosure Statement, the Plan and all of the related exhibits and schedules are available, without charge, to any party in interest at <https://www.veritaglobal.net/vreg>.

3. Plan Objection Deadline

The deadline to file objections to the confirmation of the Plan (the “Confirmation Objections”) is March 27, 2026 at 4:00 p.m. (prevailing Eastern Time) (the “Objection Deadline”). All Confirmation Objections must be in writing and must specify in detail the name and address

of the objector, all grounds for the objection, and the amount of the Claim or Interest held by the objector. Any Confirmation Objection must be filed with the Bankruptcy Court and served on the Debtors, the official committee of unsecured creditors appointed in these Chapter 11 Cases (the “Committee”) and the Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”), and certain other parties in interest in accordance with the Disclosure Statement Order on or before the Objection Deadline.

4. Combined Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after notice, to hold a hearing on confirmation of the Plan. Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan. On January 29, 2026, the Debtors filed a motion requesting that the Bankruptcy Court conditionally approve this Disclosure Statement for purposes of solicitation, and set the Combined Hearing to approve this Disclosure Statement on a final basis and confirm the Plan. The Bankruptcy Court has set the Combined Hearing on April 16, 2026, at 10:00 a.m. (prevailing Eastern time), before the Honorable Thomas M. Horan, United States Bankruptcy Judge, at the United States Bankruptcy Court for the District of Delaware, 824 Market ST N, 3rd Floor, Wilmington, Delaware 19801.

The Combined Hearing may be conducted virtually, with access instructions filed on the Bankruptcy Court’s docket in these Chapter 11 Cases, or in-person. The Combined Hearing may be continued from time to time without further notice other than an adjournment announced in open court or a notice of adjournment filed with the Bankruptcy Court and served on the Entities who have filed Confirmation Objections, without further notice to other parties in interest. The Bankruptcy Court, in its discretion and before the Confirmation Hearing, may put in place additional procedures governing the Combined Hearing. The Plan may be modified in accordance with its terms, if necessary, before, during or as a result of the Combined Hearing, without further notice to parties in interest.

5. Confirmation

To confirm the Plan, the Bankruptcy Code requires that the Bankruptcy Court make a series of findings concerning the Plan and the Debtors, including that:⁵

- the Plan has classified Claims and Interests in a permissible manner;
- the Plan complies with the applicable provisions of the Bankruptcy Code;
- the Debtors have complied with the applicable provisions of the Bankruptcy Code;
- the Debtors, as proponents of the Plan, have proposed the Plan in good faith and not by any means forbidden by law;

⁵ The descriptions contained herein are only a summary of certain confirmation requirements; they are not exhaustive of all confirmation requirements and should not be construed as such.

- the disclosure required by section 1125 of the Bankruptcy Code has been made;
- the Plan has been accepted by the requisite votes, except to the extent that cramdown is available under section 1129(b) of the Bankruptcy Code, of creditors and equity interest holders;
- the Plan is feasible;
- all Statutory Fees due and owing have been paid or the Plan provides for the payment thereof on the Effective Date; and
- the Plan is in the “best interests” of all Holders of Claims or Interests in an impaired Class by providing to those Holders on account of their Claims or Interests property of a value, as of the Effective Date, that is not less than the amount that each Holder would receive or retain in a chapter 7 liquidation, unless each Holder of a Claim or Interest in that Class has accepted the Plan.

6. Acceptance

A Plan is accepted by an impaired class of Claims if Holders of at least two-thirds in dollar amount and a majority in number of Claims of that Class vote to accept the Plan. Only those Holders of Claims who actually vote (and are entitled to vote) to accept or to reject a Plan count in this tabulation.

7. Feasibility

Section 1129(a)(11) of the Bankruptcy Code requires that confirmation of a plan will not likely be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor (unless liquidation or reorganization is proposed in the Plan). Because the Plan proposes a liquidation of all of the Debtors’ assets, for purposes of this test the Debtors have analyzed the ability of the Liquidation Trustee to meet its obligations under the Plan. Based on the Debtors’ analysis, regarding recoveries available to Holders of Allowed Claims under the Plan, the Liquidation Trustee is expected to have sufficient assets to accomplish its tasks under the Plan. Therefore, the Debtors have determined that their liquidation pursuant to the Plan will meet the feasibility requirements of the Bankruptcy Code.

8. Best Interests Test; Liquidation Analysis

Notwithstanding acceptance of the Plan by each impaired Class, to confirm the Plan, the Bankruptcy Court must determine that the Plan is in the best interests of each Holder of a Claim or Interest in any impaired Class who has not voted to accept the Plan. Accordingly, if an impaired Class does not unanimously accept the Plan, the “best interests” test requires that the Bankruptcy Court find that the Plan provides to each member of that impaired Class a recovery on account of the Holder’s Claim or Interest that has a value, as of the Effective Date, at least equal to the value of the distribution that the Holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on the Effective Date.

Because the Plan proposes a liquidation of all the Debtors' assets, the Debtors have analyzed factors that will impact recoveries (the "Recoveries") available to creditors in each scenario. These factors include professionals' fees and expenses, asset disposition expenses, applicable taxes, potential Claims arising during the pendency of the Plan or chapter 7 case and trustee fees and expenses. In addition, the Committee Settlement, which guarantees an 85% recovery on account of Allowed Class 3B Claims, would not be available to Holders of such Claims in a chapter 7 case.

In summary, the Debtors have determined that a chapter 7 liquidation would result in diminution in the Recoveries to be realized by Holders of Allowed Claims, as compared to the proposed distributions under the Plan. Consequently, the Debtors have determined that the Plan will provide a greater ultimate return to Holders of Allowed Claims than would a chapter 7 liquidation of the Debtors.

9. Compliance with Applicable Provisions of the Bankruptcy Code

Section 1129(a)(1) of the Bankruptcy Code requires that the Plan comply with the applicable provisions of the Bankruptcy Code. The Debtors considered each of these issues in the development of the Plan and have determined that the Plan complies with all provisions of the Bankruptcy Code.

10. Alternatives to Confirmation and Consummation of the Plan

The Debtors evaluated alternatives to the Plan, including alternative structures and terms of the Plan. While the Debtors concluded that the Plan is the best alternative and will maximize recoveries by Holders of Allowed Claims, if the Plan is not confirmed, the Debtors, or (subject to the Debtors' exclusive periods under the Bankruptcy Code to file and solicit acceptances of a plan or plans) any other party in interest in these Chapter 11 Cases could attempt to formulate and propose a different plan. Further, if no plan under chapter 11 of the Bankruptcy Code can be confirmed, these Chapter 11 Cases may be converted to chapter 7 cases. In liquidation cases under chapter 7 of the Bankruptcy Code, a trustee would be appointed to liquidate the remaining assets of the Debtors and distribute proceeds to creditors. The proceeds of the liquidation would be distributed to the respective creditors of the Debtors in accordance with the priorities established by the Bankruptcy Code. For further discussion of the potential impact on the Debtors of the conversion of these Chapter 11 Cases to chapter 7 liquidation, see Article XV.A of this Disclosure Statement. The Debtors have determined that confirmation and Consummation of the Plan is preferable to the available alternatives.

G. **Releases by the Debtors Set Forth in the Plan**

Article XI.B of the Plan provides that each Released Party is deemed released by the Debtors and their Estates from any and all claims and Causes of Action except as set forth therein. The Debtors have determined that applicable law and the facts support those releases and that the Bankruptcy Court can and should approve them. **The Plan provides that any Holder of a Claim who returns a Ballot and either (a) votes to accept the Plan, or (b) does not vote to accept the Plan and does not opt-out of being a Releasing Party, will be bound by the Third-Party Releases set forth in Article XI of the Plan.**

II. HISTORY OF THE DEBTORS

A. The Debtors' Corporate Structure and Ownership

Debtor Village Roadshow Entertainment Group (BVI) Limited (“VREG-BVI”) is the parent holding company and the direct or indirect controlling member and/or shareholder of its Debtor subsidiaries. An organizational chart of the Company is set forth below.

VREG-BVI is a limited liability company incorporated in the British Virgin Islands and has 60,000,000 shares of common stock issued and outstanding as of the Petition Date. The stockholders in VREG-BVI are Vine Media Opportunities – Fund III, LP, Vine Media Opportunities – Fund III-A, LP, Vine Media Opportunities – Fund III-B, LP, Vine Westcon SPV, LP, 1397225 Ontario Limited, Falcon Strategic Partners IV LP, and Village Roadshow Pictures International Pty Ltd.

B. Debtors' Prepetition Business Operations

The Company is a leading independent producer and financier of major Hollywood motion pictures, having produced and released over 100 films since its inception in 1997. The Company has had worldwide blockbusters such as *Joker*, *The Great Gatsby*, the *Ocean's* franchise, *Sully*, *The LEGO Movie*, and the original *Matrix* trilogy, to name a few. The Company's numerous critically acclaimed and commercially successful films have garnered significant income and recognition, including over \$19 billion worldwide box office receipts, 34 #1 U.S. box office openings, 19 Academy Awards, and 6 Golden Globes.

As detailed more fully in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs; and (II) Granting Related Relief* [Docket No. 8], as of the Petition Date, the Debtors employed two executives and three at-will administrative professionals in the United States, and six financial professionals in Australia.

As a market-leading entertainment organization, the Company's affairs are complex. As of the Petition Date, the Debtors operated several different entities that were attached to two separate debt structures. The Company's primary assets are contractual rights and intellectual property related to motion picture films and television series.

1. The Library Assets

Prior to a change in ownership structure in 2017, the Company was almost exclusively engaged in the co-financing and co-production of studio motion pictures. Since its establishment in 1998, the Company co-financed and co-produced a library of 108 motion picture films (collectively, the "Pictures"). This business was incredibly profitable and allowed the Company to achieve commercial success on a consistent basis. The Company co-financed and co-produced the Pictures with various studio partners, including Sony and Paramount, but the majority of the Pictures (91) were developed through co-financing and co-production agreements between the Company and Warner Bros. The Company's interests in the Pictures were the Company's primary assets, which included an undivided interest in the relevant percentage of the intellectual property, including an undivided interest in the relevant percentage in domestic distribution rights, foreign distribution rights, and global distribution rights (together, the "Distribution Rights"), cash flows, and other property related to the Pictures (collectively, the "Library Assets"). As of the Petition Date, the Library Assets generated revenue of approximately \$50 million per year.

2. The Derivative Rights Assets

For a substantial majority of the Pictures, the Company also owns a specific ownership share of the exclusive intellectual property right to create and exploit remakes, sequels, prequels, series, spin-offs, and other derivative works based on the Pictures and the characters therein (the "Derivative Rights"). The Company co-owns the Derivative Rights with the applicable studio partners that the Company co-financed the underlying Picture with. For each Picture in which the Company owns a share of the Derivative Rights, the Company and the applicable studio partner entered into film-specific "co-ownership" agreements governing the parties' respective rights and obligations with respect to the co-ownership and exploitation of the Derivative Rights in the

relevant Pictures (collectively, the “Derivative Rights Agreements,” and together with the Derivative Rights, the “Derivative Rights Assets”). Historically, the Derivative Rights Assets brought significant value to the Company and strengthened lucrative business relationships with studio partners.

3. The Studio Business

From 2018 to 2020, following a shift in the Company’s ownership structure and management, the Company expanded its business model and dedicated a meaningful portion of its resources to the development and production of independent films and scripted and television series (the “Studio Business”). The goal of the Studio Business was for the Company to create content independently and without the need for studio partners, including films, scripted television series, and unscripted television programs (including documentaries and game shows). The Company sought to establish itself in the market as a full service shop, offering idea creation through development partnership with certain labels, writers, and talent, and a support staff that included various professionals, from business administration to marketing and distribution. To build the Studio Business, the Company invested significant capital into talent deals and writing contracts, hired additional employees and creative teams, and directly funded the development and production of new projects.

From 2018 to the Petition Date, the Company invested in the development of 99 feature films, 67 unscripted television series, and 166 scripted television series in connection with the Studio Business. Of those projects, six feature films, five unscripted television series, and two scripted television series proceeded to the production phase. While the Studio Business did not result in the production of any profitable projects, it did generate certain valuable intellectual property and contractual rights.

C. **The Debtors’ Prepetition Capital Structure**

As of the Petition Date, the Debtors had an aggregate principal amount of approximately \$386,895,702.13 in funded debt obligations, consisting of the ABS Facility and the Senior Secured Notes (each as defined below and, together, the “Prepetition Secured Debt Facilities”), as summarized below:

Funded Debt Facility	Approximate Principal Amount Outstanding as of the Petition Date
Senior Secured Notes	\$163,075,096.60
ABS Facility	\$223,820,605.53
TOTAL:	\$386,895,702.13

1. The Senior Secured Notes

As of the Petition Date, certain of the Debtors had outstanding secured debt obligations in the aggregate outstanding principal amount of approximately \$163,075,096.60 arising under

senior secured notes (the “Senior Secured Notes”) issued pursuant to that certain *Fifth Amended and Restated Note Purchase Agreement* dated as of January 21, 2025 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “Prepetition Senior Secured Notes Agreement”), by and among VREG-BVI, as borrower, the subsidiary guarantors referred to therein⁶ (the “Subsidiary Guarantors,” and together with VREG-BVI, the “Notes Debtors”), the noteholders listed therein (the “Prepetition Senior Secured Noteholders”), and Wilmington Savings Fund Society, FSB, as collateral agent (the “Prepetition Senior Secured Notes Collateral Agent,” and together with the Prepetition Senior Secured Noteholders, the “Prepetition Senior Secured Notes Parties”).

Pursuant to the Prepetition Senior Secured Notes Agreement and the other security and credit documents related thereto (collectively, the “Prepetition Senior Secured Notes Credit Documents”), the obligations of the Notes Debtors under the Senior Secured Notes (the “Prepetition Senior Secured Notes Obligations”) are secured on first-priority basis by liens (the “Prepetition Senior Secured Notes Liens”) on substantially all of the assets of the Notes Debtors (the “Senior Notes Collateral”). The Senior Notes Collateral includes the Debtors’ Derivative Rights Assets and Studio Business assets. The Senior Secured Notes are further secured by a senior pledge of the equity interests of each of (a) the Subsidiary Guarantors, (b) Village Roadshow Distribution (BVI) Limited (“VRD-BVI”), (c) Village Roadshow Productions (BVI) Limited (“VRP-BVI”), (d) Village Roadshow Film Management Pty Ltd (“VRFAM”), and (e) Village Roadshow Distribution USA Inc. (“VRD-USA”).

The most recent amendment and restatement of the Prepetition Senior Secured Notes Agreement, which was entered into on January 21, 2025, extended certain maturity dates under that certain *Fourth Amended and Restated Note Purchase Agreement* and allowed the Notes Debtors to issue additional Senior Secured Notes in the aggregate principal amount of approximately \$5,786,104.96 (the “Bridge Notes”). The aggregate principal amount outstanding on account of the Senior Secured Notes as of the Petition Date—\$163,075,096.60—was inclusive of the \$5,786,104.96 amount on account of the Bridge Notes.

2. The ABS Facility

As of the Petition Date, certain of the Debtors had outstanding secured debt obligations in the aggregate outstanding principal amount of approximately \$223,820,605.53 arising under asset-backed secured notes (the “ABS Facility”) issued pursuant to that certain *Base Indenture*, dated as of November 10, 2020 (the “Base Indenture”), by and among Debtors VR Funding LLC (“VR Funding”) and VR Films Holdings (BVI) Limited (“VRFH-BVI”), as parent co-issuers (together, the “Parent Co-Issuers”) and U.S. Bank National Association, as trustee (the “ABS Trustee,” and together with the Prepetition Senior Secured Notes Collateral Agent, the “Prepetition Agents”), as supplemented by that certain Group A Supplement, dated as of November 10, 2020 (the “Group A Supplement”), among the Parent Co-Issuers, Debtor Village Roadshow Films (BVI) Limited (“VRF-BVI”), Debtor Village Roadshow Films North America Inc. (“VRFNA”), Debtor Village

⁶ The Subsidiary Guarantors under the Senior Secured Notes are Crescent Film Holdings Limited, Village Roadshow Entertainment Group USA Inc., Village Roadshow Pictures Entertainment Inc., Village Roadshow Holdings USA Inc., VREG IP Global LLC, VREG WW IP Global LLC, VREG MM2 IP Global LLC, VREG J2 Global LLC, and VREG OP Global LLC.

Roadshow Films Global Inc. (“VRFG”), and Debtor Village Roadshow VS Films LLC (“VRVS Films”), as subsidiary co-issuers (collectively, the “Group A Subsidiary Co-Issuers,” and together with the Parent Co-Issuers, the “ABS Co-Issuers”) and the ABS Trustee, as further supplemented by the Series 2020-1 Supplement, dated as of November 10, 2020 (the “Series Supplement,” together with the Base Indenture and the Group A Supplement, and as amended, supplemented, or otherwise modified from time to time, the “Prepetition ABS Agreement”), among the ABS Co-Issuers and the ABS Trustee.

Pursuant to the Prepetition ABS Agreement and the other security and credit documents related thereto (collectively, the “Prepetition ABS Credit Documents,” and together with the Prepetition Senior Secured Notes Credit Documents, the “Prepetition Credit Documents”), the obligations of the ABS Co-Issuers under the ABS Facility (the “Prepetition ABS Obligations,” and together with the Prepetition Senior Secured Notes Obligations, the “Prepetition Obligations”) were secured on a first-priority basis by liens (the “Prepetition ABS Liens,” and together with the Prepetition Senior Secured Notes Liens, the “Prepetition Liens”), in favor of the ABS Trustee and for the benefit of the noteholders under the Prepetition ABS Agreement (the “ABS Noteholders,” together with the ABS Trustee, the “Prepetition ABS Secured Parties,” and the Prepetition ABS Secured Parties and the Prepetition Senior Secured Notes Parties, collectively, the “Prepetition Secured Parties”) on substantially all of the assets of the ABS Co-Issuers (the “ABS Collateral,” and together with the Senior Secured Notes Collateral, the “Prepetition Collateral”), including the Debtors’ Library Assets.

D. Events Leading to these Chapter 11 Cases

In the years leading up to the Petition Date, a confluence of macro-economic factors weighed heavily on the Company’s balance sheet, including: the COVID pandemic disrupting the entertainment industry at large; the 2023 writers’ and actors’ strikes delaying production and increasing cost; and “streaming wars” and alternate viewing methods challenging business models across the board. The bulk of the Company’s liquidity crisis, however, stemmed from costly litigation with the Company’s most significant business partner and the lack of return on the Company’s significant investment in the Studio Business.

As set forth in more detail below, these circumstances required the Company to begin exploring strategic alternatives to address its go-forward liquidity position. The Company also engaged advisors to assist with these efforts. After exploring various potential pathways, the Company, with the assistance of its advisors, ultimately determined to file these Chapter 11 Cases in an effort to maximize the value of its assets and operations for the benefit of its creditors and all parties in interest.

1. The Warner Bros. Arbitration

The Company historically enjoyed a prolific business relationship with Warner Bros. Entertainment Inc. and its affiliates (collectively, “Warner Bros.”), which included the co-production, co-financing, and co-ownership of 91 motion picture properties, including the original *Matrix* trilogy. In February 2022, Warner Bros. initiated arbitration proceedings against the Company, asserting breach of contract claims alleging that the Company was contractually obligated to pay its co-financing share of *The Matrix Resurrections* (the “Matrix Arbitration”).

The Company filed counterclaims against Warner in the Matrix Arbitration related to Warner Bros.' decision to release *The Matrix Resurrections* day-and-date on HBO Max. Also in February 2022, Warner Bros. filed a separate arbitration demand seeking a declaratory judgment that Warner Bros. was not required to offer the Company the opportunity to participate in co-financing a separate film project, *Wonka*, and that the Company's right to participate in derivative works of certain other Pictures was subject to the same limitations (the "Wonka Arbitration"). The Company filed counterclaims against Warner in the Wonka Arbitration seeking a declaratory judgment that the Company was entitled to participate in co-financing *Wonka* and that the limitations alleged by Warner did not apply to certain other Pictures.

2. The Studio Business

In 2018, the Company's management began focusing the majority of its working capital on the development of the Studio Business, with the goals of creating independently developed and owned films, scripted television series and unscripted television programs (including documentaries and game shows). The Company spent approximately \$47.5 million on development expenses for projects that either were developed and never produced or if produced, never became profitable.

While the Company did achieve certain creative success and independently produced some media content, including six full-length movies, five unscripted television programs (including two seasons of a game show), and two scripted television series, no production from the Studio Business resulted in profits needed to make the venture sustainable. Though the Company's investment in the Studio Business did generate certain valuable intellectual property and contractual rights, significant liability attached due to unpaid contracts, such as those with writers and consultants. Without net positive results, the Company was unable to raise additional capital to continue to fund the Studio Business. The Company's inability to satisfy obligations in connection with certain Studio Business projects had a detrimental impact on its reputation in the entertainment industry and led to the Company being placed on the Writers' Guild strike list.

3. Prepetition Restructuring Efforts

In early 2024, the Company's board of directors (the "Board") recognized that the Company's financial condition was untenable and engaged Goldman Sachs Group, Inc. ("Goldman") as investment banker to run an out-of-court marketing and sale process for substantially all of the Company's assets. In February 2024, the Company also engaged Accordion Partners, LLC ("Accordion") as restructuring advisor to advise the Company on cost reduction efforts and various strategic alternatives. Immediately following its engagement, Accordion advised the Company to take several proactive steps to mitigate the stress on its balance sheet, including pausing all Studio Business development efforts, discontinuing discretionary spending, and streamlining the Company's workforce to reduce overhead costs on a go-forward basis.

During the first half of 2024, Goldman marketed a sale of the equity in the Company, seeking to sell the business as a going concern. While the Company received meaningful interest and entered exclusivity with a potential purchaser, uncertainty surrounding the arbitration with Warner Bros. ultimately stifled the Company's ability to close the transaction. Thereafter, Goldman continued to market the Company and its assets to a broad array of potential purchasers.

Following negotiations with potential purchasers, it became evident that the Company would likely receive the highest value for its assets by separating them into three business segments: the Library Assets, the Derivative Rights, and the Studio Business.

Despite significant efforts, the Company was unable to close a sale transaction before the financial distress it faced became dire. On December 10, 2024, the Company engaged Sheppard, Mullin, Richter & Hampton LLP (“Sheppard Mullin”) as legal counsel to advise on potential out-of-court and in-court restructuring options. On February 3, 2025, the Company engaged Solic Capital Advisors, LLC (“Solic”) to replace Goldman as investment banker and continue the Company’s marketing and sale efforts through a potential chapter 11 process. The Board also appointed a special committee on January 20, 2025 to determine additional cost-cutting measures, hire professionals, negotiate any future financing proposals, and approve any sale transactions. The Company negotiated with certain of its existing Prepetition Senior Secured Noteholders and obtained the Bridge Facility on January 21, 2025, which provided a cash runway for the Company to further pursue a potential sale transaction.

In February 2025, it became clear that two purchasers were at the forefront of a potential deal for the sale of the Library Assets. During this period, the Company introduced a dual track approach to both transactions: out-of-court, or through a chapter 11 process, which the Company could pursue at its sole discretion after evaluating the best path forward. Ultimately, the Company decided that a sale (or sales) pursuant to Section 363 of the Bankruptcy Code would maximize the value of the Library Assets as well as the Derivative Rights Assets and the Studio Business. On March 14, 2025, following extensive good-faith negotiations with the potential purchasers, the Company determined, in the exercise of its business judgment, to execute a stalking horse asset purchase agreement (the “CP Stalking Horse APA”) with CP Ventura LLC (“CP”), which provided for a base purchase price in the amount of \$365 million for the Library Assets.

III. EVENTS DURING CHAPTER 11 CASE

A. First Day Motions

On the Petition Date, the Debtors filed various first-day motions (the “First Day Motions”) for the purpose of stabilizing the Debtors’ business operations as they transitioned into chapter 11. These First Day Motions requested, among other things, authority to:

B. Second Day Motions

On or around March 28, 2025, March 31, 2025, April 4, 2025, and April 10, 2025, as applicable, the Debtors filed a number of motions and other pleadings (collectively the “Second Day Motions”) to ensure the preservation of value of the Debtors’ assets through the Chapter 11 Cases. These Second Day Motions requested, among other things, authority to:

The relief sought in the Second Day Motions was granted on a final basis, as applicable, on April 15, 2025, April 16, 2025, April 17, 2025, April 28, 2025, and April 29, 2025.

C. Committee Appointment

On March 27, 2025, the U.S. Trustee filed the *Notice of Appointment of Committee of Unsecured Creditors* [Docket No. 103] (the “Committee Appointment Notice”), appointing 10100 Santa Monica, Inc. and McGuffin Entertainment Media, Inc. to the Committee pursuant to 11 U.S.C. § 1102(a)(1). On April 1, 2025, the U.S. Trustee filed the *Amended Notice of Appointment of Committee of Unsecured Creditors* [Docket No. 123], which amended the Committee Appointment Notice to include Vanessa McCarthy as an additional member of the Committee.

On April 3, 2025, counsel for the Committee, Pachulski Stang Ziehl & Jones LLP (“Pachulski”), filed a notice of appearance and request for notices [Docket No. 128] on behalf of the Committee. The Bankruptcy Court approved the Committee’s retention of Pachulski on May 22, 2025 [Docket No. 392]. The Bankruptcy Court also approved the Committee’s retention of its financial adviser, Dundon Advisers LLC, on May 22, 2025 [Docket No. 395].

D. Approval of the DIP

On the Petition Date, the Debtors executed a debtor-in-possession financing facility with the DIP Lenders, which the Bankruptcy Court approved on an interim basis on March 19, 2025 and on a final basis on April 24, 2025. *See* Docket Nos. 69 and 280. Pursuant to the DIP Facility, the DIP Lenders agreed to provide additional liquidity to the Debtors, to, among other things, conduct and complete the prepetition marketing process. The Debtors and their advisors actively negotiated the terms and provisions of the DIP Facility leading up to the Petition Date and pushed back on the material terms of the proposed financing, including the economics and covenants. In addition, the Debtors and their advisors assessed the market to determine whether any alternative financing would be available on better terms than that offered by the DIP Lenders. No better financing presented itself.

The DIP Facility was comprised of, among other things, (a) a new money commitment in the amount of \$7,000,000, of which \$500,000 was made available upon entry of the Interim DIP Order and an additional \$6,500,000 was made available upon entry of the Final DIP Order, and (b) pursuant to the Final DIP Order, a “roll-up” component in the amount of \$5,786,104.96, on a cashless, dollar-for-dollar basis, of the Debtors’ outstanding obligations with respect to the Bridge Notes. The DIP Facility was secured by liens on the DIP Collateral in favor of the DIP Secured Parties.

As part of a resolution reached with Warner Bros. with respect to Warner Bros.’ objection to the DIP Facility, the Debtors and Warner Bros. stipulated to a modification of the automatic stay to allow Warner Bros. to proceed with the Matrix Arbitration. The Court approved this stipulation on June 18, 2025. *See* Docket No. 545.

E. Approval of the Bid Procedures and the Stalking Horse Bidder

On the Petition Date, the Debtors filed a motion [Docket No. 11] (the “Bid Procedures and Sale Motion”) seeking entry of (a) an order, (the “Bid Procedures Order”), (i) authorizing and approving bid procedures (the “Bid Procedures”), in connection with one or more sales or dispositions (collectively, the “Sale”) of the Debtors’ Assets, (ii) authorizing and approving the Debtors’ entry into and performance under the CP Stalking Horse APA, subject to higher or

otherwise better bids submitted in accordance with the Bid Procedures, (iii) authorizing and approving certain stalking horse bid protections provided to CP in accordance with the terms and conditions set forth in the CP Stalking Horse APA and the Bid Procedures, (iv) establishing certain dates and deadlines in connection with the sale process for the Assets, including scheduling an auction (the “Auction”), if necessary, in accordance with the Bid Procedures, and the hearing with respect to the approval of the Sale (the “Sale Hearing”), (v) approving the form and manner of notice of the Auction, if any, the Sale, and the Sale Hearing, (vi) approving procedures for the assumption and assignment of certain executory contracts and unexpired leases in connection with the Sale (the “Assumption and Assignment Procedures”) and solely with respect to Warner Bros., the Warner Bros. Assumption and Assignment Procedures, and approving the form and manner of notice thereof, and (vii) granting related relief; and (b) one or more orders (each, a “Sale Order”), (i) authorizing and approving the Sale of the Debtors’ Assets to the Stalking Horse Bidder or otherwise Successful Bidder(s), as applicable, free and clear of all liens, claims, interests, and encumbrances to the extent set forth in the Stalking Horse APA or the asset purchase agreement with the otherwise Successful Bidder, as applicable (the “APA”), (ii) the assumption and assignment of the Assumed Contracts as set forth in the applicable APA, and (iii) granting related relief.

Shortly after commencing these Chapter 11 Cases, Solic launched the postpetition marketing process. This process was designed to build upon the prepetition efforts by marketing the Debtors’ assets to an even broader group of potential buyers, which included the parties who were contacted prepetition and additional parties identified by the Debtors and their advisors. The expanded process included strategic and financial parties as well as distress-oriented investors who may be interested in the Debtors’ intellectual property and fixed assets. As a result, the Debtors and their advisors increased the total pool of potential purchasers and the information available to such potential purchasers postpetition, all in an effort to maximize value for the Debtors’ estates.

On April 3, 2025, the Debtors received a letter proposal from Alcon Media Group, LLC (“Alcon”) setting forth a bid for the Library Assets, contingent upon being the new stalking horse bidder. While the Debtors were not previously soliciting bids for a replacement stalking horse bidder for the Library Assets, the Debtors and Alcon engaged in good-faith, arms-length negotiations, which resulted in Alcon submitting an asset purchase agreement to the Debtors on April 7, 2025, on terms very similar to the initial CP Stalking Horse APA, but with an increased purchase price, no break-up fee, and an identical expense reimbursement of \$2 million. The Debtors, prepared to accept the bid from Alcon in the exercise of their business judgment and following Board approval, notified CP of Alcon’s bid. On April 11, 2025, CP raised their bid for the Library Assets, topping Alcon’s bid. The Debtors sought further approval from the Board to accept CP’s revised stalking horse bid on April 12, 2025, and notified Alcon of the same. On April 13, 2025, Alcon submitted a further stalking horse bid for the Library Assets, topping CP’s bid received on April 11, 2025. Following this development, the Debtors brought both bids to the Board, and the Board directed the Debtors to request best and final bids from both Alcon and CP by 5:00 p.m. ET on April 14, 2025. After the deadline passed, the highest and best bid for the Library Assets was offered by Alcon, with a purchase price of \$417.5 million (the “Alcon Stalking Horse Bid”).

As a result of the extensive good-faith negotiations, and in consultation with their other advisors, the Debtors determined that the Alcon Stalking Horse Bid for the Library Assets was the

highest and best proposal received. On April 16, 2025, the Debtors filed a motion [Docket No. 197] (the “Stalking Horse Supplement”) seeking entry of an order (a) modifying the relief requested in the Bid Procedures and Sale Motion, (b) approving (i) the designation of Alcon as the new stalking horse bidder for the Debtors’ Library Assets, (ii) the Debtors’ entry into an asset purchase agreement with Alcon setting forth the terms of the Alcon Stalking Horse Bid for the Library Assets (“Alcon Stalking Horse APA”), and (iii) an expense reimbursement provided to Alcon pursuant to the terms of the Alcon Stalking Horse APA, and (c) granting related relief.

On April 24, 2025, the Bankruptcy Court entered the Bid Procedures Order [Docket No. 276], approving, among other things, the Bid Procedures, which established key dates and times relating to the Sale and the Auction, and granting the relief requested in the Stalking Horse Supplement. The Bid Procedures Order provided the Debtors broad discretion to modify the timeline and other procedures set forth in the Bid Procedures, in consultation with the Consultation Parties (as defined in the Bidding Procedures Order), in order to maximize value.

Following entry of the Bid Procedures Order, the Debtors served the Sale Notice on the Sale Notice Parties and published the Sale Notice in the national edition of the *The Wall Street Journal* and *The Los Angeles Times*.

F. The Library Assets Sale

Other than the Alcon Stalking Horse APA, the Debtors did not receive any Qualified Bids for the Library Assets. Accordingly, on May 22, 2025, the Debtors filed the *Notice of Successful Bidder for Library Assets* [Docket No. 396], which named Alcon as the Successful Bidder for the Library Assets. On June 20, 2025, the Bankruptcy Court entered the *Order (I) Approving the Sale of Library Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, (II) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection Therewith, and (III) Granting Related Relief* [Docket No. 562] (the “Library Assets Sale Order”) approving the sale of the Library Assets to Alcon pursuant to the terms of the Alcon Stalking Horse APA.

On July 23, 2025, the sale of the Library Assets to Alcon closed, and the Debtors filed the *Notice of Library Assets Sale Closing* [Docket No. 689]. Pursuant to the Library Assets Sale Order, the Debtors applied the proceeds of the Library Assets sale: (a) first to the ABS Trustee for the indefeasible payment in full of the outstanding Prepetition ABS Obligations in accordance with the Prepetition ABS Agreements; (b) second, to each of the DIP Secured Parties, amounts necessary to indefeasibly satisfy all of the Debtors’ obligations owed to such DIP Secured Party in full in accordance with the DIP Documents and the Final DIP Order; (c) third, to fund the Warner Bros. Reserve; (d) fourth, to fund the Library Reserve; and (e) fifth, to the Sellers.

G. The Remaining Sale Transactions.

In accordance with the Bid Procedures Order, the Debtors, in consultation with their advisors and the Consultation Parties, evaluated the Qualified Bids submitted for the Derivative Rights Assets and the Studio Business and conducted the Auction. The Auction commenced and concluded on May 28, 2025. Participants, including principals and advisors of the Debtors, the Consultation Parties, and each of the Qualified Bidders, attended both in-person and virtually.

Pursuant to the Studio Business Sale Order, the Debtors applied the proceeds of the Studio Business sale: (a) first, to each of the DIP Secured Parties, amounts necessary to indefeasibly satisfy all of the Debtors’ obligations owed to such DIP Secured Party in full in accordance with the DIP Documents and the Final DIP Order, which includes payments to the Union Entities as senior secured parties in certain assets; and (b) second, to the Sellers.

2. *Sale of the Derivative Rights Assets*

Prior to the Auction, the Debtors received four Qualified Bids for the Derivative Rights Assets. At the conclusion of the Auction, the Debtors selected (i) Alcon as the Successful Bidder for the Derivative Rights Assets, with a cash purchase price in the amount of \$18.5 million, and (ii) Warner Bros. as the Back-Up Bidder for the Derivative Rights Assets, with a cash purchase price in the amount of \$17.5 million.

After the conclusion of the Auction, Warner Bros. and Regency Entertainment (USA), Inc. (“Regency”) each filed objections to the Debtors’ proposed sale of the Derivative Rights Assets to Alcon. See Docket Nos. 477, 478, and 518. On September 2, 2025, following extensive discussions and good faith negotiations between the Debtors, Alcon, Warner Bros., and Regency, the Court entered the *Agreed Scheduling Order For the Pending Contested Matter Regarding the Sale of the Debtors’ Derivative Rights Assets* [Docket No. 800] (the “Scheduling Order”), which established an agreed discovery, supplemental briefing, and hearing schedule with respect to the sale of the Derivative Rights Assets. On November 12, 2025, the Bankruptcy Court entered the *Order (I) Approving the Sale of the Derivative Rights Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, (II) Approving the Assumption and Assignment of Certain Executory*

On November 18, 2025, Warner Bros. filed a Notice of Appeal of the Derivative Rights Sale Order with the United States District Court for the District of Delaware (the “District Court”), Case No. 1:25-01405 (the “District Court Appeal”). Warner concurrently sought relief from the Bankruptcy Court to stay the Sale Order and on November 25, 2025, this Court entered an *Order Denying Warner Bros. Entertainment Inc.’s Emergency Motion to Stay Pending Appeal* [Docket No. 1118] (the “Stay Denial Order”). After entry of the Stay Denial Order, Warner filed *Warner Bros. If a controversy arises as to whether any Claim or any Class of Claims is Impaired, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the date of the Combined Hearing.

F. Subordination of Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, contract (including, without limitation, under the Senior Secured Notes Credit Documents), section 510(b) of the Bankruptcy Code, or otherwise.

G. Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by one or more of the Classes entitled to vote pursuant to this Article III of the Plan. The Debtors request confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any Class that is deemed to reject the Plan pursuant to section 1126(g) of the Bankruptcy Code. The Debtors reserve the right to request confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any voting Class that votes to reject the Plan.

H. Insurance

Notwithstanding anything to the contrary in the Plan, if any Claim is subject to coverage under an Insurance Policy, payments on account of such Claim will first be made from proceeds of such Insurance Policy in accordance with the terms thereof, with the balance of such Claim, if any, treated in accordance with the provisions of the Plan governing the Class applicable to such Claim.

V. MEANS FOR IMPLEMENTATION OF THE PLAN

A. General Settlement of Claims and Interests

To the extent provided by the Bankruptcy Code, and in consideration for the distributions, releases, and other benefits provided pursuant to the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise of Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a creditor or an Interest holder may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise and settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and holders of such Claims and Interests, and is fair, equitable, and reasonable. Notwithstanding any other provision in the Plan, the settlements are approved among the parties that have agreed to them (among any other party who has expressly entered into a written settlement agreement), and the treatment of claims and interests is being afforded pursuant to Confirmation by satisfying the requirements of Section 1129.

B. Liquidation Transactions

On the Effective Date, or as soon as reasonably practicable thereafter, the Liquidation Trustee shall take all actions as may be necessary or appropriate to effectuate the Liquidation Transactions, including, without limitation: (a) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, and that satisfy the requirements of applicable law and any other terms to which the applicable Entities may agree; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (d) such other transactions that are required to effectuate the Liquidation Transactions; (e) all transactions necessary to provide for the purchase of some or all of the assets of, or Interests in, any of the Debtors which purchase may be structured as a taxable transaction for United States federal income tax purposes; and (f) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

C. Sale Transactions

On or after the Confirmation Date, the Debtors shall be authorized to take all actions as may be deemed necessary or appropriate to consummate any Sale Transactions pursuant to the terms of the Plan, the Sale Orders, any Sale Documents, and the Confirmation Order, and any such Sale Transactions shall be free and clear of any Liens, Claims, Interests, and encumbrances pursuant to sections 363 and 1123 of the Bankruptcy Code as of the earlier of (i) the closing date of such Sale Transaction and (ii) the Effective Date.

D. The Liquidation Trust

On the Effective Date, the Debtors, on their own behalf and on behalf of the Liquidation Trust Beneficiaries, and the Liquidation Trustee shall execute the Liquidation Trust Agreement and take all other steps necessary to establish the Liquidation Trust pursuant to the Liquidation Trust Agreement and Article VIII of the Plan. On the Effective Date, and in accordance with and pursuant to the terms of the Plan, the Debtors shall irrevocably transfer and shall be deemed to have irrevocably transferred to the Liquidation Trust all of their rights, title, and interests in all of the Liquidation Trust Assets and, in accordance with Section 1141 of the Bankruptcy Code, the Liquidation Trust Assets shall automatically vest in the Liquidation Trust free and clear of all Claims, Liens, encumbrances or interests, subject to the terms of the Liquidation Trust Agreement.

To the extent that any conflict or inconsistency arises between the terms of the Plan or the Confirmation Order and the Liquidation Trust Agreement concerning the governance, administration, operation, or management of the Liquidation Trust or the rights and duties of the Liquidation Trustee, the terms of the Plan and the Confirmation Order shall govern and control in all respects.

E. The Committee Settlement

The Debtors, the Committee, and the Senior Secured Noteholders engaged in extensive and good faith negotiations, which culminated in an agreement to the terms of the Committee Settlement which shall be effectuated pursuant to the Plan. The Committee Settlement provides for the following, in summary:

1. The Debtors and the Committee shall form the GUC Trust, to be administered by the GUC Trustee for the benefit of Holders of Allowed Non-Library Debtors General Unsecured Claims.
2. Each Holder of Allowed Non-Library Debtors General Unsecured Claims shall receive a recovery of 85% of its Allowed Claims.
3. The Debtors shall pay (i) the GUC Trust Amount and (ii) the GUC Trust Initial Funding Amount to the GUC Trust on the Effective Date.
4. If the GUC Trust Net Amount exceeds the GUC Recovery, such excess amount shall be distributed to the Liquidation Trust solely and exclusively for the benefit of Holders of Allowed Senior Secured Notes Claims. If the GUC Trust Net Amount is less than the GUC Recovery, the shortfall will

be funded to the GUC Trust by the Debtors or the Liquidation Trust solely to the extent of available Liquidation Trust Assets.

5. The reconciliation process for Non-Library Debtors General Unsecured Claims shall take no more than 60 days after the Effective Date, subject to reasonable requests for extension by the Liquidation Trustee with the written consent of the Senior Secured Notes Parties. The Debtors agree to begin the claims reconciliation process for the Non-Library Debtors General Unsecured Claims as soon as practicable, including promptly after the Bar Date.
6. The Debtors shall waive all preference claims against Holders of Allowed Non-Library Debtors General Unsecured Claims and, for the avoidance of doubt, such claims shall not be Retained Causes of Action.
7. The Committee shall fully release the Debtors and each of the Senior Secured Notes Parties, and the Debtors and the Committee shall be afforded maximum exculpation allowed under law.

Section 105(a) provides, in relevant part, that “[t]he court may issue any order . . . necessary or appropriate to carry out the provisions of [the Bankruptcy Code].” 11 U.S.C. § 105(a). In turn, Bankruptcy Rule 9019(a) provides, in relevant part, that “[o]n motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). The compromise or settlement of time-consuming and burdensome litigation, especially in the bankruptcy context, is encouraged and “generally favored in bankruptcy.” *In re World Health Alternatives, Inc.*, 344 B.R. 291, 296 (Bankr. D. Del. 2006).

The Third Circuit has enumerated four factors that should be considered in determining whether a settlement should be approved. The four enumerated factors are “(1) the probability of success in litigation; (2) the likely difficulties in collection; (3) the complexity of the litigation involved and the expense, inconvenience and delay necessarily attending it; and (4) the paramount interest of the creditors.” *Meyers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996).

“[T]he decision whether to approve a compromise under [Bankruptcy] Rule 9019 is committed to the sound discretion of the Court, which must determine if the compromise is fair, reasonable, and in the interest of the estate.” *In re Louise’s, Inc.*, 211 B.R. 798, 801 (D. Del. 1997). Courts should not, however, substitute their judgment for that of the debtor, but instead should canvas the issues to see whether the compromise falls below the lowest point in the range of reasonableness. See *In re Neshaminy Office Bldg. Assocs.*, 62 B.R. 798, 803 (E.D. Pa. 1986); *In re W.T. Grant and Co.*, 699 F.2d 599, 608 (2d Cir. 1983); see also *In re World Health*, 344 B.R. at 296 (“[T]he court does not have to be convinced that the settlement is the best possible compromise. Rather, the court must conclude that the settlement is ‘within the reasonable range of litigation possibilities.’”) (internal citations and quotations omitted).

In the Debtors’ judgment—with which the Committee and the Senior Secured Noteholders agree—the Committee Settlement is reasonable and in the best interest of the Debtors, their estates, creditors and all parties in interest. The Committee Settlement was the product of good-faith and

arm's-length negotiations between the parties. The Committee Settlement resolves once and for all the disputes regarding potential outstanding objections to the Senior Secured Notes Claims and a possible standing litigation in an efficient, consensual, and cost-effective manner that will avoid litigation and the uncertainty it involves. As a result of the Committee Settlement, each Holder of an Allowed Non-Library Debtors General Unsecured Claim will receive an assured recovery in Class 3B that would either be unlikely or the result of substantial, costly and time-consuming litigation, absent the Committee Settlement. The Debtors have reasonably determined that entry into the Committee Settlement is in the best interests of the estates and reflects a fair and reasonable compromise. Furthermore, the Committee and the Senior Secured Noteholders support the Committee Settlement. Accordingly, the *Martin* factors are met, the Committee Settlement falls well within the lowest "range of reasonableness" and, therefore, the Committee Settlement should be approved pursuant to Bankruptcy Rule 9019.

F. The GUC Trust

On the Effective Date, the Debtors and the GUC Trustee shall execute the GUC Trust Agreement and take all other steps necessary to establish the GUC Trust pursuant to the GUC Trust Agreement and Article IX of the Plan. On the Effective Date, and in accordance with and pursuant to the terms of the Plan, the Debtors shall irrevocably transfer and shall be deemed to have irrevocably transferred to the GUC Trust all of their rights, title, and interests in the GUC Trust Amount and GUC Trust Initial Funding Amount, in accordance with Section 1141 of the Bankruptcy Code, the GUC Trust Amount and GUC Trust Initial Funding Amount shall automatically vest in the GUC Trust free and clear of all Claims, Liens, encumbrances or interests, subject to the terms of the GUC Trust Agreement.

To the extent that any conflict or inconsistency arises between the terms of the Plan or the Confirmation Order and the GUC Trust Agreement concerning the governance, administration, operation, or management of the GUC Trust or the rights and duties of the GUC Trustee, the terms of the GUC Trust Agreement shall govern and control in all respects; *provided, however*, that nothing in this provision shall alter or impair any substantive rights or treatment provided for under the Plan to any creditor or party in interest.

G. Sources of Consideration for Plan Distributions

Subject to the provisions of the Plan concerning the Professional Fee Reserve Account, the Debtors, the Liquidation Trustee or the GUC Trustee, as applicable, shall fund distributions under the Plan with Cash on hand on the Effective Date and the Debtors' other assets.

H. Dissolution of the Debtors

On or as soon as reasonably practicable after the Effective Date and after transfer of all Liquidation Trust Assets to the Liquidation Trust, the Liquidation Trustee shall ensure that the Debtors shall be disposed of, dissolved, wound down, or liquidated under applicable Law, without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, and neither the Liquidation Trustee nor the Debtors shall be required to pay any taxes or fees to cause such dissolutions.

I. Preservation of Causes of Action

Except as otherwise provided in any contract, instrument, release, or agreement entered into in connection with the Plan or the Sale, in accordance with section 1123(b) of the Bankruptcy Code, all Retained Causes of Action are preserved and shall vest in the Liquidation Trust on the Effective Date; *provided, however*, that no Causes of Action shall be retained or preserved against the Released Parties. No Entity (other than the Released Parties) may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Liquidation Trust will not pursue any and all available Causes of Action of the Debtors against it.

J. Corporate Action

Upon the Effective Date, or as soon thereafter as is reasonably practicable, all actions contemplated by the Plan, regardless of whether taken before, on, or after the Effective Date, shall be deemed authorized and approved by the Bankruptcy Court in all respects, including, as applicable: (1) the implementation of the Liquidation Transactions; (2) the establishment of the Liquidation Trust and execution of the Liquidation Trust Agreement; (3) the establishment of the GUC Trust and execution of the GUC Trust Agreement; (4) the funding of all applicable escrows and accounts; and (5) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date); *provided* that, with respect to any Sale Transactions consummated prior to the Effective Date, all actions necessary to consummate such Sale Transaction in accordance with the terms of the applicable Sale Order shall be deemed authorized and approved by the Bankruptcy Court as of the closing date applicable to such Sale Transaction.

K. Cancellation of Existing Securities and Agreements

Except for the purpose of evidencing a right to a distribution under the Plan and except as otherwise set forth in the Plan, on the Effective Date, all agreements, instruments, notes, certificates, indentures, mortgages, securities and other documents evidencing any Claim or Interest, and any rights of any Holder in respect thereof, shall be deemed cancelled and of no further force or effect and the obligations of the Debtors thereunder shall be deemed fully satisfied, released, and discharged and, as applicable, shall be deemed to have been surrendered to the Liquidation Trust. The holders of or parties to such cancelled instruments, securities, and other documentation shall have no rights arising from or related to such instruments, securities, or other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan; *provided, however*, that notwithstanding the occurrence of the Effective Date, the Senior Secured Notes Credit Documents shall continue in effect solely for the purposes of, (a) to the extent not previously paid in full, allowing holders of Senior Secured Notes Claims to receive and accept their respective distributions under the Plan on account of such Senior Secured Notes Claims; and (b) allowing and preserving the rights of the Senior Secured Notes Parties to (1) assert or maintain any rights such parties may have against any money or property distributable or allocable to holders of Senior Secured Notes Claims, including, without limitation, any intercreditor rights; (2) receive compensation or reimbursement for any reasonable and documented fees and expenses incurred in connection with the implementation, consummation, and defense of the Plan, the Plan Supplement, or Confirmation Order; (3) preserve, maintain, enforce, and exercise any right or obligation to compensation, indemnification, expense reimbursement, or contribution, or

subrogation, or any other claim or entitlement that the Senior Secured Notes Parties may have under the Plan, the Plan Supplement, the Confirmation Order, the Senior Secured Notes Credit Documents, or any other related agreement; (4) preserve the rights of the Senior Secured Notes Parties to appear and be heard in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, including, without limitation, to enforce any right or obligation owed to the Senior Secured Notes Parties under the Plan, the Plan Supplement, the Confirmation Order, or other documents incorporated therein; and (5) execute documents pursuant to the Plan.

L. Effectuating Documents; Further Transactions

Upon entry of the Confirmation Order, the Debtors or the Liquidation Trustee (as applicable) shall be authorized to execute, deliver, file, or record such contracts, instruments, releases, consents, certificates, resolutions, programs, and other agreements or documents, and take such acts and actions as may be reasonable, necessary, or appropriate to effectuate, implement, consummate, and/or further evidence the terms and conditions of the Plan and any transactions described in or contemplated by the Plan. The Debtors or the Liquidation Trustee (as applicable), all Holders of Claims receiving distributions pursuant to the Plan, and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents, and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

M. Section 1146 Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Plan or the Sale Transactions shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall comply with the requirements of section 1146(a) of the Bankruptcy Code and forgo the collection of any such tax, recordation fee, or governmental assessment and accept for filing and recordation all such instruments or other documents governing or evidencing such transfers without the payment of any such tax, recordation fee, or governmental assessment.

N. Sale Orders

Notwithstanding anything to the contrary in the Plan, nothing in the Plan shall affect, impair or supersede the Sale Orders, each of which remains in full force and effect and governs in the event of any inconsistency with the Plan.

O. Authority to Act

Prior to, on, or after the Effective Date (as appropriate), all matters expressly provided for under the Plan that would otherwise require approval of the stockholders, security holders, officers, directors, or other owners of the Debtors shall be deemed to have occurred and shall be in effect prior to, on, or after the Effective Date (as applicable) pursuant to the applicable law of the state(s) in which the Debtors are formed, without any further vote, consent, approval, authorization, or other action by such stockholders, security holders, officers, directors, or other owners of the Debtor or notice to, order of, or hearing before, the Bankruptcy Court.

P. Transfer of Privilege/No Waiver

On the Effective Date, the Debtors' evidentiary privileges, including but not limited to the attorney/client privilege, relating to (i) the amount, validity, or allowability of any Disputed Claim; and (ii) the Liquidation Trust Assets, shall be deemed transferred to the Liquidation Trustee and the Liquidation Trust; *provided, however*, counsel to the Debtors that are Retained Professionals shall not be required to turn over work product existing as of the Effective Date. The Plan shall be considered a motion pursuant to sections 105, 363 and 365 of the Bankruptcy Code for such relief. Upon such transfer, the Debtors and the Estates shall have no other further rights or obligations with respect thereto. Nothing in the Plan nor any actions taken by the Debtors or the Liquidation Trustee pursuant hereto shall be deemed a waiver of any privilege or immunity of the Debtors or the Liquidation Trustee and the Liquidation Trust, including any attorney-client privilege, joint interest privilege, or work product privilege attaching to any documents or communications (whether written or oral).

Q. Final Decree

At any time following the Effective Date, the Liquidation Trustee shall have the power and authority to file a motion with the Bankruptcy Court seeking the entry of a Final Decree closing any of the Chapter 11 Cases in accordance with section 350(a) of the Bankruptcy Code, Bankruptcy Rule 3022, and Local Rule 3022-1(a).

VI. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**A. Assumption and Rejection of Executory Contracts and Unexpired Leases**

On the Effective Date, except as otherwise provided in the Plan (which exclusion includes the Indemnification Obligations and the D&O Liability Insurance Policies), all Executory Contracts or Unexpired Leases not previously assumed, assumed and assigned, or rejected pursuant to an order of the Bankruptcy Court or not included on the Schedule of Assumed Executory Contracts and Unexpired Leases, will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code other than those Executory Contracts or Unexpired Leases that are the subject of a motion to assume that is pending on the Confirmation Date, or are subject to an unresolved cure dispute as of the Effective Date (and shall be assumed, assumed and assigned, or rejected, as applicable, upon the resolution of such cure dispute in accordance with the Sale Documents).

Assumption of any Executory Contract or Unexpired Lease pursuant to the Sale Documents or the Plan, and payment of any cure amounts relating thereto, shall, upon satisfaction of the applicable requirements of section 365 of the Bankruptcy Code, result in the full, final, and complete release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults or provisions restricting the change in control of ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

If the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan and Confirmation Order results in a Claim, then, unless otherwise ordered by the Court, such Claim shall be forever barred and shall not be enforceable against the Debtors, the Estates, the Liquidation Trust or the GUC Trust, or any of their respective assets and properties unless a Proof of Claim is Filed with the Notice and Claims Agent and served upon counsel to the Liquidation Trustee and the GUC Trustee within thirty (30) days of the Effective Date.

The foregoing applies only to Claims arising from the rejection of an Executory Contract or Unexpired Lease under the Plan and Confirmation Order; any other Claims held by a party to a rejected Executory Contract or Unexpired Lease shall have been evidenced by a Proof of Claim Filed by the applicable Bar Date or shall be barred and unenforceable. Claims arising from the rejection of Executory Contracts or Unexpired Leases under the Plan and Confirmation Order shall be classified as General Unsecured Claims and shall, if Allowed, be treated in accordance with the provisions in the Plan.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan and Confirmation Order that are not timely Filed within thirty (30) days of the Effective Date will be disallowed automatically, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, the Liquidation Trust, the GUC Trust, or any of their respective assets and properties.

A Proof Claim with respect to any Claim arising from the rejection of an Executory Contract where any Debtor is a licensor of intellectual property must identify whether the Claimant (i) elects to treat the Executory Contract as terminated by virtue of the rejection, or (ii) elects to assert its Elected Section 365(n) Rights. If a Claimant who is a counterparty to a rejected Executory Contract where any Debtor was a licensor of intellectual property either (i) fails to timely file a Proof of Claim within thirty (30) days of the Effective Date, or (ii) fails to specify that such Claimant has elected to assert its Elected Section 365(n) Rights, such Claimant shall be deemed to have elected to treat such Executory Contract as terminated pursuant to section 365(n)(1)(A) of the Bankruptcy Code.

C. Reservation of Rights

Neither the exclusion or inclusion of any contract or lease in the Schedules or in any Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Liquidation Trustee (as applicable) may elect within thirty (30) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan by filing a notice of such election on the docket of these Chapter 11 Cases.

D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or Liquidation Trust (as applicable) under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Liquidation Trustee (as applicable) expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties, indemnity or continued maintenance obligations. The Debtors also expressly reserve any and all rights with respect to the applicability (or non-applicability) of any non-bankruptcy laws to the contrary.

E. D&O Liability Insurance Policies

Each D&O Liability Insurance Policy (including, without limitation, any “tail policy” and all agreements, documents, or instruments related thereto) shall be treated as an Executory Contract under the Plan and shall be assumed, in its entirety, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to sections 105, 365, and 1123 of the Bankruptcy Code. For the avoidance of doubt, coverage for defense and indemnity under the D&O Liability Insurance Policies shall remain available to all individuals within the definition of “Insured” in the D&O Liability Insurance Policies. In addition, after the Effective Date, all officers, directors, agents, or employees of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of the D&O Liability Insurance Policies (including any “tail” policy) in effect or purchased as of the Effective Date for the full term of such policy regardless of whether such officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in the D&O Liability Insurance Policies.

The Debtors shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policy (including, without limitation, any “tail policy” and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date and shall continue such policies and satisfy their obligations thereunder in full in the ordinary course of business.

F. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Modifications, amendments, supplements, and restatements to a prepetition Executory Contract and/or Unexpired Lease that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease.

G. Nonoccurrence of the Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

VII. PROVISIONS GOVERNING DISTRIBUTIONS

A. Plan Distributions on Account of Claims Allowed as of the Effective Date

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors, or their respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Disbursing Agent shall have no obligation to recognize any ownership transfer of the Claims or Interests occurring on or after the Confirmation Date. The Disbursing Agent shall be entitled to recognize and deal for all purposes hereunder only with those record holders stated on the transfer ledgers as of the close of business on the Distribution Record Date, to the extent applicable.

Except as otherwise provided in the Plan, the Disbursing Agent shall make distributions to Holders of Allowed Claims or as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' records as of the date of any such distribution; *provided*, that the manner of such distributions shall be determined at the discretion of the Debtors, the Liquidation Trustee or the GUC Trustee (as applicable); *provided further*, that the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder or, if no Proof of Claim was Filed, the address set forth in the Debtors' books and records on the Distribution Record Date.

B. Compliance with Tax Requirements

In connection with the Plan, any Person issuing any instrument or making any distribution or payment in connection therewith, shall comply with all applicable withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority. In the case of a non-Cash distribution that is subject to withholding, the distributing party may require the intended recipient of such distribution to provide the withholding agent with an amount of Cash sufficient to satisfy such withholding tax as a condition to receiving such distribution or withhold an appropriate portion of such distributed property and either (1) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax) or (2) pay the withholding tax using its own funds and retain such withheld property. The distributing party shall have the right not to make a distribution under the Plan until its withholding or reporting obligation is satisfied pursuant to the preceding sentences. Any amounts withheld pursuant to the Plan shall be deemed to have been distributed to and received by the applicable recipients for all purposes of the Plan.

Any party entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the withholding agent or such other Person designated by the Liquidation Trustee the appropriate IRS Form or other tax forms or documentation requested by the Liquidation Trustee to reduce or eliminate any required federal, state, or local withholding. If the party entitled to receive such property as an issuance or distribution fails to comply with any such request for a 90 day period beginning on the date after the date such request is made, the amount of such issuance or distribution shall irrevocably revert to the Liquidation Trustee and any Claim in respect of such distribution under the Plan shall be discharged and forever barred from assertion against such Debtor, the Liquidation Trustee, or their respective property.

Notwithstanding the above, each Holder of an Allowed Claim or Interest that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such Holder by any Governmental Unit, including income, withholding, and other tax obligations, on account of such Plan Distribution, and further including, in the case of a Holder of a Disputed Claim that has become an Allowed Claim, any tax obligation that would be imposed on the Liquidation Trust Assets or the Liquidation Trust, in connection with such Plan Distribution.

C. Date of Plan Distributions

Plan Distributions made after the Effective Date to Holders of Allowed Claims shall be deemed to have been made on the Effective Date and no interest shall accrue or be payable with respect to such Claims or any distribution related thereto. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

D. Disbursing Agent

Except as otherwise provided in the Plan, all distributions under the Plan shall be made by the Disbursing Agent on or after the Effective Date. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties. If the Disbursing Agent is otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Liquidation Trust.

E. Rights and Powers of Disbursing Agent

The Disbursing Agent may (1) effect all actions and execute all agreements, instruments, and other documents necessary to carry out the provisions of the Plan; (2) make all distributions contemplated by the Plan; and (3) perform such other duties as may be required of the Disbursing Agent pursuant to the Plan.

F. Surrender of Instruments

As of the Effective Date, and subject to Article IV.K. of the Plan, each Holder of a certificated instrument or note related to the Debtors shall be deemed to have surrendered such instrument or note held by it to the Liquidation Trustee or its designee, as applicable.

G. Delivery of Plan Distributions and Undeliverable or Unclaimed Plan Distributions

Subject to applicable Bankruptcy Rules, all distributions to Holders of Allowed Claims shall be made by the Disbursing Agent, who shall transmit such distributions to the applicable Holders of Allowed Claims or their designees.

The Liquidation Trustee and the GUC Trustee shall each only be required to act and make Plan Distributions in accordance with the terms of the Plan. Except on account of gross negligence,

fraud, illegality or willful misconduct, the Liquidation Trustee has no (i) liability to any party for actions taken in accordance with the Plan or in reasonable reliance upon information provided to it in accordance with the Plan, or (ii) obligation or liability for Plan Distributions to any party who does not hold a Claim against one or more of the Debtors as of the Distribution Record Date or any other date on which a Plan Distribution is made or who does not otherwise comply with the terms of the Plan.

Except as otherwise provided in a Final Order or as agreed by the relevant parties, Plan Distributions on account of Disputed Claims, if any, that become Allowed, shall be made, as applicable (i) by the Liquidation Trustee at such periodic intervals as the Liquidation Trustee determines to be reasonably prudent, or (ii) by the GUC Trustee at such periodic intervals as the GUC Trustee determines to be reasonably prudent.

Notwithstanding anything in the Plan to the contrary: (a) no Plan Distribution shall be made with respect to any Disputed Claim until and only to the extent such Claim becomes an Allowed Claim (as applicable), and (b) unless agreed otherwise by the Liquidation Trustee, no Plan Distribution shall be made to any Person that holds both an Allowed Claim and a Disputed Claim until such Person's Disputed Claims have been resolved by settlement or Final Order.

Any Entity which fails to claim any Cash within 90 days from the date upon which a Plan Distribution is first made to such entity shall forfeit all rights to such Plan Distribution, and the Liquidation Trustee shall be authorized to cancel any Plan Distribution that is not timely claimed. Pursuant to section 347(b) of the Bankruptcy Code, upon forfeiture, such Cash (including interest thereon, if any) shall revert to the Liquidation Trust or GUC Trust, as applicable, free of any restrictions under the Plan, the Bankruptcy Code or the Bankruptcy Rules. Upon forfeiture, the claim of any Creditor or Interest Holder with respect to such funds shall be irrevocably waived and forever barred against the Debtors, their Estates, the Liquidation Trust, the Liquidation Trustee, the GUC Trust, and the GUC Trustee, notwithstanding any federal or state escheat laws to the contrary, and such Creditor or Interest Holder shall have no claim whatsoever against any of the foregoing or against any Holder of a Claim to whom Plan Distributions are made.

The Liquidation Trustee or the GUC Trustee, as applicable, shall make one attempt to make the Plan Distributions contemplated hereunder in accordance with the procedures set forth in the Plan. The Liquidation Trustee or the GUC Trustee, as applicable, in its sole discretion may, but shall have no obligation to, attempt to locate Holders of undeliverable Plan Distributions. Any Plan Distributions returned to the Liquidation Trustee or the GUC Trustee, as applicable, as undeliverable or otherwise shall remain in the possession of the Liquidation Trust or the GUC Trust, as applicable, until such time as a Plan Distribution becomes deliverable, and no further Plan Distributions shall be made to such Holder unless such Holder notifies the Liquidation Trustee or GUC Trustee, as applicable, of its then current address. Any Holder of an Allowed Claim entitled to a Plan Distribution that does not assert a claim pursuant to the Plan for an undeliverable Plan Distribution, or notify the Liquidation Trustee or the GUC Trustee, as applicable, of such Holder's then current address, within 30 days of such Plan Distribution shall have its claim for such undeliverable Plan Distribution irrevocably waived and shall be forever barred from asserting any such claim against the Debtors, their Estates, the Liquidation Trust, the Liquidation Trustee, the GUC Trust, and/or the GUC Trustee or their respective property, and such Plan Distribution shall be deemed unclaimed property.

H. Manner of Payment

Except as specifically provided in the Plan, at the option of the Debtors, the Liquidation Trustee or the GUC Trustee as applicable, any Cash payment to be made under the Plan may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors.

I. Foreign Currency Exchange Rate

As of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal*, on the Petition Date.

J. Minimum Plan Distribution

No payment of Cash in an amount of less than one hundred U.S. dollars (\$100.00) shall be required to be made on account of any Allowed Claim. Such undistributed amount may instead be used in accordance with the Plan. If the Cash available for the final distribution is less than the cost to distribute such funds, the Liquidation Trustee may donate such funds to the unaffiliated charity of its choice.

K. Allocations

Except as otherwise provided in the Plan or as otherwise required by law, distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for U.S. federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

L. Plan Distributions Free and Clear

Except as otherwise provided in the Plan, any distribution or transfer made under the Plan, including distributions to any Holder of an Allowed Claim, shall be free and clear of any Liens, Claims, encumbrances, charges, and other interests, and no other entity shall have any interest, whether legal, beneficial, or otherwise, in property distributed or transferred pursuant to the Plan.

M. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

If a Holder of a Claim receives a payment or other satisfaction of its Claim other than through the Debtors, the Liquidation Trustee and/or the GUC Trustee (as applicable) on account of such Claim, such Claim shall be reduced by the amount of such payment or satisfaction without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, and if the Claim was paid or satisfied in full other than through the Debtors the Liquidation Trustee and/or the GUC Trustee (as applicable), then such Claim shall be disallowed and any recovery in excess of a single recovery in full shall be paid over to the Liquidation Trust without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. To the extent a Holder of a Claim

receives a distribution on account of such Claim and receives payment or satisfaction from a party that is not the Debtors and/or the Liquidation Trustee (as applicable) on account of such Claim, such Holder shall, within fourteen (14) Business Days of receipt thereof, repay or return the distribution to the Debtors or Liquidation Trust (as applicable), to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Policy. Except as set forth in Article X in the Plan, nothing in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity, including the Liquidation Trust, may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

N. **No Postpetition Interest on Claims**

Unless otherwise specifically provided for in the Plan, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim.

VIII. **PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS**

A. **Allowance of Claims**

After the Effective Date, the Liquidation Trustee shall have and retain any and all rights and defenses that the Debtors had with respect to any Claim or Interest immediately prior to the Effective Date.

B. **Claims Administration Responsibilities**

Except as otherwise specifically provided in the Plan, after the Effective Date, pursuant to the Liquidation Trust Agreement, the Liquidation Trustee shall have the sole authority to: (1) File, withdraw, or litigate to judgment, objections to all Claims or Interests, *provided, however*, that the

Liquidation Trustee shall consult with the GUC Trustee prior to filing an objection to any Non-Library Debtors General Unsecured Claim; (2) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) administer and adjust the claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. The Liquidation Trustee shall succeed to any pending objections to Claims filed by the Debtors prior to the Effective Date, and shall have and retain any and all rights and defenses the Debtors had immediately prior to the Effective Date with respect to any Disputed Claim. The Liquidation Trustee shall provide status reports to the GUC Trustee upon reasonable request with respect to the status of resolution of Class 3 Claims, but not less than quarterly.

C. Estimation of Claims and Interests

Before or after the Effective Date, the Debtors or the Liquidation Trust (as applicable) may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection.

Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged or disallowed from the claims register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero U.S. dollars (\$0.00) unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the Debtors or the Liquidation Trustee (as applicable) may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim.

D. Adjustment to Claims or Interests Without Objection

Any Claim that has been paid, satisfied, or assumed by a Purchaser in the respective Sale, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register by the Debtors or the Liquidation Trustee (as applicable) without an objection to such Claim having to be Filed following notice filed on the docket in the Bankruptcy Court of such adjustment or expungement.

E. Time to File Objections to Claims

Except as otherwise provided in the Plan, any objections to Claims shall be Filed on or before the Claims Objection Bar Date (as such date may be extended upon presentment of an order to the Bankruptcy Court by the Liquidation Trustee).

F. Disallowance of Claims or Interests

Except as provided in the Plan or otherwise agreed to by the Debtors or the Liquidation Trustee (as applicable), any Holder of a Claim Filed, via Proof of Claim, after the Bar Date shall

not be treated as a creditor for purposes of Plan Distributions pursuant to Bankruptcy Rule 3003(c)(2) or otherwise receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

G. Disputed Claims Process

All Claims held by Persons or Entities against whom or which the Debtors have commenced a proceeding asserting a Cause of Action under sections 542, 543, 544, 545, 547, 548, 549, or 550 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 548, 549 or 724(a) of the Bankruptcy Code shall be deemed Disputed Claims pursuant to section 502(d) of the Bankruptcy Code and Holders of such Claims shall not be entitled to vote to accept or reject the Plan. A Claim deemed Disputed pursuant to this Article VII.G shall continue to be Disputed for all purposes until the relevant proceeding against the Holder of such Claim has been settled or resolved by a Final Order and any sums due to the Debtors or the Liquidation Trustee from such Holder have been paid.

H. No Plan Distributions Pending Allowance

If an objection to a Claim, Proof of Claim, or portion thereof is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim, Proof of Claim, or portion thereof unless and until the Disputed Claim becomes an Allowed Claim.

I. Plan Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim. No interest shall accrue or be paid on any Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Claim.

J. Amendments to Claims

On or after the Effective Date, a Claim may not be Filed or amended to increase liability or to assert new liabilities without the prior authorization of the Bankruptcy Court or the Liquidation Trustee.

IX. LIQUIDATION TRUST AND LIQUIDATION TRUSTEE

A. Liquidation Trust Creation

On the Effective Date, a Liquidation Trust shall be established and become effective for the benefit of the Liquidation Trust Beneficiaries. The Liquidation Trust Agreement shall contain customary provisions for trust agreements utilized in comparable circumstances, including any and all provisions necessary to ensure continued treatment of the Liquidation Trust as a grantor trust and the Liquidation Trust Beneficiaries as the grantors and owners thereof for federal income tax

purposes. On the Effective Date, the Liquidation Trustee will be designated by the Debtors and appointed in accordance with the terms of the Plan and the Liquidation Trust Agreement. The rights, responsibilities, and duties of the Liquidation Trustee are set forth in the Liquidation Trust Agreement. Notwithstanding anything contained in the Plan or the Liquidation Trust Agreement, the Liquidation Trustee shall always act consistently with, and not contrary to, the purpose of the Liquidation Trust as set forth in the Plan.

All relevant parties (including the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) will take all actions necessary to cause title to the Liquidation Trust Assets to be transferred to the Liquidation Trust. The powers, authority, responsibilities, and duties of the Liquidation Trust and the Liquidation Trustee are set forth in and will be governed by the Liquidation Trust Agreement, the Plan, and the Confirmation Order.

B. Purpose of the Liquidation Trust

The Liquidation Trust will be established, as a liquidating trust in accordance with Treasury Regulation Section 301.7701-4(d), for the primary purposes of maximizing the value of its assets and making distributions in accordance with the Plan, Confirmation Order, and the Liquidation Trust Agreement, including resolving any Disputed Claims not to be resolved by the Debtors prior to the Effective Date and winding down the Debtors. The Liquidation Trust will have no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust.

C. Transfer of Assets to the Liquidation Trust

The Debtors and the Liquidation Trustee will establish the Liquidation Trust on behalf of the Liquidation Trust Beneficiaries pursuant to the Liquidation Trust Agreement, with the Liquidation Trust Beneficiaries to be treated as the grantors and deemed owners of the Liquidation Trust Assets. The Debtors will irrevocably transfer, assign, and deliver to the Liquidation Trust, on behalf of the Liquidation Trust Beneficiaries, all of their rights, title, and interests in the Liquidation Trust Assets. The Liquidation Trust will accept and hold the Liquidation Trust Assets in the Liquidation Trust for the benefit of the Liquidation Trust Beneficiaries, subject to the Plan and the Liquidation Trust Agreement.

On the Effective Date, all Liquidation Trust Assets will vest and be deemed to vest in the Liquidation Trust in accordance with section 1141 of the Bankruptcy Code or as otherwise set forth in the Liquidation Trust Agreement; *provided, however*, that the Liquidation Trustee may abandon or otherwise not accept any Liquidation Trust Assets that the Liquidation Trustee believes, in good faith, have no value to the Liquidation Trust. Any assets the Liquidation Trust so abandons or otherwise does not accept shall not vest in the Liquidation Trust. As of the Effective Date, all Liquidation Trust Assets vested in the Liquidation Trust shall be free and clear of all Liens, Claims, and Interests except as otherwise specifically provided in the Plan or in the Confirmation Order. Upon the transfer by the Debtors of the Liquidation Trust Assets to the Liquidation Trust or abandonment of Liquidation Trust Assets by the Liquidation Trust, the Debtors will have no reversionary or further interest in or with respect to any Liquidation Trust Assets or the Liquidation Trust. Notwithstanding anything in the Plan to the contrary, the

Liquidation Trust and the Liquidation Trustee shall be deemed to be fully bound by the terms of the Plan and the Confirmation Order.

In furtherance of, and consistent with, the purposes of the Liquidation Trust and the Plan, the Liquidation Trustee shall, as more fully set forth in the Liquidation Trust Agreement, among other things, (a) have the power and authority to hold, manage, sell, invest, and distribute to the Holders of Senior Secured Notes Claims, the Liquidation Trust Net Assets, including any proceeds thereof, (b) hold the Liquidation Trust Net Assets for the benefit of the Holders of Senior Secured Notes Claims, (c) have the power and authority to prosecute and resolve objections to Disputed General Unsecured Claims, and (d) have the power and authority to perform such other functions as are provided for in the Plan and the Liquidation Trust Agreement. For the avoidance of doubt, notwithstanding anything to the contrary in the Plan or the Liquidation Trust Agreement, the Liquidation Trustee shall not pursue any Claims or Causes of Action against any Released Party (if any).

As further set forth in the Liquidation Trust Agreement, the Liquidation Trustee shall have sole responsibility for reconciling all Claims.

D. Tax Treatment of the Liquidation Trust

It is intended that the Liquidation Trust be classified for federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Section 671 through 677 of the Internal Revenue Code. In furtherance of this objective, the Liquidation Trust shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the Liquidation Trust. The Liquidation Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the Liquidation Trust Beneficiaries, and then contributed by the Liquidation Trust Beneficiaries to the Liquidation Trust in exchange for their respective Liquidation Trust Interests. The Liquidation Trust Beneficiaries of the Liquidation Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their respective shares of Liquidation Trust Assets in the Liquidation Trust. As grantors and deemed owners of the Liquidation Trust Assets, the Liquidation Trust Beneficiaries will be required to include in income their respective shares of income, gains, losses, or deductions attributable to the Liquidation Trust Assets. All Holders shall use the valuation of the Liquidation Trust Assets transferred to the Liquidation Trust as established by the Liquidation Trust for all federal income tax purposes (including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The Liquidation Trust will be responsible for filing information on behalf of the Liquidation Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the Liquidation Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the Liquidation Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the Liquidation Trust Assets to satisfy such tax liability.

The Liquidation Trust will not be deemed a successor in interest of the Debtors for any purpose other than as specifically set forth in the Plan or in the Liquidation Trust Agreement. In addition, the Liquidation Trust may request an expedited determination of Taxes of the Debtors or of the Liquidation Trust under Bankruptcy Code section 505(b) for all returns filed for, or on behalf of, the Debtors and the Liquidation Trust for all taxable periods through the dissolution of the Liquidation Trust.

With respect to any of the assets of the Liquidation Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is otherwise unavailable or not elected to be applied with respect to the Liquidation Trust, the Debtors or the Liquidation Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the Liquidation Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

E. Exculpation, Indemnification, Insurance and Liability Limitation

The Liquidation Trustee and all professionals retained by the Liquidation Trustee, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Liquidation Trust. The Liquidation Trustee may obtain and maintain, at the expense of the Liquidation Trust, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Liquidation Trust, including customary insurance coverage for the protection of Entities serving as administrators and overseers of the Liquidation Trust on and after the Effective Date, including for the avoidance of doubt, the Liquidation Trustee. The Liquidation Trustee may rely upon written information previously generated by the Debtors.

F. Securities Exemption

The Liquidation Trust Interests to be distributed to the Liquidation Trust Beneficiaries pursuant to the Plan shall not constitute “securities” under applicable law. The Liquidation Trust Interests shall not be transferrable (except under limited circumstances set forth in the Liquidation Trust Agreement) and shall not have consent or voting rights or otherwise confer on the Liquidation Trust Beneficiaries any rights similar to the rights of stockholders of a corporation in respect of actions to be taken by the Liquidation Trustee in connection with the Liquidation Trust (except as otherwise provided in the Liquidation Trust Agreement). To the extent the Liquidation Trust Interests are considered “securities” under applicable law, the issuance of such interests satisfies the requirements of section 1145 of the Bankruptcy Code and, therefore, such issuance is exempt from registration under the Securities Act and any state or local law requiring registration. To the extent any “offer or sale” of Liquidation Trust Interests may be deemed to have occurred, such offer or sale is under the Plan and in exchange for Claims against or Interests in one or more

of the Debtors, or principally in exchange for such Claims or Interests and partly for cash or property, within the meaning of section 1145(a)(1) of the Bankruptcy Code.

G. Termination of the Liquidation Trustee

The duties, responsibilities, and powers of the Liquidation Trustee will terminate in accordance with the terms of the Liquidation Trust Agreement.

X. GUC TRUST AND GUC TRUSTEE

A. GUC Trust Creation

On the Effective Date, GUC Trust shall be established and become effective for the benefit of the GUC Trust Beneficiaries. The GUC Trust Agreement shall contain customary provisions for trust agreements utilized in comparable circumstances, including (i) any and all provisions necessary to ensure continued treatment of the GUC Trust as a grantor trust and the GUC Trust Beneficiaries as the grantors and owners thereof for federal income tax purposes, and (ii) indemnification of the GUC Trustee and its professionals. On the Effective Date, the GUC Trustee will be designated by the Committee and appointed in accordance with the terms of the Plan and the GUC Trust Agreement. The rights, responsibilities, and duties of the GUC Trustee are set forth in the GUC Trust Agreement. Notwithstanding anything contained in the Plan or the GUC Trust Agreement, the GUC Trustee shall always act consistently with, and not contrary to, the purpose of the GUC Trust as set forth in the Plan.

All relevant parties (including the Debtors and the GUC Trustee) will take all actions necessary to cause title to the GUC Trust Assets to be transferred to the GUC Trust. The powers, authority, responsibilities, and duties of the GUC Trust and the GUC Trustee are set forth in and will be governed by the GUC Trust Agreement, the Plan, and the Confirmation Order.

B. Purpose of the GUC Trust

The GUC Trust will be established, as a liquidating trust in accordance with Treasury Regulation Section 301.7701-4(d), for the primary purposes of maximizing the value of its assets and making distributions to the Holders of Allowed Non-Library Debtors General Unsecured Claims in accordance with the Plan, Confirmation Order, and the GUC Trust Agreement. The GUC Trust will have no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust.

C. Transfer of Assets to the GUC Trust

The Debtors and the GUC Trustee will establish the GUC Trust on behalf of the GUC Trust Beneficiaries pursuant to the GUC Trust Agreement, with the GUC Trust Beneficiaries to be treated as the grantors and deemed owners of the GUC Trust Assets, to the extent such assets do not exceed the GUC Recovery. The Debtors will transfer, assign, and deliver to the GUC Trust, on behalf of the GUC Trust Beneficiaries, all of their rights, title, and interests in the GUC Trust Assets. The GUC Trust will accept and hold the GUC Trust Assets in the GUC Trust for the benefit of the GUC Trust Beneficiaries, subject to the Plan and the GUC Trust Agreement.

On the Effective Date, all GUC Trust Assets will vest and be deemed to vest in the GUC Trust in accordance with section 1141 of the Bankruptcy Code or as otherwise set forth in the GUC Trust Agreement. As of the Effective Date, all GUC Trust Assets vested in the GUC Trust shall be free and clear of all Liens, Claims, and Interests except as otherwise specifically provided in the Plan or in the Confirmation Order.

In furtherance of, and consistent with, the purposes of the GUC Trust and the Plan, the GUC Trustee shall, as more fully set forth in the GUC Trust Agreement, have the power to distribute the GUC Trust Net Assets to the Holders of Allowed Non-Library Debtors General Unsecured Claims.

D. Tax Treatment of the GUC Trust

It is intended that the GUC Trust be classified for federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Section 671 through 677 of the Internal Revenue Code. In furtherance of this objective, the GUC Trustee shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the GUC Trust. The GUC Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the GUC Trust Beneficiaries, and then contributed by the GUC Trust Beneficiaries to the GUC Trust in exchange for their respective GUC Trust Interests. The GUC Trust Beneficiaries of the GUC Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their respective shares of GUC Trust Assets in the GUC Trust. As grantors and deemed owners of the GUC Trust Assets, the GUC Trust Beneficiaries will be required to include in income their respective shares of income, gains, losses, or deductions attributable to the GUC Trust Assets. All Holders shall use the valuation of the GUC Trust Assets transferred to the GUC Trust as established by the GUC Trust for all federal income tax purposes (including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The GUC Trust will be responsible for filing information on behalf of the GUC Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the GUC Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the GUC Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the GUC Trust Assets to satisfy such tax liability.

The GUC Trust will not be deemed a successor in interest of the Debtors for any purpose other than as specifically set forth in the Plan or in the GUC Trust Agreement. In addition, the GUC Trust may request an expedited determination of taxes of the Debtors or of the GUC Trust under Bankruptcy Code section 505(b) for all returns filed for, or on behalf of, the Debtors and the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

With respect to any of the assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is

otherwise unavailable or not elected to be applied with respect to the GUC Trust, the Debtors or the GUC Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the GUC Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

E. Exculpation, Indemnification, Insurance and Liability Limitation

The GUC Trustee and all professionals retained by the GUC Trustee, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the GUC Trust. The GUC Trustee may obtain and maintain, at the expense of the GUC Trust, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the GUC Trust, including customary insurance coverage for the protection of Entities serving as administrators and overseers of the GUC Trust on and after the Effective Date, including for the avoidance of doubt, the GUC Trustee. The GUC Trustee may rely upon written information previously generated by the Debtors.

F. Securities Exemption

The GUC Trust Interests to be distributed to the GUC Trust Beneficiaries pursuant to the Plan shall not constitute “securities” under applicable law. The GUC Trust Interests shall not be transferrable (except under limited circumstances set forth in the GUC Trust Agreement) and shall not have consent or voting rights or otherwise confer on the GUC Trust Beneficiaries any rights similar to the rights of stockholders of a corporation in respect of actions to be taken by the GUC Trustee in connection with the GUC Trust (except as otherwise provided in the GUC Trust Agreement). To the extent the GUC Trust Interests are considered “securities” under applicable law, the issuance of such interests satisfies the requirements of section 1145 of the Bankruptcy Code and, therefore, such issuance is exempt from registration under the Securities Act and any state or local law requiring registration. To the extent any “offer or sale” of GUC Trust Interests may be deemed to have occurred, such offer or sale is under the Plan and in exchange for Claims against or Interests in one or more of the Debtors, or principally in exchange for such Claims or Interests and partly for cash or property, within the meaning of section 1145(a)(1) of the Bankruptcy Code.

G. Termination of the GUC Trustee

The duties, responsibilities, and powers of the GUC Trustee will terminate in accordance with the terms of the GUC Trust Agreement.

XI. CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

A. Conditions to Effective Date

Notwithstanding anything to the contrary in the foregoing, an Exculpated Party shall be entitled to exculpation from the Petition Date through the Effective Date, and the exculpation set forth above does not exculpate (a) any obligations arising after the Effective Date of any party or Entity under the Plan, the Confirmation Order, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan; or (b) any Retained Causes of Action.

D. Injunction

In no event shall any Holder of Claims or Interests be entitled to set off any Claim or Interest against any claim, right or Cause of Action of the applicable Debtor or the Liquidation Trustee, as applicable, unless such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date.

If any Holder of a Secured Claim or any agent for such Holder has filed or recorded publicly any Liens and/or security interests to secure such Holder's Secured Claim, as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps reasonably requested by the Liquidation Trustee, at the sole cost of the Liquidation Trust, that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Liquidation Trustee shall be entitled to make any such filings or recordings on such Holder's behalf. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

G. Recoupment

In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any claim, right, or Cause of Action of the Debtors, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date.

Notwithstanding the foregoing, the Debtors may not make any modifications to the Plan as it pertains to the Committee Settlement absent written agreement of the Committee. Any amendment, alteration, modification or technical modification that affects the treatment of the Holders of Senior Secured Notes (including any release granted to or by such Holder) shall be reasonably acceptable to the Senior Secured Noteholders.

The Debtors may make appropriate non-material, technical adjustments and modifications to the Plan or the Plan Supplement prior to the Effective Date without further order or approval of the Bankruptcy Court.

B. Effect of Confirmation on Modifications

Entry of the Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of the Plan

Subject to the conditions to the Effective Date, the Debtors, reserve the right to revoke or withdraw the Plan prior to the entry of the Confirmation Order and to File subsequent plans of reorganization or liquidation. For the avoidance of doubt, the revocation or withdrawal of the Plan shall have no effect on the validity, enforceability, or finality of the Sale Orders, nor shall it impair or invalidate any distributions made in accordance therewith.

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. Copies of such exhibits and documents shall be made available upon written request to Debtors' counsel or Liquidation Trustee's counsel (as applicable) at the address above or by downloading such exhibits and documents free of charge from the Notice and Claims Agent's website.

Unless otherwise ordered by the Bankruptcy Court, to the extent any exhibit or document in the Plan Supplement is inconsistent with the terms of the Plan, the Plan shall control. Notwithstanding the foregoing, to the extent that any conflict or inconsistency arises between the terms of the Plan or the Confirmation Order and the Liquidation Trust Agreement concerning the governance, administration, operation, or management of the Liquidation Trust or the rights and duties of the Liquidation Trustee, the terms of the Liquidation Trust Agreement shall govern and

control in all respects; *provided, however*, that nothing in this provision shall alter or impair any substantive rights or treatment provided for under the Plan to any creditor or party in interest.

The documents in the Plan Supplement are considered an integral part of the Plan and shall be deemed approved by the Bankruptcy Court pursuant to the Confirmation Order.

L. Governing Law

Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of Delaware, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction, and implementation of the Plan, any agreements, documents, instruments, or contracts executed or entered into in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control), and corporate governance matters.

M. Nonseverability of Plan Provisions

If any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation.

The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is the following: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the Liquidation Trustee (as applicable); and (3) nonseverable and mutually dependent.

N. Closing of the Chapter 11 Cases

After the full administration of the Chapter 11 Cases, the Liquidation Trustee shall promptly File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022, a motion pursuant to Local Rule 3022-1(a), and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

O. Agent Expenses

will not be subject to any requirement that (i) the Senior Secured Notes Collateral Agent file any application with the Bankruptcy Court or (ii) the Bankruptcy Court enters any further orders.

XVII. RISK FACTORS

Holders of Claims and Interests, especially prior to voting on the Plan, if applicable, should consider carefully the risk factors described below, as well as all of the information contained in this Disclosure Statement, including the Exhibits hereto. These risk factors should not, however, be regarded as constituting the only risks involved in connection with the Plan and its implementation. See Article XVIII for a discussion of tax law considerations.

A. Bankruptcy Law Considerations

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to Holders of Allowed Claims and Interests under the Plan but will not necessarily affect the validity of the vote of the Voting Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Voting Classes.

1. Risk of Non-Approval of the Disclosure Statement as Containing Adequate Information

This Disclosure Statement has not, as of the date hereof, been approved by the Bankruptcy Court as containing “adequate information” within the meaning of Section 1125(a) of the Bankruptcy Code. While the Debtors believe that this Disclosure Statement provides “adequate information” within the meaning of Section 1125(a), there can be no assurance that the Bankruptcy Court will reach the same conclusion.

2. The Debtors May Fail to Satisfy the Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may need to seek to confirm an alternative chapter 11 plan or transaction. There can be no assurance that the terms of any such alternative chapter 11 plan or other transaction would be similar or as favorable to the Holders of Interests and Allowed Claims as those proposed in the Plan, and the Debtors do not believe that any such transaction exists or is likely to exist that would be more beneficial to the Estates than the Plan.

3. The Debtors May Not Be Able to Secure Nonconsensual Confirmation Over Certain Impaired, Non-Accepting Classes

In the event that any Impaired Class of Claims or Interests does not accept the Plan, the Bankruptcy Court may nevertheless confirm the Plan at the Debtors’ request if at least one Impaired Class has accepted the Plan (with such acceptance being determined without including the vote of any “insider” in such class), and, as to each Impaired Class that has not accepted the Plan, the Bankruptcy Court determines that the Plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting Impaired Class(es). The Debtors believe that the Plan

satisfies these requirements, and the Debtors may request such nonconsensual confirmation in accordance with subsection 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual confirmation or Consummation of the Plan may result in, among other things, increased expenses relating to professional compensation.

4. Confirmation Could Be Delayed

Any material delay in the confirmation of the Plan, the Chapter 11 Cases, or the threat of rejection of the Plan by the Bankruptcy Court would add substantial expense and uncertainty to the process, which would have a negative impact on creditor recoveries.

5. Parties in Interest May Object to Provisions of the Plan

There is a risk that certain parties could oppose and object to either the entirety of the Plan or specific provisions of the Plan. Although the Debtors believe that the Plan complies with all relevant Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Plan or that the Bankruptcy Court will not sustain such an objection.

6. Risk of Non-Confirmation of Plan

Even if the Holders of Claims who are entitled to vote accept the Plan, the Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Plan. For example, Section 1129 of the Bankruptcy Code requires, among other things, that the value of distributions to dissenting Holders of Claims or Interests may not be less than the value such Holders would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Although the Debtors believe the Plan meets such requirement, there can be no assurance the Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. In the event that the Debtors are unable to get sufficient votes from the Holders of Claims who are entitled to vote to accept the Plan, the Debtors may seek to accomplish an alternative chapter 11 plan or seek to cram down the Plan on non-accepting classes. If the Plan is not confirmed, it is unclear what distributions Holders of Claims and Interests ultimately would receive with respect to their Claim and Interests in an alternative plan.

7. The Chapter 11 Cases May Be Converted to Cases Under Chapter 7 of the Bankruptcy Code

If the Bankruptcy Court finds that it would be in the best interest of creditors and/or the debtor in a chapter 11 case, the Bankruptcy Court may convert a chapter 11 bankruptcy case to a case under chapter 7 of the Bankruptcy Code. In such event, a chapter 7 trustee would be appointed or elected to liquidate the debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. The Debtors believe that liquidation under chapter 7 would result in significantly smaller distributions being made to creditors than those provided for in a chapter 11 plan because of (a) additional administrative expenses involved in the appointment of a chapter 7 trustee, and (b) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation.

8. The Debtors May Object to the Amount or Classification of a Claim

Except as otherwise provided in the Plan, the Debtors reserve the right to object to the amount or classification of any Claim under the Plan. The estimates set forth in this Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is subject to an objection. Any Holder of a Claim that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

9. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

10. The Conditions Precedent to the Effective Date May Not Occur

The Plan provides that there are conditions precedent to the occurrence of the Effective Date. There is no guarantee as to the timing of the Effective Date. Additionally, if the conditions precedent to the Effective Date are not satisfied or waived, the Bankruptcy Court may vacate the Confirmation Order. In that event, the Plan would be deemed null and void, and the Debtors or any other party may propose or solicit votes on an alternative plan of liquidation that may not be as favorable to parties in interest as the Plan.

B. Allowance of Claims

This Disclosure Statement has been prepared based on preliminary information concerning filed Claims and the Debtors' books and records. The actual amount of Allowed Claims may differ from the Debtors' current estimates.

1. The Amounts of Allowed Claims May Adversely Affect the Recovery of Some Holders of Allowed Claims

The distributions available to Holders of Allowed Claims and Interests, if any, under the Plan can be affected by a variety of contingencies, including, without limitation, the amount of Allowed Administrative Claims, Priority Tax Claims, Class 1 Claims, Class 2 Claims, Class 3A

Claims, Class 3B Claims, and Class 4 Claims, thereby reducing the amount of distributions available for other Holders of Allowed Claims. The Debtors cannot determine with any certainty at this time the number or amount of such Claims that will ultimately be Allowed. Thus, the projected recoveries for Holders of Allowed Claims and Interests disclosed in this Disclosure Statement are highly speculative.

2. Any Valuation of Any Assets to be Distributed Under the Plan is Speculative

Any valuation of any of the assets to be distributed under the Plan is necessarily speculative, including but not limited to the potential recoveries, if any, in respect of any Retained Causes of Action. Accordingly, the ultimate value, if any, of these assets could materially affect, among other things, recoveries to the Holders of Allowed Claims and Interests.

3. The Debtors Cannot Guarantee the Timing of Distributions

The timing of actual distributions to Holders of Allowed Claims and Interests, if any, may be affected by many factors that cannot be predicted. Therefore, the Debtors cannot guarantee the timing of any Distribution.

4. Certain Tax Implications of the Debtors' Bankruptcy

Holders of Allowed Claims should carefully review Article XVIII of this Disclosure Statement, "Certain U.S. Federal Income Tax Consequences of Consummation of the Plan," for a description of certain tax implications of the Plan and the Debtors' Chapter 11 Cases.

5. No Legal or Tax Advice Is Provided to You by This Disclosure Statement

This Disclosure Statement is not legal advice to you. The contents of this Disclosure Statement should not be construed as legal, business or tax advice. Each Holder of a Claim or an Interest should consult his or her own legal counsel, accountant or other applicable advisor with regard to any legal, tax and other matters concerning his, her or its Claim or Interest. 6. No Admissions Made

The information and statements contained in this Disclosure Statement will neither (a) constitute an admission of any fact or liability by any entity (including, without limitation, the Debtors) nor (b) be deemed evidence of the tax or other legal effects of the Plan on the Debtors, Holders of Claims or Interests, or any other parties in interest.

7. Failure to Identify Potential Objections

No reliance should be placed on the fact that a particular Retained Cause of Action or potential objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Liquidation Trustee may, pursuant to the Plan, object to applicable Claims or Interests after the Effective Date of the Plan irrespective of whether this Disclosure Statement identifies a particular Retained Cause of Action or objection to a Claim.

8. No Waiver of Right to Object or Right to Recover Transfers and Assets

The vote by a Holder of a Claim or Interest for or against the Plan does not constitute a waiver or release of any Claims, Causes of Action or rights of the Debtors (or any entity, as the case may be) to object to that Holder’s Claim or Interest, or recover any preferential, fraudulent or other voidable transfer of assets, regardless of whether any Claims or Causes of Action of the Debtors or their Estates are specifically or generally identified in this Disclosure Statement.

9. Information Was Provided by the Debtors and Was Relied Upon by the Debtors' Advisors

The Debtors' advisors have relied upon information provided by the Debtors in connection with the preparation of this Disclosure Statement. Although the Debtors' advisors have performed certain limited due diligence in connection with the preparation of this Disclosure Statement, they have not independently verified the information contained in this Disclosure Statement.

10. Potential Exists for Inaccuracies, and the Debtors Have No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date of this Disclosure Statement, unless otherwise specified in this Disclosure Statement, and the delivery of this Disclosure Statement after the date of this Disclosure Statement does not imply that there has not been a change in the information set forth in this Disclosure Statement since that date. While the Debtors have used their reasonable business judgment to ensure the accuracy of all of the information provided in this Disclosure Statement and in the Plan, the Debtors nonetheless cannot, and do not, confirm the current accuracy of all statements appearing in this Disclosure Statement. Further, although the Debtors may subsequently update the information in this Disclosure Statement, the Debtors have no affirmative duty to do so unless ordered to do so by the Bankruptcy Court.

11. No Representations Outside This Disclosure Statement are Authorized

No representations concerning or relating to the Debtors, these Chapter 11 Cases or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than as contained in, or included with, this Disclosure Statement should not be relied upon by you in arriving at your decision. You should promptly report unauthorized representations or inducements to counsel to the Debtors and the U.S. Trustee.

XVIII. CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF CONSUMMATION OF THE PLAN

The following discussion summarizes certain U.S. federal income tax consequences of the implementation of the Plan to the Debtors and certain Holders of Allowed Claims. The following summary is based on the Internal Revenue Code of 1986, as amended (the "IRC"), Treasury Regulations promulgated thereunder, judicial decisions, administrative rules, and pronouncements as in effect on the date hereof. Changes in such rules or new interpretations thereof may have retroactive effect and could significantly affect the U.S. federal income tax consequences described herein. This summary addresses certain U.S. federal income tax consequences only to Holders of Claims that are entitled to vote (*i.e.*, Holders of Claims in Classes 3B and 4) and it does not address the U.S. federal income tax consequences to Holders of Interests or to Holders of Claims that are not entitled to vote on the Plan. The U.S. federal income tax consequences of the Plan are complex and are subject to significant uncertainties.

This discussion does not address all aspects of U.S. federal income taxation that may be relevant to a particular Holder of an Allowed Claim in light of such Holder's particular facts and circumstances. In addition, this summary addresses only U.S. federal income taxes. Thus, the

following discussion does not address foreign, state, or local tax consequences, or any estate, gift, or other non-income tax consequences, of the Plan, nor does it purport to address the U.S. federal income tax consequences of the Plan to Holders of Allowed Claims that are subject to special treatment under the IRC (including, but not limited to, Persons who are related to the Debtors within the meaning of the IRC, Holders liable for the alternative minimum tax, Holders whose functional currency is not the U.S. dollar, Holders that received their Claims as compensation, broker dealers, banks, mutual funds, insurance companies, financial institutions, small business investment companies, regulated investment companies, tax exempt organizations, governmental entities, pass-through entities such as partnerships or S corporations and investors therein, and Holders of Claims who are themselves in bankruptcy). Accordingly, this summary should not be relied upon for purposes of determining the specific tax consequences of the Plan with respect to a particular Holder of a Claim.

If a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds an Allowed Claim, the tax treatment of a partner or other investor in such partnership will generally depend upon the status of the partner or investor and the activities of the partnership. If you are a partner or other investor in a partnership holding an Allowed Claim, you should consult your tax advisors.

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of Allowed Class 3B or 4 Claims that is: (A) an individual citizen or resident of the United States for U.S. federal income tax purposes; (B) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (C) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (D) a trust (1) if a court within the United States is able to exercise primary jurisdiction over the trust’s administration and one or more United States persons have authority to control all substantial decisions of the trust or (2) that has a valid election in effect under applicable Treasury Regulations to be treated as a United States person (as defined in the IRC), and a “Non-U.S. Holder” is a Holder (other than an entity treated as a partnership for U.S. federal income tax purposes) that is not a U.S. Holder.

The following discussion assumes that the Plan will be implemented as described herein and does not address the tax consequences if the Plan is not carried out. Furthermore, this discussion assumes that Holders of Allowed Claims only hold Claims in a single Class. This discussion further assumes that the various debt and other arrangements to which the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form. In addition, a substantial amount of time may elapse between the confirmation date and the receipt of a final distribution under the Plan. Events subsequent to the date of this Disclosure Statement, such as additional tax legislation, court decisions or administrative changes, could affect the U.S. federal income tax consequences of the Plan and the transactions contemplated thereunder.

This summary of the U.S. federal income tax consequences of the Plan is not binding on the Internal Revenue Service (“IRS”), and no ruling will be sought or has been sought from the IRS with respect to any of the tax aspects of the Plan, no opinion of counsel has been obtained or will be obtained by the Debtors with respect thereto, and no tax opinion is given by this Disclosure Statement. The U.S. federal income tax consequences of certain aspects of the Plan may therefore

be uncertain due to the lack of applicable legal authority and may be subject to administrative or judicial interpretations that differ from the discussion below.

The following discussion is not exhaustive and the U.S. federal income tax consequences to each Holder of an Allowed Claim will differ and will depend on factors specific to each such Holder, including (A) whether the Holder's Allowed Claim (or portion thereof) constitutes a claim for principal or interest; (B) the origin of the Holder's Allowed Claim; (C) whether the Holder reports income using the accrual or cash basis method; (D) whether the Holder receives distributions under the Plan in more than one taxable year; (E) whether the Holder has previously included in income any accrued but unpaid interest with respect to the Allowed Claim; and (F) whether the Holder has previously taken a bad debt deduction or otherwise recognized a loss with respect to the Allowed Claim. The discussion is not a substitute for careful tax planning and professional tax advice based upon the individual circumstances of each Holder of an Allowed Claim. Accordingly, each Holder of an Allowed Claim is strongly urged to consult with its own tax advisor regarding the U.S. federal, state, local, and foreign income and other tax consequences of the Plan.

A. Certain U.S. Federal Income Tax Consequences to the Debtors

1. The Sale Transactions

The Sale Transactions contemplated by the Plan are expected to be treated as a taxable sale of the Debtors' assets for U.S. federal income tax purposes. Taxable gain or loss will be recognized in an amount equal to the amount realized on the Sale Transactions, less the aggregate adjusted basis in the assets that are subject to the Sale Transactions. The amount realized on the Sale Transactions will generally be equal to the cash proceeds from the Sale Transactions or, in the case of a credit bid, the fair market value of the assets transferred in the credit bid.

2. Transfer of Assets to the Liquidation Trust and the GUC Trust

Pursuant to the Plan, (a) the Liquidation Trust will be established and receive the Liquidation Trust Assets and (b) the GUC Trust will be established and receive the GUC Trust Assets. For U.S. federal income tax purposes, the transfer of the Liquidation Trust Assets and the GUC Trust Assets generally is treated as equivalent to a sale of such assets at their then fair market value. Taxable gain or loss will be recognized in an amount equal to the amount realized on the transfer, less the aggregate adjusted basis in the assets that are subject to the transfer. The amount realized on the transfer will generally be equal to the fair market value of the assets transferred.

3. Cancellation of Debt

The cancellation of Claims against the Debtors may give rise to cancellation of indebtedness income ("COD Income").

B. Liquidation Trust

The Liquidation Trust will be organized for the primary purpose of maximizing the value of its assets and making distributions in accordance with the Plan with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and

consistent with, the liquidating purpose of the Liquidation Trust. It is intended that the Liquidation Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Sections 671 through 677 of the IRC. In furtherance of this objective, the Liquidation Trust shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the Liquidation Trust. The Liquidation Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the Liquidation Trust Beneficiaries, and then contributed by the Liquidation Trust Beneficiaries to the Liquidation Trust in exchange for their respective Liquidation Trust Interests. The Liquidation Trust Beneficiaries of the Liquidation Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their respective shares of Liquidation Trust Assets in the Liquidation Trust.

U.S. Holders of Claims that receive a Liquidation Trust Interest will be required to report on their U.S. federal income tax returns their share of the Liquidation Trust’s items of income gain, loss, deduction and credit in the year recognized by the Liquidation Trust. This requirement may result in U.S. Holders being subject to tax on their allocable share of a portion of the Liquidation Trust’s taxable income prior to receiving any cash distributions from the Liquidation Trust. On the other hand, a distribution of cash by the Liquidation Trust will not be separately taxable to a U.S. Holder of Liquidation Trust Interests because the beneficiary is already regarded for U.S. federal income tax purposes as owning the underlying assets (and was taxed at the time the cash was earned or received by the Liquidation Trust).

All parties shall report consistently with the valuation of the Liquidation Trust Assets transferred to the Liquidation Trust as established by the Liquidation Trustee for all federal income tax purposes (including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The Liquidation Trust will be responsible for filing information on behalf of the Liquidation Trust as grantor trust pursuant to Treasury Regulations Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the Liquidation Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the Liquidation Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the Liquidation Trust Assets to satisfy such tax liability.

With respect to any of the assets of the Liquidation Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is otherwise unavailable or not elected to be applied with respect to the Liquidation Trust, the Debtors or the Liquidation Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the Liquidation Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of

the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

No request for a ruling from the IRS will be sought on the classification of the Liquidation Trust. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of the Liquidation Trust. If the IRS were to successfully challenge the classification of the Liquidation Trust as a grantor trust, the federal income tax consequences to the Liquidation Trust and the Holders of Claims could vary from those discussed herein (including the potential for an entity-level tax).

C. GUC Trust

The GUC Trust will be organized for the primary purpose of maximizing the value of its assets and making distributions in accordance with the Plan with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust. It is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Sections 671 through 677 of the IRC. In furtherance of this objective, the GUC Trust shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the GUC Trust. The GUC Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the GUC Trust Beneficiaries, and then contributed by the GUC Trust Beneficiaries to the GUC Trust in exchange for their respective GUC Trust Interests. The GUC Trust Beneficiaries of the GUC Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their respective shares of GUC Trust Assets in the GUC Trust.

U.S. Holders of Claims that receive a GUC Trust Interest will be required to report on their U.S. federal income tax returns their share of the GUC Trust’s items of income gain, loss, deduction and credit in the year recognized by the GUC Trust. This requirement may result in U.S. Holders being subject to tax on their allocable share of a portion of the GUC Trust’s taxable income prior to receiving any cash distributions from the GUC Trust. On the other hand, a distribution of cash by the GUC Trust will not be separately taxable to a U.S. Holder of GUC Trust Interests because the beneficiary is already regarded for U.S. federal income tax purposes as owning the underlying assets (and was taxed at the time the cash was earned or received by the GUC Trust).

All parties shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as established by the GUC Trustee for all federal income tax purposes (including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The GUC Trust will be responsible for filing information on behalf of the GUC Trust as grantor trust pursuant to Treasury Regulations Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the GUC Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the GUC Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the GUC Trust Assets to satisfy such tax liability.

With respect to any of the assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is otherwise unavailable or not elected to be applied with respect to the GUC Trust, the Debtors or the GUC Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the GUC Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

No request for a ruling from the IRS will be sought on the classification of the GUC Trust. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of the GUC Trust. If the IRS were to successfully challenge the classification of the GUC Trust as a grantor trust, the federal income tax consequences to the GUC Trust and the Holders of Claims could vary from those discussed herein (including the potential for an entity-level tax).

D. Certain U.S. Federal Income Tax Consequences to Holders of Allowed Claims

This summary discusses the U.S. federal income tax consequences to holders of Claims who are U.S. Holders and does not discuss tax consequences for those who are not U.S. Holders. As used herein, the term “U.S. Holder” means a beneficial owner of Claims that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable Treasury regulations to be treated as a U.S. person.

If a partnership or other entity or arrangement taxable as a partnership for U.S. federal income tax purposes holds Claims, the tax treatment of a partner in such partnership generally will

depend upon the status of the partner and the activities of the partnership. If you are a partner in such a partnership holding any of such instruments, you should consult your own tax advisor.

1. Recognition of Gain or Loss

The U.S. federal income tax consequences of the implementation of the Plan to a U.S. Holder of a Claim will depend, among other things, upon the origin of the U.S. Holder's Claim, when the U.S. Holder receives payment in respect of such Claim, whether the U.S. Holder reports income using the accrual or cash method of tax accounting, whether the U.S. Holder acquired its Claim at a discount, whether the U.S. Holder has taken a bad debt deduction or worthless security deduction with respect to such Claim, and whether (as intended and herein assumed) the Plan is treated as a plan of liquidation for U.S. federal income tax purposes.

Generally, a U.S. Holder of a Claim will recognize gain or loss with respect to its Claim in an amount equal to the difference between (i) the sum of the amount of any Cash and the fair market value of any other property (including the Liquidation Trust Interests or the GUC Trust Interests) received by the U.S. Holder (other than any consideration attributable to accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the U.S. Holder's taxable income). As discussed below, the amount of Cash or other property received in respect of accrued but unpaid interest will be taxed as ordinary income, except to the extent previously included in income by a U.S. Holder under its method of accounting. *See Section XVIII.D.2.—“Allocation of Consideration to Interest.”* Consistent with the intended treatment of the Plan as a plan of liquidation for U.S. federal income tax purposes, any loss realized by a U.S. Holder of a Claim may not be recognizable until all of the distributions to such U.S. Holder are received.

When gain or loss is recognized, such gain or loss may be long-term capital gain or loss if the Claim disposed of is a capital asset in the hands of the U.S. Holder and has been held for more than one year. Each holder of a Claim should consult its tax advisor to determine whether gain or loss recognized by such holder will be long-term capital gain or loss and the specific tax effect thereof on such holder.

2. Allocation of Consideration to Interest

Pursuant to Section VI.L of the Plan, all distributions in respect of Claims will be allocated first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest. However, there is no assurance that such allocation would be respected by the IRS for U.S. federal income tax purposes. In general, to the extent any amount received (whether cash or other property) by a holder of a debt instrument is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the holder as ordinary interest income (if not previously included in the holder's gross income under the holder's normal method of accounting). Conversely, a holder generally recognizes a deductible loss to the extent any accrued interest claimed was previously included in its gross income and is not paid in full.

Each holder of a Claim is urged to consult its own tax advisors regarding the allocation of consideration and the taxation or deductibility of unpaid interest for tax purposes.

3. Information Reporting and Backup Withholding

Payments of interest and any other reportable payments, possibly including amounts received pursuant to the Plan, may be subject to “backup withholding” if a recipient of those payments fails to furnish to the payor certain identifying information and, in some cases, a certification that the recipient is not subject to backup withholding. Backup withholding is not an additional tax. Any amounts deducted and withheld generally should be allowed as a credit against that recipient’s U.S. federal income tax, provided that appropriate proof is timely provided under rules established by the IRS. Furthermore, certain penalties may be imposed by the IRS on a recipient of payments who is required to supply information but who does not do so in the proper manner. Backup withholding generally should not apply with respect to payments made to certain exempt recipients, such as corporations and financial institutions. Information may also be required to be provided to the IRS concerning payments, unless an exemption applies. You should consult your own tax advisor regarding your qualification for exemption from backup withholding and information reporting and the procedures for obtaining such an exemption.

E. Backup Withholding and Information Reporting

Generally, information reporting requirements will apply to all payments or distributions under the Plan, unless you are an exempt recipient. Additionally, a U.S. Holder may be subject to backup withholding at applicable rates, unless the U.S. Holder (1) is a person exempt from backup withholding and, when required, demonstrates this or (2) provides a correct taxpayer identification number (“TIN”) on IRS Form W-9 (or a suitable substitute form) and timely provides the other information, makes the representations required by such form and complies with the other requirements of the backup withholding rules. A U.S. Holder may become subject to backup withholding if, among other things, the U.S. Holder (1) fails to properly report interest and dividends for U.S. federal income tax purposes or (2) in certain circumstances, fails to certify, under penalty of perjury, that it has furnished a correct TIN. A U.S. Holder that does not timely provide a correct TIN also may be subject to penalties imposed by the IRS. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against your U.S. federal income tax liability provided the required information is properly furnished to the IRS.

Under the Foreign Account Tax Compliance Act (“FATCA”), unless otherwise subject to an exception, foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S. source payments of fixed or determinable, annual or periodical income (including interest). FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding tax. Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules, including the availability of an exemption on such Non-U.S. Holder’s ownership of the consideration being received under the Plan.

F. Importance of Obtaining Professional Tax Assistance

The foregoing is intended to be only a summary of certain U.S. federal income tax consequences of the Plan and is not a substitute for careful tax planning with a tax professional. The U.S. federal, state, local, and foreign income and other tax consequences of the Plan are complex and in some cases uncertain. Such consequences may also vary based on the individual circumstances of each Holder of an Allowed Claim. Accordingly, each Holder of an Allowed Claim is strongly urged to consult with his, her, or its own tax advisor regarding the U.S. federal, state, local, and foreign income and other tax consequences of the Plan.

XIX. ADDITIONAL INFORMATION

Any statements in this Disclosure Statement concerning the provisions of any document are not necessarily complete, and in each instance reference is made to such document for the full text thereof. Certain documents described or referred to in this Disclosure Statement have not been attached as exhibits because of the impracticability of furnishing copies of these documents to all recipients of this Disclosure Statement. The Debtors will file all supplements to the Plan with the Bankruptcy Court and make them available for review on <https://www.veritaglobal.net/vreg>.

XX. RECOMMENDATION AND CONCLUSION

For all of the reasons set forth in this Disclosure Statement, the Debtors believe that the confirmation and Consummation of the Plan is preferable to all other alternatives. Consequently, the Debtors urge all Holders of Claims in Voting Classes, to vote to accept the Plan and to evidence their acceptance by duly completing and returning their Ballots so that they will be received on or before the Voting Deadline.

A. Classification of Claims and Interests.

Except for the Claims addressed in Article II herein, all Claims and Interests are classified in the Classes set forth below in accordance with sections 1122 and 1123(a)(1) of the Bankruptcy Code. A Claim or an Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in other Class(es) to the extent that any portion of the Claim or Interest qualifies within the description of

such other Class(es). A Claim also is classified in a particular Class for the purpose of receiving distributions under the Plan only to the extent that such Claim is an Allowed Claim in that Class and has not been otherwise paid, released, or satisfied at any time.

The classification of Claims against and Interests in the Debtors pursuant to the Plan is as follows:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Secured Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)

- ii. *Treatment:* On the Effective Date, or as soon as reasonably practicable thereafter, except to the extent that a Holder of an Allowed Other Secured Claim and the Debtors or the Liquidation Trustee, as applicable, agree to less favorable treatment for such Holder, in full and final satisfaction of the Allowed Other Secured Claim, each Holder thereof will receive: (a) payment in full in Cash; (b) delivery of the collateral securing any such Claim and payment of any interest required under section 506(b) of the

Bankruptcy Code; (c) reinstatement of such Claim; or (d) such other treatment rendering such Claim Unimpaired.

- iii. *Voting:* Class 1 is Unimpaired, and Holders of Other Secured Claims are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, Holders of Class 1 Other Secured Claims are not entitled to vote to accept or reject the Plan.

- i. *Classification:* Class 2 consists of all Other Priority Claims against the Debtors.
- ii. *Treatment:* On the Effective Date, or as soon as reasonably practicable thereafter, except to the extent that a Holder of an Allowed Other Priority Claim and the Debtors or the Liquidation Trustee, as applicable, agree to less favorable treatment for such Holder, in full and final satisfaction of the Allowed Other Priority Claim, each Holder thereof will receive: (a) payment in full in Cash; or (b) such other treatment rendering such Claim Unimpaired.

Once the Warner Bros. Claims have been determined by Final Order or by agreement of the parties and become Allowed (if at all, or in whole or in part), the Warner Bros. Claims will be paid in full in the Allowed amount, first from the Warner Bros. Reserve, and second, to the extent that the Warner Bros. Reserve is insufficient to satisfy the Warner Bros. Claims, from the Library Reserve.
- iii. *Voting:* Class 3A is Unimpaired, and Holders of Library Debtors General Unsecured Claims are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, Holders of

Except to the extent that a Holder of an Allowed Non-Library Debtors General Unsecured Claim and the Debtors or the Liquidation Trustee, as applicable, agree to less favorable treatment for such Holder, in full and final satisfaction of its Allowed Non-Library Debtors General Unsecured Claim, each Holder thereof will receive 85% of its Allowed Claim from the GUC Trust Net Amount; *provided*, for the avoidance of doubt, that if the value of the GUC Trust Net Amount exceeds the GUC Recovery, such excess amount shall be distributed to the Liquidation Trust for the sole and exclusive benefit of Holders of Senior Secured Notes Claims; *provided further*, that if the value of the GUC Trust Net Amount is less than the GUC Recovery, the Debtors or the Liquidation Trust, as applicable, shall fund the shortfall to the GUC Trust immediately upon request solely to the extent of available Liquidation Trust Assets. The GUC Trust Fees and Expenses shall not exceed the GUC Trust Initial Funding Amount in the aggregate from any funding source.
- iii. *Voting:* Class 3B is Impaired, and Holders of Non-Library Debtors General Unsecured Claims are entitled to vote to accept or reject the Plan.

5. Class 4 – Senior Secured Notes Claims.

- i. *Classification:* Class 4 consists of all Senior Secured Notes Claims.

- iv. *Voting*: Class 4 is Impaired, and Holders of Senior Secured Notes Claims are entitled to vote to accept or reject the Plan.

6. Class 5 – Intercompany Claims.

- i. *Classification*: Class 5 consists of Intercompany Claims between and among the Debtors.
- ii. *Treatment*: On the Effective Date, all Intercompany Claims shall either be settled, discharged, canceled, or released without any distribution, on account of such Intercompany Claims, and be of no further force or effect.

C. Special Provision Governing Unimpaired Claims.

Except as otherwise provided in this Plan, nothing under this Plan shall affect the rights of the Debtors or the Liquidation Trustee with respect to any Unimpaired Claims, including all legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

D. Elimination of Vacant Classes.

Any Class that, as of the commencement of the Combined Hearing, does not have at least one Holder of a Claim or Interest that is Allowed in an amount greater than zero for voting purposes shall be considered vacant, deemed eliminated from this Plan for purposes of voting to accept or reject this Plan, and disregarded for purposes of determining whether this Plan satisfies section 1129(a)(8) of the Bankruptcy Code with respect to such Class.

E. Controversy Concerning Impairment.

If a controversy arises as to whether any Claim or any Class of Claims is Impaired, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the date of the Combined Hearing.

F. Subordination of Claims.

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, contract (including, without limitation, under the Senior Secured Notes Credit Documents), section 510(b) of the Bankruptcy Code, or otherwise.

G. Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by one or more of the Classes entitled to vote pursuant to this Article III of the Plan. The Debtors hereby request confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any Class that is deemed to reject the Plan pursuant to section 1126(g) of the Bankruptcy Code. The Debtors reserve the right to request confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any voting Class that votes to reject the Plan.

H. Insurance.

Notwithstanding anything to the contrary in the Plan, if any Claim is subject to coverage under an Insurance Policy, payments on account of such Claim will first be made from proceeds of such Insurance Policy in accordance with the terms thereof, with the balance of such Claim, if any, treated in accordance with the provisions of the Plan governing the Class applicable to such Claim.

**ARTICLE IV.
MEANS FOR IMPLEMENTATION OF THE PLAN**

A. General Settlement of Claims and Interests.

To the extent provided by the Bankruptcy Code, and in consideration for the distributions, releases, and other benefits provided pursuant to this Plan, upon the Effective Date, the provisions of this Plan shall constitute a good faith compromise of Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a creditor or an Interest holder may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise and settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and holders of such Claims and Interests, and is fair, equitable, and reasonable. Notwithstanding any other provision in this Plan, the settlements are approved among the parties that have agreed to them (among any other party who has expressly entered into a written settlement agreement), and the treatment of claims and interests is being afforded pursuant to Confirmation by satisfying the requirements of Section 1129.

B. Liquidation Transactions.

On the Effective Date, or as soon as reasonably practicable thereafter, the Liquidation Trustee shall take all actions as may be necessary or appropriate to effectuate the Liquidation Transactions, including, without limitation: (a) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, and that satisfy the requirements of applicable law and any other terms to which the applicable Entities may agree; (b) the execution and delivery of appropriate instruments of transfer,

assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (d) such other transactions that are required to effectuate the Liquidation Transactions; (e) all transactions necessary to provide for the purchase of some or all of the assets of, or Interests in, any of the Debtors which purchase may be structured as a taxable transaction for United States federal income tax purposes; and (f) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

C. Sale Transactions.

On or after the Confirmation Date, the Debtors shall be authorized to take all actions as may be deemed necessary or appropriate to consummate any Sale Transactions pursuant to the terms of the Plan, the Sale Orders, any Sale Documents, and the Confirmation Order, and any such Sale Transactions shall be free and clear of any Liens, Claims, Interests, and encumbrances pursuant to sections 363 and 1123 of the Bankruptcy Code as of the earlier of (i) the closing date of such Sale Transaction and (ii) the Effective Date.

D. The Liquidation Trust.

On the Effective Date, the Debtors, on their own behalf and on behalf of the Liquidation Trust Beneficiaries, and the Liquidation Trustee shall execute the Liquidation Trust Agreement and take all other steps necessary to establish the Liquidation Trust pursuant to the Liquidation Trust Agreement and Article VIII of this Plan. On the Effective Date, and in accordance with and pursuant to the terms of the Plan, the Debtors shall irrevocably transfer and shall be deemed to have irrevocably transferred to the Liquidation Trust all of their rights, title, and interests in all of the Liquidation Trust Assets and, in accordance with Section 1141 of the Bankruptcy Code, the Liquidation Trust Assets shall automatically vest in the Liquidation Trust free and clear of all Claims, Liens, encumbrances or interests, subject to the terms of the Liquidation Trust Agreement.

To the extent that any conflict or inconsistency arises between the terms of this Plan or the Confirmation Order and the Liquidation Trust Agreement concerning the governance, administration, operation, or management of the Liquidation Trust or the rights and duties of the Liquidation Trustee, the terms of the Plan and the Confirmation Order shall govern and control in all respects.

E. The Committee Settlement.

The Debtors, the Committee, and the Senior Secured Noteholders engaged in extensive and good faith negotiations, which culminated in an agreement to the terms of the Committee Settlement which shall be effectuated pursuant to the Plan. The Committee Settlement provides for the following, in summary:

1. The Debtors and the Committee shall form the GUC Trust, to be administered by the GUC Trustee for the benefit of Holders of Allowed Non-Library Debtors General Unsecured Claims.

2. Each Holder of Allowed Non-Library Debtors General Unsecured Claims shall receive a recovery of 85% of its Allowed Claims.
3. The Debtors shall pay (i) the GUC Trust Amount and (ii) the GUC Trust Initial Funding Amount to the GUC Trust on the Effective Date.
4. If the GUC Trust Net Amount exceeds the GUC Recovery, such excess amount shall be distributed to the Liquidation Trust solely and exclusively for the benefit of Holders of Allowed Senior Secured Notes Claims. If the GUC Trust Net Amount is less than the GUC Recovery, the shortfall will be funded to the GUC Trust by the Debtors or the Liquidation Trust solely to the extent of available Liquidation Trust Assets.
5. The reconciliation process for Non-Library Debtors General Unsecured Claims shall take no more than 60 days after the Effective Date, subject to reasonable requests for extension by the Liquidation Trustee with the written consent of the Senior Secured Notes Parties. The Debtors agree to begin the claims reconciliation process for the Non-Library Debtors General Unsecured Claims as soon as practicable, including promptly after the Bar Date.
6. The Debtors shall waive all preference claims against Holders of Allowed Non-Library Debtors General Unsecured Claims and, for the avoidance of doubt, such claims shall not be Retained Causes of Action.
7. The Committee shall fully release the Debtors and each of the Senior Secured Notes Parties, and the Debtors and the Committee shall be afforded maximum exculpation allowed under law.

Section 105(a) provides, in relevant part, that “[t]he court may issue any order . . . necessary or appropriate to carry out the provisions of [the Bankruptcy Code].” 11 U.S.C. § 105(a). In turn, Bankruptcy Rule 9019(a) provides, in relevant part, that “[o]n motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). The compromise or settlement of time-consuming and burdensome litigation, especially in the bankruptcy context, is encouraged and “generally favored in bankruptcy.” *In re World Health Alternatives, Inc.*, 344 B.R. 291, 296 (Bankr. D. Del. 2006).

The Third Circuit has enumerated four factors that should be considered in determining whether a settlement should be approved. The four enumerated factors are “(1) the probability of success in litigation; (2) the likely difficulties in collection; (3) the complexity of the litigation involved and the expense, inconvenience and delay necessarily attending it; and (4) the paramount interest of the creditors.” *Meyers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996).

“[T]he decision whether to approve a compromise under [Bankruptcy] Rule 9019 is committed to the sound discretion of the Court, which must determine if the compromise is fair, reasonable, and in the interest of the estate.” *In re Louise’s, Inc.*, 211 B.R. 798, 801 (D. Del. 1997). Courts should not, however, substitute their judgment for that of the debtor, but instead should canvas the issues to see whether the compromise falls below the lowest point in the range of

reasonableness. *See In re Neshaminy Office Bldg. Assocs.*, 62 B.R. 798, 803 (E.D. Pa. 1986); *In re W.T. Grant and Co.*, 699 F.2d 599, 608 (2d Cir. 1983); *see also In re World Health*, 344 B.R. at 296 (“[T]he court does not have to be convinced that the settlement is the best possible compromise. Rather, the court must conclude that the settlement is ‘within the reasonable range of litigation possibilities.’”) (internal citations and quotations omitted).

In the Debtors’ judgment—with which the Committee and the Senior Secured Noteholders agree—the Committee Settlement is reasonable and in the best interest of the Debtors, their estates, creditors and all parties in interest. The Committee Settlement was the product of good-faith and arm’s-length negotiations between the parties. The Committee Settlement resolves once and for all the disputes regarding potential outstanding objections to the Senior Secured Notes Claims and a possible standing litigation in an efficient, consensual, and cost-effective manner that will avoid litigation and the uncertainty it involves. As a result of the Committee Settlement, each Holder of an Allowed Non-Library Debtors General Unsecured Claim will receive an assured recovery in Class 3B that would either be unlikely or the result of substantial, costly and time-consuming litigation, absent the Committee Settlement. The Debtors have reasonably determined that entry into the Committee Settlement is in the best interests of the estates and reflects a fair and reasonable compromise. Furthermore, the Committee and the Senior Secured Noteholders support the Committee Settlement. Accordingly, the *Martin* factors are met, the Committee Settlement falls well within the lowest “range of reasonableness” and, therefore, the Committee Settlement should be approved pursuant to Bankruptcy Rule 9019.

F. The GUC Trust.

On the Effective Date, the Debtors and the GUC Trustee shall execute the GUC Trust Agreement and take all other steps necessary to establish the GUC Trust pursuant to the GUC Trust Agreement and Article IX of this Plan. On the Effective Date, and in accordance with and pursuant to the terms of the Plan, the Debtors shall irrevocably transfer and shall be deemed to have irrevocably transferred to the GUC Trust all of their rights, title, and interests in the GUC Trust Amount and GUC Trust Initial Funding Amount, in accordance with Section 1141 of the Bankruptcy Code, the GUC Trust Amount and GUC Trust Initial Funding Amount shall automatically vest in the GUC Trust free and clear of all Claims, Liens, encumbrances or interests, subject to the terms of the GUC Trust Agreement.

To the extent that any conflict or inconsistency arises between the terms of this Plan or the Confirmation Order and the GUC Trust Agreement concerning the governance, administration, operation, or management of the GUC Trust or the rights and duties of the GUC Trustee, the terms of the GUC Trust Agreement shall govern and control in all respects; *provided, however*, that nothing in this provision shall alter or impair any substantive rights or treatment provided for under this Plan to any creditor or party in interest.

G. Sources of Consideration for Plan Distributions.

Subject to the provisions of the Plan concerning the Professional Fee Reserve Account, the Debtors, the Liquidation Trustee or the GUC Trustee, as applicable, shall fund distributions under the Plan with Cash on hand on the Effective Date and the Debtors’ other assets.

H. Dissolution of the Debtors.

On or as soon as reasonably practicable after the Effective Date and after transfer of all Liquidation Trust Assets to the Liquidation Trust, the Liquidation Trustee shall ensure that the Debtors shall be disposed of, dissolved, wound down, or liquidated under applicable Law, without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, and neither the Liquidation Trustee nor the Debtors shall be required to pay any taxes or fees to cause such dissolutions.

I. Preservation of Causes of Action.

Except as otherwise provided in any contract, instrument, release, or agreement entered into in connection with the Plan or the Sale, in accordance with section 1123(b) of the Bankruptcy Code, all Retained Causes of Action are preserved and shall vest in the Liquidation Trust on the Effective Date; *provided, however*, that no Causes of Action shall be retained or preserved against the Released Parties. No Entity (other than the Released Parties) may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Liquidation Trust will not pursue any and all available Causes of Action of the Debtors against it.

J. Corporate Action.

Upon the Effective Date, or as soon thereafter as is reasonably practicable, all actions contemplated by the Plan, regardless of whether taken before, on, or after the Effective Date, shall be deemed authorized and approved by the Bankruptcy Court in all respects, including, as applicable: (1) the implementation of the Liquidation Transactions; (2) the establishment of the Liquidation Trust and execution of the Liquidation Trust Agreement; (3) the establishment of the GUC Trust and execution of the GUC Trust Agreement; (4) the funding of all applicable escrows and accounts; and (5) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date); *provided* that, with respect to any Sale Transactions consummated prior to the Effective Date, all actions necessary to consummate such Sale Transaction in accordance with the terms of the applicable Sale Order shall be deemed authorized and approved by the Bankruptcy Court as of the closing date applicable to such Sale Transaction.

K. Cancellation of Existing Securities and Agreements.

Except for the purpose of evidencing a right to a distribution under this Plan and except as otherwise set forth in this Plan, on the Effective Date, all agreements, instruments, notes, certificates, indentures, mortgages, securities and other documents evidencing any Claim or Interest, and any rights of any Holder in respect thereof, shall be deemed cancelled and of no further force or effect and the obligations of the Debtors thereunder shall be deemed fully satisfied, released, and discharged and, as applicable, shall be deemed to have been surrendered to the Liquidation Trust. The holders of or parties to such cancelled instruments, securities, and other documentation shall have no rights arising from or related to such instruments, securities, or other documentation or the cancellation thereof, except the rights provided for pursuant to this Plan; *provided, however*, that notwithstanding the occurrence of the Effective Date, the Senior Secured Notes Credit Documents shall continue in effect solely for the purposes of, (a) to the extent not

previously paid in full, allowing holders of Senior Secured Notes Claims to receive and accept their respective distributions under the Plan on account of such Senior Secured Notes Claims; and (b) allowing and preserving the rights of the Senior Secured Notes Parties to (1) assert or maintain any rights such parties may have against any money or property distributable or allocable to holders of Senior Secured Notes Claims, including, without limitation, any intercreditor rights; (2) receive compensation or reimbursement for any reasonable and documented fees and expenses incurred in connection with the implementation, consummation, and defense of this Plan, the Plan Supplement, or Confirmation Order; (3) preserve, maintain, enforce, and exercise any right or obligation to compensation, indemnification, expense reimbursement, or contribution, or subrogation, or any other claim or entitlement that the Senior Secured Notes Parties may have under this Plan, the Plan Supplement, the Confirmation Order, the Senior Secured Notes Credit Documents, or any other related agreement; (4) preserve the rights of the Senior Secured Notes Parties to appear and be heard in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, including, without limitation, to enforce any right or obligation owed to the Senior Secured Notes Parties under the Plan, the Plan Supplement, the Confirmation Order, or other documents incorporated therein; and (5) execute documents pursuant to the Plan.

L. Effectuating Documents; Further Transactions.

Upon entry of the Confirmation Order, the Debtors or the Liquidation Trustee (as applicable) shall be authorized to execute, deliver, file, or record such contracts, instruments, releases, consents, certificates, resolutions, programs, and other agreements or documents, and take such acts and actions as may be reasonable, necessary, or appropriate to effectuate, implement, consummate, and/or further evidence the terms and conditions of this Plan and any transactions described in or contemplated by this Plan. The Debtors or the Liquidation Trustee (as applicable), all Holders of Claims receiving distributions pursuant to this Plan, and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents, and take any other actions as may be necessary or advisable to effectuate the provisions and intent of this Plan.

M. Section 1146 Exemption from Certain Taxes and Fees.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Plan or the Sale Transactions shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall comply with the requirements of section 1146(a) of the Bankruptcy Code and forgo the collection of any such tax, recordation fee, or governmental assessment and accept for filing and recordation all such instruments or other documents governing or evidencing such transfers without the payment of any such tax, recordation fee, or governmental assessment.

N. Sale Orders.

Notwithstanding anything to the contrary herein, nothing in this Plan shall affect, impair or supersede the Sale Orders, each of which remains in full force and effect and governs in the event of any inconsistency with the Plan.

O. Authority to Act.

Prior to, on, or after the Effective Date (as appropriate), all matters expressly provided for under this Plan that would otherwise require approval of the stockholders, security holders, officers, directors, or other owners of the Debtors shall be deemed to have occurred and shall be in effect prior to, on, or after the Effective Date (as applicable) pursuant to the applicable law of the state(s) in which the Debtors are formed, without any further vote, consent, approval, authorization, or other action by such stockholders, security holders, officers, directors, or other owners of the Debtor or notice to, order of, or hearing before, the Bankruptcy Court.

P. Transfer of Privilege/No Waiver.

On the Effective Date, the Debtors' evidentiary privileges, including but not limited to the attorney/client privilege, relating to (i) the amount, validity, or allowability of any Disputed Claim; and (ii) the Liquidation Trust Assets, shall be deemed transferred to the Liquidation Trustee and the Liquidation Trust; *provided, however*, counsel to the Debtors that are Retained Professionals shall not be required to turn over work product existing as of the Effective Date. The Plan shall be considered a motion pursuant to sections 105, 363 and 365 of the Bankruptcy Code for such relief. Upon such transfer, the Debtors and the Estates shall have no other further rights or obligations with respect thereto. Nothing herein nor any actions taken by the Debtors or the Liquidation Trustee pursuant hereto shall be deemed a waiver of any privilege or immunity of the Debtors or the Liquidation Trustee and the Liquidation Trust, including any attorney-client privilege, joint interest privilege, or work product privilege attaching to any documents or communications (whether written or oral).

Q. Final Decree.

At any time following the Effective Date, the Liquidation Trustee shall have the power and authority to file a motion with the Bankruptcy Court seeking the entry of a Final Decree closing any of the Chapter 11 Cases in accordance with section 350(a) of the Bankruptcy Code, Bankruptcy Rule 3022, and Local Rule 3022-1(a).

ARTICLE V.**TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES****A. Assumption and Rejection of Executory Contracts and Unexpired Leases.**

On the Effective Date, except as otherwise provided herein (which exclusion includes the Indemnification Obligations and the D&O Liability Insurance Policies), all Executory Contracts or Unexpired Leases not previously assumed, assumed and assigned, or rejected pursuant to an order of the Bankruptcy Court or not included on the Schedule of Assumed Executory Contracts and Unexpired Leases, will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code other than those Executory Contracts or Unexpired Leases that are the subject of a motion to assume that is pending on the Confirmation Date, or are subject to an unresolved cure dispute as of the Effective Date (and shall be assumed, assumed and assigned, or rejected, as applicable, upon the resolution of such cure dispute in accordance with the Sale Documents).

Assumption of any Executory Contract or Unexpired Lease pursuant to the Sale Documents or this Plan, and payment of any cure amounts relating thereto, shall, upon satisfaction of the applicable requirements of section 365 of the Bankruptcy Code, result in the full, final, and complete release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults or provisions restricting the change in control of ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

If the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan and Confirmation Order results in a Claim, then, unless otherwise ordered by the Court, such Claim shall be forever barred and shall not be enforceable against the Debtors, the Estates, the Liquidation Trust or the GUC Trust, or any of their respective assets and properties unless a Proof of Claim is Filed with the Notice and Claims Agent and served upon counsel to the Liquidation Trustee and the GUC Trustee within thirty (30) days of the Effective Date.

The foregoing applies only to Claims arising from the rejection of an Executory Contract or Unexpired Lease under the Plan and Confirmation Order; any other Claims held by a party to a rejected Executory Contract or Unexpired Lease shall have been evidenced by a Proof of Claim Filed by the applicable Bar Date or shall be barred and unenforceable. Claims arising from the rejection of Executory Contracts or Unexpired Leases under the Plan and Confirmation Order shall be classified as General Unsecured Claims and shall, if Allowed, be treated in accordance with the provisions herein.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan and Confirmation Order that are not timely Filed within thirty (30) days of the Effective Date will be disallowed automatically, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, the Liquidation Trust, the GUC Trust, or any of their respective assets and properties.

A Proof Claim with respect to any Claim arising from the rejection of an Executory Contract where any Debtor is a licensor of intellectual property must identify whether the Claimant (i) elects to treat the Executory Contract as terminated by virtue of the rejection, or (ii) elects to assert its Elected Section 365(n) Rights. If a Claimant who is a counterparty to a rejected Executory Contract where any Debtor was a licensor of intellectual property either (i) fails to timely file a Proof of Claim within thirty (30) days of the Effective Date, or (ii) fails to specify that such Claimant has elected to assert its Elected Section 365(n) Rights, such Claimant shall be deemed to have elected to treat such Executory Contract as terminated pursuant to section 365(n)(1)(A) of the Bankruptcy Code.

C. Reservation of Rights.

Neither the exclusion or inclusion of any contract or lease in the Schedules or in any Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors that such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was

executory or unexpired at the time of assumption or rejection, the Debtors or the Liquidation Trustee (as applicable) may elect within thirty (30) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan by filing a notice of such election on the docket of these Chapter 11 Cases.

D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or Liquidation Trust (as applicable) under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Liquidation Trustee (as applicable) expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties, indemnity or continued maintenance obligations. The Debtors also expressly reserve any and all rights with respect to the applicability (or non-applicability) of any non-bankruptcy laws to the contrary.

E. D&O Liability Insurance Policies.

Each D&O Liability Insurance Policy (including, without limitation, any “tail policy” and all agreements, documents, or instruments related thereto) shall be treated as an Executory Contract under the Plan and shall be assumed, in its entirety, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to sections 105, 365, and 1123 of the Bankruptcy Code. For the avoidance of doubt, coverage for defense and indemnity under the D&O Liability Insurance Policies shall remain available to all individuals within the definition of “Insured” in the D&O Liability Insurance Policies. In addition, after the Effective Date, all officers, directors, agents, or employees of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of the D&O Liability Insurance Policies (including any “tail” policy) in effect or purchased as of the Effective Date for the full term of such policy regardless of whether such officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in the D&O Liability Insurance Policies.

The Debtors shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policy (including, without limitation, any “tail policy” and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date and shall continue such policies and satisfy their obligations thereunder in full in the ordinary course of business.

F. Modifications, Amendments, Supplements, Restatements, or Other Agreements.

Modifications, amendments, supplements, and restatements to a prepetition Executory Contract and/or Unexpired Lease that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease.

G. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Plan Distributions on Account of Claims Allowed as of the Effective Date.

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors, or their respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Disbursing Agent shall have no obligation to recognize any ownership transfer of the Claims or Interests occurring on or after the Confirmation Date. The Disbursing Agent shall be entitled to recognize and deal for all purposes hereunder only with those record holders stated on the transfer ledgers as of the close of business on the Distribution Record Date, to the extent applicable.

Except as otherwise provided herein, the Disbursing Agent shall make distributions to Holders of Allowed Claims or as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' records as of the date of any such distribution; *provided*, that the manner of such distributions shall be determined at the discretion of the Debtors, the Liquidation Trustee or the GUC Trustee (as applicable); *provided further*, that the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder or, if no Proof of Claim was Filed, the address set forth in the Debtors' books and records on the Distribution Record Date.

B. Compliance with Tax Requirements.

In connection with this Plan, any Person issuing any instrument or making any distribution or payment in connection therewith, shall comply with all applicable withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority. In the case of a non-Cash distribution that is subject to withholding, the distributing party may require the intended recipient of such distribution to provide the withholding agent with an amount of Cash sufficient to satisfy such withholding tax as a condition to receiving such distribution or withhold an appropriate portion of such distributed property and either (1) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax) or (2) pay the withholding tax using its own funds and retain such withheld property. The distributing party shall have the right not to make a distribution under this Plan until its withholding or reporting obligation is satisfied pursuant to the preceding sentences. Any amounts withheld pursuant to this Plan shall be deemed to have been distributed to and received by the applicable recipients for all purposes of this Plan.

Any party entitled to receive any property as an issuance or distribution under this Plan shall, upon request, deliver to the withholding agent or such other Person designated by the

Liquidation Trustee the appropriate IRS Form or other tax forms or documentation requested by the Liquidation Trustee to reduce or eliminate any required federal, state, or local withholding. If the party entitled to receive such property as an issuance or distribution fails to comply with any such request for a 90 day period beginning on the date after the date such request is made, the amount of such issuance or distribution shall irrevocably revert to the Liquidation Trustee and any Claim in respect of such distribution under this Plan shall be discharged and forever barred from assertion against such Debtor, the Liquidation Trustee, or their respective property.

Notwithstanding the above, each Holder of an Allowed Claim or Interest that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such Holder by any Governmental Unit, including income, withholding, and other tax obligations, on account of such Plan Distribution, and further including, in the case of a Holder of a Disputed Claim that has become an Allowed Claim, any tax obligation that would be imposed on the Liquidation Trust Assets or the Liquidation Trust, in connection with such Plan Distribution.

C. Date of Plan Distributions.

Plan Distributions made after the Effective Date to Holders of Allowed Claims shall be deemed to have been made on the Effective Date and no interest shall accrue or be payable with respect to such Claims or any distribution related thereto. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

D. Disbursing Agent.

Except as otherwise provided herein, all distributions under the Plan shall be made by the Disbursing Agent on or after the Effective Date. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties. If the Disbursing Agent is otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Liquidation Trust.

E. Rights and Powers of Disbursing Agent.

The Disbursing Agent may (1) effect all actions and execute all agreements, instruments, and other documents necessary to carry out the provisions of this Plan; (2) make all distributions contemplated hereby; and (3) perform such other duties as may be required of the Disbursing Agent pursuant to this Plan.

F. Surrender of Instruments.

As of the Effective Date, and subject to Article IV.K. hereof, each Holder of a certificated instrument or note related to the Debtors shall be deemed to have surrendered such instrument or note held by it to the Liquidation Trustee or its designee, as applicable.

G. Delivery of Plan Distributions and Undeliverable or Unclaimed Plan Distributions.

Subject to applicable Bankruptcy Rules, all distributions to Holders of Allowed Claims shall be made by the Disbursing Agent, who shall transmit such distributions to the applicable Holders of Allowed Claims or their designees.

The Liquidation Trustee and the GUC Trustee shall each only be required to act and make Plan Distributions in accordance with the terms of the Plan. Except on account of gross negligence, fraud, illegality or willful misconduct, the Liquidation Trustee has no (i) liability to any party for actions taken in accordance with the Plan or in reasonable reliance upon information provided to it in accordance with the Plan, or (ii) obligation or liability for Plan Distributions to any party who does not hold a Claim against one or more of the Debtors as of the Distribution Record Date or any other date on which a Plan Distribution is made or who does not otherwise comply with the terms of the Plan.

Except as otherwise provided in a Final Order or as agreed by the relevant parties, Plan Distributions on account of Disputed Claims, if any, that become Allowed, shall be made, as applicable (i) by the Liquidation Trustee at such periodic intervals as the Liquidation Trustee determines to be reasonably prudent, or (ii) by the GUC Trustee at such periodic intervals as the GUC Trustee determines to be reasonably prudent.

Notwithstanding anything herein to the contrary: (a) no Plan Distribution shall be made with respect to any Disputed Claim until and only to the extent such Claim becomes an Allowed Claim (as applicable), and (b) unless agreed otherwise by the Liquidation Trustee, no Plan Distribution shall be made to any Person that holds both an Allowed Claim and a Disputed Claim until such Person's Disputed Claims have been resolved by settlement or Final Order.

Any Entity which fails to claim any Cash within 90 days from the date upon which a Plan Distribution is first made to such entity shall forfeit all rights to such Plan Distribution, and the Liquidation Trustee shall be authorized to cancel any Plan Distribution that is not timely claimed. Pursuant to section 347(b) of the Bankruptcy Code, upon forfeiture, such Cash (including interest thereon, if any) shall revert to the Liquidation Trust or GUC Trust, as applicable, free of any restrictions under the Plan, the Bankruptcy Code or the Bankruptcy Rules. Upon forfeiture, the claim of any Creditor or Interest Holder with respect to such funds shall be irrevocably waived and forever barred against the Debtors, their Estates, the Liquidation Trust, the Liquidation Trustee, the GUC Trust, and the GUC Trustee, notwithstanding any federal or state escheat laws to the contrary, and such Creditor or Interest Holder shall have no claim whatsoever against any of the foregoing or against any Holder of a Claim to whom Plan Distributions are made.

The Liquidation Trustee or the GUC Trustee, as applicable, shall make one attempt to make the Plan Distributions contemplated hereunder in accordance with the procedures set forth herein. The Liquidation Trustee or the GUC Trustee, as applicable, in its sole discretion may, but shall have no obligation to, attempt to locate Holders of undeliverable Plan Distributions. Any Plan Distributions returned to the Liquidation Trustee or the GUC Trustee, as applicable, as undeliverable or otherwise shall remain in the possession of the Liquidation Trust or the GUC Trust, as applicable, until such time as a Plan Distribution becomes deliverable, and no further

Plan Distributions shall be made to such Holder unless such Holder notifies the Liquidation Trustee or GUC Trustee, as applicable, of its then current address. Any Holder of an Allowed Claim entitled to a Plan Distribution that does not assert a claim pursuant to the Plan for an undeliverable Plan Distribution, or notify the Liquidation Trustee or the GUC Trustee, as applicable, of such Holder's then current address, within 30 days of such Plan Distribution shall have its claim for such undeliverable Plan Distribution irrevocably waived and shall be forever barred from asserting any such claim against the Debtors, their Estates, the Liquidation Trust, the Liquidation Trustee, the GUC Trust, and/or the GUC Trustee or their respective property, and such Plan Distribution shall be deemed unclaimed property.

H. Manner of Payment.

Except as specifically provided herein, at the option of the Debtors, the Liquidation Trustee or the GUC Trustee as applicable, any Cash payment to be made under this Plan may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors.

I. Foreign Currency Exchange Rate.

As of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal*, on the Petition Date.

J. Minimum Plan Distribution.

No payment of Cash in an amount of less than one hundred U.S. dollars (\$100.00) shall be required to be made on account of any Allowed Claim. Such undistributed amount may instead be used in accordance with the Plan. If the Cash available for the final distribution is less than the cost to distribute such funds, the Liquidation Trustee may donate such funds to the unaffiliated charity of its choice.

K. Allocations.

Except as otherwise provided in this Plan or as otherwise required by law, distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for U.S. federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

L. Plan Distributions Free and Clear.

Except as otherwise provided in this Plan, any distribution or transfer made under this Plan, including distributions to any Holder of an Allowed Claim, shall be free and clear of any Liens, Claims, encumbrances, charges, and other interests, and no other entity shall have any interest, whether legal, beneficial, or otherwise, in property distributed or transferred pursuant to this Plan.

M. Claims Paid or Payable by Third Parties.**1. Claims Paid by Third Parties.**

If a Holder of a Claim receives a payment or other satisfaction of its Claim other than through the Debtors, the Liquidation Trustee and/or the GUC Trustee (as applicable) on account of such Claim, such Claim shall be reduced by the amount of such payment or satisfaction without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, and if the Claim was paid or satisfied in full other than through the Debtors the Liquidation Trustee and/or the GUC Trustee (as applicable), then such Claim shall be disallowed and any recovery in excess of a single recovery in full shall be paid over to the Liquidation Trust without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment or satisfaction from a party that is not the Debtors and/or the Liquidation Trustee (as applicable) on account of such Claim, such Holder shall, within fourteen (14) Business Days of receipt thereof, repay or return the distribution to the Debtors or Liquidation Trust (as applicable), to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Policy. Except as set forth in Article X herein, nothing in this Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity, including the Liquidation Trust, may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

N. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim.

ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Allowance of Claims.

After the Effective Date, the Liquidation Trustee shall have and retain any and all rights and defenses that the Debtors had with respect to any Claim or Interest immediately prior to the Effective Date.

B. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Plan, after the Effective Date, pursuant to the Liquidation Trust Agreement, the Liquidation Trustee shall have the sole authority to: (1) File, withdraw, or litigate to judgment, objections to all Claims or Interests, *provided*, however, that the Liquidation Trustee shall consult with the GUC Trustee prior to filing an objection to any Non-Library Debtors General Unsecured Claim; (2) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) administer and adjust the claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. The Liquidation Trustee shall succeed to any pending objections to Claims filed by the Debtors prior to the Effective Date, and shall have and retain any and all rights and defenses the Debtors had immediately prior to the Effective Date with respect to any Disputed Claim. The Liquidation Trustee shall provide status reports to the GUC Trustee upon reasonable request with respect to the status of resolution of Class 3 Claims, but not less than quarterly.

C. Estimation of Claims and Interests.

Before or after the Effective Date, the Debtors or the Liquidation Trust (as applicable) may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection.

Notwithstanding any provision otherwise herein, a Claim that has been expunged or disallowed from the claims register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero U.S. dollars (\$0.00) unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the Debtors or the Liquidation Trustee (as applicable) may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim.

D. Adjustment to Claims or Interests Without Objection.

Any Claim that has been paid, satisfied, or assumed by a Purchaser in the respective Sale, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register by the Debtors or the Liquidation Trustee (as applicable) without an objection to such Claim having to be Filed following notice filed on the docket in the Bankruptcy Court of such adjustment or expungement.

E. Time to File Objections to Claims.

Except as otherwise provided herein, any objections to Claims shall be Filed on or before the Claims Objection Bar Date (as such date may be extended upon presentment of an order to the Bankruptcy Court by the Liquidation Trustee).

F. Disallowance of Claims or Interests.

Except as provided herein or otherwise agreed to by the Debtors or the Liquidation Trustee (as applicable), any Holder of a Claim Filed, via Proof of Claim, after the Bar Date shall not be treated as a creditor for purposes of Plan Distributions pursuant to Bankruptcy Rule 3003(c)(2) or otherwise receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

G. Disputed Claims Process.

All Claims held by Persons or Entities against whom or which the Debtors have commenced a proceeding asserting a Cause of Action under sections 542, 543, 544, 545, 547, 548, 549, or 550 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 548, 549 or 724(a) of the Bankruptcy Code shall be deemed Disputed Claims pursuant to section 502(d) of the Bankruptcy Code and Holders of such Claims shall not be entitled to vote to accept or reject this Plan. A Claim deemed Disputed pursuant to this Article VII.G shall continue to be Disputed for all purposes until the relevant proceeding against the Holder of such Claim has been settled or resolved by a Final Order and any sums due to the Debtors or the Liquidation Trustee from such Holder have been paid.

H. No Plan Distributions Pending Allowance.

If an objection to a Claim, Proof of Claim, or portion thereof is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim, Proof of Claim, or portion thereof unless and until the Disputed Claim becomes an Allowed Claim.

I. Plan Distributions After Allowance.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such

Claim. No interest shall accrue or be paid on any Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Claim.

J. Amendments to Claims

On or after the Effective Date, a Claim may not be Filed or amended to increase liability or to assert new liabilities without the prior authorization of the Bankruptcy Court or the Liquidation Trustee.

**ARTICLE VIII.
LIQUIDATION TRUST AND LIQUIDATION TRUSTEE**

A. Liquidation Trust Creation.

On the Effective Date, a Liquidation Trust shall be established and become effective for the benefit of the Liquidation Trust Beneficiaries. The Liquidation Trust Agreement shall contain customary provisions for trust agreements utilized in comparable circumstances, including any and all provisions necessary to ensure continued treatment of the Liquidation Trust as a grantor trust and the Liquidation Trust Beneficiaries as the grantors and owners thereof for federal income tax purposes. On the Effective Date, the Liquidation Trustee will be designated by the Debtors and appointed in accordance with the terms of this Plan and the Liquidation Trust Agreement. The rights, responsibilities, and duties of the Liquidation Trustee are set forth in the Liquidation Trust Agreement. Notwithstanding anything contained in the Plan or the Liquidation Trust Agreement, the Liquidation Trustee shall always act consistently with, and not contrary to, the purpose of the Liquidation Trust as set forth in the Plan.

All relevant parties (including the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) will take all actions necessary to cause title to the Liquidation Trust Assets to be transferred to the Liquidation Trust. The powers, authority, responsibilities, and duties of the Liquidation Trust and the Liquidation Trustee are set forth in and will be governed by the Liquidation Trust Agreement, the Plan, and the Confirmation Order.

B. Purpose of the Liquidation Trust.

The Liquidation Trust will be established, as a liquidating trust in accordance with Treasury Regulation Section 301.7701-4(d), for the primary purposes of maximizing the value of its assets and making distributions in accordance with the Plan, Confirmation Order, and the Liquidation Trust Agreement, including resolving any Disputed Claims not to be resolved by the Debtors prior to the Effective Date and winding down the Debtors. The Liquidation Trust will have no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust.

C. Transfer of Assets to the Liquidation Trust.

The Debtors and the Liquidation Trustee will establish the Liquidation Trust on behalf of the Liquidation Trust Beneficiaries pursuant to the Liquidation Trust Agreement, with the Liquidation Trust Beneficiaries to be treated as the grantors and deemed owners of the Liquidation Trust Assets. The Debtors will irrevocably transfer, assign, and deliver to the Liquidation Trust,

on behalf of the Liquidation Trust Beneficiaries, all of their rights, title, and interests in the Liquidation Trust Assets. The Liquidation Trust will accept and hold the Liquidation Trust Assets in the Liquidation Trust for the benefit of the Liquidation Trust Beneficiaries, subject to the Plan and the Liquidation Trust Agreement.

On the Effective Date, all Liquidation Trust Assets will vest and be deemed to vest in the Liquidation Trust in accordance with section 1141 of the Bankruptcy Code or as otherwise set forth in the Liquidation Trust Agreement; *provided, however*, that the Liquidation Trustee may abandon or otherwise not accept any Liquidation Trust Assets that the Liquidation Trustee believes, in good faith, have no value to the Liquidation Trust. Any assets the Liquidation Trust so abandons or otherwise does not accept shall not vest in the Liquidation Trust. As of the Effective Date, all Liquidation Trust Assets vested in the Liquidation Trust shall be free and clear of all Liens, Claims, and Interests except as otherwise specifically provided in the Plan or in the Confirmation Order. Upon the transfer by the Debtors of the Liquidation Trust Assets to the Liquidation Trust or abandonment of Liquidation Trust Assets by the Liquidation Trust, the Debtors will have no reversionary or further interest in or with respect to any Liquidation Trust Assets or the Liquidation Trust. Notwithstanding anything herein to the contrary, the Liquidation Trust and the Liquidation Trustee shall be deemed to be fully bound by the terms of the Plan and the Confirmation Order.

In furtherance of, and consistent with, the purposes of the Liquidation Trust and the Plan, the Liquidation Trustee shall, as more fully set forth in the Liquidation Trust Agreement, among other things, (a) have the power and authority to hold, manage, sell, invest, and distribute to the Holders of Senior Secured Notes Claims, the Liquidation Trust Net Assets, including any proceeds thereof, (b) hold the Liquidation Trust Net Assets for the benefit of the Holders of Senior Secured Notes Claims, (c) have the power and authority to prosecute and resolve objections to Disputed General Unsecured Claims, and (d) have the power and authority to perform such other functions as are provided for herein and the Liquidation Trust Agreement. For the avoidance of doubt, notwithstanding anything to the contrary in the Plan or the Liquidation Trust Agreement, the Liquidation Trustee shall not pursue any Claims or Causes of Action against any Released Party (if any).

As further set forth in the Liquidation Trust Agreement, the Liquidation Trustee shall have sole responsibility for reconciling all Claims.

D. Tax Treatment of the Liquidation Trust.

It is intended that the Liquidation Trust be classified for federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Section 671 through 677 of the Internal Revenue Code. In furtherance of this objective, the Liquidation Trust shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the Liquidation Trust. The Liquidation Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the Liquidation Trust Beneficiaries, and then contributed by the Liquidation Trust Beneficiaries to the Liquidation Trust in exchange for their respective Liquidation Trust Interests. The Liquidation Trust Beneficiaries of the Liquidation Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their

respective shares of Liquidation Trust Assets in the Liquidation Trust. As grantors and deemed owners of the Liquidation Trust Assets, the Liquidation Trust Beneficiaries will be required to include in income their respective shares of income, gains, losses, or deductions attributable to the Liquidation Trust Assets. All Holders shall use the valuation of the Liquidation Trust Assets transferred to the Liquidation Trust as established by the Liquidation Trust for all federal income tax purposes (including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The Liquidation Trust will be responsible for filing information on behalf of the Liquidation Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the Liquidation Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the Liquidation Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the Liquidation Trust Assets to satisfy such tax liability.

The Liquidation Trust will not be deemed a successor in interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidation Trust Agreement. In addition, the Liquidation Trust may request an expedited determination of Taxes of the Debtors or of the Liquidation Trust under Bankruptcy Code section 505(b) for all returns filed for, or on behalf of, the Debtors and the Liquidation Trust for all taxable periods through the dissolution of the Liquidation Trust.

With respect to any of the assets of the Liquidation Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is otherwise unavailable or not elected to be applied with respect to the Liquidation Trust, the Debtors or the Liquidation Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the Liquidation Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

E. Exculpation, Indemnification, Insurance and Liability Limitation.

The Liquidation Trustee and all professionals retained by the Liquidation Trustee, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Liquidation Trust. The Liquidation Trustee may obtain and maintain, at the expense of the Liquidation Trust, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Liquidation Trust, including customary insurance coverage for the protection of Entities serving as administrators and overseers of the Liquidation Trust on and after the Effective Date, including

for the avoidance of doubt, the Liquidation Trustee. The Liquidation Trustee may rely upon written information previously generated by the Debtors.

F. Securities Exemption.

The Liquidation Trust Interests to be distributed to the Liquidation Trust Beneficiaries pursuant to the Plan shall not constitute “securities” under applicable law. The Liquidation Trust Interests shall not be transferrable (except under limited circumstances set forth in the Liquidation Trust Agreement) and shall not have consent or voting rights or otherwise confer on the Liquidation Trust Beneficiaries any rights similar to the rights of stockholders of a corporation in respect of actions to be taken by the Liquidation Trustee in connection with the Liquidation Trust (except as otherwise provided in the Liquidation Trust Agreement). To the extent the Liquidation Trust Interests are considered “securities” under applicable law, the issuance of such interests satisfies the requirements of section 1145 of the Bankruptcy Code and, therefore, such issuance is exempt from registration under the Securities Act and any state or local law requiring registration. To the extent any “offer or sale” of Liquidation Trust Interests may be deemed to have occurred, such offer or sale is under the Plan and in exchange for Claims against or Interests in one or more of the Debtors, or principally in exchange for such Claims or Interests and partly for cash or property, within the meaning of section 1145(a)(1) of the Bankruptcy Code.

G. Termination of the Liquidation Trustee.

The duties, responsibilities, and powers of the Liquidation Trustee will terminate in accordance with the terms of the Liquidation Trust Agreement.

**ARTICLE IX.
GUC TRUST AND GUC TRUSTEE**

A. GUC Trust Creation.

On the Effective Date, GUC Trust shall be established and become effective for the benefit of the GUC Trust Beneficiaries. The GUC Trust Agreement shall contain customary provisions for trust agreements utilized in comparable circumstances, including (i) any and all provisions necessary to ensure continued treatment of the GUC Trust as a grantor trust and the GUC Trust Beneficiaries as the grantors and owners thereof for federal income tax purposes, and (ii) indemnification of the GUC Trustee and its professionals. On the Effective Date, the GUC Trustee will be designated by the Committee and appointed in accordance with the terms of this Plan and the GUC Trust Agreement. The rights, responsibilities, and duties of the GUC Trustee are set forth in the GUC Trust Agreement. Notwithstanding anything contained in the Plan or the GUC Trust Agreement, the GUC Trustee shall always act consistently with, and not contrary to, the purpose of the GUC Trust as set forth in the Plan.

All relevant parties (including the Debtors and the GUC Trustee) will take all actions necessary to cause title to the GUC Trust Assets to be transferred to the GUC Trust. The powers, authority, responsibilities, and duties of the GUC Trust and the GUC Trustee are set forth in and will be governed by the GUC Trust Agreement, the Plan, and the Confirmation Order.

B. Purpose of the GUC Trust.

The GUC Trust will be established, as a liquidating trust in accordance with Treasury Regulation Section 301.7701-4(d), for the primary purposes of maximizing the value of its assets and making distributions to the Holders of Allowed Non-Library Debtors General Unsecured Claims in accordance with the Plan, Confirmation Order, and the GUC Trust Agreement. The GUC Trust will have no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust.

C. Transfer of Assets to the GUC Trust.

The Debtors and the GUC Trustee will establish the GUC Trust on behalf of the GUC Trust Beneficiaries pursuant to the GUC Trust Agreement, with the GUC Trust Beneficiaries to be treated as the grantors and deemed owners of the GUC Trust Assets, to the extent such assets do not exceed the GUC Recovery. The Debtors will transfer, assign, and deliver to the GUC Trust, on behalf of the GUC Trust Beneficiaries, all of their rights, title, and interests in the GUC Trust Assets. The GUC Trust will accept and hold the GUC Trust Assets in the GUC Trust for the benefit of the GUC Trust Beneficiaries, subject to the Plan and the GUC Trust Agreement.

On the Effective Date, all GUC Trust Assets will vest and be deemed to vest in the GUC Trust in accordance with section 1141 of the Bankruptcy Code or as otherwise set forth in the GUC Trust Agreement. As of the Effective Date, all GUC Trust Assets vested in the GUC Trust shall be free and clear of all Liens, Claims, and Interests except as otherwise specifically provided in the Plan or in the Confirmation Order.

In furtherance of, and consistent with, the purposes of the GUC Trust and the Plan, the GUC Trustee shall, as more fully set forth in the GUC Trust Agreement, have the power to distribute the GUC Trust Net Assets to the Holders of Allowed Non-Library Debtors General Unsecured Claims.

D. Tax Treatment of the GUC Trust.

It is intended that the GUC Trust be classified for federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulations Section 301.7701-4(d) and as a “grantor trust” within the meaning of Section 671 through 677 of the Internal Revenue Code. In furtherance of this objective, the GUC Trustee shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the GUC Trust. The GUC Trust Assets shall be deemed for U.S. federal income tax purposes to have been transferred by the Debtors to the GUC Trust Beneficiaries, and then contributed by the GUC Trust Beneficiaries to the GUC Trust in exchange for their respective GUC Trust Interests. The GUC Trust Beneficiaries of the GUC Trust (or their direct or indirect owners, as required under applicable tax law) will be treated as the grantors and deemed owners of their respective shares of GUC Trust Assets in the GUC Trust. As grantors and deemed owners of the GUC Trust Assets, the GUC Trust Beneficiaries will be required to include in income their respective shares of income, gains, losses, or deductions attributable to the GUC Trust Assets. All Holders shall use the valuation of the GUC Trust Assets transferred to the GUC Trust as established by the GUC Trust for all federal income tax purposes.

(including the recognition of income, gain, loss or deduction with respect to their Allowed Claims), which determination shall be made as soon as reasonably practicable following the Effective Date. The GUC Trust will be responsible for filing information on behalf of the GUC Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, local, and non-U.S. tax purposes. Further, the GUC Trust is intended to comply with the conditions and the requirements set forth in Rev. Proc. 94-45, 1994-2 C.B. 684.

To the extent the GUC Trust is determined to incur any tax liability (including any withholding for any reason), it shall be entitled to liquidate the GUC Trust Assets to satisfy such tax liability.

The GUC Trust will not be deemed a successor in interest of the Debtors for any purpose other than as specifically set forth herein or in the GUC Trust Agreement. In addition, the GUC Trust may request an expedited determination of taxes of the Debtors or of the GUC Trust under Bankruptcy Code section 505(b) for all returns filed for, or on behalf of, the Debtors and the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

With respect to any of the assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, or to the extent “liquidating trust” treatment is otherwise unavailable or not elected to be applied with respect to the GUC Trust, the Debtors or the GUC Trustee may, in its sole discretion, determine the best way to report for tax purposes with respect to the portion of the GUC Trust Assets subject to the disputed claims, including, but not limited to, filing a tax election to treat such assets as subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations. Under such treatment, a separate federal income tax return must be filed with the IRS for, and a separate entity-level tax will be imposed on, any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

E. Exculpation, Indemnification, Insurance and Liability Limitation.

The GUC Trustee and all professionals retained by the GUC Trustee, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the GUC Trust. The GUC Trustee may obtain and maintain, at the expense of the GUC Trust, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the GUC Trust, including customary insurance coverage for the protection of Entities serving as administrators and overseers of the GUC Trust on and after the Effective Date, including for the avoidance of doubt, the GUC Trustee. The GUC Trustee may rely upon written information previously generated by the Debtors.

F. Securities Exemption.

The GUC Trust Interests to be distributed to the GUC Trust Beneficiaries pursuant to the Plan shall not constitute “securities” under applicable law. The GUC Trust Interests shall not be transferrable (except under limited circumstances set forth in the GUC Trust Agreement) and shall

not have consent or voting rights or otherwise confer on the GUC Trust Beneficiaries any rights similar to the rights of stockholders of a corporation in respect of actions to be taken by the GUC Trustee in connection with the GUC Trust (except as otherwise provided in the GUC Trust Agreement). To the extent the GUC Trust Interests are considered “securities” under applicable law, the issuance of such interests satisfies the requirements of section 1145 of the Bankruptcy Code and, therefore, such issuance is exempt from registration under the Securities Act and any state or local law requiring registration. To the extent any “offer or sale” of GUC Trust Interests may be deemed to have occurred, such offer or sale is under the Plan and in exchange for Claims against or Interests in one or more of the Debtors, or principally in exchange for such Claims or Interests and partly for cash or property, within the meaning of section 1145(a)(1) of the Bankruptcy Code.

G. Termination of the GUC Trustee.

The duties, responsibilities, and powers of the GUC Trustee will terminate in accordance with the terms of the GUC Trust Agreement.

**ARTICLE XI.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS**

A. Releases by the Debtors.

Effective as of the Effective Date, pursuant to Section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, to the fullest extent allowed by applicable law, each Released Party is hereby deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Debtors and their Estates, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all claims and Causes of Action, and liabilities whatsoever, including any derivative claims, asserted by or assertable on behalf of any of the Debtors or their Estates, as applicable, whether known or unknown, foreseen or unforeseen, matured or unmatured, suspected or unsuspected, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured,

assertable, directly or derivatively, in law (or any applicable rule, statute, regulation, treaty, right, duty or requirement), equity, contract, tort, or otherwise, that the Debtors or their Estates, would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, or that any Holder of any Claim against, or Interest in, a Debtor or other Entity could have asserted on behalf of the Debtors, based on or relating to, or in any manner arising from, in whole or in part, the Debtor-Related Matters. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any obligations arising pursuant to or after the Effective Date of any party or Entity under the Plan, the Confirmation Order, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, (b) any obligations of a Purchaser arising under the applicable Asset Purchase Agreement and Sale Order, or (c) any Retained Causes of Action.

Upon the Effective Date, the Debtors shall be deemed to have released all Claims, Avoidance Actions, or remedies arising under section 547 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including voidable transfer laws against holders of Allowed Non-Library Debtors General Unsecured Claims.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (a) in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the claims or Causes of Action released by the Debtor Release; (c) in the best interests of the Debtors, the Estates, and all Holders of Claims and Interests; (d) fair, equitable, and reasonable; (e) given and made after reasonable investigation by the Debtors and after due notice and opportunity for hearing; and (f) a bar to any of the Debtors or their Estates, asserting any claim or Cause of Action released pursuant to the Debtor Release.

B. Releases by Holders of Claims and Interests.

Effective as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, to the fullest extent allowed by applicable law, each of the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged each of the Released Parties and the other Releasing Parties from any and all claims, Causes of Action, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, matured or unmatured, suspected or unsuspected, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, in law (or any applicable rule, statute, regulation, treaty, right, duty or requirement), equity, contract, tort, or otherwise, that such Releasing Party would have been legally entitled to assert in its own right (whether individually or collectively) or otherwise based on or relating to, or in any manner arising from, in whole or in part, the Debtor-Related Matters. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any obligations arising pursuant to or after the Effective Date of any party or Entity under the Plan, the Confirmation Order, or any document,

instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan; (b) any Retained Causes of Action; (c) actual fraud, willful misconduct, or gross negligence as determined by a Final Order or (d) any right to compensation, indemnification, expense reimbursement, or contribution, or any other claim or entitlement that the Senior Secured Notes Collateral Agent may have against the Senior Secured Noteholders under the Senior Secured Notes Agreement.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (a) consensual; (b) essential to the Confirmation of the Plan; (c) given in exchange for the good and valuable consideration provided by the Released Parties, including the Released Parties' contributions to facilitating the restructuring and implementing the Plan; (d) a good faith settlement and compromise of the claims or Causes of Action released by the Third-Party Release; (e) in the best interests of the Debtors and their Estates; (f) fair, equitable, and reasonable; (g) given and made after due notice and opportunity for hearing; and (h) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

C. Exculpation.

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor Release or the Third-Party Release, and except as otherwise specifically provided in the Plan or the Confirmation Order, no Exculpated Party shall have or incur liability for, and each Exculpated Party hereby is exculpated from any claim or Cause of Action related to, any act or omission in connection with, relating to, or arising out of the negotiation, solicitation, confirmation, execution, or implementation (to the extent on or prior to the Effective Date) of, as applicable, the Debtor Related Matters except for claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted bad faith, fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, an Exculpated Party shall be entitled to exculpation from the Petition Date through the Effective Date, and the exculpation set forth above does not exculpate (a) any obligations arising after the Effective Date of any party or Entity under the Plan, the Confirmation Order, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan; or (b) any Retained Causes of Action.

D. Injunction.

Upon the Bankruptcy Court's entry of the Confirmation Order, all Holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, or principals, shall be enjoined from taking any actions to interfere with the implementation or consummation of this Plan by the Debtors, the Liquidation Trustee, and their respective affiliates, employees, advisors, officers and directors, or agents.

E. Setoffs.

Except as otherwise expressly provided for in the Plan, each Debtor and the Liquidation Trustee (as applicable), pursuant to the Bankruptcy Code (including section 552 of the Bankruptcy Code), applicable non-bankruptcy law or as may be agreed to by the Holder of a Claim or an Interest, may set off against any Allowed Claim or Allowed Interest and the distributions to be made pursuant to the Plan on account of such Allowed Claim or Allowed Interest (before any distribution is made on account of such Allowed Claim or Allowed Interest), any claims, rights and Causes of Action of any nature that such Debtor or the Liquidation Trustee, as applicable, may hold against the Holder of such Allowed Claim or Allowed Interest, to the extent such claims, rights or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); *provided*, however, that neither the failure to effect such a setoff nor the allowance of any Claim or Interest pursuant to the Plan shall constitute a waiver or release by such Debtor or the Liquidation Trustee, as

applicable, of any such claims, rights and Causes of Action that such Debtor or the Liquidation Trustee, as applicable, may possess against such Holder. In no event shall any Holder of Claims or Interests be entitled to set off any Claim or Interest against any claim, right or Cause of Action of the applicable Debtor or the Liquidation Trustee, as applicable, unless such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date.

F. Release of Liens.

Except as otherwise provided herein or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Debtors and their successors and assigns.

If any Holder of a Secured Claim or any agent for such Holder has filed or recorded publicly any Liens and/or security interests to secure such Holder's Secured Claim, as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps reasonably requested by the Liquidation Trustee, at the sole cost of the Liquidation Trust, that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Liquidation Trustee shall be entitled to make any such filings or recordings on such Holder's behalf. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

G. Recoupment.

In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any claim, right, or Cause of Action of the Debtors, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date.

**ARTICLE XII

Liquidation Analysis

Village Roadshow Entertainment Group USA Inc., et al.
Liquidation Analysis Assumptions¹

I. Introduction

Village Roadshow Entertainment Group USA Inc. and its debtor affiliates (collectively, the “**Debtors**”), with the assistance of their advisors, have prepared this hypothetical liquidation analysis (this “**Liquidation Analysis**”), in connection with the *Disclosure Statement for the Joint Chapter 11 Plan of Liquidation for Village Roadshow Entertainment Group USA Inc. and its Debtor Affiliates* [Docket No. 1318] (as amended, supplemented, or modified from time to time, the “**Disclosure Statement**”). This Liquidation Analysis indicates the estimated recoveries that may be obtained by Holders of Claims or Interests in a hypothetical liquidation pursuant to chapter 7 of the Bankruptcy Code, as an alternative to the *Joint Chapter 11 Plan of Liquidation for Village Roadshow Entertainment Group USA Inc. and Its Debtor Affiliates* [Docket No. 1317] (as amended, supplemented, or modified from time to time, the “**Plan**”).

Under the “best interests of creditors” test set forth in section 1129(a)(7) of the Bankruptcy Code, a bankruptcy court may not confirm a plan under chapter 11 of the Bankruptcy Code unless each holder of an allowed claim or interest in an impaired class either: (a) accepts the plan; or (b) will receive or retain property on account of such claim or interest of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code.

To demonstrate that the Plan satisfies the “best interests of creditors” test, the Debtors, with the assistance of their restructuring advisors, have prepared this Liquidation Analysis based upon certain assumptions discussed in the Disclosure Statement and these accompanying notes. The Liquidation Analysis sets forth an estimated range of computed recoveries for each Class of Claims and Interests that may be realizable upon the disposition of assets pursuant to a hypothetical chapter 7 liquidation of the Debtors’ estates on an assumed date of conversion to chapter 7 on or about April 28, 2025. As set forth in greater detail below, the Debtors believe that the Plan satisfies the “best interests of creditors” test set forth in section 1129(a)(7) of the Bankruptcy Code.

The Liquidation Analysis reflects the estimated cash proceeds, net of liquidation and wind-down related costs, which are projected to be realized if the Debtors were to be liquidated in accordance with chapter 7 of the Bankruptcy Code and under the assumptions set forth herein.

Underlying the Liquidation Analysis are numerous estimates and assumptions that, although developed and considered reasonable by the Debtors’ management and their advisors, are inherently subject to significant business, economic, regulatory, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Accordingly, there can be no assurance that the computed recoveries reflected in the Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation, and actual

results could materially differ from the results herein. The underlying financial information in the Liquidation Analysis was not compiled or examined by any independent accountants. Any balances reflected herein are unaudited and presented as such.

II. Basis of Presentation

The Liquidation Analysis has been prepared assuming that the Debtors convert these chapter 11 cases to cases under chapter 7 of the Bankruptcy Code on or about April 28, 2026 (the “**Liquidation Date**”), and that such liquidation will take approximately six to twelve months. This Liquidation Analysis assumes that on the Liquidation Date, the Bankruptcy Court would appoint a chapter 7 trustee (the “**Trustee**”) to oversee the liquidation of the Debtors’ estates. In this hypothetical scenario, the Trustee would satisfy claims by converting any remaining assets of the Debtors to cash by selling or monetizing their individual assets, and abandoning assets which cannot be sold. The cash amount that would be available for satisfaction of Allowed Claims and Interests would consist of unrestricted cash held by the Debtors at the time of the commencement of the liquidation activities, augmented by the net proceeds resulting from the disposition of any remaining assets of the Debtors.

The Liquidation Analysis does not include estimates for: (i) any tax consequences that may be triggered upon the liquidation; (ii) recoveries resulting from any potential preference, fraudulent transfer, or other litigation; (iii) certain damage claims resulting from the cancellation of, or non-performance against, the Debtors’ contracts; or (iv) certain claims that may be entitled to priority under the Bankruptcy Code, including administrative priority claims under sections 503(b) and 507(b) of the Bankruptcy Code. More specific assumptions are detailed in the notes below.

The preparation of analyses, such as the Liquidation Analysis, is an uncertain process involving the use of estimates and assumptions that, although considered reasonable by management as and when made and based on management’s current expectations and beliefs, are inherently subject to business, economic, and competitive risks, uncertainties, and contingencies, most of which are difficult to predict and many of which are beyond the control of the Debtors or the Trustee. The values stated herein have not been subject to any review, compilation, or audit by any independent accounting firm. In addition, various liquidation decisions upon which certain assumptions are based are subject to material change. As a result, the actual amount of Claims against the Debtors’ estates could vary significantly from the estimates stated herein, depending on the nature and amount of Claims asserted during the pendency of the hypothetical chapter 7 cases. Similarly, the value of the Debtors’ assets in a liquidation scenario is uncertain and could vary significantly from the values set forth in the Liquidation Analysis.

ACCORDINGLY, NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A LIQUIDATION OF THE DEBTORS WOULD OR WOULD NOT, IN WHOLE OR IN PART, APPROXIMATE THE ASSUMPTIONS REPRESENTED HEREIN. THE ACTUAL LIQUIDATION VALUE OF THE DEBTORS IS SPECULATIVE, AND RESULTS COULD VARY MATERIALLY FROM ESTIMATES PROVIDED HEREIN.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of the Debtors' available financial information to account for other known liabilities, as necessary, including claims filed by creditors on proof of claims forms in the chapter 11 cases. In addition, the Liquidation Analysis includes estimates for Claims not currently asserted in the chapter 11 cases, but which could be asserted and allowed in a chapter 7 liquidation, including unpaid Chapter 11 Administrative Claims, Secured Claims, and Chapter 7 administrative Claims which include wind-down costs. Therefore, the Debtors' estimates of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims and Interests under the Plan.

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM OR INTEREST BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH IN THE LIQUIDATION ANALYSIS.

III. Liquidation Analysis

The Liquidation Analysis was prepared on a consolidated basis. The estimated unrestricted cash balances set forth below are estimated as of April 28, 2026. The Liquidation Analysis assumes that the liquidation of any remaining assets of the Debtors would be completed 6 to 12 months following the Effective Date.

A. Asset Recovery

1. Unrestricted Cash: Estimated unrestricted cash balance of \$133,589,921 held in the Debtors' operating accounts as of the Liquidation Date. Recovery on any unrestricted cash is estimated at 100%. Unrestricted cash available on the Liquidation Date is dependent on a number of variables including the Debtors' actual operating disbursements, any payments received prior to the Liquidation Date, and whether any payments are made from the Warner Bros. reserve or the Library Reserve prior to the Liquidation Date.

B. Liquidation Expenses

1. Liquidation Trust Funding/Wind-Down Costs: In the chapter 11 scenario, the Liquidation Analysis assumes between \$1,000,000 and \$1,500,000 is required to fund wind-down costs. The costs to fund the wind-down are estimates and may change materially, including in the scenario that the Liquidation Trustee determines that any claims or causes of action held by the Debtors should be pursued. The Debtors continue to assess the work needed to complete the wind-down and the associated costs including independent contractor costs, overhead expenses (such as data/cloud storage costs), and professional fees. In the chapter 7 scenario, the Liquidation Analysis assumes between \$3,871,798 and \$5,807,698 of

unrestricted cash is used to fund chapter 7 wind-down costs including Trustee fees, the fees of the Trustee's professionals, and other expenses.

2. Administrative Claims: Any administrative claims that may be outstanding as of the Liquidation Date have not yet been determined as the Administrative Claims Bar Date has not passed. However, for purposes of the Liquidation Analysis, the Debtors estimate that Allowed administrative claims will not exceed the amount in the professional fee escrow account. The general bar date was July 18, 2025, and the Debtors are in the process of reviewing and validating the filed Claims. The Liquidation Analysis assumes that the Professional Fee Reserve is adequate to satisfy all Allowed Professional Fee Claims as of the Liquidation Date.
3. Priority Claims: The Debtors are in the process of reviewing and validating asserted Other Priority Claims and the Bar Date for Priority Tax Claims has not yet passed. Accordingly, the total amount of priority Claims that may be outstanding as of the Liquidation Date is estimated at \$0 for estimated taxes, but others may be filed at a later date.
4. Library Debtors General Unsecured Claims: Library Debtors General Unsecured Claims consist of estimated Claims based on the Debtors' books and records, in addition to the proofs of claim filed by creditors of the Library Debtors as of the General Bar Date. The Liquidation Analysis assumes that total Allowed Library Debtors General Unsecured Claims are \$119,292,360. This assumption will be adjusted as the Debtors perform a reconciliation of the Library Debtors General Unsecured Claims. Recovery for Allowed Library Debtors General Unsecured Claims is expected to be 100% under either the chapter 11 scenario or the chapter 7 scenario.
5. Non-Library Debtors General Unsecured Claims: Non-Library Debtors General Unsecured Claims consist of estimated Claims based on the Debtors' books and records, in addition to the proofs of claim filed by creditors of the Non-Library Debtors as of the General Bar Date. The Liquidation Analysis assumes that total Allowed Non-Library Debtors General Unsecured Claims are \$8,579,606. This assumption will be adjusted as the Debtors perform a reconciliation of the Non-Library Debtors General Unsecured Claims. Recovery for Allowed Non-Library Debtors General Unsecured Claims is expected to be 85% under the chapter 11 scenario and 0% under the chapter 7 scenario.
6. Intercompany Claims: There is expected to be 0% recovery for Intercompany Claims.
7. Intercompany Interests: There is expected to be 0% recovery for Intercompany Interests.
8. Existing Equity Interests: There is expected to be no equity value remaining

for distribution to Holders of Existing Equity Interests in the Debtors subsequent to payment of the aforementioned Claims.

IV. Stakeholder Recovery Comparison: Chapter 7 vs. Chapter 11

As detailed in the Liquidation Analysis, the Debtors believe that liquidation of the Debtors' assets under chapter 7 of the Bankruptcy Code would result in substantial diminution in the value to be realized by Holders of Claims as compared to such Holders' recoveries under the Plan. The comparison demonstrates that in the chapter 7 liquidation scenario, all Holders of Claims, other than Holders of Senior Secured Notes Claims, who have consented to the treatment set forth in the Plan, would receive a substantially lower distribution under a chapter 7 liquidation.

Further, the Debtors' Estates would incur the costs of payment of a statutorily allowed commission to the Trustee, as well as the costs of counsel and other professionals retained by the Trustee. The Debtors believe that such amounts, over the same liquidation time period under the Plan, would exceed the amount of expenses that will be incurred in implementing the Plan and winding up the affairs of the Debtors in the chapter 11 cases. Under the Plan, the Debtors contemplate an orderly administration and winding down of the Estates by parties that are familiar with the Debtors, their assets and affairs, and their creditors and liabilities. Such familiarity will allow the Debtors and Wind-Down Debtors to complete liquidation of the remaining assets, and distribute the net proceeds to creditors more efficiently and expeditiously than a Trustee. Importantly, the Committee Settlement, which guarantees an 85% recovery to Holders of Allowed Claims in Class 3B, would not be available in a chapter 7 case. Additionally, the Estates would suffer additional delays, as a Trustee and his/her counsel will require time to acquire the knowledge and skills to successfully complete the administration of the Estates. Also, following conversion to chapter 7, a new time period for the filing of Claims would commence under Bankruptcy Rule 1019(2), possibly resulting in the filing of additional Claims against the Estates.
