**DEBTORS' EMERGENCY MOTION FOR AUTHORITY
TO PAY PRE-PETITION WAGES, PAYROLL TAXES AND
BENEFITS TO EMPLOYEES AND NON-AFFILIATE OFFICERS**

Debtors, Tijuana Flats #176, LLC and Tijuana Flats Restaurants, LLC (collectively, the “Debtors”), move the Court pursuant to 11 U.S.C. §§ 105(a), 363(b), 507(a)(4) and Local Rule 201-1(e), for the entry of an order authorizing the payment of pre-petition wages, payroll taxes and employee benefits to employees, including non-affiliate officers of Debtors (the “Motion”). In support of the Motion, Debtors rely upon

¹ The Federal Employer Identification Number of the Debtors are Tijuana Flats #176, LLC (45-4775435) and Tijuana Flats Restaurants, LLC (47-4472442). The principal place of business of Tijuana Flats #176, LLC is 2025 Riverside Avenue, Suite 4, Jacksonville, Florida 32204 and the principal address of Tijuana Flats Restaurants, LLC is 2300 Maitland Center Parkway, Suite 306, Maitland, Florida 32751.

and incorporate by reference, the Case Management Statement [Docket No. 13].² In further support of the Motion, Debtors state:

Jurisdiction

The Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper in the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

1. On April 19, 2024 (the “Petition Date”), Tijuana Flats #176, LLC (“TJ 176”), filed a voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”).

2. Later that same morning, its parent, Tijuana Flats Restaurants, LLC (“Restaurants, LLC”), filed its voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code.

3. The Debtors are continuing in possession of their properties and are managing their businesses, as debtors in possession, pursuant to §§ 1107(a) and 1108 of the Bankruptcy Code.

4. Restaurants, LLC owns and operates 65 “Tijuana Flats” restaurants located across Florida, inclusive of TJ 176. Its restaurants provide fast, casual dining featuring a “Tex-Mex” cuisine.

² Capitalized terms not otherwise defined in this Motion shall have the meaning described in the Case Management Statement.

5. Previously, each of the company restaurants operated as a separate limited liability company, all owned by Restaurants, LLC, with Debtors utilizing a consolidated cash management system for each of its subsidiaries. On April 15, 2024, however, all but one of the operating subsidiaries were “rolled up” and merged into Restaurants, LLC. Another 11 restaurants deemed to be unprofitable were not merged into Restaurants, LLC and were instead closed during the week of April 15, 2024. A separate subsidiary entity, TJF Franchise Group, LLC, continues to operate another 26 restaurants independently through franchise agreements with third-party operators.

6. An Official Committee of Unsecured Creditors has not been appointed as of the filing of this Motion.

Relief Requested

7. As of the Petition Date, Debtors had approximately 1,500 employees (the “Employees”). Having Employees with the skills necessary to operate and manage nearly 70 operating restaurants is essential to ongoing operations and effective reorganization of the Debtors’ businesses during the case. Debtors have no “insider” Employees as “insider” is defined in Section 101(31) of the Bankruptcy Code.

8. Debtors’ employees are paid through PlanSource Financial Services, Inc. (“PlanSource”), an outsourced, online payment and cloud-based, full-service HR solutions provider from funds collected by and then transferred to PlanSource by Restaurants, LLC. Employees are divided into two groups and paid on a bi-weekly basis one week in arrears. Employees with the Restaurant Support Center and a subset of hourly restaurant Employees make up the first group (“Flats A Employees”). Restaurant

Managers and the remaining group of hourly restaurant employees make up group two (“Flats B Employees”).

9. To minimize the hardship that the Employees would suffer if pre-petition Employee-related wages and other financial obligations are not paid when due or as expected, and to maintain morale and stability in the workforce at this critical and fraught junction, Debtors seek authority to pay and honor certain pre-petition claims for, among other amounts, wages, salaries and other compensation, federal and state withholding taxes, health benefits, and other benefits that the Debtors have historically provided in the ordinary course of business (collectively, and as more fully described below, the “Employee Wages and Benefits”) and to pay all costs incident to the foregoing. Debtors also seek authority to continue to reimburse Employees for various, routine reimbursable expenses.

10. Debtors have incurred certain costs and obligations in connection with their Employees that accrued prior to the Petition Date and remain unpaid (in the aggregate, the “Employee Compensation”). Even though these costs and obligations arose prior to the Petition Date, they will become due and payable in the ordinary course of business on and after the Petition Date.

11. Paychecks for Flats A Employees were last issued on April 12, 2024, and paychecks are next scheduled to be issued on April 26, 2024. Flats A Employees are due to be paid on April 26, 2024, for the pay period running April 8, 2024, through April 21, 2024. The total pre-petition amount for April 8 through April 18, 2024, due to Flats A Employees exclusive of benefits is \$ 435,684.75.

12. Paychecks for Flats B Employees were issued prior to the bankruptcy filing, and paychecks are next scheduled to be issued to this group on May 3, 2024. Flats

B Employees are due to be paid on May 3, 2024, for the pay period running April 15, 2024, through April 28, 2024. The total pre-petition amount for April 15 through April 18, 2024, due to Flats B Employees exclusive of benefits for the pre-petition portion of that period, is \$247,132.07.

13. By this Motion, Debtors seek authority to pay the pre-petition unpaid Employee Compensation in the total amount of \$682,816.81. A list of Flats A Employees and Flats B Employees, identifying (a) the amount due to each Employee pre-petition, (b) the amount to be withheld from such payment (including all applicable payroll taxes and related benefits), (c) the period of time for which such wages are due, and (d) whether the Employee is currently employed by the Debtor, is attached hereto as **Exhibit A**.

14. Debtors are not seeking authority to pay any affiliated officers and/or insiders in this Motion.

15. Restaurants, LLC, who handles the payroll (through PlanSource) for all locations, is required by law to withhold from an Employee's wages amounts related to federal, state and local income taxes, social security and Medicare taxes for remittance to the appropriate federal, state and local taxing authorities and to pay matching amounts for social security and Medicare taxes and additional amounts for unemployment insurance (collectively, the "Payroll Taxes"). Debtors seek authority to continue to honor and process the pre-petition payments for the Payroll Taxes on a post-petition basis, in the ordinary course of business, as routinely done prior to the Petition Date.

16. All applicable Payroll Taxes and related benefits due to the Debtors' employees shall be paid concurrently with the payment of wages.

17. Debtors customarily reimburse employees who incur business expenses in the ordinary course of performing their duties. Such reimbursement obligations include certain expenses incurred by the Employees through the use of their own funds or personal credit cards (the “Reimbursement Obligations”).

18. Subject to certain eligibility requirements, Debtors offer employees the ability to participate in health care and other plans, as follows:

a. Medical Plan. The Debtors’ medical plan for its employees is administered by United Healthcare Insurance Company. The Health Plan costs the Debtor approximately \$87,093 monthly.

b. Dental Plan. The Debtors’ dental plan for its employees is administered by United Healthcare Insurance Company. The Dental Plan costs the Debtors approximately \$2,857.78 monthly.

c. Vision Plan. The Debtors’ vision plan for its employees is administered by United Healthcare Insurance Company. The Vision Plan costs the Debtors approximately \$728.32 monthly.

d. Basic Employee Life Insurance Plan. The Debtors’ life insurance plan for its employees is administered by Mutual of Omaha Life Insurance Company. The Life Insurance Plan costs the Debtors approximately \$146.70 monthly.

e. Basic Short-Term Disability Plan. The Debtors’ short-term disability plan for its employees is administered by Mutual of Omaha Life Insurance Company and costs the Debtors approximately \$5,357.76 monthly.

f. Executive Long-Term Disability Plan. The Debtors’ executive long-term disability plan for its leadership team and Vice Presidents is administered by Mutual of Omaha Life Insurance Company and costs the Debtors approximately \$680.02 monthly.

g. Voluntary Long-Term Disability Plan. The Debtors’ voluntary long-term disability plan for its hourly employees is administered by Mutual of Omaha Life Insurance Company. The Debtors do not incur costs relating to this plan.

h. Accident Insurance Plan. The Debtors’ accident insurance plan for its employees is administered by Voya. The Debtors do not incur costs relating to this plan.

i. Voluntary Life Insurance Plan. The Debtors' voluntary life insurance plan for its employees is administered by Mutual of Omaha Life Insurance Company. The Debtors do not incur costs relating to this plan.

j. Pet Insurance Plan. The Debtors' pet insurance plan for its employees is administered by ASPCA. Debtors do not incur costs relating to this plan.

19. Debtors have a 401(k) plan (the "Plan") administered by PlanSource. Debtors do not offer a match. Employee contributions are deducted from employee compensation as part of the payroll cycle. PlanSource charges *de minimis* fees for administration of the Plan based on invoicing and the number of participants.

20. The total amount of funds in the Plan are currently \$4,306,823.89.

21. By this Motion, Debtors seek authority to (a) continue the plans identified in paragraph 16 above; (b) continue making the above-described contributions to such benefit programs; and (c) pay any amounts related thereto, including on account of any premiums and claim amounts, to the extent that they remain unpaid as of the Petition Date.

Grounds for Relief

22. Pursuant to §§ 507(a)(4) and 507(a)(5) of the Bankruptcy Code, a debtor's employees' claims for "wages, salaries, or commissions, including vacation, severance, and sick leave pay" earned within 180 days before the petition date, and claims against a debtor for contributions to employee benefit plans arising from services rendered within 180 days before the petition date, are afforded unsecured priority status to the extent of \$15,150 per employee. Therefore, the relief sought herein is only likely to affect the

timing and not the amount of the payment of employee claims to the extent the employee claims constitute priority claims.

23. Additionally, Debtors may pay to the appropriate third-parties the Deductions and Payroll Taxes because those amounts are not property of the estate under § 541 of the Bankruptcy Code.

24. The Court may grant the relief requested herein pursuant to §§ 363 and 105(a) of the Bankruptcy Code. Section 363(b)(1) provides, “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” Section 105(a) of the Bankruptcy Code further provides:

The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title. No provision of this title providing for the raising of an issue by a party in interest shall be construed to preclude the court from, *sua sponte*, taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules or to prevent an abuse of process.

25. Debtors believe that all or virtually all of the pre-petition Employee Wages and Benefits constitute priority claims. Debtors further submit that payment of such amounts at this time is necessary and appropriate. If the Motion is granted, no Employee will receive an aggregate amount in excess of the \$15,150 priority amount. Nonetheless, even if an Employee is owed in excess of \$15,150 on account of Pre-Petition Employee Wages and Benefits, payment of such amounts is necessary and appropriate and is authorized under section 105(a) of the Bankruptcy Code pursuant to the “necessity of payment doctrine.” *In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 176 (Bankr. S.D.N.Y. 1989)(recognizing “the existences of the judicial power to authorize a

debtor in a reorganization case to pay prepetition claims where such payment is essential to the continued operation of the debtor”); *In re Chateaugay Corp.*, 80 B.R. 279 (S.D.N.Y. 1987). *See also, In re United American, Inc.*, 327 B.R. 776, 781 (Bankr. E.D. Va. 2005). This doctrine is consistent with the paramount goal of chapter 11 of “facilitating the continued operation and rehabilitation of the debtor.” *Ionosphere Clubs*, 98 B.R. at 176.

26. Retaining the Employees is critical to the successful operation of the Debtors’ businesses as the Debtors would not be able to replace these Employees without significant disruption in its business. In short, these Employees are vital to the Debtors’ continued success.

27. Each of the Employees performed necessary and valuable services for the Debtors prior to the Petition Date and performed those services with the expectation that wage, and wage-related commitments would be honored. The failure to honor the Employee Obligations will lower morale and cause concern among the Employees regarding the Debtors’ intentions to honor its ongoing obligations to the Employees. Debtors cannot afford to lose the support of its Employees at a time when the Debtors must operate more efficiently and meet more administrative burdens than before.

28. In addition, the Employees depend upon their salaries to meet their basic living expenses. The Employees and their families will suffer serious financial difficulties if the relief requested is not granted.

29. The unfortunate reality is that a number of managers and hourly employees working at now closed Tijuana Flats locations have been recently terminated. If the remaining Employees are not paid their pre-petition wages and associated benefits, they would likely see that as “writing on the wall” and leave Tijuana Flats for a more

stable situation which, with the upcoming Cinco de Mayo holiday, would result in severe consequences to the restaurants throughout the state.

WHEREFORE, Debtors respectfully request the entry of an order in substantially the form attached hereto as **Exhibit B** (i) authorizing payment of salary and benefits as outlined herein to the Employees, and (ii) granting such other relief as is appropriate.
