DECLARATION OF MICHAEL SELLINGER
IN SUPPORT OF DEBTORS' SALE OF CERTAIN ASSETS

I, Michael Sellinger, hereby declare as follows:

1. I am a Managing Director of GLC Advisors & Co., LLC and GLC Securities, LLC (together, "***GLC***"), investment banker to RunItOneTime LLC and its debtor affiliates (collectively, the "***Debtors***" or the "***Company***") in the above-captioned chapter 11 cases (the "***Chapter 11 Cases***").

2. I submit this declaration (this "***Declaration***") in support of the aspect of the *Debtors' Emergency Motion for Entry of Orders (I) Establishing Bidding, Noticing, and Assumption and Assignment Procedures; (II) Approving the Sale of Certain or All of the Debtors' Assets, and (III) Granting Related Relief* [Docket No. 93] (the "***Sale Motion***") that seeks entry of an order approving the sale of certain of the Debtors' Assets.[2] Specifically, at the hearing

[1] A complete list of the Debtors in the Chapter 11 Cases may be obtained on the website of the Debtors' claims and noticing agent at https://restructuring.ra.kroll.com/RunItOneTime/. The Debtors' mailing address is 12530 NE 144th Street, Kirkland, Washington 98304.

[2] Capitalized terms used but not defined herein have the meanings given to them in the First Day Declaration [Docket No. 18], the Sale Motion and/or the *Order (I) Establishing Bidding, Noticing, and Assumption and Assignment Procedures and (II) Granting Related Relief* [Docket No. 178] (the "***Bidding Procedures Order***"), as applicable.

scheduled for November 19, 2025 (the "***Sale Hearing***"), the Debtors intend to seek approval of the sale of the EGads! business to Maverick Specialty Fabrication & Design LLC for a total cash purchase price of $1.4 million.

3. Except as otherwise indicated, the statements in this Declaration are based on: (a) my personal knowledge of the Debtors' operations and finances; (b) review of relevant documents by me and the GLC team that I supervise; (c) information provided to me by the GLC team that I supervise and other employees of GLC (as defined below); (d) information provided to me and the GLC team that I supervise by members of the above-captioned debtors' (collectively, the "***Debtors***" or the "***Company***") management team and employees or the Debtors' other advisors; (e) records kept in the ordinary course of business by the Debtors and provided by the Debtors or their representatives to GLC; and (f) my views and beliefs based upon my experience as an investment banking professional. I am authorized to submit this Declaration on behalf of the Debtors. If called upon to testify, I can and will testify competently as to the facts set forth herein.

BACKGROUND AND QUALIFICATIONS

4. GLC is a leading independent investment banking firm, with offices in New York, Los Angeles, San Francisco and Denver. GLC is frequently ranked among the top restructuring advisors in the United States by Refinitiv (f/k/a Thomson Reuters). GLC's professionals include those who have previously served as the heads of restructuring and leveraged finance teams at: Credit Suisse First Boston LLC; Donaldson, Lufkin & Jenrette Securities Corporation; Morgan Stanley & Co. International PLC; Smith Barney Inc.; and UBS Investment Bank. GLC is highly qualified to advise on strategic alternatives and its professionals have extensive experience in deals involving complex financial and operational restructurings.

5. GLC and its professionals have worked with financially troubled companies and their stakeholders in a variety of industries in complex financial restructurings, both in chapter 11

cases and out-of-court proceedings. GLC's professionals have served as advisors to companies, creditors, and other stakeholders in dozens of restructurings, including acting as the investment banker to debtors, creditors, ad hoc groups and creditors' committees.

6. I have a broad range of experience in investment banking assignments, including significant experience with in-court and out-of-court sale processes. Prior to helping found GLC in 2009, I was a Director in UBS Group AG's restructuring and growth capital groups, where I focused on the restructuring of distressed debt and the new issuance of bank loans and high-yield bonds. Prior to joining UBS Group AG, I was an Associate in the restructuring group of Donaldson, Lufkin & Jenrette (predecessor in interest to Credit Suisse First Boston LLC), where I began my career as an investment banking analyst in Los Angeles. I have a Bachelors in Business Administration from the Stephen M. Ross School of Business at the University of Michigan, where I graduated with High Distinction.

7. During the course of my career, I have participated in several court-supervised chapter 11 processes, including marketing and sale processes pursuant to section 363. My restructuring experience includes representing debtors, creditor groups, purchasers, potential purchasers, and other significant stakeholders in a number of complex financial restructurings and bankruptcy-related processes, including, without limitation, the chapter 11 bankruptcy proceedings of Ahern Rentals, Brookstone, Caesars Entertainment, Guitar Center, iHeartMedia, LightSquared, Majestic Star, The McClatchy Companies, RadioShack, Station Casinos, and Toys "R" Us.

8. In my role as a Managing Director of GLC, I have been closely involved in the Debtors' financing, restructuring, and sale efforts to date. The GLC team that I supervise and I were responsible for assisting the Company in the implementation and management of the Sale

process in the Chapter 11 Cases. Accordingly, I have personal knowledge of the matters discussed herein.

GLC'S ROLE AS INVESTMENT BANKER

9. The GLC team that I supervise and I began working with the Debtors in April 2025, as the Company's investment banker. GLC was engaged to lead the Debtors' restructuring process, to provide general restructuring advice to the Company, to aid the Debtors in obtaining debtor-in-possession financing, if necessary, and to pursue a potential restructuring of the Company's business through an investment, sale, or other process.

10. I, along with others on the GLC team that I supervise, have developed in depth knowledge regarding, among other things, the Debtors' businesses and operations, debt structure, creditors and related matters. The GLC team has worked closely with the Debtors' management and advisors both prior to and after the filing of the Chapter 11 Cases to, among other things, explore various strategic alternatives and market and position for sale some or all of the Debtors' assets.

THE TRANSACTION SUPPORT AGREEMENT

11. The Company, through GLC and under the oversight of the Special Committee, the Supporting Shareholder (Eric Persson), and prepetition lenders that collectively beneficially own or control approximately (a) 78% of the aggregate principal amount of outstanding First Out Term Loans (as defined in the First Day Declaration) and (b) 70% of the aggregate principal amount of Second Out Term Loans (as defined in the First Day Declaration) under the Prepetition Credit Facility (collectively, the "***Supporting Lenders***") negotiated and entered into the Transaction Support Agreement, dated as of June 25, 2025, which forms the basis of the Debtors' consensual restructuring path for the Chapter 11 Cases. The Transaction Support Agreement contemplates,

among other things, the sale or other disposition of substantially all of the Company's core assets through either a section 363 sale process or a plan of reorganization.

12. A key goal in the negotiations leading to the Transaction Support Agreement was ensuring the Company's orderly transition into chapter 11 once it became clear to the parties that an in-court process would be necessary. Because the Supporting Shareholder holds most of the gaming licenses required to run the Debtors' businesses,[3] the Debtors determined, based on advice from their advisors, that access to the Supporting Shareholder's services regarding the gaming licenses would substantially facilitate any sale process. Accordingly, as part of the global resolution with the Supporting Lenders and the Supporting Shareholder reflected in the Transaction Support Agreement, the Debtors required that the Supporting Shareholder agree to, among other things, support, pursue, and take in good faith all reasonably necessary and appropriate actions to maintain all licenses necessary for the Company to operate in the ordinary course and support and facilitate the implementation of the transfer of any assets.

13. The terms of the Transaction Support Agreement, were negotiated and agreed by the Debtors, the Ad Hoc Group, and the Supporting Shareholder without collusion, in good faith, and from arm's-length bargaining positions. Further, the terms of the Transaction Support Agreement were reviewed and approved by the Debtor's Special Committee, with the recusal of the Supporting Shareholder.

THE SALE PROCESS

14. As noted above, the Transaction Support Agreement contemplates, among other things, a court-approved sale and marketing process (the "***Sale Process***") pursuant to section 363

[3] The Supporting Shareholder also directly or indirectly owns 100% of the equity in the Licensed Operator Affiliate Debtors.

of the Bankruptcy Code for any or all of the Debtors' assets (the "***Assets***"). To facilitate the marketing of the Assets, the Transaction Support Agreement separates the Debtors' business operations into three categories: (a) "PokerCo," which is composed of the following Washington card rooms: Aces Poker Lakewood, Aces Poker Mountlake Terrace, Caribbean Casino and Caribbean Cardroom (including any working capital available that is required to operate the businesses) (the "***PokerCo Assets***"), (b) "LeaseCo," which is composed of the properties subject to the Blue Owl Master Lease, and (c) "MainCo," which is composed of the remainder of the Debtors' existing businesses, interests, and tangible and intangible assets.

15. In connection with the Sale Process and consistent with the Bidding Procedures, GLC has worked diligently to engage with interested parties, make themselves available for calls with these interested parties upon request, and provide access to preliminary diligence materials with respect to the Debtors' Assets. Specifically, the Sale Process included (a) identifying the Assets, (b) developing marketing materials describing the Assets, their history, their use, and the opportunities the Assets present, (c) creating a virtual data room containing information about the Assets, (d) identifying and contacting potential strategic and financial buyers for the Assets, (e) facilitating due diligence gathering with potential buyers, and (f) negotiating transaction structures with potential buyers interested in acquiring the Assets.

16. Throughout the Sale Process, I and others of the Debtors' advisors provided routine updates to the Special Committee regarding the status of the Sale Process, indications of interest, bids received, and related information. I and others from my team with GLC made ourselves available to answer any questions from the Special Committee and to ensure they had sufficient information to make informed decisions throughout the process. The Debtors also worked

collaboratively with the Consultation Parties and their advisors to ensure a robust marketing process and maximize the value of the Debtors' Assets.

17. Throughout the Sale Process, GLC did not provide the Supporting Shareholder with any communications—whether oral, written, or otherwise—regarding any other bidder's bid or any copies of any other bidder's bids, whether such bids were embodied in indications of interest, letters of intent, term sheets, asset purchase agreements, or otherwise.

18. The initial Bid Deadline under the Bidding Procedures was September 17, 2025. As of the initial Bid Deadline, the Debtors had received bids on certain Assets and scheduled and noticed an auction for September 19, 2025 (the "***September Auction***"). The September Auction was held as scheduled, successful bidders were selected, and the Court has approved those sales.[4]

19. To continue the Sale Process for the remaining Assets, the Debtors, under the direction of the Special Committee and following consultation with the Consultation Parties, filed the *Notice of Extension of Bidding Procedures Deadlines* [Docket No. 451], which extended the Bid Deadline for certain remaining assets to October 1, 2025 and set an auction for October 3, 2025. The Debtors continued to work with interested parties to solicit bids for certain remaining assets, and, on October 3, 2025, the Debtors, under the direction of the Special Committee and following consultation with the Consultation Parties, filed the *Notice of Revised Bidding Procedures Deadlines and Auction for Sale of Certain of the Debtors' Assets Free and Clear of Any and All Claims, Interests, and Encumbrances* [Docket No. 592] setting an extended bid deadline for certain remaining Assets of October 3, 2025 (the "***Extended Bid Deadline***") and setting an auction for October 6, 2025 (the "***October Auction***"). The Assets subject to the Extended Bid Deadline included the EGads! fabrication business.

---

4 *See* Docket Nos. 490 and 754.

20. After the expiration of the Extended Bid Deadline, the Debtors evaluated all bids received and determined, with the oversight of the Special Committee and after consultation with the Consultation Parties, which bids would be deemed qualified bids. The Debtors, in consultation with the Consultation Parties, determined that there was only one qualified bid for EGads! from Maverick Specialty Fabrication & Design LLC (an entity owned and controlled by the Supporting Shareholder). The initial bid for EGads! was $500,000 in cash. However, after discussions between the Debtors' advisors and Maverick Specialty Fabrication & Design LLC regarding the potential liquidation value of Egads!, Maverick Specialty Fabrication & Design LLC agreed to increase its bid to $1.4 million. With only one qualified bid on EGads!, the Debtors elected not to proceed with an auction for this Assets. Accordingly, in consultation with the Special Committee, the Debtors selected Maverick Specialty Fabrication & Design LLC as the successful bidder for EGads!

21. I believe that the Sale Process employed by the Debtors was non-collusive and conducted in good faith and at arm's-length. Based on my participation in the marketing and Sale Process, I believe the Debtors and the bidders have complied in all respects with the Bidding Procedures and the Bidding Procedures Order. I believe that the process has been substantively and procedurally fair to all parties in interest. I believe that all parties that credibly expressed an interest in purchasing the Debtors' Assets had an opportunity to participate in the Sale Process. I believe each party acted in good faith and without collusion or fraud of any kind.

22. At a meeting of the Special Committee held on October 6, 2025, the Special Committee, in consultation with the Debtors' advisors, with the benefit of the Consultation Parties' views, and with the material and information necessary to make well-informed decisions, ratified the selection of the successful bidder for EGads! and authorized the Debtors to proceed with

seeking the Court's approval of the Debtors' entry into an asset purchase agreement consistent with the terms of the successful bid.

23. The Debtors have elected to postpone the Sale Hearing with respect to the remaining Assets set forth in the *Notice of Successful Bidders and Backup Bidders for Sale of Certain of the Debtors' Assets* [Docket No. 603]. The Debtors will seek Court approval of the Sale of these Assets at a later date.

ASSUMPTION AND ASSIGNMENT OF CONTRACTS

24. I understand that, as part of the proposed sales, the buyers will be seeking the assumption and assignments of certain executory contracts and/or unexpired leases. I am informed that to take assignment of an assumed contract, the assignee must provide adequate assurance of future performance. Under the Bidding Procedures, each Qualified Bidder was required to demonstrate, to the Debtors' reasonable satisfaction, that such bidder had the necessary financial ability to timely close the proposed Sale Transaction and provide adequate assurance of future performance with respect to any lease or contract to be assumed and assigned in connection with the proposed Sale Transaction.

25. As part of the review of the submitted bids, I, and the GLC team I supervise, reviewed the financial information submitted by Maverick Gaming LLC and its affiliates. Based on that review, it is my belief that Maverick Specialty Fabrication & Design LLC has the financial ability to perform under the executory contracts and/or unexpired leases it proposes to have assumed and assigned as part of its Sale Transactions.

CONCLUSION

26. Ultimately, the Sale of the EGads! business offers substantial consideration to the Debtors and their estates. For all of the foregoing reasons and based on my professional experience and personal knowledge having worked on the Sale Process, I believe that the Debtors conducted

the Sale Process without collusion and in accordance with the Bidding Procedures and that the Debtors should be authorized to enter into asset purchase agreements for the EGads! business as a sound exercise of the Debtors' business judgment. Accordingly, I respectfully submit that the Court should approve the sale of the EGads! business.

Pursuant to 28 U.S.C. § 1746, I declare under the penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

(b) Section and subsection headings are not to be considered part of this Agreement, are included solely for convenience, are not intended to be full or accurate descriptions of the content of the Sections or subsections of this Agreement and shall not affect the construction hereof.

(c) Except as otherwise explicitly specified to the contrary herein, (i) the words "hereof," "herein," "hereunder" and words of similar import shall refer to this Agreement as a whole and not to any particular Section or subsection of this Agreement and reference to a particular Section of this Agreement shall include all subsections thereof, (ii) references to a Section, Exhibit, Annex, or Schedule means a Section of, or Exhibit, Annex, or Schedule to this Agreement, unless another agreement is specified, (iii) unless the context otherwise requires, definitions shall be equally applicable to both the singular and plural forms of the terms defined, and references to the masculine, feminine or neuter gender shall include each other gender (including, for the avoidance of doubt, references to "Seller" to include all Sellers, as the context requires or as appropriate), (iv) the word "including" means including without limitation, (v) any reference to "$" or "dollars" means United States dollars, (vi) any accounting term not otherwise defined shall have its meaning prescribed by GAAP, (vii) unless the context clearly requires otherwise, when used herein "or" shall not be exclusive (*i.e.*, "or" shall mean "and/or"), and (viii) references to a particular statute or regulation include all rules and regulations thereunder and any successor statute, rule or regulation, in each case, as amended or otherwise modified from time to time.

(d) Only that information which has been made available to Buyer in the "virtual data room" created for purposes of the sale of the Acquired Assets as such data room existed as of three (3) Business Days prior to the date hereof or otherwise delivered in writing to Buyer on the date immediately prior to the date hereof shall be considered to have been "delivered" or "made available" to Buyer for purposes of this Agreement; provided that this shall not include information or documents to be delivered under Section 3.6 or otherwise at the Closing, including this Agreement and any Ancillary Document, or any information or documents to be delivered following the Closing.

(e) Any fact disclosed in any Schedule with respect to any representation or warranty set forth herein shall be deemed disclosed and incorporated by reference in any other Schedule with respect to any other representation or warranty set forth herein only to the extent such fact is disclosed in such a way as to make its relevance to the information called for by such other Schedule reasonably apparent on its face.

(f) The Parties intend that each representation, warranty and covenant contained herein will have independent significance. If any Party has breached or violated, or if there is an inaccuracy in, any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty, or covenant relating to the same subject matter (regardless of the relative levels of specificity) which the Party has not breached or violated, or in respect of which there is not an inaccuracy, will not detract from or mitigate the fact that the Party has breached or violated, or there is an inaccuracy in, the first representation, warranty, or covenant.

(g) Time is of the essence with regard to all dates and time periods set forth or referred to in this Agreement.

ARTICLE II.
PURCHASE AND SALE; BANKRUPTCY TRANSACTIONS

2.1 Purchase and Sale; Acquired Assets. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, subject to the entry and terms of the Sale Order and on the terms and subject to the conditions of this Agreement, at the Closing, Seller shall sell, transfer, convey, assign and deliver, or cause to be sold, transferred, assigned, conveyed, and delivered, to Buyer, and Buyer shall purchase and acquire

from such Seller, all of such Seller's right, title and interest in, to, and under, as of the Closing, the Acquired Assets, free and clear of all Liens (other than Permitted Liens) and Liabilities (other than Assumed Liabilities), and interests existing as of the Closing.

2.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, the Acquired Assets shall not include, and Seller shall not sell, convey, transfer, assign, or deliver to Buyer, the Excluded Assets, which Seller shall specifically retain.

2.3 Assumption of Liabilities. Subject to the terms and conditions of this Agreement, at the Closing, Buyer shall irrevocably assume and agree to pay, perform, and discharge when due, or otherwise satisfy in accordance with their terms, the Assumed Liabilities (and no other Liabilities).

2.4 Excluded Liabilities. Notwithstanding anything to the contrary in this Agreement, Buyer shall not assume and shall not be responsible to pay, perform, or discharge any Liabilities of Seller or any of its Affiliates of any kind or nature whatsoever other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the "Excluded Liabilities"), and such Excluded Liabilities shall be retained by and remain the Liabilities of Seller or its Affiliates, as applicable.

2.5 Assumption/Rejection of Contracts; Assignment of Contracts.

(a) Assumption and Assignment of Executory Contracts. In accordance with the Bidding Procedures Order and the Bidding Procedures and to the maximum extent permitted by the Bankruptcy Code, and subject to the other provisions of this Section 2.5, at the Closing, Seller shall, pursuant to the Sale Order or other order of the Bankruptcy Court with respect to any Assigned Contract, assume and assign to Buyer (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by Seller to Buyer pursuant to sections 363 and 365 of the Bankruptcy Code, subject to the provision of adequate assurance by the Buyer as may be required under section 365 of the Bankruptcy Code and payment by the Buyer of the Cure Costs in respect of the Assigned Contracts. Any Contracts not listed as an Assigned Contract on Schedule 2.1 of the Disclosure Schedule may be rejected pursuant to section 365 of the Bankruptcy Code at any time.

(b) Cure Costs.

(1) Buyer shall pay or otherwise satisfy all Cure Costs and shall assume, and thereafter in due course and in accordance with their respective terms, pay and fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code. Except for any Real Property Leases, Buyer is and shall remain obligated to timely consummate the Closing (including paying the Purchase Price in full at Closing) and comply with its obligations under this Agreement and any Ancillary Document and shall not have the right to terminate this Agreement as a result of the failure to assume and assign any such Contract. Notwithstanding anything to the contrary herein, no Seller Party shall be required to pay or assume any Cure Costs or provide any assurances, and no Seller shall be obligated to assume and assign any Contract with respect to which Buyer fails to pay the full Cure Costs at Closing or fails to satisfy the party to the proposed Assigned Contract and the Bankruptcy Court as to adequate assurance of future performance.

(2) To the extent a counterparty to a Contract objects or otherwise challenges the Cure Costs determined by Seller and asserts a different monetary amount that must be paid or nonmonetary obligations that otherwise must be satisfied, including pursuant to Section 365(b)(1)(A) and (B) of the Bankruptcy Code, in order for Buyer to assume such Contract (any such Contract, a "Disputed Contract"), and such objection or challenge has not been resolved prior to the Closing, then Buyer shall

provide prompt written notice prior to the Closing Date (or such earlier date on which the Bankruptcy Code or Bankruptcy Court otherwise would require a determination to assume or reject any such Contract) either (x) electing to remove any such Disputed Contract from Schedule 2.1 of the Disclosure Schedule, in which case the Contract will be an Excluded Contract and not assigned to Buyer or (y) requesting an extension of the period of time following the Closing to resolve any such dispute (such period, an "Extension Period"); provided that any such Extension Period shall be no longer than sixty (60) days following the Closing Date. If Buyer does not deliver written notice agreeing to assume such Disputed Contract and pay all Cure Costs associated with such Disputed Contract within three (3) Business Days prior to the expiration of the Extension Period or such dispute is not resolved by the expiration of the Extension Period, such Disputed Contract shall automatically be deemed an Excluded Contract. Without limiting the foregoing, in the event that a dispute relating to a Disputed Contract is resolved adversely to Buyer by the Bankruptcy Court, upon written notice from Buyer to Seller within one (1) Business Day thereafter, such Disputed Contract shall thereafter be deemed an Excluded Contract for all purposes under this Agreement. Buyer shall be responsible for and reimburse Seller for any Liabilities or obligations of Seller arising following the Closing during any Extension Period, including any incremental costs or expenses (A) that arise out of Seller's extension and continuation of the Bankruptcy Cases that is attributable to the Extension Period and (B) are incurred as a result of Seller's performance of its obligations under this Section 2.5(b)(2).

(3) Buyer shall have the right to notify Seller in writing up to three (3) Business Days prior to the Sale Hearing of any previously designated Assigned Contracts which Buyer no longer wishes to have assumed and assigned to Buyer and any such Contracts shall be deemed added or removed from the Schedules and from being an Assigned Contract, in each case without any adjustment to the Purchase Price.

(c) Non-Assignment.

(1) To the extent that any Acquired Asset, Assigned Contract or any claim, right or benefit arising thereunder or resulting therefrom (the "Non-Assignable Asset") is not capable of being sold, assigned, transferred or conveyed without the approval, consent or waiver of another party thereto, or any third party (including a Governmental Authority), or if such sale, assignment, transfer or conveyance or attempted sale, assignment, transfer or conveyance would constitute a breach thereof or a violation of any law, decree, order, regulation or other governmental edict, this Agreement shall not constitute a sale, assignment, transfer or conveyance thereof, or an attempted assignment, transfer or conveyance thereof, and the Closing shall proceed without any reduction in Purchase Price without the sale, transfer, assignment, conveyance or delivery of such asset. From the date hereof until the earlier of the termination of this Agreement and the Closing Date, Seller shall, if requested by Buyer, use its commercially reasonable efforts, subject to the Conditions, and Buyer shall reasonably cooperate with Seller, to obtain all necessary approvals, consents or waivers, or to resolve any such impediments to transfer as necessary to convey to Buyer each such Non-Assignable Asset as soon as practicable; provided, however, that neither Seller nor Buyer shall be obligated to pay any fees or other consideration to obtain such third party consent for the transfer thereof, except for Cure Costs which shall be paid by Buyer and filing fees and other ordinary administrative or other charges provided for in the Assigned Contracts which shall be paid by Buyer to the third party from whom such approval, consent or waiver is requested.

(2) To the extent that any of the approvals, consents or waivers referred to in Section 2.5(c)(1) herein have not been obtained by Seller and Buyer as of the Closing, or until the impediments to transfer referred to in Section 2.5(c)(1) are resolved, Seller shall, if requested by Buyer, for a period of time equal to the shorter of (I) the remaining term of such Non-Assignable Asset, if applicable, and (II) until Seller is liquidated and wound down, use its commercially reasonable efforts to (x) obtain the consent of any such third party, (y) cooperate with Buyer in any reasonable and lawful arrangements designed to provide the benefits of such Non-Assignable Asset to Buyer so long as Buyer cooperates with

Seller in such arrangements and reimburses Seller for all expenses incurred by Seller (including ongoing operating expenses of Seller exclusively relating to such Non-Assignable Asset) and payments made by Seller in connection therewith and indemnifies Seller with respect thereto; and (z) enforce, at the reasonable request of Buyer and at the expense and for the account of Buyer, any rights of Seller arising from such Non-Assignable Asset against the respective owner of or counterparty to such asset (including the right to elect to terminate any such Non-Assignable Asset in accordance with the terms thereof upon the advice of, and together with indemnification from, Buyer); provided, that (A) the foregoing shall not restrict or limit wind-down or liquidating plan of Seller following the Closing Date and (B) the foregoing shall be subject to (1) any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code, obligations or limitations arising under or related to the DIP Facility or the DIP Credit Agreement, and Seller's obligations to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order) and Seller's duty to seek and obtain the highest or otherwise best price for its assets as required by the Bankruptcy Code, (2) limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code or agreements governing Seller's debtor-in-possession financing or use of cash collateral, and (3) limitations arising out of or related to the financial distress of Seller and its Affiliates and the Bankruptcy Cases, including limitations on personnel, funds and other resources (the limitations to Seller's obligation to use commercially reasonable efforts in accordance with this Section 2.5(c)(2) described in clauses (A) and (B), collectively, and as applicable as used herein, the "Conditions").

(3) Notwithstanding anything to the contrary herein, no Seller shall be required to compensate any applicable third party, commence or participate in any proceeding or offer or grant any accommodation (financial or otherwise, including any accommodation or arrangement to indemnify, remain primarily, secondarily or contingently liable for any Liability) to any applicable third party in connection with Seller's obligations under this Section 2.5 or otherwise. Receipt of any third-party consent, approval or waiver shall not be a condition to Buyer's obligation to timely consummate the Closing (including Buyer's obligation to pay the Purchase Price in full) or comply with Buyer's obligations under this Agreement or any Ancillary Document and the failure to receive any third party consent, approval or waiver or any actions taken by Seller in connection therewith shall not give Buyer the right to terminate this Agreement.

2.6 Real Property Leases. Buyer has reviewed, or prior to the Closing will review, all Real Property Leases and, except as may be otherwise provided below, acknowledges that the amount of term remaining under each such lease (specifically excluding any option renewals) is acceptable to Buyer. At Buyer's request, Seller will reasonably cooperate with Buyer in connection with any negotiations relating to renewals, extensions or amendments of the Real Property Leases.

2.7 Assumption of Liabilities under Assigned Contracts. At the Closing, Buyer shall assume, discharge and become liable for, all Liabilities arising after the Closing Date under the Assigned Contracts, but only to the extent such Liabilities are required to be performed and satisfied after the Closing Date and excluding Liabilities arising as a result of any breach of or default or failure to perform by Seller under any Assigned Contract prior to the Closing, other than Cure Costs or as otherwise contemplated under Section 2.5 or any Assumed Liabilities.

2.8 Approval by Bankruptcy Court. This Agreement is subject to and conditioned upon approval by the Bankruptcy Court. At Closing, Seller will convey to Buyer the Acquired Assets pursuant and subject to an Order, entered by the Bankruptcy Court approving the sale of the Acquired Assets, which order shall be in form and substance reasonably acceptable to Buyer, and shall include the following provisions: (x) pursuant to Section 363(f) of the Bankruptcy Code, sale of the Acquired Assets shall be free and clear of all Liens (other than Permitted Liens), Liabilities (other than Assumed Liabilities), interests and rights of set-off, whether known or unknown, disputed, fixed or contingent, or actual or otherwise, in

each case arising at any time prior to the Closing, in each case, to the greatest extent permitted by the Bankruptcy Code or applicable non-bankruptcy law, (y) Buyer shall be deemed a good faith purchaser, and (z) Buyer shall have no liability or obligation with respect to Excluded Liabilities and no successor liability (including with respect to any Withdrawal Liability or contribution obligations, whether arising prior to, on or after, the Closing Date, or with respect to the assumption of contribution history associated with any Multiemployer Plan), in each case, to the greatest extent permitted by the Bankruptcy Code or applicable non-bankruptcy law (the "Sale Order"). The Parties shall work in good faith to promptly prepare a mutually acceptable form of Sale Order after the date hereof.

2.9 "As Is" Transaction. Buyer hereby acknowledges and agrees, on its own behalf and on behalf of the Buyer Group, that the sale of the Acquired Assets is and will be made on an "as is, where is and with all faults" basis (except for the express representations contained in Article IV, as qualified, amended, supplemented and modified by the Disclosure Schedule and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement (the "Express Representations")). The occurrence of Closing shall constitute an acknowledgement by Buyer, on its own behalf and on behalf of the Buyer Group, that the Acquired Assets have been accepted without representation or warranty, express or implied (except for the Express Representations). Buyer, on its own behalf and on behalf of the Buyer Group, waives any right to assert any claim against Seller, at Law or in equity, relating to any such matter, whether latent or patent, disclosed or undisclosed, known or unknown, in contract or tort, now existing or hereafter arising, other than resulting from such Seller's Fraud. Except for the Express Representations, Seller and any other Person on behalf of Seller hereby specifically negate and disclaim any further representations, warranties, or guaranties of any kind or character, whether express or implied, oral or written, past, present, future, or otherwise, of, as to, concerning, or with respect to Seller, the Acquired Assets, or the Assumed Liabilities or with respect to any information, statements, disclosures, documents, projections, forecasts or other material of any nature made available or provided by any Person, or elsewhere to Buyer or any of its Affiliates or advisors on behalf of Seller or any of its Affiliates or Representatives, including (i) any implied representation of merchantability or fitness for any particular use or purpose, (ii) any implied representation regarding the use or operation of the Acquired Assets after the Closing in any manner, and (iii) any implied representation regarding the probable success or profitability of the Acquired Assets. Buyer further acknowledges that the information provided and to be provided with respect to Seller, the Acquired Assets and the Assumed Liabilities was obtained from a variety of sources and, except as set forth in the Express Representations, no Seller, and no other Person on behalf of Seller, (x) has made any independent investigation or verification of such information and (y) has made any express or implied, oral or written, representations as to the accuracy or completeness of such information. Notwithstanding the generality of the foregoing, Buyer, on its own behalf and on behalf of the Buyer Group, acknowledges and agrees that it and the Buyer Group have received from Seller (and its Affiliates and Representatives) certain projections, forward-looking statements, forecasts, or other material made available to Buyer, its Affiliates or Representatives in the Data Room, teaser, confidential information memorandum, management presentations or other prospective or third-party information relating to Seller, the Acquired Assets, the Business, the Excluded Assets, the Assumed Liabilities and the Excluded Liabilities (whether in written, electronic, or oral form) (collectively, "Projections"). Buyer, on behalf of itself and the Buyer Group, acknowledges that (1) such Projections are being provided solely for the convenience of Buyer and the Buyer Group to facilitate their own independent investigation; (2) there are uncertainties inherent in attempting to make such Projections; (3) Buyer and the Buyer Group are familiar with such uncertainties and are taking responsibility for making their own evaluation of the adequacy and accuracy of all such Projections (including the reasonableness of the assumptions underlying such Projections); (4) Buyer and the Buyer Group are taking full responsibility for making their own evaluation of the adequacy and accuracy of any such Projections provided to it in connection with the Contemplated Transactions (including the reasonableness of the assumptions underlying such Projections); (5) no Seller or any other Person makes any representations or warranties with respect to such Projections (other than Express Representations); and (6) Buyer and the Buyer Group shall have no claim against anyone with

respect thereto. Buyer, on its own behalf and on behalf of the Buyer Group, hereby disclaims reliance on any such Projections. Buyer acknowledges, on its own behalf and on behalf of the Buyer Group, that it has conducted to its reasonable satisfaction an independent investigation and verification of the Business including the Acquired Assets, its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of Seller, and, in making its determination to proceed with the Contemplated Transactions, Buyer has relied solely on the results of the Buyer Group's own independent investigation and verification, and has not relied on, is not relying on, and will not rely on, Seller, the Projections or any information, statements, disclosures, documents, projections, forecasts or other material made available to Buyer or any of its Affiliates or Representatives in the Data Room or otherwise, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or Seller or any of its Affiliates or Representatives, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations. Without limiting the foregoing, except for breach of the Express Representations and subject to the limitations set forth herein, neither Seller nor any other Person will have or be subject to any Liability whatsoever to Buyer, or any other Person in the Buyer Group, resulting from the distribution to Buyer or any of its Affiliates or advisors, or Buyer's or any of its Affiliates' or advisors' reliance on, any such information. None of Seller or any of its Representatives make or provide, and the Buyer Group hereby waives, any warranty or representation, express or implied, as to the quality, merchantability, fitness for a particular purpose, conformity to samples, or condition of Seller's assets or any part thereof. This Section 2.9 shall survive the termination of this Agreement and the Closing.

ARTICLE III.
PURCHASE CONSIDERATION; CLOSING

3.1 Consideration; Closing Date Payment to Seller.

(a) The aggregate consideration for the purchase and sale of the Acquired Assets will be equal to an amount calculated as follows (such aggregate consideration, the "Purchase Price"):

(1) $1,400,000.00 (the "Base Purchase Price");

(2) *plus* the Adjustment Amount (which may be a positive or negative number);

(3) *plus* the Cure Costs; and

(4) *plus* the assumption by Buyer of the Assumed Liabilities.

(b) At the Closing, Buyer shall (i) pay, or cause to be paid, to Seller by wire transfer of immediately available funds to one or more accounts as designated by Seller by written notice to Buyer at least two (2) Business Days prior to the Closing Date, an amount (the "Closing Date Payment") equal to the sum of (A) the Base Purchase Price, *minus* (B) the Deposit, *plus* (C) the Estimated Adjustment Amount (which may be a positive or negative number), and (ii) assume the Assumed Liabilities and satisfy the Cure Costs in accordance with the Sale Order.

3.2 Deposit.

(a) Buyer has, on or prior to the date hereof, made an earnest money deposit with the Escrow Agent in the amount equal to $140,000.00 (the "Deposit"), by wire transfer of immediately available funds for deposit into a separate, segregated, non-interest-bearing escrow account maintained by the Escrow Agent in accordance with the Bidding Procedures Order (the "Escrow Account"). The Escrow

Account shall be subject to the Escrow Agreement. The Deposit shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of Seller or Buyer and shall be applied in full, without any deduction for escrow costs, against payment of the Purchase Price on the Closing Date.

(b) If this Agreement has been validly terminated by Seller pursuant to Sections 10.1(e) or 10.1(f) (or by Buyer pursuant to Sections 10.1(b) or 10.1(c), in each case, in circumstances where Seller would be entitled to terminate this Agreement pursuant to Sections 10.1(e) or 10.1(f)), then Seller shall retain the Deposit together with all received investment income, if any (it being understood and agreed by the Parties that Seller's right to the Deposit shall be in addition to any and all other remedies that Seller may have against Buyer with respect to any breach, violation, or default by Buyer under this Agreement).

(c) If this Agreement has been validly terminated by Buyer or Seller, other than as contemplated by Section 3.2(b), then the Deposit, together with all received investment income, if any, shall be returned to Buyer within five (5) Business Days after such termination.

(d) The Parties agree that Seller's right to retain the Deposit, as set forth in Section 3.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Seller for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Contemplated Transactions, which amount would otherwise be impossible to calculate with precision. If Buyer fails to take any action necessary to cause the delivery of the Deposit to Seller pursuant to the Escrow Agreement under circumstances where Seller is entitled to the Deposit and, in order to obtain such Deposit, Seller commence a suit which results in a judgment in favor of Seller, Buyer shall pay to Seller an amount in cash equal to the costs and expenses (including attorney's fees) incurred by Seller in connection with such suit. If Seller fail to take any action necessary to cause the delivery of the Deposit to Buyer pursuant to the Escrow Agreement under circumstances where Buyer is entitled to the Deposit and, in order to obtain such Deposit, Buyer commences a suit which results in a judgment in favor of Buyer, Seller shall pay to Buyer an amount in cash equal to the costs and expenses (including attorney's fees) incurred by Buyer in connection with such suit.

(e) If the Closing occurs, the Escrow Agent shall release from the Escrow Account to Seller at the Closing an amount equal to the Deposit.

3.3 Accounts Receivable Adjustment.

(a) Not less than two (2) Business Days prior to the Closing Date and in no event more than five (5) Business Days prior to the Closing Date, Sellers shall deliver, or cause to be prepared and delivered, to Buyer a written statement ("Estimated Closing Statement") setting forth the Sellers' good faith calculations of the outstanding Closing A/R ("Estimated Closing A/R") and the related Estimated Adjustment Amount; provided, that if there is any disagreement or dispute between Buyer and Sellers with respect to the Estimated Closing Statement or the calculations of the Estimated Adjustment Amount, such disagreement shall not delay or impede the Closing and Sellers' calculation of the Estimated Adjustment Amount set forth in the Estimated Closing Statement shall control.

(b) As soon as reasonably practicable following the Closing Date, and in any event within sixty (60) days thereof, Buyer shall prepare and deliver a statement (the "Closing Statement") to the Seller Representative which includes Buyer's calculation of the Closing A/R and the resulting Adjustment Amount, determined without giving effect to the consummation of the transactions contemplated by this Agreement to occur at the Closing (including any adjustments as a result of the application of purchase accounting), as though the Closing occurred as of the time of such determination. Following the Closing,

Buyer shall provide the Seller Representative and its Representatives access to the records, properties, personnel and (subject to the execution of customary work paper access letters if requested by such applicable party) auditors of the Buyer and its Representatives relating to the preparation of the Closing Statement and shall cause the personnel of Buyer and its Representatives to cooperate with the Seller Representative in connection with its review of the Closing Statement.

(c) If the Seller Representative disagrees with the calculation of the Closing A/R or the resulting Adjustment Amount as set forth in the Closing Statement, it shall notify Buyer of such disagreement in writing (a "Dispute Notice"), setting forth in reasonable detail the particulars of such disagreement, within thirty (30) days after its receipt of the Closing Statement. In the event that the Seller Representative does not provide a Dispute Notice within such thirty (30)-day period, Sellers shall be deemed to have accepted the Closing Statement and the calculation of the Closing A/R and the resulting Adjustment Amount delivered by Buyer, which shall be final, binding and conclusive for all purposes hereunder. In the event any Dispute Notice is timely provided, Buyer and the Seller Representative shall use commercially reasonable efforts for a period of thirty (30) days (or such longer period as they may mutually agree) to resolve any disagreements with respect to the calculations set forth in the Closing Statement, and any resolution agreed to in writing by Buyer and the Seller Representative shall be final and binding upon the Parties and the Closing Statement shall be adjusted in accordance with such resolution. If, at the end of such period, Buyer and the Seller Representative are unable to resolve such disagreements, then an independent accounting or financial consulting firm of recognized national standing as may be mutually selected by Buyer and the Seller Representative (the "Auditor") shall resolve any remaining disagreements. The Auditor shall be instructed to determine as promptly as practicable, but in any event within forty-five (45) days after the date on which the Auditor is retained to resolve such dispute, based solely on written submissions provided by Buyer and the Seller Representative to the Auditor promptly following the date on which the Auditor is retained, to resolve any remaining disagreements regarding the calculations set forth in the Closing Statement. In resolving any such dispute, the Auditor (i) may not assign a value to any item greater than the greatest value claimed for such item by either Buyer in the Closing Statement or Seller Representative in the timely delivered Dispute Notice or less than the smallest value claimed for such item by either Buyer in the Closing Statement or Seller Representative in the timely delivered Dispute Notice, (ii) shall base its determination solely on the terms and conditions of this Agreement and the written materials submitted by Buyer and the Seller Representative and any subsequent oral presentations, rebuttal submissions or responses to written questions submitted by the Auditor (and not on any independent review), (iii) shall be bound by the terms and conditions of this Agreement, and the applicable definitions contained herein, and (iv) shall deliver to Buyer and the Seller Representative a report setting forth its calculation thereof and its reasons for its determination and the resulting Closing Statement and Adjustment Amount taking into account such resolution. The Auditor shall not have any *ex parte* communications with Buyer or the Seller Representative or their respective Representatives. All negotiations pursuant to this Section 3.3(c) shall be treated as compromise and settlement negotiations for proposes of Rule 408 of the Federal Rules of Evidence and comparable state rules of evidence. The Parties acknowledge and agree that the Auditor shall function solely as an expert and not as an arbitrator. The fees and expenses of the Auditor shall be allocated between Buyer and Sellers based upon the percentage of such fees and expenses equal to the dollar value of the disputed amounts determined in favor of the other party by the Auditor divided by the aggregate dollar value of all disputed items submitted to the Auditor. For example, if the Seller Representative challenges the Closing Statement in the net amount of $1,000, and the Auditor determines that Buyer has a valid claim for $400 of the $1,000, Buyer shall bear 60% of the fees and expenses of the Auditor and Sellers shall bear the remaining 40% of the fees and expenses. All other costs and expenses incurred by the Parties in connection with resolving any dispute hereunder before the Auditor shall be borne by the Party incurring such cost and expense. The determination of the Auditor shall be final, conclusive and binding on the Parties. The date upon which the Closing Statement (including the Adjustment Amount) is finally determined in accordance with this Section 3.3(c) is referred as to the "Determination Date."

(d) The "Adjustment Amount," which may be positive or negative, shall mean (i) the Closing A/R (as finally determined in accordance with Section 3.3), *minus* (ii) the Target A/R; provided, however, that the absolute value of the Adjustment Amount shall not be greater than $300,000. The difference between the Adjustment Amount and the Estimated Adjustment Amount, if any, shall be paid in accordance with Section 3.3(e) or Section 3.3(f).

(e) If the Adjustment Amount is greater than the Estimated Adjustment Amount, then, promptly following the Determination Date, and in any event within five (5) Business Days following the Determination Date, Buyer shall pay the excess of the Adjustment Amount over the Estimated Adjustment Amount in cash by wire transfer of immediately available funds to Sellers, such amount to be deposited into an account designated by the Seller Representative, for distribution to Sellers.

(f) If the Adjustment Amount is less than the Estimated Adjustment Amount, then, promptly following the Determination Date, and in any event within five (5) Business Days following the Determination Date, Sellers shall pay, or cause to be paid, the excess of the Estimated Adjustment Amount over the Adjustment Amount in cash by wire transfer of immediately available funds to an account designated by Buyer.

(g) The Parties agree that any payment of the Adjustment Amount shall be treated as an adjustment to the Purchase Price for applicable Tax purposes to the extent permitted by applicable Law.

3.4 Prorations. On the Closing Date, all Taxes for any Straddle Period, utility charges, and other similar periodic obligations and expenses, related to the Acquired Assets and/or Business will be prorated as of the Closing Date, with such Taxes for any Straddle Period allocated as set forth in Section 9.4, and with Sellers responsible for all other such charges, obligations and expenses for the period up to the Closing Date, and Buyer to be responsible for the period on and after the Closing Date. Whenever possible, such prorations will be based on actual, current payments by Sellers, and to the extent such actual amounts are not available, such prorations will be estimated as of the Closing Date based on actual amounts for the most recent comparable billing period. When the actual amounts become known, such prorations will be recalculated by Buyer and Sellers, and Buyer or Sellers, as the case may be, promptly (but not later than five Business Days after notice of payment due) will make any additional payment or refund by wire transfer of immediately available funds so that the correct prorated amount is paid by each of Buyer and Sellers.

3.5 Closing. Subject to the terms and conditions of this Agreement, the consummation of the purchase and sale of the Acquired Assets and the assumption of the Assumed Liabilities (the "Closing") shall take place by video conference and electronic exchange of documents at 9:00 a.m. Pacific Time, which time shall be as promptly as practicable following, but not later than the second (2nd) Business Day following, full satisfaction or waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII and Article VIII (other than those conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at the Closing), or at such other place and time as Buyer and Seller may agree in writing. That date on which the Closing actually occurs is referred to herein as the "Closing Date." Subject to the provisions of Article X, the failure of any Party to consummate the Closing on the date and time determined pursuant to this Section 3.5 shall not result in the termination of this Agreement and shall not relieve such Party of any obligation under this Agreement.

3.6 Items to be Delivered by Seller at Closing. At the Closing, Seller shall execute and deliver, or cause to be executed and delivered, to Buyer:

(a) A certificate from a duly authorized officer of Seller dated as of the Closing Date certifying the satisfaction of the conditions set forth in Sections 7.1(b), and 7.1(c);

(b) Assignment and Assumption Agreement;

(c) Bill of Sale;

(d) Intellectual Property Assignment Agreement; and

(e) All other documents, certificates and agreements reasonably necessary to evidence and effect the sale, assignment transfer and delivery of the Acquired Assets to Buyer and assumption of the Assumed Liabilities by Buyer, in each case, other than those related to the Non-Assignable Assets (which shall be subject to Section 2.5(c)); and

(f) A copy of the Sale Order which has become final and non-appealable.

3.7 Items to be Delivered by Buyer at Closing. At the Closing, Buyer shall execute and deliver, or cause to be executed and delivered, to Seller:

(a) A certificate from a duly authorized officer of Buyer dated as of the Closing Date certifying the satisfaction of the conditions set forth in Sections 8.1(b) and 8.1(c);

From the date hereof until the Closing (or earlier termination of this Agreement), each Party shall (and in the case of Seller, subject to the applicable Conditions) use commercially reasonable efforts (a) to take all such actions as are reasonably necessary to expeditiously satisfy the closing conditions set forth herein and to cause the Contemplated Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, and (b) to cooperate with the other Parties and their respective Affiliates and Representatives in connection with any step required to be taken as a part of its obligations hereunder.

6.5 Required Licenses. To the extent any applications for Permits necessary for the ownership of the Acquired Assets or the operation of the Business by Buyer may be made prior to Closing, within a reasonable period of time, but no later than 7 days following entry of the Sale Order, each Party shall have completed and filed with the applicable Governmental Authorities all applications for such Permits. To the extent requested by the applicable Governmental Authority, each Party shall promptly respond and provide such additional information or documentation as may be requested. The applicable Party shall keep the other Parties informed regarding the status of such applications and provide such information as any such other Party may reasonably request in connection therewith. Buyer and Seller each covenant and agree to comply with all applicable obligations with respect to the Permits and other matters set forth therein.

6.6 Antitrust Matters. Each of Seller and Buyer agrees to file all appropriate notifications and required filings pursuant to any applicable regulatory, antitrust or competition laws with respect to the Contemplated Transactions in the most expeditious manner practicable, and to supply promptly any additional information and documentary material that may be requested of such Party by the relevant Governmental Authorities in connection with any such applicable regulatory, antitrust or competition laws. Buyer agrees to take, and to cause its Affiliates to take, any and all steps necessary to avoid or eliminate as soon as possible each and every impediment under any such applicable regulatory, antitrust or competition laws that may be asserted by any United States or other Governmental Authority so as to enable the Parties to expeditiously consummate the Contemplated Transactions (and, for the avoidance of doubt, so as to avoid an in-depth or second-phase review by the relevant Governmental Authority), including (i) committing to or effecting, by consent decree, hold separate order or otherwise, the sale or disposition of such assets, securities, facilities or other properties as are required to be divested in order to obtain all applicable merger control clearances under any applicable regulatory, antitrust or competition laws and (ii) defending through litigation on the merits, including appeals, any claim asserted in any court or other

proceeding by any Person. Buyer shall pay the filing fees associated with filings under any applicable regulatory, antitrust or competition laws. Each of Seller and Buyer agrees not to participate in any substantive meeting or discussion, either in person or by telephone, with any Governmental Authority in connection with the Contemplated Transactions unless it (a) consults with the other Parties in advance, if at all possible and (b) to the extent not prohibited by such Governmental Authority, gives the other Parties the opportunity to attend and participate. Each of Seller and Buyer will permit each other to review in advance of any proposed material written communications to any such Governmental Authority and incorporate the other Parties' reasonable comments and will supply each other with copies of all correspondence, filings or communications with Governmental Authorities, with respect to the Contemplated Transactions; provided, however, that to the extent any of the documents or information are commercially or competitively sensitive, Seller or Buyer, as the case may be, may satisfy its obligations by providing such documents or information to the other Parties' outside antitrust counsel, with the understanding that such antitrust counsel shall not share such documents and information with its client.

6.7 Notice of Breach. From the date hereof until the Closing, each Party shall promptly notify the other Parties of any material breach by such Party of any representation, warranty or covenant made by such Party hereunder or occurrence of any event or circumstance which will reasonably result in such a breach.

6.8 Bankruptcy Matters.

(a) Bankruptcy Filings. Seller shall (A) reasonably cooperate with Buyer concerning the Sale Order and any other orders of the Bankruptcy Court relating to the Contemplated Transactions, (B) use commercially reasonable efforts to cause the Sale Hearing to be held no later than October 31, 2025; and (C) use commercially reasonable efforts to provide Buyer with copies of all applications, pleadings, notices, proposed orders and other documents relating to this Agreement or the Contemplated Transactions, at least one (1) day in advance of the proposed filing date so as to permit Buyer sufficient time to review and comment on such drafts and, with respect to all provisions that materially impact Buyer, such pleadings and proposed orders shall be reasonably acceptable to Buyer and consistent with this Agreement. Seller shall give Buyer reasonable advance notice of any hearings regarding the motions required to obtain the issuance of the Sale Order.

(b) Seller shall use good faith, commercially reasonable efforts to comply with the requirements of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure and any applicable local rules or orders, for service on and noticing of all known and unknown creditors, and any other parties entitled to receive notice, in connection with the Contemplated Transactions or the Sale Order, in each case as may be modified under the Bidding Procedures Order or otherwise approved by the Bankruptcy Court.

6.9 Receipt of Misdirected Assets; Liabilities. From and after the Closing, if any Party or any of its Affiliates receives any right, property or asset that is an Acquired Asset (in the case of any Seller) or Excluded Asset (in the case of Buyer) that should belong to another party, such Party shall promptly transfer or cause such Affiliates to promptly transfer such right, property or asset (and shall promptly endorse and deliver any such right, property, or asset that is received in the form of cash, checks or other documents) to the applicable other Party, and such other party shall be obliged to accept such return or transfer, without the payment of any consideration therefor, and such asset will be deemed the property of the applicable other Party held in trust by such Party for the applicable other Party until so transferred. From and after the Closing, if any Party or any of its Affiliates is subject to a Liability that should belong to another Party pursuant to the terms of this Agreement, such Party shall promptly transfer or cause such Affiliates to promptly transfer such Liability to such other Party, and such other Party shall assume and accept such Liability without the payment of any further consideration therefor.

6.10 Duplication of Records. Prior to the Closing, Seller may make, and retain and use following the Closing, duplicate copies of any Records (including archival copies of all Assigned Contracts, books, records and other documents or materials conveyed hereunder); provided that such Seller shall, and shall cause its controlled Affiliates to, only use duplicated copies of Records solely (i) to comply with reporting, disclosure, filing or other requirements imposed on such Seller or its Affiliates by a Governmental Authority (including if so required under the Bankruptcy Code, Bankruptcy Court local rules or requested by the Bankruptcy Court), (ii) to prepare financial statements or Tax Returns, or in order to satisfy audit, accounting or other similar requirements of such Seller or its Affiliates, (iii) to defend any Action (including any Tax audit or examination) against or by Seller or any of its Affiliates or (iv) as necessary to administer any wind-down, dissolution, liquidation, reorganization or plan of reorganization of such Seller or its Affiliates. In the event any Records are used both by the Business and the Retained Business, each Party agrees to use its commercially reasonable efforts to enter into mutually acceptable arrangements to share such Records with both Seller (on behalf of Seller and their Affiliates) and any buyers of, or successors to, the Retained Business, including any trustee.

6.11 Backup Bidder. If an Auction is conducted, and Seller do not choose Buyer as the Successful Bidder, but instead choose Buyer as the Backup Bidder in accordance with the Bidding Procedures Order, Buyer will serve as the Backup Bidder. If Buyer is chosen as the Backup Bidder, Buyer will be required to keep its bid to consummate the Contemplated Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer prior to or at the Auction) open and irrevocable until the closing of the sale of the Acquired Assets to the Successful Bidder, subject to the Backup Bid Outside Date. If the Alternative Transaction with the Successful Bidder is terminated prior to the termination of this Agreement, Buyer will be deemed to be the Successful Bidder and will forthwith consummate the Contemplated Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer prior to or at the Auction).

6.12 Disclosure Schedule. Seller shall use its good faith efforts to promptly provide the Disclosure Schedule applicable to Articles II, IV and VI within fourteen (14) days of the Sale Hearing, and to be in form and substance reasonably acceptable to each Party at least three Business Days prior to the Closing Date, and thereafter deemed incorporated herein. The Parties agree to agree to consider in good faith any amendments to this Agreement as may be reasonably necessary to deliver the Acquired Assets as of the date hereof, after accounting for or giving effect to the Sale Order and other than changes resulting from the Business operating in the Ordinary Course of Business.

6.13 General Seller Assistance. Subject to compliance with applicable Law (including antitrust Laws), from the date of this Agreement until Closing, Seller shall, and shall cause its Affiliates to, reasonably cooperate with Buyer and use its commercially reasonable efforts to assist Buyer in connection with the transition of the Business to Buyer. Without limiting the foregoing, the Sellers shall provide to Buyer, for a period not to exceed 90 days after the Closing, all services previously provided by Sellers or their Affiliates that are reasonably necessary to orderly transition the Business and the Transferred Employees after the Closing, with such services to be provided on reasonable terms and conditions, solely at the cost of Buyer, to be set forth in the Transition Services Agreement.

6.14 No Control. Except as permitted by the terms of this Agreement, prior to the Closing, Buyer or the Buyer Group shall not directly or indirectly control, supervise, direct or interfere with, or attempt to control, supervise, direct or interfere with, the Business. Until the Closing, the operations and affairs of the Business are the sole responsibility of and under the complete control of Seller, except as expressly provided for in this Agreement.

6.15 Employees & Benefit Plans.

(a) At least ten (10) Business Days prior to the Closing Date, Seller shall provide Buyer with an updated Business Service Provider Census reflecting any new hires or engagements and terminations or departures of any Business Service Provider.

(b) At any time after being selected as the Successful Bidder, but in any event no later than five (5) Business Days prior to the Closing Date, Buyer or one of its Affiliates shall make a written offer of at-will employment to all Business Employees then employed by Seller or an applicable Affiliate, to be effective as of the Closing Date, on terms and conditions substantially similar to the current terms and conditions of such Person's employment. Any Business Employee who accepts such offer and commences employment with Buyer or its Affiliate immediately after the Closing is referred to herein as a "Transferred Employee". Effective as of the Closing, all Transferred Employees shall be deemed to have resigned from their employment with Seller and their Affiliates.

(c) Notwithstanding anything to the contrary herein, the hiring by Buyer or its Affiliate of any Business Employee as set forth in this Section 6.15 is conditioned upon the occurrence of the Closing, and upon satisfaction, at Buyer's reasonable discretion, of such reasonable standard hiring practices or requirements as Buyer or its Affiliate may include in its written offer or employment letter to such employees (including, without limitation, completion of Form I-9, minimum qualifications for specific positions and standard pre-employment screenings or background checks and similar requirements that are imposed on similarly situated employees of Buyer or its applicable Affiliate in the same or similar geographic area and business).

(d) With respect to each other Business Service Provider who is not a Business Employee, and who is engaged by Seller or any of its Affiliates prior to the Closing Date, Buyer or one of its Affiliates may, in their sole discretion, make a written offer of engagement, to be effective as of the Closing Date, on terms and conditions determined in Buyer or its Affiliate's sole discretion.

(e) Buyer shall not assume any Employee Benefit Plan or any Liabilities thereunder.

(f) Notwithstanding the provisions of this Section 6.15 or any provision of this Agreement, nothing in this Section 6.15 or this Agreement is intended to or shall (i) create in any Person any third-party rights with respect to the subject matter contained in this Section 6.15, (ii) amend any Employee Benefit Plan or other benefit plan, program, policy, or arrangement, (iii) require Buyer or any of its Affiliates, or Seller or any of its Affiliates, to continue any Employee Benefit Plan or other benefit plan, program, policy or arrangement beyond the time when it otherwise lawfully could be terminated or modified or as otherwise required herein or (iv) provide any Business Employee or any Transferred Employee with any rights to employment or continued employment.

ARTICLE VII.
CONDITIONS PRECEDENT TO BUYER'S PERFORMANCE

7.1 Buyer's Closing Conditions. The obligations of Buyer to consummate the Contemplated Transactions shall be subject to the satisfaction, at the Closing, of all the conditions set out below. Buyer may, in its sole discretion, waive any or all of these conditions in whole or in part by giving written notice to Seller.

(a) No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Order which is in effect and has the effect of making the Contemplated Transactions illegal,

otherwise restraining or prohibiting consummation of such transactions or causing any of the Contemplated Transactions to be rescinded following completion thereof.

(b) (i) The representations and warranties made by Seller in Article IV (other than Fundamental Representations) shall be true and correct in all respects (disregarding all qualifications or limitations as to "materiality" or "Material Adverse Change" and words of similar import set forth therein) as of the Closing Date as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), except where the failure of such representations and warranties to be true and correct has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Change and (ii) the Fundamental Representations shall be true and correct in all respects, except for *de minimis* inaccuracies, as of the Closing Date as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct in all respects only as of such date).

(c) Seller shall have performed and complied in all material respects with all of the covenants and agreements required by this Agreement to be performed or complied with by Seller on or before the Closing.

(d) The Bankruptcy Court shall have entered the Sale Order.

(e) Buyer shall have received the deliverables set forth in Section 3.6 required to be delivered by Seller to Buyer.

7.2 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by Buyer as of and after the Closing. Buyer may not rely on the failure of any condition set forth in this Article VII to be satisfied if such failure was caused by Buyer's failure to perform any of its obligations under this Agreement.

ARTICLE VIII.
CONDITIONS PRECEDENT TO SELLER'S PERFORMANCE

8.1 Seller's Conditions. The obligations of Seller to consummate the Contemplated Transactions shall be subject to the satisfaction, at the Closing, of all the conditions set out below. Seller may, in its sole discretion, waive any or all of these conditions in whole or in part by giving written notice to Buyer.

(a) No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Order which is in effect and has the effect of making the Contemplated Transactions illegal, otherwise restraining or prohibiting consummation of such transactions or causing any of the Contemplated Transactions to be rescinded following completion thereof.

(b) Buyer and the Buyer Group, as applicable, shall have obtained all consents, approvals, interim authorization, findings of qualification and/or suitability, licenses, permits, orders or authorizations of and registrations, declarations or filings with any Governmental Authority required or necessary to close the Contemplated Transactions, and the foregoing shall be in full force and effect at the Closing.

(c) The representations and warranties made by Buyer in Article V shall be true and correct in all respects as of the Closing Date as though such representations and warranties had been made

on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), except to the extent that the failure of such representations and warranties to be true and correct has not had a material adverse effect on the ability of Buyer to consummate the Contemplated Transactions.

(d) Buyer shall have performed and complied in all material respects with all of the covenants and agreements required by this Agreement to be performed or complied with by Buyer on or before the Closing.

(e) The Bankruptcy Court shall have entered the Sale Order.

(f) Seller shall have received the deliverables set forth in Section 3.7 required to be delivered by Buyer to Seller.

8.2 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VIII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by Seller as of and after the Closing. No Seller may rely on the failure of any condition set forth in this Article VIII to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement.

ARTICLE IX.
TAXES

9.1 Transfer Taxes. Buyer shall bear all stamp, documentary, registration, value-added, transfer, sales, use, reporting, recording, filing and other similar fees, Taxes and charges including any interest and penalties with respect thereto ("Transfer Taxes") resulting from the transfer of the Acquired Assets and the assumption of the Assumed Liabilities effected pursuant to this Agreement to the extent determined to not be exempt in accordance with Section 1146 of the Bankruptcy Code. Buyer or Seller, as required by applicable Law, shall prepare and file all necessary Tax Returns or other documents with respect to all such Transfer Taxes, provided that Seller that prepares (or causes to be prepared) a Transfer Tax Return shall provide Buyer with a draft of such Tax Return no less than five (5) days prior to its due date (or, if due within five (5) days of the Closing, as soon as reasonably practicable) for Buyer's review and comment and shall make any changes reasonably requested by Buyer. Buyer shall pay any Transfer Taxes either to Seller (or an Affiliate of Seller) or to the relevant Governmental Authorities as required by applicable Law, or the Buyer shall reimburse Seller (or its Affiliate) for any Transfer Taxes paid by Seller (or its Affiliate).

9.2 Allocation of Purchase Price. Seller and Buyer agree that the purchase price (plus the Assumed Liabilities and other items to the extent properly taken into account for Tax purposes) shall be allocated for Tax purposes among the Acquired Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local or foreign law, as appropriate) (the "Allocation"). The Allocation shall be prepared and delivered by Buyer to Seller within 60 days of the Closing Date for Seller's review and comment. If Seller does not notify Buyer in writing of its objection or comment to any allocation set forth thereon within 30 days after Buyer's delivery of the Allocation, the Allocation prepared by Buyer shall be the final Allocation. If, within 30 days after Buyer's delivery of the Allocation, Seller notifies Buyer in writing that Seller objects to any allocation set forth thereon, Buyer and Seller shall negotiate in good faith to resolve such objection. If Seller and Buyer are unable to resolve all disputed items within 15 days after the delivery of Seller's written objection to Buyer, the Parties shall jointly retain a mutually agreed independent internationally recognized accounting firm (the "Accounting Firm") (which may in turn select an appraiser, if needed) to resolve any disputed item(s). The costs, fees and expenses of the Accounting Firm shall be borne by Buyer. The Accounting Firm shall

resolve any such dispute within thirty 30 days after its retention, and the Allocation shall be adjusted to reflect any such resolution of any disputed item(s). Each of Seller and Buyer agrees that said Allocation (as finally determined pursuant to this Section 9.2) shall be used by Seller and Buyer in reporting the transactions (including IRS Form 8594) covered by this Agreement for Tax purposes and neither Seller nor Buyer will take any position (or will allow any of their respective Affiliates to take any position) (whether in audits, Tax Returns, or otherwise) that is inconsistent with the Allocation (as finally determined pursuant to this Section 9.2), except, in each case, to the extent otherwise required by a final determination pursuant to Section 1313(a) of the Code (or any comparable provision of state, local or foreign law) or as Buyer or Seller (as applicable) determines is necessary to settle a dispute with a Taxing Authority after making a good faith effort to defend the Allocation. In the event that a Taxing Authority disputes the final Allocation (as finally determined pursuant to this Section 9.2), the Party receiving notice of such dispute shall promptly notify the other Party hereto, and the Parties shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to defend such final Allocation in any applicable proceeding. Seller and Buyer shall reasonably cooperate in determining any allocation necessary for the determination of the amount of any Transfer Tax payable prior to the determination of the final Allocation.

9.3 Withholding. Buyer and its Affiliates and designees shall be entitled to deduct and withhold any amounts as are required to be deducted and withheld under any applicable Tax Law in connection with payments required to be made pursuant to the terms of this Agreement. To the extent any such withheld amounts are properly deducted and withheld pursuant to applicable Tax Law, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such withholding was made and shall be timely paid to the appropriate Taxing Authority. Buyer and its Affiliates and designees shall provide at least five (5) Business Days' notice to the applicable Person prior to making such withholding or deduction (except to the extent that such applicable Person has failed to comply with Section 9.7), and the Parties shall reasonably cooperate with each other to minimize or eliminate any potential deductions and withholdings that may be required under applicable Tax Law.

9.4 Straddle Period. In the case of any Straddle Period, Taxes shall be treated as attributable to the portion of such period that ends on the Closing Date as follows: (i) in the case of any sales, use, value-added, employment, or withholding Tax or other Taxes not described in clause (ii), or any Tax based on or measured by income, profits, gains, receipts, or activities, the level of any item shall be determined based on an interim closing of the books as of the end of the Closing Date (and for such purpose, the taxable period shall be deemed to terminate at such time), except that exemptions, allowances or deductions that are calculated on a periodic basis (including depreciation and amortization deductions), other than with respect to property placed in service after the Closing, shall be allocated on a *per diem* basis ending on the Closing Date and (ii) in the case of real property, personal property and similar *ad valorem* Taxes (other than Transfer Taxes), shall be deemed to be the amount of such Taxes for the entire period multiplied by a fraction, the numerator of which is the number of calendar days in the portion of the period ending on the Closing Date and the denominator of which is the number of calendar days in the entire period.

9.5 Cooperation. Each Party and its Affiliates shall reasonably cooperate, as and to the extent reasonably requested by any other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes.

9.6 *Pierce.* Seller agrees that neither Seller nor its Affiliates shall report on any Tax Return a deemed payment or deduction in connection with the Contemplated Transactions under James M. Pierce Corp. v. Comm., 326 F.2d 67 (8th Cir. 1964), with respect to any prepaid amount (if any) of Seller in respect of the Acquired Assets or the Business or with respect to any Acquired Asset the income recognition of which has been deferred pursuant to IRS Revenue Procedure 2004-34, 2004-22 I.R.B. 991, IRS Notice 2018-35, 2018-18 I.R.B. 522, Section 451(c) of the Code, or Treasury Regulations Section 1.451-8.

9.7 IRS Form W-9. Not later than eight (8) Business Days prior to the Closing Date, Seller shall deliver to Buyer a properly completed and duly executed IRS Form W-9 of Seller (or, if applicable, its regarded owner for U.S. federal income tax purposes).

9.8 Bulk Sales. The Parties intend that, pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any liens or claims arising out of the bulk transfer laws to the greatest extent permissible, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the "bulk sales," "bulk transfers" or similar laws and all other similar laws in all applicable jurisdictions in respect of the Contemplated Transactions.

ARTICLE X.
TERMINATION

10.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 10.1. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written consent of Buyer and Seller;

(b) by written notice of either Buyer or Seller, upon the issuance of an Order by a court of competent jurisdiction restraining, enjoining, or otherwise prohibiting the consummation of the Contemplated Transactions or declaring unlawful the Contemplated Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 10.1(b) if the issuance of such Order was caused by such Party's breach of, or failure to perform any of its obligations under, this Agreement;

(c) by written notice of either Buyer or Seller, if the Closing shall not have occurred on or before the Outside Date; provided, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 10.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's breach of, or failure to perform any of its obligations under, this Agreement or failure to negotiate in good faith or engage with respect to any Ancillary Document;

(d) by written notice from Buyer to Seller, if Seller or Seller has breached, or failed to perform, any of its representations, warranties, covenants or agreements set forth in this Agreement, in each case, such that the conditions set forth in Sections 7.1(b) or 7.1(c) would not be satisfied; provided, that (i) if such breach or failure is curable by such Seller or Seller, then Buyer may not terminate this Agreement under this Section 10.1(d) unless such breach or failure has not been cured by the date that is two (2) Business Days prior to the Outside Date and (ii) the right to terminate this Agreement pursuant to this Section 10.1(d) shall not be available to Buyer at any time that Buyer is in material breach of any representation, warranty, covenant or agreement hereunder;

(e) by written notice from Seller to Buyer, if Buyer has breached, or failed to perform, any of its representations, warranties, covenants or agreements set forth in this Agreement, in each case, such that the conditions set forth in Section 8.1(b) or 8.1(c) would not be satisfied; provided, that (i) if such breach or failure is curable by Buyer, then Seller may not terminate this Agreement under this Section 10.1(e) unless such breach or failure has not been cured by the date that is two (2) Business Days prior to the Outside Date and (ii) the right to terminate this Agreement pursuant to this Section 10.1(e) will not be available to Seller at any time that Seller is in material breach of any representation, warranty, covenant or agreement hereunder;

(f) by written notice from Seller to Buyer if (i) all of the conditions set forth in Section 7.1 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and (ii) Buyer fails to complete the Closing at the time required by Section 3.5;

(g) by written notice from Seller to Buyer, if the board of managers or similar governing body of Seller determines in good faith, after consultation with outside legal counsel, that proceeding with the Contemplated Transactions or failing to terminate this Agreement would be inconsistent with such Person's or body's fiduciary duties.

(h) automatically if the Bankruptcy Court enters an Order approving an Alternative Transaction and Seller close on such Alternative Transaction;

(i) by written notice of either Buyer or Seller in the event the Bankruptcy Case is dismissed or converted to cases under Chapter 7 of the Bankruptcy Code; or

(j) by written notice of either Buyer or Seller if Buyer is not the Successful Bidder or the Backup Bidder at the Auction.

10.2 Effect of Termination. In the event of termination of this Agreement pursuant to Section 10.1, this Agreement shall forthwith become void and there shall be no liability on the part of any Party or any of its partners, officers, directors, managers, equity holders or shareholders; provided that (a) Section 2.9, this Section 10.2, Section 12.9 and Article XII and the definitions referenced in such Sections and Articles, even if not included in such Sections and Articles, shall survive any such termination and (b) nothing herein shall relieve any Party from liability for Fraud with respect to any provision hereof.

10.3 Alternative Proposals. Notwithstanding anything in this Agreement to the contrary, Seller may participate in discussions or negotiations with, or furnish information with respect to Seller or the Business to any Person if (a) (i) such Person has submitted to Seller a bona fide written proposal to acquire the stock or assets of Seller, upon receipt of which Seller shall give prompt written notice to Buyer and (ii) Seller determine in their good faith judgment that taking such action is consistent with their fiduciary duties or (b) in accordance with the Bidding Procedures Order and the Bidding Procedures.

ARTICLE XI.
SURVIVAL; POST-CLOSING MATTERS

11.1 Survival; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for three (3) years following the Closing Date, and nothing in this Section 11.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Buyer and Seller acknowledge and agree, on their own behalf and on behalf of the Buyer Group or Seller Parties, as the case may be, that the agreements contained in this Section 11.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for three (3) years and (b) are an integral part of the Contemplated Transactions and that, without the agreements set forth in this Section 11.1, none of the Parties would enter

into this Agreement. In furtherance of the foregoing, from and after the Closing, each Party hereby waives and fully and finally releases (on behalf of itself, each of its Affiliates and each of its Representatives), to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation or warranty or covenant or obligation to have been performed at or prior to the Closing set forth herein, or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder arising under or based upon any theory whatsoever, under any Law, contract, tort or otherwise. Notwithstanding anything to the contrary in this Section 11.1 or elsewhere in this Agreement, nothing herein shall be deemed to limit the rights and remedies of any Party with respect to claims based on Fraud or of Buyer with respect to any claim that may be asserted under Section 509 of the Bankruptcy Code. Notwithstanding anything to the contrary in this Agreement, Seller shall be able to wind-down the Business promptly after the Closing. Nothing in this Section 11.1 shall prohibit Seller from ceasing operations or winding up its affairs or of the Business following the Closing.

11.2 Post-Closing Access.

(a) Notwithstanding anything to the contrary herein, from and after the Closing Date and for a period of three (3) years following the Closing Date, Buyer shall provide Seller and its Representatives reasonable access, during normal business hours and upon reasonable advance notice of not less than forty-eight (48) hours before the requested date of access, and at Seller's (or the applicable Affiliate's) sole expense, to such Records that are Acquired Assets and to certain key employees for the purposes of (i) the preparation or amendment of Tax Returns, (ii) the determination of any matter relating to the rights or obligations of Seller under this Agreement or (iii) as necessary to administer, or satisfy their obligations in connection with, the Bankruptcy Cases and the wind-down of Seller and their assets, in each case in such a manner as not to unreasonably interfere with the conduct of the Business; provided, that such access shall not include any books, records, other documents and electronically stored information that are not (or were not) Acquired Assets as of the Closing, and shall not include any confidential or privileged information or work product of Buyer or its Affiliates; provided, further, that Buyer agrees it will, and will cause its employees to, provide Seller and its Affiliates with reasonable assistance, support and cooperation with respect to the actions and access described in this Section. Notwithstanding anything to the contrary in this Agreement, Buyer and its Affiliates shall not be required to disclose any information to Seller if such disclosure would (x) jeopardize any attorney-client or other legal privilege or (y) contravene any applicable Law or fiduciary duty.

(b) Notwithstanding anything to the contrary herein, unless otherwise consented to in writing by Seller, Buyer will not, for a period of three (3) years following the Closing Date, destroy, alter, or otherwise dispose of any of the Records that are Acquired Assets without first offering to surrender to Seller such Records or any portion thereof that Buyer may intend to destroy, alter, or dispose of.

ARTICLE XII.

12.2 Entire Agreement; Modification; Waiver. This Agreement, the Ancillary Documents, and the Disclosure Schedule, as may be amended and updated, together with all Exhibits and schedules hereto or thereto and agreements or instruments executed in connection herewith or therewith, together with the Confidentiality Agreement, constitute the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior and contemporaneous discussions, negotiations, proposals, undertakings, agreements, representations and understandings of the Parties. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all the Parties. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, and no waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver. No course of dealing, nor any failure or

delay in exercising any right, shall be construed as a waiver, and no single or partial exercise of a right shall preclude any other or further exercise of that or any other right.

12.3 Parties in Interest. Except as otherwise expressly provided herein, including in Section 12.14 (*Non-Recourse*) and Section 12.17 (*Legal Representation*), nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any Persons other than the Parties and their respective permitted successors and assigns.

12.4 Binding Effect; Assignment. This Agreement and the rights, interests, and obligations hereunder shall be binding upon Buyer, and, subject to the entry and terms of the Sale Order, on Seller, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases. No Party may assign or delegate this Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other Parties, and any attempted assignment or delegation without such prior written consent shall be null and void *ab initio*; provided that (a) Buyer may assign this Agreement and any or all of its rights and interests hereunder or designate one or more Persons to perform its obligations hereunder, in each case, so long as Buyer is not relieved of any liability or obligations hereunder and (b) Buyer may assign this Agreement and any or all of its rights and interest hereunder to any purchaser of all or substantially all its assets or designate such purchaser to perform its obligations hereunder.

12.5 Signatures. The signatures of the Parties to this Agreement, or to any related document, may be delivered by electronic transmission (such as electronic mail of a PDF signature page or any electronic signature). This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

12.6 Governing Law; Jurisdiction.

(a) Except to the extent mandatory provisions of the Bankruptcy Code apply, this Agreement, and any Action that may be based upon, arising out of or related to this Agreement or the negotiation, execution or performance of this Agreement or the Contemplated Transactions will be governed by and construed in accordance with the internal Laws of the State of New York, as applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of New York or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of New York to apply.

(b) Each of the Parties irrevocably agrees that any Action that may be based upon, arising out of, or related to this Agreement or the negotiation, execution or performance of this Agreement and the Contemplated Transactions brought by any other Party or its successors or assigns will be brought and determined in (i) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (ii) in the event the Bankruptcy Cases are closed, or if the Bankruptcy Court is unwilling or unable to hear such Action, in any state or federal court within Las Vegas, Nevada (the courts described clauses (i) and (ii), the "Chosen Courts"), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such Action arising out of or relating to this Agreement and the Contemplated Transactions. Each of the Parties agrees not to commence any Action relating thereto except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any Chosen Court, and no Party will file a motion to dismiss any Action filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient

forum for the resolution of such Action. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 12.1. Nothing in this Agreement will affect the right of any Party to this Agreement to serve process in any other manner permitted by Law.

12.7 Severability. If any provision of this Agreement is held invalid or unenforceable by any arbitrator or court of final jurisdiction, it is the intent of the Parties that all other provisions of this Agreement be construed to remain fully valid, enforceable and binding on the Parties and such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

12.8 Expenses. Whether or not the Closing takes place, except as otherwise provided herein, each Party shall pay all costs and expenses incurred or to be incurred by it in negotiating and preparing this Agreement and in closing and carrying out the Contemplated Transactions.

12.9 Disclosure; Confidentiality. Notwithstanding anything herein to the contrary, Seller and Buyer agree that prior to the Closing Date and after any termination of this Agreement, the Confidentiality Agreement shall remain in full force and effect in accordance with its terms. The Confidentiality Agreement shall terminate in its entirety at the Closing.

(a) Seller shall not, and shall cause its Affiliates not to, and shall instruct, and shall cause each of its Affiliates to instruct, its respective Representatives not to, directly or indirectly, for a period of five (5) years after the Closing Date, without the prior written consent of Buyer, disclose to any third party (other than each other and their respective Representatives) any confidential information with respect to the Business, the Acquired Assets or the Assumed Liabilities; provided that the foregoing restriction shall not (i) apply to any information (x) generally available to, or known by, the public (other than as a result of disclosure in violation of this Section 12.9(a)), (y) that was independently developed by Seller or its Affiliates without use of any confidential information with respect to the Business, or (z) that was made available to Seller or its Affiliates by a third party with the right to disclose such information, or (ii) prohibit any disclosure (x) required by law so long as, to the extent legally permissible, Seller provides Buyer with reasonable prior notice of such disclosure, (y) necessary to be made in connection with the enforcement of any right or remedy relating to this Agreement, or (z) in connection with any filings or other disclosures required in connection with compliance with the Bankruptcy Court. Subject to the other provisions of this Agreement, press releases and other publicity materials relating to the Contemplated Transactions shall be released by the Parties only after review and with the consent of the other Parties. Notwithstanding the foregoing, Seller may disclose to any of its lenders any of the provisions of this Agreement and the documents entered into or to be entered into in connection herewith.

(b) The Buyer shall not, and shall cause its Affiliates not to, and shall instruct, and shall cause each of its Affiliates to instruct, its Representatives not to, directly or indirectly, for a period of five (5) years after the Closing Date, without the prior written consent of Seller, disclose to any third party (other than each other and their respective Representatives) any confidential information in its possession other than information relating to the Excluded Assets or the Excluded Liabilities; provided that the foregoing restriction shall not (i) apply to any information (x) generally available to, or known by, the public (other than as a result of disclosure in violation of this Section 12.9(b)), (y) that was independently developed by Buyer or its Affiliates without use of any confidential information, or (z) that was made available to Buyer or its Affiliates by a third party with the right to disclose such information, or (ii) prohibit any disclosure (x) required by law so long as, to the extent legally permissible, the Buyer or its Affiliate, as applicable, provides Seller with reasonable prior notice of such disclosure, (y) necessary to be made in connection with the enforcement of any right or remedy relating to this Agreement, or (z) in connection with any filings or other disclosures required in connection with compliance with the Bankruptcy Court.

Subject to the other provisions of this Agreement, press releases and other publicity materials relating to the Contemplated Transactions shall be released by the Parties only after review and with the consent of the other Parties. Notwithstanding the foregoing, Buyer may disclose to any of its lenders any of the provisions of this Agreement and the documents entered into or to be entered into in connection herewith.

12.10 Further Assurances. Each Party, as requested by any other Party, shall use commercially reasonable efforts to execute, acknowledge and deliver from time to time any further deeds, assignments, conveyances and other assurances, documents and instruments of transfer, reasonably requested by such other Party, and shall take any other action consistent with the terms of this Agreement that may reasonably be requested by the other, for the purpose of assigning, transferring, granting, conveying and confirming to such Party, or reducing to possession, any or all property to be conveyed and transferred under this Agreement or any Ancillary Document; provided that (i) Buyer or its Affiliates shall not be required to incur liabilities or obligations pursuant to any such arrangement beyond those liabilities and obligations included as Assumed Liabilities, (ii) Seller and its Affiliates shall not be required to incur any Assumed Liabilities pursuant to any such arrangement and (iii) Buyer shall be entitled to communicate with Seller rather than Seller with respect to any requests or other matters under this Section 12.10.

12.11 Limitation of Liability. In no event will any Party or any of its Affiliates be liable for any special, incidental, indirect, exemplary, punitive or consequential damages (including lost profits, loss of revenue or lost sales) in connection with any claims, losses, damages or injuries arising out of related to this Agreement or the Contemplated Transactions.

12.12 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) WHETHER NOW EXISTING OR HEREAFTER ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE CONTMPLATED TRANSACTIONS OR THE ACTIONS OF ANY PARTY TO THIS AGREEMENT IN THE NEGOTIATION, EXECUTION AND DELIVERY, PERFORMANCE OR ENFORCEMENT OF THIS AGREEMENT OR THE ANCILLARY DOCUMENTS. THE PARTIES AGREE THAT ANY OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION WHATSOEVER BETWEEN OR AMONG THEM RELATING TO THIS AGREEMENT, ANY ANCILLARY DOCUMENT OR ANY OF THE CONTEMPLATED TRANSACTIONS AND THAT SUCH ACTIONS WILL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

12.13 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Contemplated Transactions. It is accordingly agreed that (a) Seller and Buyer will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 12.6 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Contemplated Transactions and without that right, neither Seller nor Buyer would have entered into this Agreement. The Parties acknowledge and agree that either Seller or Buyer pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 12.13 will not be required to provide any bond

or other security in connection with any such Order. The remedies available to each Party pursuant to this Section 12.13 will be in addition to any other remedy to which they were entitled at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit such Party from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any action, in each case, in accordance with this Section 12.13, to enforce specifically the performance of the terms and provisions hereof by the other Parties, the Outside Date will automatically be extended (i) for the period during which such action is pending *plus* three (3) Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be.

12.14 Non-Recourse. Notwithstanding anything herein to the contrary, except with respect to claims for Fraud:

(a) this Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement;

(b) except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent, or Representative of any Party, or any past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent, or Representative any of the foregoing (each, a "Non-Recourse Party") shall have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any claims, causes of action, obligations or liabilities arising under, out of, in connection with or related in any manner to this Agreement or the Ancillary Documents or based on, in respect of, or by reason of this Agreement or the Ancillary Documents or their negotiation, execution, performance or breach;

(c) each Non-Recourse Party is and shall be an intended third-party beneficiary of this Section 12.14 and shall have the right to enforce such provisions to the same extent as if it were a party hereto; and

(d) this Section 12.14 may not be terminated or modified in any manner that adversely affects any Non-Recourse Party without the prior written consent of such affected Non-Recourse Party.

12.15 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Contemplated Transactions, will require Seller or any of its directors, managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law. Seller retain the right to pursue any transaction or restructuring strategy that, in Seller's business judgment, will maximize the value of their estates. For the avoidance of doubt, (i) Seller's ability to conduct the sale process (including any Auction) and to consider or advance alternative proposals shall not be impaired in any respect by this Agreement; (ii) any failure by a Seller to perform under this Agreement shall constitute a breach thereof (in the event such failure to perform would otherwise constitute a breach under this Agreement) notwithstanding anything to the contrary in this Section 12.15, provided there shall be no remedy or recourse under this Agreement or otherwise in the event of such breach; and (iii) any termination of this Agreement by either Party may be solely pursuant to Section 10.1, including a Party determining it is inconsistent with their fiduciary obligations to not terminate consistent with this Section 12.15.

12.16 Seller Representative.

(a) Each Seller irrevocably appoints RunItOneTime as its representative (solely in such capacity, the "Seller Representative") with power of designation and assignment as such Seller's true and lawful attorney-in-fact and agent with full power of substitution, to act for and on behalf of, and in the name of, such Seller with the full power, without the consent of such Seller, to exercise as Seller Representative in its sole discretion deems appropriate, the powers which such Seller could exercise under the provisions of this Agreement or any Ancillary Document and to take all actions necessary or appropriate in the judgment of Seller Representative in connection with this Agreement or any Ancillary Document. Without limiting the generality of the foregoing, each Seller hereby irrevocably grants Seller Representative full power and authority: (i) to give and receive notices and communications relating to the transactions and other matters contemplated by this Agreement and any Ancillary Documents; (ii) to execute and deliver, on behalf of such Seller, and to accept delivery of, on behalf of such Seller, such documents as may be deemed by Seller Representative, in its sole discretion, to be appropriate to consummate the Contemplated Transactions or any Ancillary Document; (iii) to make decisions on behalf of Sellers with respect to the transactions and other matters contemplated by this Agreement or any Ancillary Document; (iv) to receive funds, make payments of funds on behalf of Sellers, and give receipts for funds or to receive funds for the payment of expenses of Sellers or to deposit such funds in such accounts as Seller Representative deems appropriate and apply such funds in payment for such expenses; (v) to enforce, on behalf of such Seller, any claim against Buyer arising under this Agreement; (vi) to provide legal advice and to engage attorneys, accountants and other agents at the expense of Sellers; (vii) to amend this Agreement (other than this Section 12.16), any Ancillary Document, or any of the instruments to be delivered to Buyer by such Seller pursuant to this Agreement or any Ancillary Document; and (viii) to give such instructions and to take such action or refrain from taking such action, on behalf of such Seller, as Seller Representative deems, in its sole discretion, necessary or appropriate to carry out the provisions of this Agreement or any Ancillary Document, including the exercise of all rights granted to Sellers under this Agreement or any Ancillary Document. Buyer shall be entitled to rely exclusively upon any notices and other acts of Seller Representative as being final and legally binding acts of each Seller individually and Sellers collectively. The appointment and power of attorney granted by each Seller to Seller Representative shall be deemed coupled with an interest and all authority conferred hereby shall be irrevocable of any such Seller.

(b) Each Seller acknowledges and agrees that Seller Representative shall not be liable to any Seller or Buyer for any act done or omitted hereunder as Seller Representative. Sellers shall jointly and severally indemnify Seller Representative and hold Seller Representative harmless from and against any losses incurred without gross negligence or bad faith on the part of Seller Representative and arising out of or in connection with the acceptance or administration of its duties under this Agreement. Without limiting the generality or effect of the foregoing, (i) Seller Representative may rely, and shall be fully protected in acting, upon a good faith legal opinion from its counsel or upon the advice or opinion of any attorney, accountant or consultant retained by Seller Representative in connection with any matter relating to this Agreement or the Contemplated Transactions, (ii) Seller Representative may rely, and shall be fully protected in relying, upon the genuineness of any document believed by it to be genuine and to be signed by the proper party or parties, and (iii) Seller Representative shall not be liable for any error in judgment in the construction of this Agreement. Each Seller's obligation with respect to Seller Representative under this Section 12.16(b) shall survive the Closing and continue indefinitely.

(c) If Seller Representative shall be unable or unwilling to fulfill its responsibilities hereunder, then Sellers shall, within ten (10) days after such event, appoint a successor representative. Any such successor shall become "Seller Representative" for purposes of this Agreement.

12.17 Legal Representation.

(a) Buyer agrees, on its own behalf and on behalf of each of its Affiliates and its and their respective successors and assigns (collectively, the "Waiving Parties"), that, following the Closing, Latham & Watkins LLP and Hunton Andrews Kurth LLP ("Seller's Counsel") may serve as counsel to Seller and its Affiliates in connection with any matters related to this Agreement or the Contemplated Transactions, including any litigation, claim or obligation arising out of or relating to this Agreement or such transactions. Buyer, on its own behalf and on behalf of the other Waiving Parties hereby (i) waives any claim they have or may have that Seller's Counsel has a conflict of interest relating to this Agreement or is otherwise prohibited from engaging in such representation and (ii) agrees that, in the event that a dispute arises after the Closing between any of the Waiving Parties, on the one hand, and Seller or any of its Affiliates, on the other hand, Seller's Counsel may represent Seller or any of its Affiliates in such dispute even though the interests of such Person may be directly adverse to the Waiving Parties. The Waiving Parties also further agree that, as to all communications among Seller's Counsel and Seller or its Affiliates, subsidiaries or Representatives, that relate in any way to this Agreement, the negotiation thereof, or the Contemplated Transactions, the attorney-client privilege and the expectation of client confidence belongs to Seller and may be controlled by Seller (collectively, "Pre-Closing Privileges") and shall not pass to or be claimed by Buyer or any other Waiving Party.

(b) All such Pre-Closing Privileges, and the portion of any books and records and other documents of Seller containing any advice or communication that is subject to any Pre-Closing Privilege ("Pre-Closing Privileged Materials"), shall be excluded from the Contemplated Transactions, and shall be retained by Seller. Absent the prior written consent of Seller (not to be unreasonably withheld, conditioned or delayed), neither Buyer nor any other Waiving Party shall have a right of access to Pre-Closing Privileged Materials. The Parties further agree and acknowledge that Seller have taken reasonable efforts to segregate and retain Pre-Closing Privileged Materials, that the existence of any remaining Pre-Closing Privileged Materials found in the custody of Buyer after Closing will not be deemed a waiver of any Pre-Closing Privileges, and that the same will be returned to Seller promptly after any discovery thereof.

(c) Buyer acknowledges that it has consulted with independent counsel of its own choosing with respect to the meaning and effect of this Section 12.17 and understands such meaning and effect.

[2] Capitalized terms used but not defined in this notice have the meanings ascribed to them in the Bidding Procedures or the Bidding Procedures Order. To the extent of any inconsistencies between the Bidding Procedures and the summary descriptions of the Bidding Procedures in this notice, the terms of the Bidding Procedures shall control in all respects.

PLEASE TAKE FURTHER NOTICE that, on August 28, 2025, the Court entered the Bidding Procedures Order [Docket No. 178], approving, among other things, the Bidding Procedures and the Assumption and Assignment Procedures contained in the Bidding Procedures Order. All contract and lease counterparties should carefully read the Bidding Procedures Order, including the Assumption and Assignment Procedures therein, and the Bidding Procedures in their entirety.[3]

PLEASE TAKE FURTHER NOTICE that, upon the closing of an applicable Sale Transaction, the Debtors intend to assume and assign the Assigned Contracts to the applicable Buyer. A schedule listing the contracts and leases that may potentially be assumed and assigned as part of a Sale Transaction is attached hereto as **Exhibit 1** (the "***Contracts Schedule***").

PLEASE TAKE FURTHER NOTICE that Cure Costs, if any, for the assumption and assignment of the contracts and leases are also set forth on the Contracts Schedule. Each Cure Cost listed on the Contracts Schedule represents all liabilities of any nature of the Debtors arising under a contract or lease prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A CONTRACT OR LEASE THAT MAY BE ASSUMED AND ASSIGNED AS PART OF A SALE TRANSACTION. Until the consummation of the Sale, the Debtors reserve the right, in consultation with the Successful Bidder(s) once selected, and are authorized, but not directed, to (i) designate additional Assigned Contracts, (ii) eliminate Assigned Contracts from those to be assumed and assigned to a Successful Bidder, or (iii) modify the previously stated Cure Cost associated with any contract or lease identified on the Contracts Schedule. ***The presence of a contract or lease listed on Exhibit 1 attached hereto does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease will ultimately be an Assigned Contract assumed and assigned as part of the Sale. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and leases listed on Exhibit 1 attached hereto.***

I. Filing Objections

Any objections to the Debtors' proposed Cure Costs must (a)(i) be in writing; (ii) state the basis for such objection; and (iii) if such objection is to a Cure Cost with respect to an Assigned Contract, state with specificity what Cure Cost the counterparty believes is required with respect to such Assigned Contract (in all cases, with appropriate documentation in support thereof), and (b) be filed with the Court and served no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of the Cure Notice (the "***Cure Objection Deadline***"), as

[3] To the extent of any inconsistencies between the (a) Bidding Procedures Order and the Assumption Assignment Procedures therein and (b) the summary descriptions of the Bidding Procedures Order and Assumption and Assignment Procedures in this notice, the terms of the Bidding Procedures Order shall control in all respects.

applicable, on the following parties (the "***Objection Notice Parties***"): (1) proposed counsel to the Debtors, Latham & Watkins LLP, 355 South Grand Avenue, Suite 100, Los Angeles, California 90071-1560 (Attn: Helena Tseregounis, and Nicholas Messana) (helena.tseregounis@lw.com, and nicholas.messana@lw.com) and 1271 Avenue of the Americas, New York, New York 10020 (Attn: Andrew Sorkin) (andrew.sorkin@lw.com); (2) proposed co-counsel to the Debtors, Hunton Andrews Kurth LLP, 600 Travis St., Houston, Texas 77002 (Attn: Timothy A. In the event that you receive a Supplemental Cure Notice that either (i) designates your contract or lease as an Assigned Contract for the first time or (ii) modifies the previously stated Cure Costs associated with any such contract or lease, the Cure Objection Deadline shall be extended to no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of such Supplemental Cure Notice, solely to the extent such objection relates to the newly-designated Assigned Contract or the decreased Cure Cost, as applicable.

The Debtors shall file a notice identifying the Successful Bidder(s) and Backup Bidder(s) (if selected) (the "***Notice of Successful Bidder***") with respect to each Sale Transaction as soon as reasonably practicable after closing of the Auction with respect to such Sale Transaction, if any, and in any event not later than one day after the closing of such Auction. In the event there is no Auction with respect to a Sale Transaction, the Debtors shall file the Notice of Successful Bidder identifying the Successful Bidder on September 19, 2025, or such other later date as determined by the Debtors in consultation with the Consultation Parties. Each counterparty to an Assigned Contract will then have an opportunity to object solely to the identity of the Successful Bidder(s) or adequate assurance of future performance with respect to such counterparty's contract or lease provided by the Successful Bidder(s), which must (1) be in writing, (2) comply with the Bankruptcy Code, Bankruptcy Rules, the Bankruptcy Local Rules, and all orders of the Court entered in these Chapter 11 Cases, (3) state, with specificity, the legal and factual bases thereof, (4) be filed with the Court by **the date that is three days after the filing of the Notice of Successful Bidder** (the "***Sale Objection Deadline***"), and (5) be served on the Objection Notice Parties.

The Court will hear and determine any objections to the assumption and assignment of the Assigned Contracts to the Buyer at the Sale Hearing or at a later hearing, as determined by the Debtors. The Sale Hearing to consider the Sale Transaction(s) and the Sale shall be held before the Honorable Judge Alfredo R. Perez on **September 24, 2025, at 3:00 p.m. (prevailing Central**

Time), or such other date as determined by the Court, at the United States Bankruptcy Court for the Southern District of Texas, 515 Rusk Street, Courtroom No. 400, Houston, Texas 77002.

Subject to the Milestones contained in the DIP Orders, the Sale Hearing may be continued to a later date by the Debtors (in consultation with the Consultation Parties) by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

The Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

II. Consequences of Failing to Timely Assert an Objection

Unless you file a timely objection to the Cure Cost or the assumption or assignment of your contract or lease in accordance with the instructions and deadlines set forth herein, you shall be (a) barred from objecting to the Cure Cost set forth on Exhibit 1, (b) estopped from asserting or claiming any Cure Cost against the Debtors, or the Successful Bidder(s) that is greater than the cure cost set forth on Exhibit 1 and (c) deemed to have consented to the assumption and assignment of your contract or lease.

Contracts Schedule

Exhibit A

Amended Cure Schedule of Executory Contracts Subject to Assumption

RunItOneTime LLC

Exhibit 1: Cure Schedule of Executory Contracts

Notes

1. The inclusion of a contract, lease, or other agreement does not constitute a determination or admission by the Debtors and their estates or any other party in interest that such contract, lease, or agreement is an executory contract or unexpired lease within the meaning of the Bankruptcy Code.

2. Includes outstanding prepetition amounts as of 09/08/2025 only; does not include post-petition amounts, if any, that have come due and owing or may come due and owing prior to the assumption of the listed executory contract. The Debtors continue to pay postpetition amounts as they come due in the ordinary course and total cure amounts upon actual assumption of a particular executory contract will ultimately include postpetition monetary defaults, if any, in compliance with section 365 of the Bankruptcy Code.

3. Due to the limitations in the Company's systems accounts payable is sometimes recorded at the Corporate or Affiliate level versus the individual debtor entity level. Where possible, assumptions have been made to reclassify the AP amounts to the relevant entities. However, due to the volume of contracts in the Company's database there could be a mismatch between the debtor name and the potential cure amount.

Exhibit 1: Cure Schedule of Executory Contracts

Notes

1. The inclusion of a contract, lease, or other agreement does not constitute a determination or admission by the Debtors and their estates or any other party in interest that such contract, lease, or agreement is an executory contract or unexpired lease within the meaning of the Bankruptcy Code.

2. Includes outstanding prepetition amounts as of 09/08/2025 only; does not include post-petition amounts, if any, that have come due and owing or may come due and owing prior to the assumption of the listed executory contract. The Debtors continue to pay postpetition amounts as they come due in the ordinary course and total cure amounts upon actual assumption of a particular executory contract will ultimately include postpetition monetary defaults, if any, in compliance with section 365 of the Bankruptcy Code.

3. Due to the limitations in the Company's systems accounts payable is sometimes recorded at the Corporate or Affiliate level versus the individual debtor entity level. Where possible, assumptions have been made to reclassify the AP amounts to the relevant entities. However, due to the volume of contracts in the Company's database there could be a mismatch between the debtor name and the potential cure amount.

Databricks Value Hits $100 Billion

Data-analytics firm predicts annual revenue run rate will exceed $4 billion

By Angel Au-Yeung

Databricks, one of Silicon Valley's most-valuable private companies, said its annual revenue run rate will be more than $4 billion going forward as of July. That figure is up 50% year over year.

The forecast came as the company closed its latest round of financing on Monday.

The company is raising $1 billion from investors including Thrive Capital, Andreessen Horowitz, Insight Partners and United Arab Emirates state-backed investor MGX at a $100 billion valuation.

The Wall Street Journal had earlier reported the new financing and valuation.

Databricks, which stores, catalogs and processes large data sets, has reaped the rewards of the artificial-intelligence boom.

Sales of AI products will generate a $1 billion revenue run rate going forward, the company said.

Data scientists at its client companies use its software to analyze large volumes of information they collect.

New customers this year include **Honda Motor**, Peet's Coffee and Princeton University, Chief Executive Officer and co-founder Ali Ghodsi said in an interview.

Roughly 650 customers currently each pay Databricks $1 million a year for the company's products and services, he said.

Ghodsi said the company had positive free cash flow in the past 12 months, though he declined to share operating costs.

"We are going to continue to keep this profile where we don't burn any cash on an annual basis," he said.

Companies like Databricks have reached soaring valuations, surpassing even the most successful tech initial public offerings in recent years.

OpenAI is in early talks on a secondary stock sale that would value the AI behemoth at $500 billion, while SpaceX's recent tender offer valued the company at $400 billion.

Databricks secured $10 billion from investors last December.

Also, the company announced in January $5.3 billion in debt financing from a list of big banks.

The latest round of financing will add to the company's war chest for employee recruitment and retention to help it in the escalating AI talent wars.

"The vast majority of our costs goes to wages, and it's definitely expensive to spend on AI talent," Ghodsi said.

Uber, Partner Team on Self-Driving

By Jiahui Huang

Ride-hailing company **Uber Technologies** and Chinese autonomous-driving company Momenta are collaborating to test autonomous vehicles in Germany next year.

The companies said in a joint statement Monday that Momenta's advanced autonomous driving technology will be integrated with Uber's global platform to provide robotaxi services.

The partnership will start testing in Munich next year with the goal of expanding to other European cities, they said.

The collaboration comes as robotaxi companies around the world have been scaling up their fleet sizes, thanks to advanced autonomous driving technology and as countries become more open to testing the advanced technology.

"Testing L4 autonomous vehicles in Munich allows us to showcase how Momenta's AI-driven Robotaxi technology can transform urban mobility, as a new chapter in the region's rich automotive heritage," said Xudong Cao, chief executive of Momenta.

Uber's Chinese partner Momenta operates a robotaxi service in Shanghai.

Momenta operates a robotaxi service in Shanghai and has provided its autonomous driving technology to major automakers including German brands such as Mercedes-Benz, BMW and Audi.

Uber has been collaborating with robotaxi companies to explore autonomous driving services.

The ride-hailing app has partnered with Chinese robotaxi companies WeRide and Pony AI in the Middle East.

AI Boom Is Leaving Consultants Behind

By Isabelle Bousquette And Mark Maurer

Consulting firms over the past three years have wagered billions on the hope they would play an essential role in the AI boom, helping the world's largest corporations transform themselves with the new technology.

Done right, it could prove a boon for an industry hurting from macroeconomic pressures and layoffs. Collectively, firms made billions of dollars in artificial-intelligence-related commitments and put out aggressive campaigns designed to capitalize on corporate FOMO, or fear of missing out. "Nobody makes AI work for your business like PwC," said one PricewaterhouseCoopers ad. Their slogan: "We don't just bring promises. We bring results."

In the early days their pitch seemed to be working. But then reality set in.

Clients quickly encountered a mismatch between the pitch and what consultants could actually deliver. They found that consultants, who often had no more expertise on AI than they did internally, struggled to deploy use cases that created real business value.

Sometimes consultants built successful proof of concepts, but couldn't scale them across the business. That was the case at pharma company **Merck**, said Chief Information and Digital Officer Dave Williams. "We love our partners, but oftentimes they're learning on our dime," he said.

Consulting firms continue to pull in revenue from generative-AI-related work, with global spending on such consulting hitting $3.75 billion in 2024, up from $1.34 billion in 2023, according to Gartner estimates. Some believe consultants' contributions to AI deployment could be more effective in four to five years, when the technology is more mature and they have a solidified playbook. Until then, many clients remain frustrated.

One CIO found consultants 'had no idea how to do these things.'

Lack of experience

Advisory heavyweights—including Big Four accounting firms Deloitte, PwC, KPMG and Ernst & Young and pure consulting firms McKinsey, Bain and Boston Consulting Group—for years have helped enterprises get up to speed on technologies like the cloud and perform vital but unsexy tech implementations.

That expertise hasn't translated into a playbook for deploying something as cutting edge as generative AI in the enterprise at scale, tech leaders said.

"When you think about something that's just so new, you can't really buy that experience," said Greg Meyers, chief digital and technology officer at Bristol-Myers Squibb.

"If I were to go hire a consultant to help me figure out how to use Gemini CLI or Claude Code, you're going to find a partner at one of the Big Four has no more or less experience than a kid in college who tried to use it," he said, referring to generative AI tools from Google and Anthropic.

Six months ago, the pharmaceutical company ended a yearlong engagement with a big consulting partner aimed at using generative AI to produce educational content for doctors who prescribe their medicines. The company is now pursuing the use case on its own.

Former consultants and partners from large advisory operations such as Deloitte, Bain, EY, McKinsey and PwC said the AI boom hasn't spurred the surge of client demand they anticipated.

"They overpromised," said Magesh Sarma, chief information and strategy officer at AmeriSave Mortgage. When it came to building real use cases, he said, "we discovered that they really also had no idea how to do these things."

"I can't tell you how many times I heard, 'Man, they came in, they charged us $20 million and what I feel like we got was a very long report on where AI is going without any real practical application,'" said Pat Petitti, CEO of Catalant, a platform for freelance consultants.

Some AI wins

To be sure, companies said they still see some value in engaging consultants. These firms can show them what is working in other industry segments and act as an extra set of hands where needed.

PwC and Deloitte declined to comment for this article. **Accenture**, KPMG, EY, McKinsey, Bain and BCG said they are seeing increasing demand for their AI services and that clients are getting value from them.

KPMG had $1.4 billion in potential AI-related U.S. advisory projects as of July, including biddable contracts and expansions of work for existing clients, compared with roughly $500 million two years ago, a spokesman said.

Accenture, which unlike other major consultancies is publicly traded, in its most-recent quarter reported a $100 million increase in new generative AI bookings quarter over quarter. That is down from a $200 million quarter-over-quarter increase the previous two periods.

government until a new one is in place — though it was unclear what power he would wield or even where he was.

President Ram Chandra Poudel, the ceremonial head of state, appealed to the protesters to engage in discussions to find a peaceful resolution and stop further escalation.

In a video message, Nepalese army chief Ashok Raj Sigdel urged protesters to stop the demonstrations to prevent further loss of lives and property and to come forward for dialogue.

In a written statement that followed, the army warned that the country's security forces were committed to preserving law and order. It was not clear if the army, which so far has stayed in its barracks, would be mobilized to help after police failed to control the situation.

U.N. Secretary-General António Guterres urged restraint to avoid further violence and called for both an investigation into the events and dialogue to forge "a constructive path forward," U.N. spokesperson Stéphane Dujarric said.

"He underscored that protests must take place in a peaceful manner, respecting life and property," and called on Nepalese authorities to comply with international human rights, the spokesperson said.

Focus on government

The demonstrations — called the protest of Gen Z — began after the government blocked platforms, including Facebook, X and YouTube, saying the companies had failed to register and submit to government oversight.

But the protests spiraled to reflect broader discontent. In particular, many young people are angry that the children of political leaders — so-called nepo kids — seem to enjoy luxury lifestyles and numerous advantages while most youth struggle to find work. With youth unemployment running at about 20% last year, according to the World Bank, the government estimates that more than 2,000 young people leave the country every day to seek work in the Middle East or Southeast Asia.

"I am here to protest about the massive corruption in our country," said Bishnu Thapa Chetri, a student. "The country has gotten so bad that for us youths, there is no grounds for us to stay."

Videos shared on social media showed protesters beating up Nepali Congress party leader Sher Bahadur Deuba and his wife, Arzu Rana Deuba, the current foreign minister. Both appeared to be bleeding, while one video showed the party leader being helped to safety. The party is the country's largest and is part of the governing coalition.

"Here to protest"

Local media and videos on social media also showed protesters attacking government buildings and the residences of the top political leaders throughout Tuesday.

The presidential palace, the prime minister's official residence and a building that houses the offices of the prime minister and several ministries were all torched. Thick smoke rose from the prime minister's office building.

Earlier, Oli's private home was set on fire, as were those of the president, the home minister and the Deubas. The home of the leader of the opposition Communist Party of Nepal (Maoist) was also set ablaze.

Some protesters blamed the government for the police opening fire and called for the ouster of the increasingly unpopular prime minister.

"We are here to protest because our youths and friends are getting killed. We are here to see that justice is done and the present regime is ousted," said Narayan Acharya, who was among the protesters outside the battered wall of the parliament building Tuesday. "K.P. Oli should be chased away."

Police fire on crowds

Monday's rallies swelled to tens of thousands of people in Kathmandu, and crowds surrounded the Parliament building before police opened fire on the demonstrators.

"Stop the ban on social media. Stop corruption, not social media," the crowds chanted, waving national flags.

In addition to the 19 fatalities, scores of people were wounded.

Before he resigned, Oli said he would form an investigating committee that would submit a report on the shooting in 15 days. He added that compensation would be given to the families of those who were killed, and that those who were wounded would receive free treatment.

Social media ban

The violence unfolded as Nepal's government pursues a broader attempt to regulate social media with a bill aimed at ensuring the platforms are "properly managed, responsible and accountable."

The proposal has been widely criticized as a tool for censorship and for punishing government opponents who want to voice their protests online.

The bill would require companies to appoint a liaison office or a point of contact in the country. Rights groups have called it an attempt by the government to curb freedom of expression and fundamental rights.

The registration requirement applied to about two dozen social networks widely used in Nepal.

Neither Google, which owns YouTube, nor Meta, the parent company of Facebook, Instagram and WhatsApp, responded to requests for comment from The Associated Press. Elon Musk's X platform also did not respond.

TikTok, Viber and three other platforms have registered and operated without interruption.

Nepal in 2023 banned TikTok for disrupting "social harmony, goodwill and diffusing indecent materials." The ban was lifted last year after TikTok's executives pledged to comply with local laws, including a ban on pornographic sites that was passed in 2018.

Danes forcibly plied Greenland women with contraceptives

The Associated Press

COPENHAGEN, Denmark — More than 350 Greenlandic Indigenous women and girls, including some 12 years old and younger, reported that they were forcibly given contraception by Danish health authorities in cases that date to the 1960s, according to an independent investigation's findings released Tuesday.

The Inuit victims, many of them teenagers at the time, were either fitted with intrauterine devices, known as IUDs or coils, or given a hormonal birth control injection.

They were not told details about the procedure, or did not give their consent.

The victims described traumatic experiences that left some with feelings of shame as well as physical side effects, ranging from pain and bleeding to serious infections.

The governments of Denmark and Greenland officially apologized in a statement last month for their roles in the historic mistreatment in an apparent attempt to get ahead of the highly anticipated report.

An official apology event in Greenland's capital is set for Sept. 24.

Nearly 150 Inuit women last year sued Denmark and filed compensation claims against its health ministry, saying Danish health authorities violated their human rights.

While Tuesday's report covers the experiences of more than 350 women who came forward to speak to the investigators, Danish authorities say more than 4,000 women and girls received IUDs between the 1960s and mid-1970s.

Any party who fails to make a timely Sale Objection on or before the Sale Objection Deadline shall be forever barred from asserting any Sale Objection, including with respect to the transfer of the Assets free and clear of all liens, claims, encumbrances and other interests.

VII. Sale Free and Clear. The Sale will be free and clear of, among other things, any claim arising from any conduct of the Debtors prior to the closing of the Sale, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such claim arises out of or relates to events occurring prior to the closing of the Sale. Accordingly, as a result of the Sale, the Successful Bidder(s) will not be a successor to any of the Debtors by reason of any theory of law or equity, and the Successful Bidder(s) will have no liability, except as expressly provided in the Successful Bidder Purchase Agreement(s), for any liens, claims, encumbrances and other interests against or in any of the Debtors under any theory of law, including successor liability theories.

To the extent of any inconsistencies between the Bidding Procedures and the summary descriptions of the Bidding Procedures in this notice, the terms of the Bidding Procedures shall control in all respects.

[3] The following dates and deadlines may be extended by the Debtors, in consultation with the Consultation Parties, or the Court pursuant to the terms of the Bidding Procedures and the Bidding Procedures Order.

[4] For the avoidance of doubt, to the extent the Debtors, in consultation with the Consultation Parties, determine to commence a marketing process for the LeaseCo Assets, the Indication of Interest Deadline shall not apply, and all Bids for LeaseCo shall be subject to the Bid Deadline. Notwithstanding the passage of the Indication of Interest Deadline, parties interested in placing bids on any assets should contact GLC Advisors & Co.

[5] In the event that an Auction is cancelled, including, without limitation, because only one Qualified Bid (including a Stalking Horse Bid or credit bid) with respect to a Sale Transaction is received by the Bid Deadline, the Debtors shall file a Notice of Successful Bidder promptly identifying such Qualifying Bid as the Successful Bidder with respect to such Sale Transaction, but in no event later than September 19, 2025. To the extent there are no Qualified Bids or Stalking Horse Bids received with respect to certain of the Debtors' Assets, the Debtors will determine the next phase of the Sale and chapter 11 process in consultation with the Required DIP Lenders and the Committee (each, as defined below).

[6] The Cure Objection Deadline applies to any objections to the Debtors' proposed Cure Costs as of the date of the Cure Notice or Supplemental Cure Notice (each as defined below), as applicable (each such objection, a "***Cure Objection***").

Further, the Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

CENSUS BUREAU

U.S. household income increased slightly last year

By Christopher Rugaber
The Associated Press

WASHINGTON » The income for the typical U.S. household barely rose last year and essentially matched its 2019 peak, the Census Bureau said Tuesday, a stark illustration of the impact that the pandemic inflation spike had on Americans' finances.

The report also showed that the highest-earning households received healthy inflation-adjusted income increases, while middle- and lower-income households saw little gain.

Median household income, adjusted for inflation, in 2024 was $83,730, the Census Bureau said, a 1.3% increase from the previous year's level of $82,690. The median is the midpoint between the highest- and lowest-income households, and helps filter out the impact of very high and very low incomes that can skew averages.

The figures help illustrate why many Americans have been dissatisfied with the economy since the pandemic, even as unemployment has been historically low: Median household incomes are essentially unchanged from five years earlier, the report showed. Median household income was $83,260 in 2019, the report said, and the slightly higher figure for 2024 is within the margin of error and therefore reflects little change from five years earlier, Census officials said.

That is a sharp contrast from the preceding five-year period, from 2014 to 2019, when median household income rose nearly 21%, according to Census data.

"It's not hard to see why middle-class Americans are frustrated," said Heather Long, chief economist at the Navy Federal Credit Union. "The frozen job market, tariffs and Medicaid cuts are going to put even more of a squeeze in 2025 on middle and lower-income households."

For richest 10% of households, incomes rose 4.2% to $251,000, while for the poorest one-tenth incomes increased just 2.2% to $19,900. A household is defined by Census as a family unit or an individual living alone or living with people who aren't relatives.

The agency includes all sources of cash income, including wages, investment income, and payments from government programs such as Social Security and unemployment insurance. It doesn't include non-cash benefits, such as food aid — formerly known as food stamps — or tax credits, or the substantial stimulus payments made by the first Trump administration in 2020 or the Biden administration in 2021 that significantly boosted Americans' finances.

Wages and salaries for most Americans rose at a healthy clip as the economy emerged from the pandemic in 2021 and 2022, as businesses were desperate to find and keep employees.

Jobs

FROM PAGE 7

ING, also expects the Fed to cut again at its meetings in October and December.

In a commentary, Knightley wrote that the Labor Department numbers "can be significantly wrong" when the economy is at a turning point. "In the early stages of a downturn they tend to overestimate the jobs created by new start-ups — 'births' — and underestimate the number of jobs lost by the 'death' of failing small businesses," he wrote. "These revisions suggest that jobs momentum is being lost from an even weaker position than originally thought. It also reinforces the belief that even the poor numbers seen in 2025 are probably overstating the health of the employment market."

After the Labor Department issued a disappointing jobs report for July, Trump fired the economist in charge of compiling numbers and nominated a loyalist to replace her. He was especially enraged by revisions that took 258,000 jobs off May and June payrolls.

Government economists have been struggling with a dramatic drop in the number of employers that respond to their surveys. Still, most economists and financial analysts consider the official jobs numbers reliable.

The Labor Department compiles its monthly hiring report by surveying 121,000 employers, representing 631,000 individual worksites nationwide.

VII. Sale Free and Clear. The Sale will be free and clear of, among other things, any claim arising from any conduct of the Debtors prior to the closing of the Sale, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such claim arises out of or relates to events occurring prior to the closing of the Sale. [4] For the avoidance of doubt, to the extent the Debtors, in consultation with the Consultation Parties, determine to commence a marketing process for the LeaseCo Assets, the Indication of Interest Deadline shall not apply, and all Bids for LeaseCo shall be subject to the Bid Deadline. Notwithstanding the passage of the Indication of Interest Deadline, parties interested in placing bids on any assets should contact GLC Advisors & Co.

[5] In the event that an Auction is cancelled, including, without limitation, because only one Qualified Bid (including a Stalking Horse Bid or credit bid) with respect to a Sale Transaction is received by the Bid Deadline, the Debtors shall file a Notice of Successful Bidder promptly identifying such Qualifying Bid as the Successful Bidder with respect to such Sale Transaction, but in no event later than September 19, 2025. To the extent there are no Qualified Bids or Stalking Horse Bids received with respect to certain of the Debtors' Assets, the Debtors will determine the next phase of the Sale and chapter 11 process in consultation with the Required DIP Lenders and the Committee (each, as defined below).

[6] The Cure Objection Deadline applies to any objections to the Debtors' proposed Cure Costs as of the date of the Cure Notice or Supplemental Cure Notice (each as defined below), as applicable (each such objection, a "***Cure Objection***").

[7] The Sale Objection Deadline applies to any objections to the Sale or to the assumption and assignment of the Assigned Contracts other than Cure Objections.

[8] The Sale Hearing may be continued by the Debtors, in consultation with the Consultation Parties and in accordance with the Bidding Procedures, from time to time, either by Court docket entry or by the Debtors filing a notice on the Court's docket, without further notice to creditors or parties in interest. Further, the Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

Notwithstanding the passage of the Indication of Interest Deadline, parties interested in placing bids on any assets should contact GLC Advisors & Co.

[5] In the event that an Auction is cancelled, including, without limitation, because only one Qualified Bid (including a Stalking Horse Bid or credit bid) with respect to a Sale Transaction is received by the Bid Deadline, the Debtors shall file a Notice of Successful Bidder promptly identifying such Qualifying Bid as the Successful Bidder with respect to such Sale Transaction, but in no event later than September 19, 2025. To the extent there are no Qualified Bids or Stalking Horse Bids received with respect to certain of the Debtors' Assets, the Debtors will determine the next phase of the Sale and chapter 11 process in consultation with the Required DIP Lenders and the Committee (each, as defined below).

[6] The Cure Objection Deadline applies to any objections to the Debtors' proposed Cure Costs as of the date of the Cure Notice or Supplemental Cure Notice (each as defined below), as applicable (each such objection, a "***Cure Objection***").

[7] The Sale Objection Deadline applies to any objections to the Sale or to the assumption and assignment of the Assigned Contracts other than Cure Objections.

[8] The Sale Hearing may be continued by the Debtors, in consultation with the Consultation Parties and in accordance with the Bidding Procedures, from time to time, either by Court docket entry or by the Debtors filing a notice on the Court's docket, without further notice to creditors or parties in interest. Further, the Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

VI. Consequences of Failing to Timely File an Objection. Any party who fails to make a timely Sale Objection on or before the Sale Objection Deadline shall be forever barred from asserting any Sale Objection, including with respect to the transfer of the Assets free and clear of all liens, claims, encumbrances and other interests.

VII. Sale Free and Clear. The Sale will be free and clear of, among other things, any claim arising from any conduct of the Debtors prior to the closing of the Sale, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such claim arises out of or relates to events occurring prior to the closing of the Sale. Accordingly, as a result of the Sale, the Successful Bidder(s) will not be a successor to any of the Debtors by reason of any theory of law or equity, and the Successful Bidder(s) will have no liability, except as expressly provided in the Successful Bidder Purchase Agreement(s), for any liens, claims, encumbrances and other interests against or in any of the Debtors under any theory of law, including successor liability theories.

VIII. Obtaining Additional Information. Copies of the Bidding Procedures Motion, the Bidding Procedures, the Bidding Procedures Order, and all other documents filed with the Court, are available free of charge on the Debtors' case information website, located at https://restructuring.ra.kroll.com/RunItOneTime/, or can be requested by calling the Debtors' claims and noticing agent, Kroll Restructuring Administration LLC, at 1 (877) 814-0967 (Domestic) or 1 (646) 440-4367 (International).

[1] A complete list of the Debtors in the Chapter 11 Cases may be obtained on the website of the Debtors' claims and noticing agent at https://restructuring.ra.kroll.com/RunItOneTime/. The Debtors' mailing address is 12530 NE 144th Street, Kirkland, Washington 98304.

[2] Capitalized terms used but not defined in this notice have the meanings ascribed to them in the Bidding Procedures or the Bidding Procedures Order. To the extent of any inconsistencies between the Bidding Procedures and the summary descriptions of the Bidding Procedures in this notice, the terms of the Bidding Procedures shall control in all respects.

[3] The following dates and deadlines may be extended by the Debtors, in consultation with the Consultation Parties, or the Court pursuant to the terms of the Bidding Procedures and the Bidding Procedures Order.

[4] For the avoidance of doubt, to the extent the Debtors, in consultation with the Consultation Parties, determine to commence a marketing process for the LeaseCo Assets, the Indication of Interest Deadline shall not apply, and all Bids for LeaseCo shall be subject to the Bid Deadline. Notwithstanding the passage of the Indication of Interest Deadline, parties interested in placing bids on any assets should contact GLC Advisors & Co.

[5] In the event that an Auction is cancelled, including, without limitation, because only one Qualified Bid (including a Stalking Horse Bid or credit bid) with respect to a Sale Transaction is received by the Bid Deadline, the Debtors shall file a Notice of Successful Bidder promptly identifying such Qualifying Bid as the Successful Bidder with respect to such Sale Transaction, but in no event later than September 19, 2025. To the extent there are no Qualified Bids or Stalking Horse Bids received with respect to certain of the Debtors' Assets, the Debtors will determine the next phase of the Sale and chapter 11 process in consultation with the Required DIP Lenders and the Committee (each, as defined below).

[6] The Cure Objection Deadline applies to any objections to the Debtors' proposed Cure Costs as of the date of the Cure Notice or Supplemental Cure Notice (each as defined below), as applicable (each such objection, a "***Cure Objection***").

[7] The Sale Objection Deadline applies to any objections to the Sale or to the assumption and assignment of the Assigned Contracts other than Cure Objections.

[8] The Sale Hearing may be continued by the Debtors, in consultation with the Consultation Parties and in accordance with the Bidding Procedures, from time to time, either by Court docket entry or by the Debtors filing a notice on the Court's docket, without further notice to creditors or parties in interest. Further, the Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

SUPPLEMENTAL NOTICE OF POSSIBLE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES

You are receiving this notice because you have been identified as a counterparty to a contract or lease that may be assumed and assigned as part of a sale transaction.

Please review this notice carefully and locate your contract(s) or lease(s) on the attached exhibit.

You may wish to consult an attorney regarding this notice.

On July 14, 2025 (the "***Petition Date***"), the above captioned debtors and debtors in possession (collectively, the "***Debtors***") filed voluntary petitions for relief under title 11 of the United States Code (the "***Bankruptcy Code***") in the United States Bankruptcy Court for the Southern District of Texas (this "***Court***"), commencing the above-captioned chapter 11 cases (the "***Chapter 11 Cases***").

On August 1, 2025, the Debtors filed a motion [Docket No. 93] (the "***Bidding Procedures Motion***") seeking entry of (a) an order (the "***Bidding Procedures Order***"): (i) authorizing and approving the proposed bidding procedures substantially in the form attached to the Bidding Procedures Order as **Exhibit 1** (the "***Bidding Procedures***")[2] in connection with a sale or disposition of certain or substantially all of the Debtors' assets (the "***Assets***") in one or more sale transactions (each, a "***Sale Transaction***" and collectively, the "***Sale***"); (ii) approving the procedures for the Debtors to select one or more Stalking Horse Bidders and to enter into related Stalking Horse Agreements; (iii) authorizing and approving procedures for the assumption and

assignment of certain executory contracts and unexpired leases (the "***Assumption and Assignment Procedures***") in connection with the Sale and approving the form and manner of notice thereof; (iv) authorizing and approving the form and manner of notice of the Auction(s), if any, for the sale or sales of the Assets (the "***Auction***"), if any, the Sale and the hearing or hearings to consider approval of a Sale Transaction (each, a "***Sale Hearing***"); (v) establishing certain dates and deadlines in connection with the Sale process, including the Sale Hearing(s); and (vi) granting related relief.

On August 28, 2025, the Court entered the Bidding Procedures Order [Docket No. 178], approving, among other things, the Bidding Procedures and the Assumption and Assignment Procedures contained in the Bidding Procedures Order. All contract and lease counterparties should carefully read the Bidding Procedures Order, including the Assumption and Assignment Procedures therein, and the Bidding Procedures in their entirety.[3]

Upon the closing of an applicable Sale Transaction, the Debtors intend to assume and assign the Assigned Contracts to the applicable Buyer. On September 17, 2025, the Debtors filed a schedule listing the contracts and leases that may potentially be assumed and assigned as part of a Sale Transaction at Docket No. 446 in the Chapter 11 Cases (the "***Initial Contracts Schedule***"). Each Cure Cost listed on the Supplemental Contracts Schedule represents all liabilities of any nature of the Debtors arising under a contract or lease prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A CONTRACT OR LEASE THAT MAY BE ASSUMED AND ASSIGNED AS PART OF A SALE TRANSACTION. rights, claims and causes of action with respect to the contracts and leases listed on Exhibit 1 attached hereto.

I. Filing Objections

Any objections to the Debtors' proposed Cure Costs must (a)(i) be in writing; (ii) state the basis for such objection; and (iii) if such objection is to a Cure Cost with respect to an Assigned Contract, state with specificity what Cure Cost the counterparty believes is required with respect to such Assigned Contract (in all cases, with appropriate documentation in support thereof), and (b) be filed with the Court and served no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of the Cure Notice (the "***Cure Objection Deadline***"), as applicable, on the following parties (the "***Objection Notice Parties***"): (1) proposed counsel to the Debtors, Latham & Watkins LLP, 355 South Grand Avenue, Suite 100, Los Angeles, California 90071-1560 (Attn: Helena Tseregounis, and Nicholas Messana) (helena.tseregounis@lw.com, and nicholas.messana@lw.com) and 1271 Avenue of the Americas, New York, New York 10020 (Attn: Andrew Sorkin) (andrew.sorkin@lw.com); (2) proposed co-counsel to the Debtors, Hunton Andrews Kurth LLP, 600 Travis St., Houston, Texas 77002 (Attn: Timothy A. "Tad" Davidson II, Ashley L. Harper, and Philip M. Guffy) (taddavidson@hunton.com, ashleyharper@hunton.com, and pguffy@hunton.com); (3) counsel to the Ad Hoc Group and Backstop Parties, Ropes & Gray LLP, 1211 Avenue of the Americas, New York, New York 10036-8704 (Attn: Ryan P. Dahl, Daniel Gwen, and Margaret Alden) (ryan.dahl@ropesgray.com, daniel.gwen@ropesgray.com, and margaret.alden@ropesgray.com); (4) the U.S. Trustee, 515 Rusk Street, Suite 3516, Houston, Texas 77002 (Attn: Jayson Ruff and Vianey Garza) (jayson.b.ruff@usdoj.gov and vianey.garza@usdoj.gov); (5) proposed counsel to the Official Committee of Unsecured Creditors, Morrison & Foerster LLP, 300 Colorado Street, Suite 1800, Austin, Texas 78701 (Attn: Lorenzo Marinuzzi) (lmarinuzzi@mofo.com) and 250 West 55th Street, New York, New York 10019 (Attn: Doug Mannal, Theresa Foudy, Benjamin Butterfield, and Raff Ferraioli) (dmannal@mofo.com, tfoudy@mofo.com, bbutterfield@mofo.com, and rferraioli@mofo.com); and (6) any Successful Bidder(s).

In the event that you receive a Supplemental Cure Notice that either (i) designates your contract or lease as an Assigned Contract for the first time or (ii) modifies the previously stated Cure Costs associated with any such contract or lease, the Cure Objection Deadline shall be extended to no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of such Supplemental Cure Notice, solely to the extent such objection relates to the newly-designated Assigned Contract or the decreased Cure Cost, as applicable.

The Debtors shall file a notice identifying the Successful Bidder(s) and Backup Bidder(s) (if selected) (the "***Notice of Successful Bidder***") with respect to each Sale Transaction as soon as reasonably practicable after closing of the Auction with respect to such Sale Transaction, if any, and in any event not later than one day after the closing of such Auction. In the event there is no Auction with respect to a Sale Transaction, the Debtors shall file the Notice of Successful Bidder identifying the Successful Bidder on the date scheduled for the Auction for such Sale Transaction, or such other later date as determined by the Debtors in consultation with the Consultation Parties. Each counterparty to an Assigned Contract will then have an opportunity to object solely to the identity of the Successful Bidder(s) or adequate assurance of future performance with respect to such counterparty's contract or lease provided by the Successful Bidder(s), which must (1) be in

writing, (2) comply with the Bankruptcy Code, Bankruptcy Rules, the Bankruptcy Local Rules, and all orders of the Court entered in these Chapter 11 Cases, (3) state, with specificity, the legal and factual bases thereof, (4) be filed with the Court by **the date that is three days after the filing of the Notice of Successful Bidder or such other date set forth therein** (the "***Sale Objection Deadline***"), and (5) be served on the Objection Notice Parties.

The Court will hear and determine any objections to the assumption and assignment of the Assigned Contracts to the Buyer at the hearing set to approve the applicable Sale Transaction(s). The next Sale Hearing shall be held before the Honorable Judge Alfredo R. Perez on **October 9, 2025, at 10:30 a.m. (prevailing Central Time)**, or such other date as determined by the Court, at the United States Bankruptcy Court for the Southern District of Texas, 515 Rusk Street, Courtroom No. 400, Houston, Texas 77002.

Subject to the Milestones contained in the DIP Orders, the Sale Hearing may be continued to a later date by the Debtors (in consultation with the Consultation Parties) by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

The Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

II. Consequences of Failing to Timely Assert an Objection

Unless you file a timely objection to the Cure Cost or the assumption or assignment of your contract or lease in accordance with the instructions and deadlines set forth herein, you shall be (a) barred from objecting to the Cure Cost set forth on Exhibit 1, (b) estopped from asserting or claiming any Cure Cost against the Debtors, or the Successful Bidder(s) that is greater than the cure cost set forth on Exhibit 1 and (c) deemed to have consented to the assumption and assignment of your contract or lease.

III. Obtaining Additional Information

Copies of the Bidding Procedures Motion, the Bidding Procedures, the Bidding Procedures Order, and all other documents filed with the Court, are available free of charge on the Debtors' case information website, located at https://restructuring.ra.kroll.com/RunItOneTime/, or can be requested by calling the Debtors' claims and noticing agent, Kroll Restructuring Administration LLC, at 1 (877) 814- 0967 (Domestic) or 1 (646) 440-4367 (International).

Exhibit 1

Supplemental Contracts Schedule

RunItOneTime LLC
Exhibit 1: Amended Cure Schedule of Executory Contracts

Notes
1. The inclusion of a contract, lease, or other agreement does not constitute a determination or admission by the Debtors and their estates or any other party in interest that such contract, lease, or agreement is an executory contract or unexpired lease within the meaning of the Bankruptcy Code.

2. Includes outstanding prepetition amounts as of 09/08/2025 only; does not include post-petition amounts, if any, that have come due and owing or may come due and owing prior to the assumption of the listed executory contract. The Debtors continue to pay postpetition amounts as they come due in the ordinary course and total cure amounts upon actual assumption of a particular executory contract will ultimately include postpetition monetary defaults, if any, in compliance with section 365 of the Bankruptcy Code.

3. Due to the limitations in the Company's systems accounts payable is sometimes recorded at the Corporate or Affiliate level versus the individual debtor entity level. Where possible, assumptions have been made to reclassify the AP amounts to the relevant entities. However, due to the volume of contracts in the Company's database there could be a mismatch between the debtor name and the potential cure amount.

SECOND SUPPLEMENTAL NOTICE OF POSSIBLE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES

You are receiving this notice because you have been identified as a counterparty to a contract or lease that may be assumed and assigned as part of a sale transaction.

Please review this notice carefully and locate your contract(s) or lease(s) on the attached exhibit.

You may wish to consult an attorney regarding this notice.

On July 14, 2025 (the "***Petition Date***"), the above captioned debtors and debtors in possession (collectively, the "***Debtors***") filed voluntary petitions for relief under title 11 of the United States Code (the "***Bankruptcy Code***") in the United States Bankruptcy Court for the Southern District of Texas (this "***Court***"), commencing the above-captioned chapter 11 cases (the "***Chapter 11 Cases***").

On August 1, 2025, the Debtors filed a motion [Docket No. 93] (the "***Bidding Procedures Motion***") seeking entry of (a) an order (the "***Bidding Procedures Order***"): (i) authorizing and approving the proposed bidding procedures substantially in the form attached to the Bidding Procedures Order as **Exhibit 1** (the "***Bidding Procedures***") in connection with a sale or disposition of certain or substantially all of the Debtors' assets (the "***Assets***") in one or more sale transactions (each, a "***Sale Transaction***" and collectively, the "***Sale***"); (ii) approving the procedures for the Debtors to select one or more Stalking Horse Bidders and to enter into related Stalking Horse Agreements; (iii) authorizing and approving procedures for the assumption and assignment of certain executory contracts and unexpired leases (the "***Assumption and Assignment Procedures***") in connection with the Sale and approving the form and manner of notice thereof; (iv) authorizing and approving the form and manner of notice of the Auction(s), if any, for the sale or sales of the

[1] A complete list of the Debtors in the Chapter 11 Cases may be obtained on the website of the Debtors' claims and noticing agent at https://restructuring.ra.kroll.com/RunItOneTime/. The Debtors' mailing address is 12530 NE 144th Street, Kirkland, Washington 98034.

Assets (the "***Auction***"), if any, the Sale and the hearing or hearings to consider approval of a Sale Transaction (each, a "***Sale Hearing***"); (v) establishing certain dates and deadlines in connection with the Sale process, including the Sale Hearing(s); and (vi) granting related relief.

On August 28, 2025, the Court entered the Bidding Procedures Order [Docket No. 178], approving, among other things, the Bidding Procedures and the Assumption and Assignment Procedures contained in the Bidding Procedures Order. All contract and lease counterparties should carefully read the Bidding Procedures Order, including the Assumption and Assignment Procedures therein, and the Bidding Procedures in their entirety.[2]

Upon the closing of an applicable Sale Transaction, the Debtors intend to assume and assign some or all of the Assigned Contracts to the applicable Buyer. On September 17, 2025, the Debtors filed a schedule listing the contracts and leases that may potentially be assumed and assigned as part of a Sale Transaction at Docket No. 446 in the Chapter 11 Cases (the "***Initial Contracts Schedule***"), and on September 29, 2025, the Debtors filed a supplemental schedule listing the contracts and leases that may potentially be assumed and assigned as part of a Sale Transaction at Docket No. 500 (the "***First Supplemental Contracts Schedule***"). Attached hereto as **Exhibit 1** is a second supplemental schedule of additional contracts and leases that that may potentially be assumed and assigned as part of a Sale Transaction (the "***Second Supplemental Contracts Schedule***")

Cure Costs, if any, for the assumption and assignment of the contracts and leases are also set forth on the Second Supplemental Contracts Schedule. Each Cure Cost listed on the Second Supplemental Contracts Schedule represents all liabilities of any nature of the Debtors arising under a contract or lease prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the closing of the applicable Sale Transaction or other applicable effective date of the assumption and assignment of such contract or lease.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A CONTRACT OR LEASE THAT MAY BE ASSUMED AND ASSIGNED AS PART OF A SALE TRANSACTION. Until the consummation of the Sale, the Debtors reserve the right, in consultation with the Successful Bidder(s) once selected, and are authorized, but not directed, to (i) designate additional Assigned Contracts, (ii) eliminate Assigned Contracts from those to be assumed and assigned to a Successful Bidder, or (iii) modify the previously stated Cure Cost associated with any contract or lease identified on the Supplemental Contracts Schedule. ***The presence of a contract or lease listed on Exhibit 1 attached hereto does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease will ultimately be an Assigned Contract assumed and assigned as part of the Sale. The Debtors reserve all of their***

rights, claims and causes of action with respect to the contracts and leases listed on Exhibit 1 attached hereto.

I. Filing Objections

Any objections to the Debtors' proposed Cure Costs must (a)(i) be in writing; (ii) state the basis for such objection; and (iii) if such objection is to a Cure Cost with respect to an Assigned Contract, state with specificity what Cure Cost the counterparty believes is required with respect to such Assigned Contract (in all cases, with appropriate documentation in support thereof), and (b) be filed with the Court and served no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of the Cure Notice (the "***Cure Objection Deadline***"), as applicable, on the following parties (the "***Objection Notice Parties***"): (1) proposed counsel to the Debtors, Latham & Watkins LLP, 355 South Grand Avenue, Suite 100, Los Angeles, California 90071-1560 (Attn: Helena Tseregounis, and Nicholas Messana) (helena.tseregounis@lw.com, and nicholas.messana@lw.com) and 1271 Avenue of the Americas, New York, New York 10020 (Attn: Andrew Sorkin) (andrew.sorkin@lw.com); (2) proposed co-counsel to the Debtors, Hunton Andrews Kurth LLP, 600 Travis St., Houston, Texas 77002 (Attn: Timothy A. "Tad" Davidson II, Ashley L. Harper, and Philip M. Guffy) (taddavidson@hunton.com, ashleyharper@hunton.com, and pguffy@hunton.com); (3) counsel to the Ad Hoc Group and Backstop Parties, Ropes & Gray LLP, 1211 Avenue of the Americas, New York, New York 10036-8704 (Attn: Ryan P. Dahl, Daniel Gwen, and Margaret Alden) (ryan.dahl@ropesgray.com, daniel.gwen@ropesgray.com, and margaret.alden@ropesgray.com); (4) the U.S. Trustee, 515 Rusk Street, Suite 3516, Houston, Texas 77002 (Attn: Jayson Ruff and Vianey Garza) (jayson.b.ruff@usdoj.gov and vianey.garza@usdoj.gov); (5) proposed counsel to the Official Committee of Unsecured Creditors, Morrison & Foerster LLP, 300 Colorado Street, Suite 1800, Austin, Texas 78701 (Attn: Lorenzo Marinuzzi) (lmarinuzzi@mofo.com) and 250 West 55th Street, New York, New York 10019 (Attn: Doug Mannal, Theresa Foudy, Benjamin Butterfield, and Raff Ferraioli) (dmannal@mofo.com, tfoudy@mofo.com, bbutterfield@mofo.com, and rferraioli@mofo.com); and (6) any Successful Bidder(s).

In the event that you receive a further Supplemental Cure Notice that either (i) designates your contract or lease as an Assigned Contract for the first time or (ii) modifies the previously stated Cure Costs associated with any such contract or lease, the Cure Objection Deadline shall be extended to no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of such Supplemental Cure Notice, solely to the extent such objection relates to the newly-designated Assigned Contract or the decreased Cure Cost, as applicable.

The next Sale Hearing shall be held before the Honorable Judge Alfredo R. Perez on **November 13, 2025, at 1:00 p.m. (prevailing Central Time)**, or such other date as determined by the Court, at the United States Bankruptcy Court for the Southern District of Texas, 515 Rusk Street, Courtroom No. 400, Houston, Texas 77002.

Subject to the Milestones contained in the DIP Orders, the Sale Hearing may be continued to a later date by the Debtors (in consultation with the Consultation Parties) by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

The Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

II. Consequences of Failing to Timely Assert an Objection

Unless you file a timely objection to the Cure Cost or the assumption or assignment of your contract or lease in accordance with the instructions and deadlines set forth herein, you shall be (a) barred from objecting to the Cure Cost set forth on Exhibit 1, (b) estopped from asserting or claiming any Cure Cost against the Debtors, or the Successful Bidder(s) that is greater than the cure cost set forth on Exhibit 1 and (c) deemed to have consented to the assumption and assignment of your contract or lease.

III. Obtaining Additional Information

Copies of the Bidding Procedures Motion, the Bidding Procedures, the Bidding Procedures Order, and all other documents filed with the Court, are available free of charge on the Debtors' case information website, located at https://restructuring.ra.kroll.com/RunItOneTime/, or can be requested by calling the Debtors' claims and noticing agent, Kroll Restructuring Administration LLC, at 1 (877) 814- 0967 (Domestic) or 1 (646) 440-4367 (International).

Second Supplemental Contracts Schedule

RunItOneTime LLC

Exhibit 1: Amended Cure Schedule of Executory Contracts and Unexpired Leases

Notes

1. The inclusion of a contract, lease, or other agreement does not constitute a determination or admission by the Debtors and their estates or any other party in interest that such contract, lease, or agreement is an executory contract or unexpired lease within the meaning of the Bankruptcy Code.

2. Includes outstanding prepetition amounts as of 09/08/2025 only; does not include post-petition amounts, if any, that have come due and owing or may come due and owing prior to the assumption of the listed executory contract. The Debtors continue to pay postpetition amounts as they come due in the ordinary course and total cure amounts upon actual assumption of a particular executory contract will ultimately include postpetition monetary defaults, if any, in compliance with section 365 of the Bankruptcy Code.

3. Due to the limitations in the Company's systems accounts payable is sometimes recorded at the Corporate or Affiliate level versus the individual debtor entity level. Where possible, assumptions have been made to reclassify the AP amounts to the relevant entities. However, due to the volume of contracts in the Company's database there could be a mismatch between the debtor name and the potential cure amount.

THE COURT: All right. Why don't we start.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Good afternoon, your Honor. Helena Tseregounis from Latham and Watkins on behalf of the Debtors.

THE COURT: Okay.

(Pause in the proceeding.)

THE COURT: Mr. Gwen?

(Pause in the proceeding.)

MR. GWEN: Good afternoon, your Honor. Daniel Gwen from Ropes and Gray on behalf of an Ad Hoc Group of Lenders and

Certain of the DIP Lenders. I'm joined with my co-counsel from Porter Hedges, John Higgins and Megan Young-John.

THE COURT: All right. Mr. Ferraioli?

MR. FERRAIOLI: Good afternoon, your Honor. Raff Ferraioli of Morrison and Foerster on behalf of the Official Committee of Unsecured Creditors.

THE COURT: All right. And Mr. —— Mr. Forsh.

MR. FORSH: Good afternoon, your Honor. David Forsh from Raines Feldman Littrell on behalf of the successful bidder for the Poker Co. assets and Mr. Persane.

THE COURT: All right. Thank you.

Anyone else wish to make an appearance?

(No response.)

THE COURT: All right. Who's taking the lead?

(Pause in the proceeding.)

MS. TSEREGOUNIS: I will, your Honor.

THE COURT: Okay.

MS. TSEREGOUNIS: Good afternoon, again. Helene Tseregounis from Latham and Watkins on behalf of the Debtors.

Wanted to thank you for accommodating our schedule and also accommodating us remotely, as well. We appreciate that.

And I should have mentioned during my appearances, but I'm also joined by my colleagues, Mr. Messana and Miss Quartarolo, as well, from Latham.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Today, we have one agenda —— one item on the agenda, I should say, which is the approval of the sale of certain of the Debtor's assets.

We previously described these at the Poker Co. assets. So I'll use that term here today. And the Poker Co. assets include four of the Debtor's operating properties in Washington state, including the working capital required to operate those businesses.

Just for the record, I have some docket references. The sale and bidding procedures motion was filed at Docket Number 33. Your Honor's order approving those procedures is at Docket Number 178. We also filed notices of the sale hearing and the auction on the docket at Docket Number 450. And those notices were served on the requisite parties as reflected in Kroll's affidavit of service on the docket. And that's Docket Numbers 453 and 466.

We also published notice of the sale hearing and auction in a number of publications, including the Wall Street Journal —— Journal. And that's also reflected in Kroll's affidavit, Docket Number 455.

Finally, on September 20th, we filed a Notice of Successful and Back-up Bidder with respect to the Poker Co. assets and that's at Docket Number 469.

I'm happy to report that the sale of the Poker Co.

assets is currently uncontested. So we haven't filed a reply briefing, but there were no objections. But we did file some supplementary briefing and a memorandum. That's at Docket Number 483.

And in addition, the —— most importantly, we have our proposed sale order at Docket Number 486. This sale order incorporates comments from the buyer and the two consultation parties to the Poker Co. sale, the Ad Hoc Lender group, and the Unsecured Creditors Committee.

We also provided a draft of the sale order to the back-up bidder as well.

(Pause in the proceeding.)

MS. TSEREGOUNIS: I appreciate your Honor's consent. I know that we filed these earlier today. We had a relatively short window because of the sale objection deadline being yesterday. So we just wanted to make sure we were able to get documents that reflected all the parties' people.

And, of course, I'm happy to walk through any questions or comments that your Honor may have.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Before we ——

THE COURT: Yeah. I —— I don't have ——

MS. TSEREGOUNIS: Yes. Go ahead, your Honor.

THE COURT: —— any —— I don't have any particular questions.

(Pause in the proceeding.)

THE COURT: So, go ahead. I mean, I think ——

MS. TSEREGOUNIS: Okay.

THE COURT: I think where you've talked about the sale of the Poker —— Poker Co. assets for a while. So, I don't —— I —— I think I understand what's going on.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Okay. And I was planning on describing where we are generally with the sale process and what we are not selling today if you think that would be helpful, your Honor. I'm happy to do that ——

THE COURT: Yeah. And ——

MS. TSEREGOUNIS: —— briefly.

THE COURT: —— and —— and, you know, the —— there's a continued or a —— a new sale hearing set for October 9 in about, you know, 2 weeks and a day. And I just —— and ——

MS. TSEREGOUNIS: Yes.

THE COURT: —— want to understand what, if anything's going to go forward at that time.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Yes. No problem, your Honor.

So in terms of what we're doing today, as mentioned, just the sale of the Poker Co. assets. There are a number of other assets we are continuing to market. And we're currently engaged with Debtors on those assets.

As you noted, we currently have a sale hearing for October 9th. We do intend to move forward at that —— on that date. If something changes we will advise your Honor as soon as possible and file a notice, and —— and serve the appropriate parties with that notice. But our current schedule is that October 9th sale hearing date.

I think it's also worth noting that we had an auction this past Friday, which was for the Poker Co. assets, but also included the Z Casino (phonetic) assets. We are not seeking to approve the sale of those assets here today.

The existing lenders were the successful bidder in that auction, with a credit bid. Their bid is contingent on them also being the successful bidder with respect to certain other assets that are currently planning —— we're currently planning to go forward with on October 9th.

So we thought it made sense to defer the sale hearing on the casino to line up with those assets. And we do also have a back-up bidder for the Z Casino assets as well.

So I just wanted to clarify. Because I know some of the notices mentioned Z Casino.

THE COURT: Okay.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Okay. So, I'd like to move on to the evidentiary presentation.

THE COURT: Go ahead.

MS. TSEREGOUNIS: We filed our witness and exhibit list at Docket Number 484. We are requesting that the Court admit the exhibits located at Docket Numbers 484-1 through 484-11. Included in that exhibit list we have filed three declarations in connection with the approval of the sale.

That's the declaration of Mr. Tobias Keller, who is one of the members of the Debtor's board and the special committee. That's at Docket Number 484-10. The declaration of Mr. Mack Rosoff (phonetic), the Debtor's investment banker at Docket Number 484-9. And finally, the declaration of Mr. Eric Persane, the principal of the successful bidder for the Poker Co. assets. And that's at Docket Number 484-11.

At this time, I would ask to move all of the exhibits, including the three declarations into evidence. Mr. Keller, Mr. Rosoff, and Mr. Persane are all present at today's hearing remotely and available to be on camera for cross examination as needed.

THE COURT: All right. Let —— let's —— let's take care of the declarations separately. And then we'll go do the other exhibits.

So with respect to the declaration of Mr. Rosoff at 484-9, does anyone object to the admission of that declaration as Mr. Rosoff's direct testimony?

(No response.)

THE COURT: All right. Hearing no objection, that ——

that declaration will be admitted as his direct testimony, subject to cross examination at the appropriate time if —— if necessary.

(Debtor's Exhibit Number 484-9 was received into evidence.)

THE COURT: With respect to Exhibit 484-10, does anyone object to the admission of the declaration of Mr. Keller as his direct testimony in connection with the sale process?

(No response.)

THE COURT: All right. Hearing no objection, I will admit the declaration of —— Mr. Keller's declaration as his direct testimony, subject to cross examination at the appropriate time.

(Debtor's Exhibit Number 484-10 was received into evidence.)

THE COURT: With respect to Exhibit 484-11, the declaration of Mr. Persanes, does anyone object to the admission of that declaration as his direct testimony?

(No response.)

THE COURT: Okay. Hearing no objection, that will be admitted, again, subject to cross examination at the appropriate time if necessary.

(Debtor's Exhibit Number 484-11 was received into evidence.)

THE COURT: All right. With respect to Exhibit 1 ——

484-1 through 484-8, does anyone object to the admission of those exhibits in connection with the sale of the Poker Co. assets?

(No response.)

THE COURT: All right. Hearing no objection, Exhibits 484-1 to 484-8 will be admitted.

(Debtor's Exhibit Numbers 484-1 through 484-8 were received into evidence.)

THE COURT: All right. You may proceed.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Thank you, your Honor.

Moving on to the legal argument, as I mentioned earlier, we are very happy to be here with an uncontested motion on the sale of the Poker Co assets.

I'd like to first just give a brief background of the auction and sale process and then talk about why the Debtors are seeking approval of the sale today.

The successful bidder on proposed purchase —— purchaser is Maverick Gaming, LLC, which is an entity affiliated with Mr. Eric Persane, who your Honor may remember is the Debtor's pre-petition CEO, and the majority shareholder, and who we sometimes refer to as the supporting shareholder in certain of our pleadings, including the pre-petition TSA.

Mr. Persane also served as the stalking horse bidder in the auction. Mr. Persane emerged as the successful bidder

following a very robust and competitive auction held last Friday, September 19th. There was one other qualified bidder TIL Gaming, who has been selected as back-up bidder.

Both Mr. Persane's bid and the TIL Gaming bid were valued at 16 million at the start of the auction. And we are very happy to report that as a result of the competitive process, both Mr. Persane and TIL Gaming significantly increased their bids, resulting in a winning bid of 18 million in cash and non-cash consideration, with the back-up bid at 27 million.

The purchase price of the successful bid has two components, the 25 million in cash and then 3 million in non-cash consideration. Your Honor may remember this $3 million number from the Transaction Support Agreement that was entered into pre-petition by the Debtor's, the supporting shareholder, and the existing lender.

This valuation of the non-cash consideration with a material term of the supporting shareholder agreeing to serve as the stalking horse bidder. And as reflected in the Rosoff and Keller declarations agreement on the value of the non-cash consideration was the product —— product of extensive negotiations between the Debtors, the lenders, and the supporting shareholder, and approved initially by the Debtor's Board of Directors with the supporting shareholder recusing himself, and subsequently approved, again, in connection with

entry to the stalking horse agreement and designation of the successful bidder as a special committee of the Debtors. And the special committee of the Debtors is made up of three wholly-independent directors.

(Pause in the proceeding.)

MS. TSEREGOUNIS: The Debtors believe the sale represents a significant achievement in this case, particularly —— particularly in light of the significant increase in value of the assets achieved through the auction.

And we believe that the decision to enter into this sale is approvalable and should be approved as a valid exercise of —— of the Debtor's business judgment. In the alternative, even if the Court were to apply the entire fairness standard, the Debtors believe that the evidence provided on the record also supports entry and approval of the sale as a value maximizing transaction following a fair and open sale process.

Now I'll rely on our memorandum that was filed to go into depth on the legal argument and case law. But I would like to highlight a few elements that I think are —— are helpful and notable for the record.

First, it's fair process. Given Mr. Persane's historical role with the Debtor, we took significant efforts to ensure negotiations for the sale were accepted in good faith and at arms' length.

And consistent with the bid procedures, Mr. Persane

was screened off from any participation in the Debtor's sale process, except in his role as a bidder. He was also represented by separate counsel, Mr. Forsh, who is before the Court today. And on the Debtor's side, and as reflected in the Keller declaration, the sale process was overseen and approved by the Debtor's special committee.

Counsel to the UCC and the existing lenders on behalf of their respective clients were also both entitled to consultation rights under the bid procedures. They each played a significant role in connection with that sale process and the ultimate auction and sale of these assets to Mr. Persane.

(Pause in the proceeding.)

MS. TSEREGOUNIS: The second thing I'd like to note is fair price.

We believe that the price is more than fair after the conclusion of the robust auction between our two qualified bids. The final purchase price followed multiple rounds of bidding, which ultimately reached 28 million, which is a price that is 12 million higher than the stalking horse bid.

And from a business judgment perspective, we —— the Debtors submit that it is a valid exercise of their business judgment to enter into this sale. This decision to consummate the sale represents a purchase price that is value maximizing for the Debtor's estate.

I'm happy to take your Honor's guidance on whether

you have any further questions or would like to hear from any other parties.

THE COURT: I don't have any questions.

Yeah. Anyone else wish to be heard?

(Pause in the proceeding.)

MR. FERRAIOLI: Good afternoon, your Honor. Ralph Ferraioli of Morrison and Foerster on behalf of the Official Committee of Unsecured Creditors.

I —— I don't know that we have much to add to today's presentation. But I did think it might be helpful for the Court to hear some —— some of our views. I don't know if now is the right time for that or ——

THE COURT: No. Go ahead. Yes.

MR. FERRAIOLI: —— if you like to wait —— okay.

So, it's certainly no surprise, I'm sure, to the Court that the Committee has been laser focused on maximizing and preserving value in —— in these cases.

Our end goal, and I think that over the past few weeks has become clear that we're all rowing in the same direction. It's to pave a path to exit Chapter 11 in a way that benefits all stakeholders, as opposed to a select few.

Now, part of achieving that is —— is certainly having a robust sale process. And I can confirm that we did attend the auction in our capacity as a consultation party. And we are pleased that there were multiple rounds of competitive

bidding.

The proposed sale today is a sale to an insider. So we also worked to ensure that potentially valuable estate claims would be preserved.

I don't know if that was in the declarations of these Debtor's papers presented today. You probably also saw —— your Honor probably also saw in the sale order some language to that effect.

But I just think it's important to highlight that. The Committee's investigation is ongoing. But I think it's fair to say that all parties are aligned and agree that nothing in the Poker Co. sale transaction should release Mr. Persane, any other insider, any director, or —— or officer, or anybody from any estate claims or causes of action.

All, of course, except for the limited avoidance claim related to executive compensation and benefits that are being purchased by the Poker Co. buyer, pursuant to the terms of the ATA.

We did have a chance to review the sale order and comment on the sale order. And I am pleased to report that our —— our issues and concerns were resolved. And I do thank the parties for working with us on that.

So we do not intend to stand in the way of this entry this afternoon.

THE COURT: Thank you. All right.

MR. FERRAIOLI: Thank you.

THE COURT: Anyone else wish to be heard?

(Pause in the proceeding.)

(No response.)

THE COURT: All right. Okay. So, I had —— I had an opportunity to review, obviously, the motion, the —— the exhibits, the various declarations. I —— I think that I —— I'm very happy that there was a robust auction. This is a sale to an insider. And I think this is probably a textbook example of how that should work.

I —— isolating the purchaser from the process, having independent directors, wholly-independent director, advised by experienced and —— and, you know, very, very experienced professionals, insulate them from the process.

I think that this —— this is governed by the business judgment test, even if we had to do the entire fairness. I think that the fact that there was a —— a significant robust auction where the price increased by 75 percent, I think that's —— that's the proof that —— that you need.

So on the basis of the uncontroverted testimony in the record, the fact that there are no objections, and the fact that the evidence indicates that there was a robust auction, that the sale to an insider was handled in a —— in a way that gives a lot of comfort to the Court that value was maximized and that it is in the best interest of the estate.

So on that basis, I'm going to enter the sale —— enter the sale order. So give me a minute.

(Pause in the proceeding.)

MS. TSEREGOUNIS: Thank you, your Honor.

(Pause in the proceeding.)

THE COURT: All right. I signed that and sent it to docketing. Should be on the docket momentarily.

MS. TSEREGOUNIS: Thank you. Thank you so much, your Honor.

The Debtor's don't have anything further for today. So we look forward to seeing you in a couple of weeks.

THE COURT: All right.

(Pause in the proceeding.)

THE COURT: Anything further?

And —— and at this point, I'm not quite sure whether the 9th will have to be a virtual hearing. I know it's like right before the —— the holiday weekend. So ——

(Pause in the proceeding.)

THE COURT: I'm —— just ——

(Pause in the proceeding.)

THE COURT: Mr. Laws will communicate with Mr. Guffy about whether we —— whether we can —— whether it'll be all virtual or not.

MS. TSEREGOUNIS: Okay.

THE COURT: All right. Thank you.

So we're —— we're in recess till tomorrow morning. Thank you all.

MS. TSEREGOUNIS: Thank you.

(This proceeding was adjourned at 02:20 p.m.)

3. On the date hereof (the "***Petition Date***") the Debtors commenced voluntary cases (the "***Chapter 11 Cases***") under chapter 11 of title 11 of the United States Code (the "***Bankruptcy Code***"). I submit this Declaration on behalf of the Debtors in support of their (a) voluntary petitions for relief and (b) all "first-day" pleadings filed by the Debtors (collectively, the "***First Day Pleadings***").

4. As set forth above, I am knowledgeable about and familiar with the Debtors' day-to-day operations, business and financial affairs, books and records, and the circumstances that led to the commencement of the Chapter 11 Cases. Except as otherwise indicated herein, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by the Company's other officers, directors, and restructuring advisors, including professionals at Latham & Watkins LLP ("***Latham***"), Hunton Andrews Kurth LLP ("***Hunton***"), GLC Advisors & Co., LLC ("***GLC***"), Portage Point Partners ("***Portage Point***"), and Kroll Restructuring Administration LLC ("***Kroll***" and, together with Latham, Hunton, GLC, and Portage Point, the "***Advisors***"), and my opinion based upon experience, knowledge, and information concerning the Company's operations and financial condition. If called upon to testify, I would testify to the facts as set forth in this Declaration.

5. I have reviewed the Debtors' petitions and the First Day Pleadings, or have otherwise had their contents explained to me, and it is my belief that the relief sought therein is essential to ensure the continued operation of the Debtors' business and to successfully maximize the value of the Debtors' estates.

6. This Declaration is organized into five parts. Part I of this First Day Declaration provides a general overview of the Debtors' business and the chapter 11 filing. Part II provides an overview of the Debtors' organizational structure and operations. Part III provides an overview of the Debtors' prepetition capital structure. Part IV provides an overview of the circumstances leading to the commencement of the Chapter 11 Cases and the Debtors' proposed path forward in chapter 11. Part V lists the First Day Pleadings and provides support for the relief requested therein.

I. Introduction and Overview

7. Founded in 2017 by former Las Vegas Sands executives Eric Persson and Justin Beltram, the Debtors are a privately held gaming and entertainment company focused on acquiring undervalued gaming assets and implementing operational changes to improve profitability. The Debtors own and operate 17 card rooms in Washington State and own several casino hotels in Nevada and Colorado. In Nevada and Colorado, the Debtors' casinos offer a variety of games, including roulette, craps, sports betting, and dealer-assisted electronic table games. The Debtors also have an industry-leading business they acquired in 2020, called EGads!, that specializes in the design, fabrication, assembly and installation of casino interiors, custom signage, lighting, and architectural treatments.

8. Despite successes in turning around many of the gaming assets it has acquired, the Company has faced a variety of factors that have severely limited its growth in the last few years, precipitating the current financial distress and inability to address its capital structure that have led to the commencement of these Chapter 11 Cases. These factors include significant competition from tribal casinos in their key Washington market, operational misalignments, and industry headwinds more generally. In addition, the Debtors have faced significant liquidity pressure arising from their significant debt service obligations under their Prepetition Credit Facility (as

defined herein), which is secured by substantially all of the assets of the Debtors. These collective issues have in turn put increasing pressure on the Company's revenues and its ability to meet certain of its obligations and financial covenants under its recently refinanced Prepetition Credit Facility.

9. Recognizing these financial challenges, the Debtors' management evaluated and pursued a number of paths over recent months to attempt to raise additional financing, including considering and pursuing third party sources of capital. I understand that in April 2025, the Debtors, with the support of GLC, also began focused discussions with an organized ad hoc group of lenders under the Prepetition Credit Facility (the "***Ad Hoc Group***") to determine whether a deal could be reached with their existing lenders. Ultimately, the Company determined that the only viable path forward to pursue the financing necessary to continue operations would require a deal with their existing lenders.

10. I understand that after numerous rounds of negotiations, the Company, Mr. Persson (in his capacity as the majority equity holder of the Debtors and including his heirs, successors and assigns, the "***Supporting Shareholder***") and prepetition lenders that collectively beneficially own or control approximately (a) 78% of the aggregate principal amount of outstanding First Out Term Loans (as defined herein) and (b) 70% of the aggregate principal amount of Second Out Term Loans (as defined herein) under the Prepetition Credit Facility (collectively, the "***Supporting Lenders***") reached agreement on the terms of that certain Transaction Support Agreement, dated as of June 25, 2025 (the "***Transaction Support Agreement***"), a copy of which is attached hereto as **Exhibit A**. The restructuring transactions contemplated by the Transaction Support Agreement call for the sale or other disposition of substantially all of the Company's core assets in three

separate business segments through either a section 363 sale process or a plan of reorganization (the "***Restructuring***"), as further described below.

11. The Transaction Support Agreement separates the Debtors' business operations into three categories: (1) "PokerCo," which is composed of the following Washington card rooms: Aces Poker Lakewood, Aces Poker Mountlake Terrace, Caribbean Casino and Caribbean Cardroom (including any working capital available that is required to operate the businesses), (2) "LeaseCo," which is composed of the properties subject to the Blue Owl Master Lease (as described in more detail below), and (3) "MainCo," which is composed of the remainder of the Debtors' existing businesses, interests, and tangible and intangible assets. With respect to these three categories of operations, the Transaction Support Agreement generally provides[2]:

(1) ***PokerCo.*** The Debtors and the Supporting Shareholder (or its designee, in such capacity, "***EP BidCo***"), shall enter into a binding stalking-horse purchase agreement, pursuant to which the Supporting Shareholder shall agree to be a staking horse bidder for the PokerCo assets (the "***PokerCo Stalking Horse Purchase Agreement***") pursuant to section 363 of the Bankruptcy Code for a cash purchase price of $13 million, subject to a court-approved marketing and sale process and court approval.

The PokerCo Stalking Horse Purchase Agreement shall provide that such sale is subject to (i) an earnout agreement that shall be effective in the event of certain subsequent sales of the PokerCo assets, (ii) the assumption of certain liabilities and (iii) customary expense reimbursement and overbid protections.

(2) ***LeaseCo.*** The Debtors, in consultation with the Requisite Supporting Lenders, will negotiate in good faith for an amendment or modification to the Blue Owl Master Lease.

(3) ***MainCo.*** The Debtors will (i) conduct a sale and marketing process for MainCo pursuant to section 363 of the Bankruptcy Code, subject to a credit bid by the Prepetition Lenders or (ii) pursue confirmation of a chapter 11 plan that results in the conversion of a portion or all of the existing term loans under the Prepetition Credit Facility into equity of MainCo on a reorganized basis, or (iii) pursue such

[2] The summary of the Transaction Support Agreement terms set forth below are qualified in all respects by the Transaction Support Agreement. In the event of any inconsistency with this summary and the Transaction Support Agreement, the terms of the Transaction Support Agreement control. Capitalized terms used but not defined in this summary have the meanings ascribed to them in the Transaction Support Agreement.

other alternative restructuring transactions as may be appropriate under the cirucmstances.

Licensing Agreement. Entry into a licensing agreement between the Requisite Supporting Lenders, the Debtors, and EP BidCo, where EP BidCo will (i) enter into a non-exclusive license of certain of the Debtors' intellectual property (the "***Maverick/Aces IP***") in exchange for $100,000 payment and revenue-sharing arrangement entitling the Debtors (or MainCo, if it acquires the respective assets) to 25% of the adjusted EBITDA generated by EP BidCo from current and future poker partnerships using the Debtors' IP for three years from the closing date of the sale transaction and (ii) the transfer of Maverick/Aces IP to EPBidCo (or a designee thereof) on the closing date.

12. Despite the progress reflected in the Transaction Support Agreement, the Debtors' limited liquidity, ongoing business deterioration, and financial circumstances have made it difficult for the Debtors to negotiate and finalize a reorganized balance sheet and emergence capital structure for each of the proposed reorganized business silos before the commencement of these chapter 11 cases. The Debtors are therefore expecting to continue working with its prepetition lenders and economic stakeholders on the implementation of a restructuring under the purview of this Court. A critical component, therefore, of these chapter 11 cases is the Debtors' proposed postpetition debtor-in-possession financing (the "***DIP Financing***"). Certain members of the Ad Hoc Group (the "***Backstop Parties***") have agreed to provide the DIP Financing to the Debtors (the "***DIP Facility***" and the lenders thereunder, the "***DIP Lenders***") in the amount of $7.5 million of new money and $15 million as a roll-up of the First Out Term Loans (as defined below) on a 2:1 basis, to be made available pursuant to the Interim Order, to fund the Debtors' operations for a four-week period while the Debtors and the Prepetition Lenders determine the funding requirements to facilitate a value-maximizing transaction.

13. I understand that the Transaction Support Agreement and the Restructuring are the product of extensive, arm's-length negotiations among the Company and its key stakeholders. I understand further that the Debtors, with the support of their Advisors, have evaluated all potential

strategic alternatives to address their capital structure and mounting liquidity issues. I am not aware of any other alternative transactions that would be possible without the existing lenders' involvement and support. With these goals in mind, the Debtors have determined that the commencing the Chapter 11 Cases in order to effectuate the Restructuring memorialized in the Transaction Support Agreement is the best available path for the Company to strengthen its operations by addressing its funded debt, while providing their businesses with the best chance of success on a go-forward basis.

II. Company and Operations

A. Corporate Organization

14. RunItOneTime HoldCo, Inc. ("***RunItOneTime Parent***"), is the ultimate parent of, and owns, directly or indirectly, all of the Debtor entities other than the Licensed Operator Affiliate Debtors (the "***Maverick Debtors***"). The Licensed Operator Affiliate Debtors are affiliates of the Maverick Debtors that hold most of the gaming licenses used in the Debtors' businesses. The Licensed Operator Affiliates Debtors are majority owned by the Supporting Shareholder and are affiliated with the Maverick Debtors by virtue of majority common ownership by the Supporting Shareholder.[3] A capitalization table reflecting the ownership of the Licensed Operator Affiliate Debtors is provided in Section III.B below and an organizational chart of the Debtors is attached hereto as **Exhibit B**.

B. Headquarters and Employees

15. The Debtors maintain their corporate headquarters in Kirkland, Washington, and are led by a management team with extensive experience in the gaming and hospitality industry.

[3] The "Licensed Operator Affiliates" include Debtors Wendover Resorts Operator, LLC, Elko Resorts Operator, LLC, Colorado Resorts Operator, LLC, Red Garter Operator, LLC, Wendover Nugget Operator, LLC, Gold Country Operator, LLC, Red Lion Operator, LLC, High Desert Operator LLC, Johnny Z Casino Operator LLC, Z Casino Black Hawk Operator LLC, and Grand Z Casino Operator LLC.

The Debtors also maintain separate company headquarters in Las Vegas, Nevada for the EGads! business. As of the Petition Date, the Debtors have approximately 2,900 employees based in Nevada, Washington, Colorado, and Utah.

C. Business Operations

16. The Debtors own and operate a portfolio of casinos, card rooms, hotels, and other gaming- and hospitality-related assets across Washington, Nevada, and Colorado. The existing portfolio includes 26 operating properties, with 17 card rooms in Washington State, four hotel-casino properties and a gas station/convenience store in Nevada, and one hotel-casino property, two casinos, and a gas station/convenience store in Colorado. Collectively, the Debtors' properties include a total of approximately 2,500 slot machines, 320 table games, 1,200 hotel rooms, and 30 restaurants. The Debtors' portfolio also includes (a) the EGads! fabrication and installation business, (b) the Utah Trailways charter company that facilitates customer gaming excursions from Salt Lake City, Utah, to the Debtors' operating properties in Wendover, Nevada, and (c) nine non-operating properties.[4]

1. Property Portfolio

18. ***Nevada***. The Debtors' Nevada property portfolio includes five operating and one non-operating property, reflecting approximately 1,400 slots and 41 table games over 118,000 square feet of casino space, 1,000 hotel rooms, and a gas station/convenience store. The Debtors' properties in Nevada include the following:

19. ***EGads!*** The Debtors' Nevada operations also include the EGads! business. Opened in 1988, EGads! designs, manufactures, installs, and services displays, themed elements, specialty fabrications, and architectural treatments for casinos and other gaming-related operations throughout the United States and abroad. The Company acquired EGads! in 2020 for approximately $11 million. EGads!'s headquarters is located in Las Vegas, Nevada, and encompasses over 200,000 square feet of in-house design space, as well as lighting design, electrical, sheet metal and welding, computer numerical control (CNC) routing and plasma cutting, sculpting, mold making, resin manufacturing, painting, and faux finishing operations. EGads! has four strategically placed service and installation facilities in California, Mississippi, Oklahoma, and Nebraska. The company employs approximately 150 employees. The EGads! design team consists of nine internationally known artists, designers, and sculptors.

20. EGads! has been one of the more profitable segments of the Company's business in recent years due to various operational improvements implemented by the Debtors' management team. Since 2022, EGads! has, among other things, (a) gained significant market share with slot machine original equipment manufacturers (OEMs) due to the Company's management team leveraging their long-standing relationships with OEM executives;

(b) increased manufacturing efficiencies by shifting metal fabrication to Mexico, and (c) lowered its cost of goods sold (COGS) and increased liquidity by increasing bulk purchasing on key manufacturing goods. Net revenue grew from $22.1 million in 2022 to $33.2 million in 2024, with EBITDA rising from $4.9 million to $10.6 million in the same period.

21. ***Colorado.*** The Debtors' Colorado property portfolio includes four operating properties, reflecting approximately 1,100 slots and 18 table games over 49,000 square feet of casino space, 118 hotel rooms, and a gas station/convenience store. The Debtors' properties in Colorado include the following:

Property Name	Location	Casino Sq. Ft.	Slots	Table Games	Hotel Rooms	Property Type
Grand Z Casino & Hotel	Central City, CO	28,933	576	8	118	Casino
Dragon Tiger Casino	Central City, CO	8,325	215	10	N/A	Casino
Z Casino	Black Hawk, CO	12,119	313	0	N/A	Casino
Mobil Gas Station	Golden, CO	N/A	N/A	N/A	N/A	Gas Station

2. Sale-Leasebacks

22. A number of the Debtors' properties are subject to sale-leaseback arrangements with (a) certain affiliates of Blue Owl Capital Inc. (collectively, including their predecessors, successors, and assigns, "***Blue Owl***") and (b) certain affiliates of Angelo, Gordon & Co., LP (collectively, including their predecessors, successors, and assigns, "***Angelo Gordon***"), in connection with a series of transactions from 2021 to 2023, as described below.

23. ***Blue Owl.*** Certain of the Debtors are party to that certain Second Amended and Restated Master Lease, dated as of July 6, 2023, with Blue Owl (as may be amended, restated, or supplemented from time to time, the "***Blue Owl Master Lease***"). On September 1, 2022, the Company initially sold Coyote Bob's Casino, Casino Caribbean (Yakima, Washington), Crazy

Moose Casino (Pasco, Washington), Great American Casino Everett, and Macau Casino Lakewood (collectively, the "***Original Facilities***") to Blue Owl for approximately $110.3 million, and contemporaneously entered into a sale-leaseback arrangement with respect to these properties pursuant to the Blue Owl Master Lease. The Company subsequently entered into further sale-leasebacks with Blue Owl pursuant to the Blue Owl Master Lease, including (a) the sale of the Great American Casino Tukwila (the "***Tukwila Facility***"), Gold Country Inn & Casino, Maverick Casino Hotel Elko, and Mobil Gas Station (Elko, Nevada) (collectively, the "***Elko Facilities***") on October 6, 2022, for $47.3 million, (b) the sale of the Riverside Casino, Chips Casino, and Palace Casino (collectively, the "***Evergreen Facilities***") on June 1, 2023, for $40.5 million, and (d) the sale of the All Star Casino (the "***All Star Facility***," and together with the Original Facilities, the Tukwila Facility, the Elko Facilities, the Evergreen Facilities, and the All Star Facilities, the "***Blue Owl Facilities***") on July 1, 2023, for $7 million.

24. The initial term under the Blue Owl Master Lease the 40th anniversary of July 6, 2023, and beginning on the date each of the Blue Owl Facilities added to the Blue Owl Master Lease; specifically, (i) September 2, 2022, with respect to the Original Facilities, (ii) October 6, 2022, with respect to the Tukwila Facility and Elko Facilities, (iii) June 5, 2023, with respect to the Evergreen Facilities, and (iv) July 6, 2023, with respect to the All Star Facility. The Blue Owl Master Lease provides that parties may agree to subsequent 20-year renewal terms prior to expiration of the initial term. As of the Petition Date, total rent payments under Blue Owl Master Lease are approximately $17.8 million annually.

25. As a result of liquidity challenges, the Debtors have not funded rent payments to Blue Owl since April 2025. As of the Petition Date, the Debtors owe approximately $5.9 million in unpaid rent to Blue Owl under the Blue Owl Master Lease with $1.5 million coming due August

1, 2025. The Debtors are in discussions with Blue Owl and will look to address the treatment of the Blue Owl Master Lease as part of the Chapter 11 Cases.

26. ***Angelo Gordon.*** Certain of the Debtors are party to that certain Master Lease, dated as of September 3, 2021, with Angelo Gordon (as may be amended, restated, or supplemented from time to time, the "***Angelo Gordon Lease***"). On September 1, 2021, the Company sold the land under the Wendover Nugget Hotel & Casino, Red Garter Hotel & Casino, Grand Z Casino Hotel, and Johnny Z's Casino to Angelo Gordon for approximately $93 million and contemporaneously entered into a sale-leaseback arrangement with respect to these properties pursuant to the Angelo Gordon Lease.

27. The initial term of the Angelo Gordon Lease is 20 years, which began on September 3, 2021. The Angelo Gordon Lease provides that the parties may agree to four separate renewal terms of seven years prior to expiration of the then-current term. As of the Petition Date, total rent payments under Angelo Gordon Lease are approximately $8.5 million annually.

28. The Company also incurred approximately $26 million in capital gains taxes with respect to tax years 2022 and 2023 related to the sale-leaseback transactions with Blue Owl and Angelo Gordon. The Company has sought to address these liabilities through an offer-in-compromise (OIC) submitted to the Internal Revenue Service in October 2024. Although the OIC has yet to be accepted, the Company made eight payments in respect of the OIC prior to the Petition Date. Given the Chapter 11 Cases, the Company will seek to address the outstanding tax liability as part of its in-court restructuring process.

3. Gaming Regulations and Operating Structure

29. The Debtors' gaming enterprises and the EGads! business are subject to applicable gaming regulations in each of the three states in which the Debtors operate, including requiring that operators hold gaming licenses in the relevant jurisdictions to operate. In general, gaming

licenses are not freely transferable, as they are considered "revocable privileges" from the state licensing authority. In certain jurisdictions, the state gaming authorities and regulatory bodies (collectively, with the local and federal gaming authorities and regulatory bodies to whose jurisdiction the Debtors are subject, the "***Gaming Regulators***") require suitability reviews or other licensing requirements for any entity or individual who holds any amount of ownership or control over gaming operations.

30. In Nevada and Colorado, the Debtors address the gaming regulatory regime in part through a structure under which the Licensed Operator Affiliate Debtors hold the required gaming and liquor licenses and (a) lease or sublease certain regulated properties and (b) contract with the PropCos (defined below) to operate such regulated properties (the "***OpCos***"). The underlying regulated properties are owned or leased by certain of the Maverick Debtor entities in the corporate structure (the "***PropCos***"). A chart summarizing the OpCo/PropCo structure is provided below.

OpCo Entity	PropCo Entity	Facility
Red Garter Operator, LLC	Maverick Wendover LLC	Red Garter Hotel & Casino
Wendover Nugget Operator, LLC	Maverick Wendover LLC	Wendover Nugget Hotel & Casino
Gold Country Operator, LLC	Maverick Elko LLC	Gold Country Inn & Casino
Red Lion Operator, LLC	Maverick Elko LLC	Maverick Casino Hotel Elko High Desert Inn Mobil Gas Station
High Desert Operator LLC	Maverick Elko LLC	High Desert Inn
Johnny Z Casino Operator LLC	Maverick Z Casinos LLC	Johnny Z's Casino
Grand Z Casino Operator	Maverick Z Casinos LLC	Grand Z Casino
Z Casino Black Hawk Operator	Maverick Z Casinos LLc	Z Casino Z Stop Gas Station

31. In general, the OpCos hold the gaming and liquor licenses required by the state and local municipalities and own the gaming assets and liquor inventories. For example, the Nevada properties subject to the Blue Owl Lease are leased by Debtor Maverick Elko LLC, but these properties are operated pursuant to lease agreements between Maverick Elko LLC and Debtors

Gold Country Operator, LLC and Red Lion Operator, LLC. This OpCo/PropCo structure streamlines the applicable gaming and liquor license process since the individuals and entities required to be licensed are limited to the OpCo entities.

III. Prepetition Capital Structure

32. Below are the Debtors' material outstanding liabilities as of the Petition Date and current equity holdings.

A. Prepetition Credit Facility

33. The Debtors are party to that certain Credit Agreement, dated as of September 3, 2021 (as amended by that certain Amendment No. 1, dated as of December 23, 2021, as further amended by that certain Amendment No. 2, dated as of February 27, 2023, as further amended by that certain Amendment No. 3, dated as of June 21, 2023, as further amended by that certain Amendment, Resignation, Waiver, and Appointment Agreement, dated as of February 20, 2024, and as further amended by that certain Amendment No. 4, dated as of April 3, 2024 (the "***Fourth Amendment***"), and further amended, restated, supplemented or otherwise modified from time to time, the "***Prepetition Credit Agreement***"), with the lenders party thereto (the "***Prepetition Lenders***") and Alter Domus (US) LLC (the "***Prepetition Agent***").

34. The Prepetition Credit Agreement originally consisted of a syndicated credit facility (the "***Prepetition Credit Facility***") consisting of a $310 million term loan B and a $55 million revolving credit facility. The facility was amended a number of times, and the Fourth Amendment effected a more broad-ranging restructuring.

35. In sum, the Fourth Amendment (a) converted the existing $55 million revolver into $55 million of fully funded term loans with first priority under the Prepetition Credit Agreement (the "***First Out Term Loans***"), provided $10 million of new money additional First Out Term Loans and issued $12 million of additional First Out Term Loans as consideration for the lenders

to agree to and provide the First Out Term Loans; (b) exchanged the majority of the then-$258 million outstanding under the existing term B loan into term loans with second priority under the Prepetition Credit Agreement (the "***Second Out Term Loans***") at a 15% discount to par and a small minority of the existing term B loan into term loans with third priority under the Prepetition Credit Agreement (the "***Third Out Term Loans***", together with the First Out Term Loans and Second Out Term Loans, the "***Priority Term Loans***") at a 10% discount to par, (c) provided the Company the ability to make paid-in-kind (PIK) interest on the Second Out Term Loans and Third Out Term Loans through and including December 31, 2024, (d) loosened the Company's financial maintenance covenants; and (e) extended the maturity of the First Out Term Loans, Second Out Term Loans, and Third Out Term Loans to June 2028. Holders of approximately $14 million of existing term B loans did not consent to the terms of the Fourth Amendment and retained their existing loans, which are behind the Priority Term Loans in priority (the "***Term B Loans***").

36. As of the Petition Date, the outstanding principal amount under the Prepetition Credit Facility is $305,854,469 in the aggregate, divided as follows across the following tranches:

(a) $77,000,000 outstanding principal amount of First Out Term Loans;

(b) $214,726,510 outstanding principal amount of Second Out Term Loans;

(c) $202,257 outstanding principal amount of Third Out Term Loans; and

(d) $13,925,702 outstanding principal amount of Term B Loans.

37. The Prepetition Credit Facility is secured by a first priority security interest in substantially all of the Debtors' assets. The owners of the equity interests in the Leased Operator Affiliate Debtors have also granted pledges of such equity interests in the Leased Operator Affiliate Debtors as collateral under the Prepetition Credit Agreement. Priority with respect to any payments or proceeds received by the Agent in respect of any part of the collateral is each of the

Priority Term Loans in order (i.e., First Out Term Loans, followed by Second Out Term Loans, followed by Third Out Term Loans) followed by the Term B Loans.

B. Trade Obligations

38. In the ordinary course of business, the Debtors utilize certain vendors and service providers who supply goods and services (the "***Trade Creditors***"). The Trade Creditors are a vital part of the Company's ongoing business. Any interruption in the flow of goods and services from such creditors would risk an immediate and adverse impact on the Debtors' ability to continue operating. As discussed in greater detail in the critical vendor motion, certain trade claims are entitled to statutory priority, such as under section 503(b)(9) of the Bankruptcy Code. As of the Petition Date, the Debtors estimate that the aggregate amount of trade claims outstanding is approximately $14.7 million.

C. Equity

39. The Debtors are privately held. As of the Petition Date, co-founder and Chief Executive Officer Eric Persson holds 57.9% of RunItOneTime Parent's outstanding common stock, with co-founder and Chief Operating Officer Justin Beltram holding approximately 12.8%. Eric Persson directly or indirectly owns 100% of the equity in the Licensed Operator Affiliated Debtors.

IV. Events Leading to the Commencement of the Chapter 11 Cases

A. Internal and External Business Challenges

40. The Debtors operate their businesses by acquiring underperforming gaming assets and implementing operational changes to recognize improvements in revenue and profits. As a general matter, performance improvements take time to materialize. Set against the backdrop of the significant financing and capital outlays needed to consummate the initial acquisitions, the Company realized net losses for the first few years of its existence.

41. The Company has overall been successful in driving revenue via its turnaround efforts with acquired gaming assets. In Nevada, the Wendover properties used to consistently produce approximately $4 million in annual EBITDA prior to the Debtors' acquisition of the properties. Under the Debtors' ownership, these properties produce in excess of $17 million in annual EBITDA. The Company also doubled EBITDA at the Elko properties after the first year of ownership. The Company saw similar initial increases in Colorado. Despite these improvements, the Company's operations faced substantial challenges in 2020 through 2022 due to a variety of factors. Among other things, the COVID-19 epidemic forced facility closures and subsequent, restrictive re-opening regulations hampered the Company's growth opportunities while it was in its nascent stages. In Washington, for example, card rooms were closed for multiple months following the imposition of the shelter-in-place mandates. When allowed to reopen, the Company was required to operate outdoors in parking lot tents and—once allowed back indoors, 25% of casino walls were required to remain open air for circulation, all of which took a substantial toll on customer traffic.

42. Certain operational setbacks beginning in 2022 have also hampered projected growth. In Colorado, 2022 performance suffered due to the problems with the initial roll out of new initiatives under the Company's customer loyalty rewards program, losses from the Company's sports betting operations, and severe slot system upgrade setbacks. Specifically, a botched slot system upgrade derailed the Company's slot machines in Colorado for weeks. The situation was compounded by the Company inadvertently rolling out too many "free play" offers under its rewards program, which severely impacted profitability and devastated results for at least four to five months. The Company's newly created sports betting operation also saw detrimental volatility in payouts, which led to almost a million dollars in losses until the program was

terminated. Additionally, the reopening and expansion of competitor Monarch Casino Resort Spa in Black Hawk, Colorado in March 2022 diverted much of the higher-end business that accounts for the majority of the Company's slot and table game revenue. Although the Company has enacted substantial operational improvements that have positively driven net revenue in subsequent years, figures still remain materially below pre-2022 levels due to these operational challenges.

B. Competition and Regulation in Washington

43. The Company's financial performance has been significantly affected by competition from nearby tribal casinos in Washington, which have benefited competitively from certain regulatory advantages. Much of the regulatory impact on the Debtors' operations in Washington is due to state gaming restrictions on card rooms, *e.g.*, prohibiting slot machines, roulette, craps, and other casino-style gaming, sports betting and the provision of consumer credit, which restrictions are not applicable to tribal casinos. These regulatory restrictions have made tribal casinos a more attractive option for many of the Company's customers. In addition, many of the Company's key tribal casino competitors have expanded operations into key parts of the Washington region where the Debtors operate since 2020.

44. Significant minimum wage increases in the Tukwila market have also caused a substantial increase in labor costs on the Company's Tukwila properties. Between 2022 and 2025, the Tukwila minimum wage increased 46%, while the remainder of Washington State increased by only 15%. Together with the significant competition described above, these factors continue to impact the Company's key revenue generating assets in Washington.

C. Resulting Decline in Revenue

45. These operational and competitive challenges have had a significant impact on revenues. To illustrate, in 2021, the Company recognized EBITDA of $52.1 million. In just the following year, EBITDA fell to $18.5 million, and in 2023, to $16.5 million.

D. Capital Structure and Capital Lease Overhang

46. Operational and competitive challenges and resulting decline in revenue have, in turn, created additional challenges with respect to the Company's funded debt load. As noted above, the Company's debt balance totals approximately $306 million, exclusive of capital lease obligations. In 2025, debt service obligations will total approximately $8.6 million per quarter, plus approximately $400,000 per quarter for the Term B Loans, and capital lease obligations will total approximately $9.1 million if the capital structure and capital leases remain unchanged. The substantial size of the debt-service and capital-lease expenses put significant pressure on the business.

47. The Company's balance sheet profile has also been the subject of focus from ratings agencies, with the Company experiencing downgrades including a downgrade to 'D' from 'CCC' by S&P Global Ratings in May 2024. Such downgrades have, in turn, impacted the Company's substantial operating challenges.

E. Restructuring Negotiations

48. Notwithstanding the financial restructuring undertaken pursuant to the Fourth Amendment to the Prepetition Credit Facility, including loosened covenants in connection therewith, the Debtors have struggled to comply with financial covenants under the Prepetition Credit Facility in recent months, leading to the Agent declaring an Event of Default in May 2025 (as further described below).

49. Due to the factors described above, the Company's management recognized that it needed to evaluate strategic alternatives, including exploring whether it could raise additional financing or otherwise refinance its obligations to the Prepetition Lenders.

50. I understand that in January 2025, the Debtors management began engaging in earnest in negotiations with certain of their Prepetition Lenders, and eventually, with the Ad Hoc

Group after its formation, in an attempt to evaluate possible resolutions to the Debtors' obligations under the Prepetition Credit Agreement. Simultaneously, I understand the Debtors' management was pursuing opportunities to raise new capital with third parties.

51. I understand that substantive negotiations began in and initially culminated with the Ad Hoc Group delivering a term sheet proposal to the Company on February 23, 2025. I understand that the Debtors' management continued to evaluate third party sources of financing and, in parallel, engaged with the Ad Hoc Group to see if an out-of-court solution was possible. During this time, the Company's financial position continued to deteriorate. On May 12, 2025, the Prepetition Agent delivered a default notice to the Company declaring an Event of Default under the Prepetition Credit Facility. The Company subsequently defaulted under its Prepetition Credit Facility when filing its covenant compliance certificate for the first quarter of 2025 on May 15. Subsequently, the Debtors were unable to fund their debt service payment on the Term B Loans on May 28. The Debtors and the Ad Hoc Group ultimately agreed to a standstill of remedies under the Prepetition Credit Facility through June 19, 2025. The Debtors were further unable to make their debt service payments on its First Out Term Loans and Second Out Term Loans on July 3, 2025.

52. In June 2025, the Debtors formed a special committee of each entity's governing body (the "***Special Committee***") comprised of two recently appointed independent directors, Lawrence Perkins and Tobias Keller, each with substantial restructuring experience to properly evaluate all available strategic alternatives.

53. I further understand that, through these continued negotiations and the Debtors' evaluation of potential alternative sources of capital, it became evident that (1) no viable third-party sources of capital were available on the timeline necessary for the Debtors to remain

operational as a going concern and (2) the Prepetition Lenders were open to supporting and providing financing for a restructuring, subject to the Debtors agreeing to pursue an in-court process. On June 12, 2025, the Ad Hoc Group delivered a proposed term sheet outlining a chapter 11 restructuring proposal developed in part through the negotiations with the Company. After subsequent extensions of the standstill agreement, I am advised that the parties continued to engage in arm's-length negotiations to refine the proposal and reached agreement on the definitive terms of a restructuring transaction on June 25, which is reflected in the Transaction Support Agreement. I am not aware of any other viable transactions or alternatives available to the Debtors that would not require the support of the Prepetition Lenders.

54. Among other things, the Transaction Support Agreement required the Debtors to (a) appoint me, Jeff Seery, as Chief Restructuring Officer of the Maverick Debtors and as an employee of the Licensed Operator Affiliate Debtors with authority to manage all cash receipts and disbursements (the "***Liquidity Employee***");[6] (b) appoint a lender-designated member to the Special Committee (the "***Lender Designee***"), with any approvals, actions, or recommendations by the Special Committee to require the affirmative consent of the Lender Designee; (c) delegate to the Special Committee the right to approve or manage the transactions under the Transaction Support Agreement, the Chapter 11 Cases, and any matters arising with respect thereto, in each case in a manner acceptable to the Requisite Supporting Lenders, and (d) take all reasonable steps to appoint an employee of an entity to replace the Licensed Operator Affiliate Debtors (a "***Replacement Operator***") subject to such employee obtaining the requisite gaming licenses or

[6] In recognition of my agreement to serve as Chief Restructuring Officer of the Maverick Debtors and Liquidity Employee of the Licensed Operator Affiliate Debtors in addition to my usual responsibilities as Chief Financial Officer of RunItOneTime LLC, on July 13, 2025, the Special Committee approved an amendment to my employment agreement providing (i) a permanent increase to my "Base Salary" and (ii) an additional temporary increase of my Base Salary for a period of one year equivalent to my "Annual Bonus." The Debtors do not intend to seek approval or authorization from the Court or any other relief with respect to such amendment.

suitability determination. The Transaction Support Agreement also imposed certain milestones with respect to the proposed chapter 11 process, including requirements to reach agreement on the relevant milestones for the sale documentation and other bankruptcy-documents within 14 days of execution.

55. As discussed above, the Transaction Support Agreement contemplates a comprehensive Restructuring that is supported by the Debtors, the Supporting Shareholder, and the Supporting Lenders and will holistically address the Debtors' funded debt obligations while endeavoring to preserve jobs and the Company's operations as a going concern. The Restructuring further provides the Debtors with access to financing through the provision of approximately $7.5 million in new money term loans under the DIP Facility, which will provide financing for a four-week period in the Chapter 11 Cases while the Debtors and the Prepetition Lenders determine the funding needs for the remainder of the anticipated Chapter 11 process].

V. First Day Pleadings

56. In furtherance of their objective of preserving value for all stakeholders, the Debtors have filed the following First Day Pleadings and related orders (the "***Proposed Orders***") contemporaneously herewith and have therein requested that the Court consider entering the Proposed Orders granting the relief sought in First Day Pleadings. For the avoidance of doubt, as to those First Day Pleadings that seek authorization to pay prepetition obligations, the Debtors seek authority, but not direction, to pay amounts or satisfy obligations that are the subject of the First Day Pleadings. The facts set forth in each of the First Day Pleadings are incorporated herein in their entirety. The First Day Pleadings include:

A. Administrative and Procedural Pleadings

(i) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing Joint Administration of the Chapter 11 Cases and (II) Granting Related Relief*

(ii) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing the Debtors to File a Consolidated Creditor Matrix and List of the 30 Largest Unsecured Creditors, (II) Authorizing the Debtors to Redact Certain Personally Identifiable Information; (III) Approving the Form and Manner of Notice of Commencement; and (IV) Granting Related Relief*

(iii) *Emergency Motion of Debtors for an Order (I) Extending the Time to File Schedules of Assets and Liabilities, Schedules of Executory Contracts and Unexpired Leases, Statements of Financial Affairs, and 2015.3 Reports; and (II) Granting Related Relief*

(iv) *Debtors' Emergency* Ex Parte *Application for Entry of an Order Authorizing the Employment and Retention of Kroll Restructuring Administration, LLC as Claims, Noticing, and Solicitation Agent*

(v) *Notice of Designation as Complex Bankruptcy Case*

B. Business Operations and Financing Motions

(i) *Emergency Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue Existing Cash Management System, (B) Maintain Existing Business Forms and Intercompany Arrangements, and (C) Continue Intercompany Transactions; and (II) Granting Related Relief*

(ii) *Emergency Motion of Debtors for Entry of an Order Interim and Final Orders (I) Authorizing the Debtors to Pay Certain Prepetition Claims of (A) Critical Vendors, (B) 503(B)(9) Claimants, (C) Lien Claimants, and (D) PACA/PASA Claimants, (II) Confirming Administrative Expense Priority, (III) Authorizing Financial Institutions to Honor and Process Related Checks and Transfers; and (IV) Granting Related Relief*

(iii) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing Debtors to (A) Honor their Prepetition Obligations to Customers and (B) Continue their Customer Programs; and (II) Granting Related Relief*

(iv) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing the Debtors to (A) Pay Prepetition Insurance Program Obligations, (B) Maintain the Insurance Policies Postpetition, and (II) Granting Related Relief*

(v) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing the Debtors to (A) Pay Certain Employee Compensation and Benefits and (B) Maintain and Continue Such Benefits and Other Employee-Related Programs; (II) Granting Relief from Automatic Stay with Respect to Workers' Compensation Claims; and (III) Granting Related Relief*

(vi) *Emergency Motion of Debtors for Entry of an Order (I) Authorizing Debtors to Pay Certain Prepetition Taxes and Fees and (II) Granting Related Relief*

(vii) *Emergency Motion of Debtors for an Order (I) Prohibiting Utility Companies from Altering or Discontinuing Service on Account of Prepetition Invoices, (II) Approving the Debtors' Proposed Form of Adequate Assurance, (III) Establishing Procedures for Resolving Requests by Utility Companies for Additional Assurance of Payment, (IV) Authorizing Payment of any Prepetition Service Fees and (V) Granting Related Relief*

(viii) *Emergency Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Postpetition Financing and Use of Cash Collateral and (II) Granting Related Relief* (the "***DIP Motion***")

57. The Transaction Support Agreement and the transactions and agreements contemplated under the foregoing will accomplish a fully consensual restructuring of the Debtors' funded debt obligations. As a result of the diligent negotiations and hard work by the various constituents, including the Debtors, the Supporting Lenders, and the advisors to each, the Debtors have preserved the going-concern value of the business, maximized creditor and stakeholder recovery, and minimized disruption to the day-to-day operations. Accordingly, the expedited Chapter 11 Cases will best position the Debtors for future success while providing the most value for the Debtors' estates and stakeholders.

58. I have reviewed each of the First Day Pleadings, Proposed Orders, and exhibits thereto, or have otherwise had their contents explained to me, and the facts set forth therein are true and correct to the best of my knowledge, information, and belief. Moreover, I believe that the relief sought in each of the First Day Pleadings (a) is vital to enabling the Debtors to make the transition to, and operate in, chapter 11 with minimal employee attrition and disruption to their businesses, and without loss of productivity or value; (b) is necessary to preserve valuable relationships with customers, Trade Creditors, and other creditors; and (c) constitutes a critical element in the Debtors' ability to successfully maximize value for the benefit of their estates and a prudent exercise of the Debtors' business judgement.

C. DIP Motion

59. In parallel with the restructuring transaction negotiations, and as further detailed in the DIP Motion and the *Declaration of Michael Sellinger in Support of the Debtors' Motion to Obtain Postpetition Debtor-in-Possession Financing*, filed contemporaneously herewith, the Debtors engaged in good faith, arm's-length negotiations with the Backstop Parties and the Ad Hoc Group regarding the DIP Facility and the consensual use of Cash Collateral (as defined in the DIP Motion).

60. Pursuant to the relief requested in the DIP Motion and proposed orders, the Debtors will use the proceeds of the DIP Facility and Cash Collateral to fund operating expenses associated with the Debtors' businesses and the administrative expenses of the Chapter 11 Cases for a four-week interim period in the Chapter 11 Cases while the Debtors and the Prepetition Lenders assess the funding needs for the remainder of the anticipated Chapter 11 process and engage in negotiations concerning additional new-money financing and the Debtors' path forward more generally. The DIP Facility will be secured on a priming basis by all property and assets of the Debtors other than assets specifically identified in the DIP Documents as "Excluded Assets," DIP Collateral will include, subject to entry of a Final DIP Order providing for such relief, the proceeds of avoidance actions. In addition, the Debtors will pay the DIP Lenders a 3% structuring fee, 4% upfront fee, and 3% backstop fee (all payable on the new money portion of the DIP only) on account of the DIP Lenders' structuring of the DIP Facility, capital commitments, and other undertakings relating to the DIP Facility. In exchange for the use of the Prepetition Lenders' Cash Collateral and agreement to be primed by the DIP Facility, the Debtors have agreed to provide the Prepetition Lenders with an adequate protection package that includes replacement liens and superpriority claims, payment of professional fees and expenses, and certain reporting and budgeting obligations.

61. Based on my review of the Debtors' actual and projected cash flows (as reflected on the Approved Budget annexed hereto as **Exhibit C** and incorporated herein by reference) and underlying books and records, and based on discussions with the Debtors' advisors, I believe it is vital that the Debtors obtain immediate approval of the DIP Facility to ensure that the Debtors have immediate access to the interim new money financing and access to Cash Collateral necessary to continue operations. Without immediate access to the proceeds of the proposed DIP Facility and use of cash collateral, the Debtors will lack sufficient liquidity to maintain their business operations after the Petition Date and would have no choice but to immediately cease operations.

62. Indeed, as detailed in the DIP Motion, the Debtors have approximately $500,000 in cash as of the Petition Date and will be unable to satisfy their next payroll run (scheduled for Thursday, July 17, 2025) absent immediate access to the DIP Facility. Further, the Debtors anticipate having negative cash flow during the Chapter 11 Cases, and the liquidity provided by the DIP Facility is critical to provide operating liquidity across Debtor entities and to meet the Debtors' working capital needs for the immediate period following commencement of the Chapter 11 Cases.

63. The DIP Facility is a critical requirement for the Debtors' consensual Cash Collateral. Absent the DIP Facility, I understand that the Debtors' lenders would be unwilling to agree to the Debtors' use of their Cash Collateral and would not agree to the priming of their prepetition liens that would otherwise be necessary to obtain postpetition financing. The Debtors' use of the funds available under the DIP Facility will be governed by the Approved Budget (subject to permitted variances). The overall size of the DIP Facility was determined under the assumption that the Debtors would also have access to existing Cash Collateral and receipts generated postpetition (primarily related to continued collection of accounts receivable and proceeds from

continued operations). The Debtors' use of Cash Collateral alone would be insufficient to meet the Debtors' cash disbursement needs during the period of effectiveness of the proposed Interim DIP Order. The Debtors would be unable to meet their obligations over the next four weeks absent both the use of Cash Collateral and access to additional postpetition financing.

64. Without access to Cash Collateral and the incremental liquidity provided by the DIP Facility, the Debtors would face severe, immediate, and irreparable harm. As noted above, the Debtors have insufficient liquidity to manage their working capital needs and pay the various disbursements identified in the Approved Budget. The disbursements set forth in the Approved Budget include, among other critical payments, payroll and benefits and payments contemplated by the Debtors' proposed "first day" orders. Any disruption in paying the Debtors' employees and vendors will result in the attrition of the Debtors' workforce and the destruction of key vendor relationships, which in turn will impact the Debtors' ability to attract and retain their customers. Moreover, time is of the essence for the Debtors, given their upcoming payroll obligations and mounting pressure from trade and other creditors.

65. Accordingly, I believe that the Debtors' access to the DIP Facility and Cash Collateral is necessary to fund the Debtors' immediate operational needs and should therefore be approved.

CONCLUSION

66. The above describes the Debtors' business and capital structure, the factors that precipitated the commencement of the Chapter 11 Cases, and the critical need for the Debtors to obtain the relief set forth in the First Day Pleadings. The Debtors enter the Chapter 11 Cases with an intent to undergo a financial reorganization and reestablish themselves as a healthy economic

enterprise able to effectively compete in their industry for the benefit of their economic stakeholders and employees.

Section 17. ***No Third-Party Beneficiaries.*** Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other Entity shall be a third-party beneficiary hereof.

Section 18. ***Prior Negotiations; Entire Agreement***. This Agreement, including any Exhibits and schedules hereto, constitutes the entire agreement of the Parties, and supersedes all other prior negotiations and agreements, with respect to the subject matter hereof, except that the Parties acknowledge that any confidentiality agreements heretofore executed between the Company Parties and the Supporting Stakeholders shall continue in full force and effect.

Section 19. ***Counterparts***. Section 21. ***Reservation of Rights; No Admission***. Subject to and except as expressly provided in this Agreement or in any amendment thereof agreed upon by the Parties pursuant to the terms hereof, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties to protect and preserve its rights, remedies, and interests, including its claims against any of the other Parties (or their respective Affiliates or subsidiaries). Without limiting the foregoing sentence in any way, if the Transactions are not consummated, or if this Agreement is terminated for any reason, nothing in this Agreement shall be construed as a waiver by any Party of any or all of such Party's rights, remedies, claims, and defenses, and the Parties expressly reserve any and all of their respective rights, remedies, claims, and defenses.

Section 22. ***Representation by Counsel***. Each Party acknowledges that it has been represented by counsel with respect to this Agreement and the Transactions. Accordingly, any applicable Law that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. No Party shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any applicable Law would, or might cause, any provision to be construed against such Party.

Section 23. ***E-mail Consents***. If a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Company Parties or the applicable Supporting Stakeholders, then such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the applicable Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including e-mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

Section 24. ***No Recourse.*** This Agreement may only be enforced against the named parties hereto (and then only to the extent of the specific obligations undertaken by such parties in this Agreement). All causes of action (whether in contract, tort, equity or any other theory) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, may be made only against the Entity that are expressly identified as parties hereto (and then only to the extent of the specific obligations undertaken by such parties herein); provided, however, that the foregoing shall not apply to any Definitive Documents

executed in connection with this Agreement. No past, present or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling Entity, agent, attorney or other representative of any Party (including any Entity negotiating or executing this Agreement on behalf of a Party), nor any past, present or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling Entity, agent, attorney or other representative of any of the foregoing and in their capacities as such (other than any of the foregoing that is a Party), shall have any liability with respect to this Agreement or with respect to any Proceeding (whether in contract, tort, equity or any other theory that seeks to "pierce the corporate veil" or impose liability of an Entity against its owners or Affiliates or otherwise) that may arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, except for claims related to any act or omission constituting actual fraud, gross negligence, or willful misconduct.

Section 25. ***Relationship among Parties***. Notwithstanding anything herein to the contrary, the duties and obligations of the Supporting Stakeholders under this Agreement shall be several, not joint. It is understood and agreed that no Supporting Stakeholder has any duty of trust or confidence of any kind or form with respect to any other Supporting Stakeholder or the Company Parties and, except as expressly provided in this Agreement, there are no commitments between or among them. In this regard, it is understood and agreed that any Supporting Stakeholder may trade in the Existing Loans or Existing Interests without the consent of the Company Parties or any other Supporting Stakeholder, subject to applicable Laws and the terms of this Agreement. No prior history, pattern, or practice of sharing confidences between or among the Supporting Stakeholders or the Company Parties shall in any way affect or negate this Agreement. No Supporting Stakeholder shall, as a result of its entering into and performing its obligations under this Agreement, be deemed to be part of a "group" (as that term is used in Section 14(d) of the Exchange Act and the rules and regulations promulgated thereunder) with any of the other Supporting Stakeholders.

Section 26. ***Confidentiality and Redactions***. No Party shall disclose to any Entity (including for the avoidance of doubt, any other Supporting Stakeholder) the principal amount or percentage of the Existing Term Loans or Existing Interests held by any Supporting Stakeholder; provided, however, that (a) a Party may disclose the foregoing information as may be required by applicable Law, (b) the Parties shall be permitted to disclose the foregoing information at any time to legal, accounting, financial and other advisors to the Company Parties and the Ad Hoc Group Advisors, and (c) the Company Parties shall be permitted to disclose at any time (i) the foregoing information on a confidential basis to its Affiliates and (ii) the aggregate principal amount of, and aggregate percentage of, any class of the Existing Term Loans or Existing Interests held by the Supporting Stakeholders collectively. The Supporting Stakeholders hereby consent to the disclosure of the execution, terms and contents of this Agreement by the Company Parties in the Definitive Documents or as otherwise required by Law; provided, further, that (a) if any of the Company Parties determines that they are required to attach a copy of this Agreement, any Joinder Agreement to any Definitive Documents or any other filing or similar document relating to the transactions contemplated hereby, they will redact any reference to or concerning a specific Supporting Lender or such Supporting Lender's holdings of Existing Loans or Existing Interests and (b) if disclosure of additional identifying information of any Supporting Lender is required by applicable Law, advance notice of the intent to disclose, if permitted by applicable Law, shall be given by the disclosing Party to each affected Supporting Lender (who shall have the right to seek

a protective order before disclosure). The Company Parties further agree that such information shall be redacted from "closing sets" or other representations of the fully executed Agreement or any Joinder Agreement, which redacted closing sets may be shared with the Supporting Stakeholders.

Section 27. ***Transaction Expenses***. Subject to the terms of the applicable engagement letter or fee reimbursement letter, the Company Parties hereby agree, on a joint and several basis, to pay in cash, the Transaction Expenses as follows:

(a) all Transaction Expenses shall be paid in full in cash on the Support Effective Date;

(b) on the day before commencement of the Chapter 11 Cases, all accrued and unpaid Transaction Expenses through that time; and

(c) during the pendency of the Chapter 11 Cases, in accordance with an order of the Bankruptcy Court.

Section 28. ***Identified Business Units or Trading Desks***. If a Supporting Lender enters into or accedes to this Agreement through an identified business unit or trading desk in respect of any debt (as specified in the signature page to this Agreement or a Joinder to this Agreement), then the terms of this Agreement shall apply only to that identified business unit or trading desks and not any other business units or trading desks within the legal entity which has not signed or acceded to this Agreement (in accordance with the terms of this Agreement) separately in respect of any debt or other instrument which it legally or beneficially owns and, therefore, that Supporting Lender shall not be required to procure compliance with this Agreement on behalf of such other business units or trading desks within that legal entity.

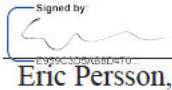

[*Signature Pages Follow*]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed and delivered by their respective duly authorized officers, solely in their respective capacity as officers of the undersigned and not in any other capacity, as of the date first set forth above.

Transaction Term Sheet

RUNITONETIME LLC AND ITS AFFILIATES

TRANSACTION TERM SHEET

This term sheet (this "Term Sheet"), is the Transaction Term Sheet defined in the *Transaction Support Agreement*, dated June 25, 2025 (the "TSA") to which this Term Sheet is attached, and sets forth the material terms and conditions of proposed transactions (the "Transactions") providing for the restructuring of the existing secured indebtedness and other obligations of RunItOneTime LLC (together with certain affiliates listed in the TSA, the "Company Parties"). Capitalized terms used but not otherwise defined herein have the meanings set forth in the TSA.

This Term Sheet does not include a description of or address all terms, conditions, or other provisions that would be required in connection with the Transactions or are to be contained in the Definitive Documents governing the Transactions, which remain subject to negotiation and completion in accordance with the TSA and applicable Law. The Definitive Documents shall contain terms and conditions that are consistent with this Term Sheet.

THE REGULATORY, TAX, ACCOUNTING, AND OTHER LEGAL AND FINANCIAL MATTERS AND EFFECTS RELATED TO THE TRANSACTIONS OR ANY RELATED TRANSACTIONS OR SIMILAR TRANSACTION HAVE NOT BEEN FULLY EVALUATED AND ANY SUCH EVALUATION MAY AFFECT THE TERMS AND STRUCTURE OF ANY OF THE TRANSACTIONS OR RELATED TRANSACTIONS.

THIS TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER WITH RESPECT TO ANY SECURITIES, LOANS, OR OTHER INSTRUMENTS OR A SOLICITATION OF ACCEPTANCES OR REJECTIONS AS TO ANY CHAPTER 11 PLAN, IT BEING UNDERSTOOD THAT SUCH AN OFFER OR SOLICITATION, IF ANY, WILL BE MADE ONLY IN COMPLIANCE WITH APPLICABLE LAW, INCLUDING THE BANKRUPTCY CODE. NOTHING CONTAINED IN THIS TERM SHEET SHALL BE AN ADMISSION OF FACT OR LIABILITY OR, UNTIL THE OCCURRENCE OF THE SUPPORT EFFECTIVE DATE UPON THE TERMS DESCRIBED HEREIN, DEEMED BINDING ON ANY OF THE PARTIES HERETO.

Overview	
Transactions Summary	Pursuant to the TSA, and subject to the terms and conditions thereof, the Parties have agreed to implement, consummate, support and consent to, as applicable, the Transactions, including, *inter alia*, (a) the commencement of voluntary cases (the "Chapter 11 Cases") by some or all of the Company Parties (as debtors and debtors in possession, the "Debtors") pursuant to chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in a United States Bankruptcy Court to be determined with the consent of the Requisite Supporting Lenders (the "Bankruptcy Court"); (b) a sale of PokerCo (as defined below) under section 363 of the Bankruptcy Code to be proposed by the Debtors in the Chapter 11 Cases; (c) the sale or other disposition of MainCo (as defined below); (d) the sale or other disposition of LeaseCo (as defined

	below); (e) the transition of certain gaming licenses from Mr. Eric Persson (and his heirs, successors, and assigns, the "Supporting Shareholder") and Mr. Justin L. Beltram; (f) the entry into a Transition Services Agreement with the Supporting Shareholder; and (g) any other transactions, documents, or steps reasonably necessary to consummate any of the foregoing. The Transactions shall result in the following allocation of assets: • "PokerCo" to be composed of Aces Poker Lakewood, Aces Poker Mountlake Terrace, Caribbean Casino, Caribbean Cardroom, including working capital required to operate the businesses (to the extent available); • "LeaseCo" to be composed of the properties subject to the Blue Owl Master Lease; and • "MainCo" to be composed of the remainder of the Company Parties' existing businesses, interests, and tangible and intangible assets, including (i) "Maverick" and "Aces" trademarks and associated brands (the "Maverick/Aces IP"), subject to the provisions hereof with respect to the Maverick/Aces IP, (ii) Nevada locations (including the Nevada properties subject to the Blue Owl Master Lease, as contemplated herein), (iii) the Colorado locations, and (iv) e.gads, LLC businesses, except as set forth below. The Transactions will be subject to the Definitive Documents, pursuant to the terms of, and the consent and approval rights set forth in, the TSA (including the attachments thereto).
Sale and Marketing Process	
Implementation; Sale and Marketing Process	The Transactions will be implemented pursuant to sale of assets pursuant to section 363 of the Bankruptcy Code or implementation pursuant to a chapter 11 plan, in each case as determined by the Company Parties and the Requisite Supporting Lenders.
PokerCo Stalking Horse	Subject to approval by the Bankruptcy Court, the Debtors and the Supporting Shareholder or its designee (in such capacity, "EP BidCo") shall enter into a binding stalking horse purchase agreement (the "PokerCo Stalking Horse Purchase Agreement") providing for the sale and purchase of PokerCo. Stalking Horse Bid: • Scope: EP BidCo will bid on PokerCo, which will include assumption of administrative expenses, current assets, current liabilities, and any long-term liabilities of PokerCo (other than the obligations under the Existing Credit Agreement). EP BidCo

	will make offers of employment to all employees of PokerCo, and assume all liabilities related to the same. • Cash Purchase Price. The cash purchase price provided for in the PokerCo Stalking Horse Purchase Agreement will be $13 million. • Earnout Agreement. If EP BidCo is the successful bidder for PokerCo, as part of EP BidCo's bid (including EP BidCo's stalking horse bid), then EP BidCo shall enter into an agreement granting the Existing Lenders (or an entity to be formed for the benefit of the Existing Lenders ("EarnoutCo")) an earnout payable upon the signing of definitive documentation related to a change of control of all or any facility within PokerCo occurring within five years from the closing of the Transactions, entitling the Existing Lenders (or EarnoutCo) to receive 50% of the proceeds distributable to EP BidCo after deducting (x) the cash price EP BidCo paid for PokerCo[1] and (y) transaction expenses. • Expense Reimbursement. The PokerCo Stalking Horse Purchase Agreement shall include terms and conditions customarily found in stalking horse purchase agreements of this type, including an expense reimbursement of up to $150,000 in reasonable costs and expenses incurred by EP BidCo in connection with its bid. • Other Bid Protections. To be negotiated between the parties but to include in any event that the non-cash components (including the Earnout Agreement and Post-Closing Income Arrangement) of any EP BidCo bid (including EP BidCo's stalking horse bid) to be valued at $3 million and initial minimum third-party overbid shall be $16 million, with each subsequent bid at $500,000 increments.
MainCo Credit Bid or Chapter 11 Plan	At the election of the Requisite Supporting Lenders, the Company Parties will (1) conduct a sale and marketing of MainCo pursuant to section 363 of the Bankruptcy Code, subject to a credit bid by the Existing Lenders (the "MainCo Sale Process"), (2) pursue confirmation of a chapter 11 plan that results in the conversion of a portion or all of the Existing Term Loans into equity of MainCo on a reorganized basis (the "MainCo Plan Process"), or (3) such alternative transaction structure acceptable to the Requisite Supporting Lenders.

[1] If less than all of PokerCo is sold, then the cash price for the sold facility will be deemed to be the pro rata share of the final purchase price, with the numerator being the adjusted EBITDA of the facility for the trailing 12 months and the denominator being total PokerCo adjusted EBITDA for the trailing 12 months.

	MainCo Sale Process If the MainCo Sale Process is elected by the Requisite Supporting Lenders, then the Debtors will take all steps necessary to sell MainCo pursuant to section 363 of the Bankruptcy Code, including if necessary marketing MainCo before the commencement of Chapter 11 Cases, designating the Existing Lenders' credit bid as a "qualified bid," or entering into a stalking horse agreement (the "MainCo Stalking Horse Purchase Agreement") with a designee of the Existing Lenders ("MC BidCo") providing for such credit bid. **MainCo Plan Process** If the MainCo Plan Process is elected by the Requisite Supporting Lenders, then the Debtors will take all steps necessary to propose, confirm, and consummate a chapter 11 plan acceptable to the Requisite Supporting Lenders that results in a portion or all of the Existing Term Loans being converted into the equity of MainCo on a reorganized basis. The Company Parties and the Requisite Supporting Lenders will work in good faith regarding the treatment and classification of claims, including the deficiency claims for Existing Term Loans and any rejection of the Blue Owl Master Lease.
Blue Owl Master Lease	The Company Parties, in consultation with the Requisite Supporting Lenders, will use good-faith efforts to negotiate an amendment or modification to the Blue Owl Master Lease providing for, among other things, the continued leasing of the Nevada properties thereunder by MainCo. The Company Parties will prepare an analysis on the projected costs associated with potential assumption of and potential claims arising from potential rejection of the Blue Owl Master Lease, including any analysis as to claim amounts that may be capped by section 502(b)(6) of the Bankruptcy Code.
Other Transaction Terms	
Cooperation; Transition Services Agreement	At all times during the Support Period, the Supporting Shareholder will provide cooperation and assistance, as requested, for transition of licenses to an operator approved by the Requisite Supporting Lenders and the process of receiving regulatory approvals necessary to consummate the Transaction. Within 14 days of the Support Effective Date, the Parties shall negotiate in good faith a transition services agreement (the "Transition Services Agreement") providing for: • the appointment in accordance with Gaming Laws of one or more officers or employees from a third-party gaming operator

Any party or entity who fails to timely file an objection conforming with the requirements and deadlines set forth in this paragraph 3 shall be forever barred from asserting any objection to the Sale, including with respect to the transfer of any Assets free and clear of all liens, claims, encumbrances, and other interests.

4. Sale Hearing. The Sale Hearing to approve the Sale of the Assets and related Sale Transactions shall commence on or before September 24, 2025, at 3:00 p.m. (prevailing Central Time); *provided*, *however*, that the Sale Hearing may be continued by the Debtors, in consultation with the Consultation Parties and in accordance with the Bidding Procedures, from time to time, either by Court docket entry or by the Debtors filing a notice on the Court's docket, without further notice to creditors or parties in interest; *provided, further* that the Debtors, in consultation with the Consultation Parties, reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s).

III. Supporting Shareholder and Management

6. not be entitled to receive any non-public information regarding any such competing bids and shall not advise the Debtors on the same.

IV. Procedures for Designation of a Stalking Horse Bidder.

7. The Debtors, in consultation with the Consultation Parties, may, in the exercise of their business judgment and as they may reasonably determine to be in the best interests of their estates, select a Stalking Horse Bidder or Stalking Horse Bidders for any groupings or subgroupings of the Assets, for the purposes of establishing one or more Stalking Horse Bids with respect to such Assets and provide any such Stalking Horse Bidder with Bid Protections pursuant to a Stalking Horse Agreement and consistent with the designation procedures set forth in the Bidding Procedures and this Order (such procedures, the "***Stalking Horse Designation Procedures***").

8. Any designation of Stalking Horse Bidder for any assets shall be made no later than 4:00 p.m. (prevailing Central Time) on September 2, 2025 (the "***Stalking Horse Designation Deadline***"). The Debtors shall file a notice of such Stalking Horse Agreement (the "***Stalking Horse Notice***") with the Court and provide such Stalking Horse Notice to: (a) the parties identified on the Master Service List; (b) counsel to the Ad Hoc Group and Backstop Parties; (c) counsel to the Prepetition Agent; (d) counsel to the Committee; (e) all Interested Parties; and (f) all parties reasonably known to the Debtors to assert an interest in the assets. Parties in interest shall then have until 4:00 p.m. (prevailing Central Time) on September 8, 2025 (the "***Stalking Horse Objection Deadline***") to object to the Debtors' designation of such Stalking Horse Bidder(s) and any Bid Protections offered to such Stalking Horse Bidder(s).

9. In the event that the Debtors designate a Stalking Horse Bidder and the Stalking Horse Bidder is not the Successful Bidder with respect to the Stalking Horse Bid, the Debtors shall be authorized, but not directed, to make certain payments under the Stalking Horse Bid in

consideration of its being the Stalking Horse Bidder, including (a) any Break-Up Fee and (b) any Expense Reimbursement Amount (together, the "***Bid Protections***"). The amount of any consensual Break-Up Fee and Expense Reimbursement Amount shall, in the aggregate, not exceed 1.5% of the cash portion of the applicable Transaction Purchase Price (as defined below) for such Stalking Horse Bid, with such amount to be paid solely in accordance with the terms and conditions set forth in the applicable Stalking Horse Agreement. The sole remedy against the Debtors of any Stalking Horse Bidder in connection with its Stalking Horse Bid shall be the return of the applicable deposit (if applicable) and the Bid Protections (if any) in the event that the applicable Stalking Horse Agreement is terminated pursuant to the applicable provisions of such agreement.

10. The following parties shall not be entitled to any Bid Protections or any other expense reimbursement, break-up fee, termination fee or any other similar fee or payment: any (a) party making a credit bid (irrespective of whether it is a Stalking Horse Bidder), (b) Insider or Affiliate, and any other person or entity that is, or is otherwise affiliated with, any member of the Debtors' current or former management team; *provided*, *however*, that solely with respect to any stalking-horse bid submitted for the PokerCo assets by the Supporting Shareholder or its designee (a "***Supporting Shareholder Stalking Horse Bid***"), the Debtors may, pursuant to these Stalking Horse Designation Procedures, seek approval of the bid protections for the Supporting Shareholder or its designee contemplated by the Transaction Support Agreement (including the expense reimbursement and overbid protections specified therein) (such bid protections, the "***Supporting Shareholder Bid Protections***"); *provided further* that nothing in the Bidding Procedures or this Order shall be deemed to permit or approve any Bid Protections (including the Supporting Shareholder Bid Protections), and the rights of all parties in interest, including the Committee, to object to any Stalking Horse Bid (including the Supporting Shareholder Stalking Horse Bid) and/or

proposed Bid Protections (including the Supporting Shareholder Bid Protections), pursuant to and in accordance with the Stalking Horse Designation Procedures, are expressly reserved in all respects; and (c) bidder other than a Stalking Horse Bidder (each on the terms described herein and in the Bidding Procedures).

11. If there is no objection timely filed to any Stalking Horse Notice prior to the Stalking Horse Objection Deadline, including with respect to the Bid Protections or the Supporting Shareholder Bid Protections (or if such an objection is timely filed but is consensually resolved before a hearing thereon), the designation of the Stalking Horse Bid and Stalking Horse Bidder and associated Bid Protections or Supporting Shareholder Bid Protections (as modified by any such consensual resolution) shall be deemed approved with no further action needed by the Court. If a timely filed objection is consensually resolved, the Debtors shall promptly file a notice on the docket identifying the objection that has been resolved, and such notice shall include the revised stalking horse bid documents and a brief description of the modifications, if any. If such an objection is timely filed and not consensually resolved, the Court will schedule a hearing to resolve such an objection, subject to its availability.

12. For the avoidance of doubt, (a) the Debtors shall not be required to file a separate motion to seek approval of (i) any Bid Protections that do not, in the aggregate, exceed 1.5% of the cash portion of the applicable Transaction Purchase Price (as defined below) for such Stalking Horse Bid or (ii) the Supporting Shareholder Bid Protections; and (b) the approval of any such Bid Protections or Supporting Shareholder Bid Protections shall be governed in all respects by the Stalking Horse Designation Procedures, including the objection procedures set forth therein.

13. Notwithstanding anything herein or in the Bidding Procedures to the contrary, if any objection is filed to the Debtors' designation of a Supporting Shareholder Stalking Horse Bid

in any respect, including with respect to the Supporting Shareholder Bid Protections, such objection shall be heard by the Court no later than September 12, 2025 (subject to Court availability).

14. The Sale Notice, substantially in the form attached hereto as **Exhibit 2**, is approved. As soon as reasonably practicable following the entry of this Order, the Debtors will cause the Sale Notice to be served upon the following parties, and their respective counsel, if known (collectively, the "***Sale Notice Parties***"): (a) the Objection Notice Parties; (b) all entities reasonably and actually known by the Debtors to have expressed a bona fide interest in acquiring any of the Assets during the year preceding the date hereof; (c) all entities known by the Debtors to have asserted any claims, liens, interests, or encumbrances in or upon any of the Assets, (d) all known parties to executory contracts or unexpired leases to be assumed and assigned, or rejected, as part of the Sale; (e) counsel to the Committee, (f) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion, including any such gaming regulatory authorities; (g) each governmental agency that has a reasonably known interest with respect to the Sale and the transactions provided thereunder; (h) the United States Attorney for the Southern District of Texas; (i) the Internal Revenue Service; (j) the Federal Trade Commission; and (k) the Assistant Attorney General in charge of the Antitrust Division of the Department of Justice.

15. In addition, as soon as practicable, after entry of this Order, the Debtors will publish the Sale Notice, with any modification necessary for ease of publication, once in the national edition of *The New York Times* or a similarly nationally circulated news publication and once in a locally circulated publication in each of Washington and Nevada, to provide notice to any other potential interested parties and interested parties whose identities are unknown to the Debtors.

V. The Assumption and Assignment Procedures

16. The procedures set forth below regarding the assumption and assignment of the executory contracts or unexpired leases proposed to be assumed by the Debtors pursuant to section 365(b) of the Bankruptcy Code and assigned to the Successful Bidder(s), pursuant to section 365(f) of the Bankruptcy Code in connection with the Sale (the "***Assumption and Assignment Procedures***") are hereby approved to the extent set forth herein.

17. These Assumption and Assignment Procedures shall govern the assumption and assignment of all of the Debtors' executory contracts and unexpired leases to be assumed and assigned in connection with the Sale, subject to the payment of any payments necessary to cure any defaults arising under any Assigned Contract (as defined below) (the "***Cure Costs***"):

(a) **Contracts Schedule and Cure Notice**. No later than September 8, 2025 (the "***Cure Notice Deadline***"), the Debtors shall (i) serve a notice of contract assumption in substantially the form attached hereto as **Exhibit 3** (the ***"Cure Notice***"), via first-class mail on all counterparties to all potential contracts or leases that may be assumed and assigned by any Stalking Horse Bidder(s) or any Qualified Bidder(s) in connection with the Sale (the "***Assigned Contracts***") and (ii) shall provide a copy of the Cure Notice to any Stalking Horse Bidder and the Consultation Parties, which copy may be provided via email and to such parties' legal counsel. The Cure Notice shall inform each recipient of the timing and procedures relating to the potential assumption and assignment of the Assigned Contracts to a Successful Bidder or Successful Bidders upon entry of the Sale Order, and, to the extent applicable, (1) the Debtors' good faith estimates based on the Debtors' books and records of the Cure Costs (if any) as of the date of the Cure Notice or Supplemental Cure Notice, as applicable, required in connection with the executory contract or unexpired lease, as applicable, (2) the Cure Objection Deadline, and (3) the applicable Sale Objection Deadline; *provided*, *however*, that service of a Cure Notice does not constitute an admission that any contract or lease is an executory contact or unexpired lease, respectively, or that the stated Cure Cost related to any contract or lease constitutes a claim against the Debtors or a right against any Stalking Horse Bidder (all rights with respect thereto being expressly reserved). Further, the inclusion of a contract or lease, as applicable, on the Cure Notice is not a guarantee that such contract or lease, as applicable, will ultimately be assumed and assigned.

(b) **Cure Payments and Adequate Assurance of Future Performance.** The payment of the applicable Cure Costs by any party, as applicable, shall (i) effect a cure of all

monetary defaults existing thereunder and (ii) compensate for any actual pecuniary loss to such counterparty resulting from such default.

(c) **Modifications**. Until three business days prior to the Sale Hearing, the Debtors reserve the right, in consultation with the Successful Bidder(s) once selected, and are authorized, but not directed, to (i) designate additional Assigned Contracts, (ii) eliminate Assigned Contracts from those to be assumed and assigned to a Successful Bidder, or (iii) modify the previously stated Cure Cost associated with any contract or lease identified on a Cure Notice; *provided* that the Debtors may designate or eliminate any collective bargaining agreement until consummation of the Sale.

(d) **Supplemental Notice**. In the event that (i) any contract or lease is added or removed from the list of Assigned Contracts or (ii) any previously stated Cure Costs are modified, the Debtors will promptly, and in any event no later than two days after the Debtors, in consultation with the applicable Stalking Horse Bidder(s), Qualified Bidder(s), or Successful Bidder(s), make such determination, serve a supplemental cure notice (each, a "***Supplemental Cure Notice***") on each impacted counterparty. Each Supplemental Cure Notice will include the same information with respect to the applicable contract or lease as is required to be included in the Cure Notice.

(e) **Objections**. The deadline to object to the Debtors' proposed Cure Costs is the date that is 14 days after service of the Cure Notice or Supplemental Cure Notice, as applicable (the "***Cure Objection Deadline***"); *provided* that if previously stated Cure Costs are modified resulting in a Supplemental Cure Notice, the Cure Objection Deadline shall be 14 days after the service of the original Cure Notice. Following the Auction (if any), the Debtors shall file the Notice of Successful Bidder identifying the Successful Bidder(s) and Backup Bidder(s) (if selected) with respect to each Sale Transaction as soon as reasonably practicable after closing of the Auction with respect to such Sale Transaction, if any, and in any event not later than one day after the closing of the Auction. In the event there is no Auction with respect to a Sale Transaction, the Debtors shall file the Notice of Successful Bidder identifying the Successful Bidder on September 19, 2025. The deadline to object to the Sale or any Sale Transaction, the proposed order(s) approving any Successful Bid(s), the identity of the Successful Bidder(s), or adequate assurance of future performance with respect to a counterparty's contract or lease provided by the Successful Bidder(s) is the later of the date that is three days after the filing of the Notice of Successful Bidder or September 23, 2025, at 4:00 p.m. (prevailing Central Time) (the "***Sale Objection Deadline***"). All objections shall: (1) be in writing, (2) state, with specificity, the legal and factual bases for such objection, (3) if such objection is to the Cure Cost, state with specificity what Cure Cost the counterparty believes is required (in all cases, with appropriate documentation in support thereof), (4) comply with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and all orders of the Court entered in these Chapter 11 Cases, and (5) be filed with the Court and served on the Objection Notice Parties by the applicable objection deadline. Any objections to the assumption and

assignment of the Assigned Contracts will be heard at the Sale Hearing (to the extent such hearing has not occurred as of the applicable Cure Objection Deadline) or at a later hearing, as determined by the Debtors. The Debtors further request the ability to settle on a consensual basis any dispute regarding Cure Costs or the assumption or assignment of an Assigned Contract on any basis without further order of the Court.

For the avoidance of doubt, in the event that a party receives a Supplemental Cure Notice that either (i) designates the contract or lease as an Assigned Contract for the first time or (ii) decreases the previously stated Cure Costs associated with any such contract or lease, the Cure Objection Deadline shall be extended to no later than 4:00 p.m. (prevailing Central Time) on the date that is 14 days after the filing and service of such Supplemental Cure Notice, solely to the extent such objection relates to the newly-designated Assigned Contract or the Cure Cost, as applicable.

(f) **Reservation of Rights**. The inclusion of an Assigned Contract, or Cure Costs with respect thereto on a Cure Notice or any Supplemental Cure Notice shall not constitute or be deemed a determination or admission by the Debtors or any other party in interest that such Assigned Contract is an executory contract or unexpired lease of the Debtors within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to each Assigned Contract listed on the Cure Notice or any Supplemental Cure Notice. The Debtors' inclusion or exclusion of any Assigned Contract on a Cure Notice or any Supplemental Cure Notice shall not be a guarantee that such contract or lease ultimately will or will not be an Assigned Contract. Notwithstanding anything to the contrary in this Order or the Bidding Procedures, the rights of all parties are fully reserved with respect to any additional or incremental default that occurs with respect to an executory contract following the filing of the Cure Notice or Supplemental Cure Notice, as applicable, and prior to the effective date of assumption.

18. Unless a counterparty to an Assigned Contract files an objection to the Cure Cost of its Assigned Contract by the Cure Objection Deadline, such counterparty will be (a) deemed to have consented to such Cure Cost, and (b) forever barred and estopped from objecting to the Cure Costs; *provided, however*, that notwithstanding anything to the contrary in this Order or the Bidding Procedures, the rights of all parties are fully reserved with respect to any additional or incremental default that occurs with respect to an executory contract following the filing of the Cure Notice or Supplemental Cure Notice, as applicable, and prior to the effective date of assumption.

19. Unless a counterparty to an Assigned Contract files an objection to the proposed assumption and assignment of its Assigned Contract by the Sale Objection Deadline, such counterparty shall be (a) deemed to have consented to (i) the assumption and assignment of such Assigned Contract, and (ii) the related relief requested in the Motion, and (b) forever barred and estopped from objecting to the assumption and assignment of the Assigned Contract, adequate assurance of future performance, the relief requested in the Motion, whether applicable law excuses such counterparty from accepting performance by, or rendering performance to, the Buyer for purposes of section 365(c)(1) of the Bankruptcy Code, and from asserting any additional cure or other amounts against the Debtors or the Buyer with respect to such party's Assigned Contract.

VI. Related Relief

20. Notwithstanding anything to the contrary contained herein or in the Bidding Procedures, (a) the right of any party to credit bid is subject to the provisions of section 363(k) of the Bankruptcy Code, (b) nothing in this Order shall be construed as a waiver of, or a finding that any credit bid satisfies the requirements of, section 363(k) of the Bankruptcy Code, and (c) nothing in this Order shall prejudice any party in interest's rights to object to a credit bid (subject to the limitations set forth in this Order, the Bidding Procedures, the DIP Orders, or any other party's right to oppose such objection); *provided, however*, notwithstanding anything to the contrary contained herein, subject to the terms of the DIP Orders, including those regarding Challenges (as defined in the DIP Orders), the DIP Lenders, the DIP Agent (acting on behalf of the DIP Lenders), the Prepetition Lenders, and the Prepetition Agent (acting on behalf of the Prepetition Lenders) (together, the "***Existing Lenders***") or a designee of the foregoing shall be deemed Qualified Bidders for all purposes and shall have the right to bid or credit bid all or any portion of the loans under the DIP Facility and the Prepetition Credit Agreement subject to section 363(k) of the Bankruptcy Code with respect to some or all of the Assets, and any such bid will be considered a

Qualified Bid to the extent such bid is received by the Bid Deadline. Nothing herein or in the Bidding Procedures shall affect or in any way limit the right or ability of any party in interest, including the Committee, to object to the right of Existing Lenders to credit bid, including the nature, amount, or scope of such credit bid, subject to the applicable provisions of the DIP Orders *provided* that if the Committee commences a timely Challenge in accordance with the DIP Orders, then the Existing Lenders will not be permitted to credit bid on the Assets subject to such timely Challenge (but will be permitted to credit bid for all other Assets constituting the Existing Lenders' collateral that is not subject to a timely Challenge) until such time that the Challenge has been resolved by the Court or as agreed by the parties.

21. Upon reasonable request, the Debtors shall provide to the Consultation Parties and their advisors regular reports concerning the Sale process, including parties contacted, proposals received, and any due diligence requested by potential purchasers.

22. All rights of the Debtors, as they may reasonably determine to be in the best interest of their estates, in consultation with the Consultation Parties, to modify the Bidding Procedures in good faith to further the goal of attaining the highest or otherwise best offer for the Assets, or impose, at or prior to selection of the Successful Bidder(s), additional customary terms and conditions on the Sale of the Assets, including, without limitation: (i) extending the any of the deadlines set forth in the Bidding Procedures; (ii) adjourning the Auction (if held) without further notice; (iii) adding or modifying procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction or adjourning the Sale Hearing in open court (if held); (iv) canceling the Auction or electing not to hold an Auction; (v) rejecting any or all Bids or Qualified Bids; (vii) adjusting the applicable Minimum Overbid increment, including by requesting that Qualified Bidders submit last or final bids on a "blind basis," are reserved to the

extent set forth in the Bidding Procedures. The Debtors shall provide reasonable notice of any such modification to any Qualified Bidder, including any Stalking Horse Bidder(s). Any such modifications shall be deemed to be incorporated into this Order.

23. Nothing in this Order or the Bidding Procedures shall require the board of directors, board of managers, or such similar governing body of a Debtor to take any action, or to refrain from taking any action, with respect to the Bidding Procedures or the Sale process, to the extent such board of directors, board of managers, or such similar governing body determines in good faith, after consultation with the Debtors' advisors, that taking such action, or refraining from taking such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law.

24. In the event of any inconsistencies between this Order and the Motion, this Order shall govern in all respects. In the event of any inconsistencies between this Order and the Bidding Procedures, the Order shall govern in all respects.

25. All persons or entities (whether or not Qualified Bidders) that participate in the bidding process shall be deemed to have knowingly and voluntarily (a) consented to the entry of a final order by this Court in connection with the Motion, and (b) waived any right to jury trial in connection with any disputes relating to the any of the foregoing matters.

26. Notice of the Motion is adequate under Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules.

27. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof.

28. The Debtors are authorized and empowered to take all actions necessary or appropriate to implement the relief granted in this Order.

29. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation or interpretation of this Order, including, but not limited to, any matter, claim or dispute arising from or relating to the Bidding Procedures, any Stalking Horse Agreement or an Asset Purchase Agreement with any otherwise Successful Bidder(s).

whether each Interested Party has submitted adequate Preliminary Bid Documents and notify such Interested Party accordingly.

For the avoidance of doubt, the Existing Lenders or their designee or any Stalking Horse Bidder designated by the Debtors in consultation with the Consultation Parties and pursuant to these Bidding Procedures will be deemed to be a Prospective Bidder.

B. Due Diligence

Only Prospective Bidders shall be eligible to receive due diligence information and reasonable access to the Debtors' confidential electronic data room concerning the Assets (the "***Data Room***"). The Debtors, with the aid of their advisors, shall coordinate all reasonable requests from Prospective Bidders for additional information and due diligence access, including reasonable access to management; *provided* that the Debtors may withhold or limit access by any Prospective Bidder (including its affiliates and any related persons) to the Data Room or other due diligence materials if any due diligence information is determined to be business sensitive, proprietary, or otherwise not appropriate for disclosure to Prospective Bidders that are customers or competitors of the Debtors or affiliates thereof, and other industry participants. The Debtors shall promptly notify the Committee following a determination to withhold or limit access by any Prospective Bidder to the Data Room pursuant to this paragraph.

Each Prospective Bidder and Qualified Bidder (as defined below) shall comply with all reasonable requests for additional information and due-diligence access by the Debtors or their advisors regarding the ability of such Prospective Bidder or Qualified Bidder to consummate its contemplated transaction. Failure by a Prospective Bidder or Qualified Bidder to comply with requests for additional information and due diligence access may be a basis for the Debtors, in consultation with the Consultation Parties, to determine that such bidder is no longer a Prospective Bidder or Qualified Bidder or that a bid made by such Prospective Bidder or Qualified Bidder is not a Qualified Bid (as defined below).

1. Indications of Interest

Prior to **August 20, 2025, at 4:00 p.m. (prevailing Central Time)** (the "***Indication of Interest Deadline***"), a Prospective Bidder (other than the Existing Lenders or their designee and the Supporting Shareholder (as defined below) or his designee) is required to submit a non-binding written indication of interest (a "***Indication of Interest***") that is acceptable to the Debtors, in consultation with the Consultation Parties. Each Indication of Interest must include the following information:

(b) **Assets.** A description of the key components of the Prospective Bidder's potential bid, including the specific Assets sought by the potential bid and any material Assets or liabilities excluded by such bid.

(e) **Prospective Plans.** Each indication of interest must disclose a Prospective Bidder's proposed plans for the business including, (i) if applicable, any steps to achieve compliance with all required gaming regulatory approvals (including the identity of any proposed successor operator of the Assets under the proposed Sale Transaction, if known), and (ii) intentions for employees (including unionized employees).

(f) **Timing.** Each Indication of Interest must provide an estimate of the amount of time a Prospective Bidder requires to complete its due diligence review of the Debtors, obtain all necessary internal and external approvals, including regulatory approvals, execute a definitive agreement, and close the Transaction.

(g) **Contact Information and Advisors.** Each Indication of Interest must include the name, telephone number, and email address of the contact person(s) who will be available to discuss the Indication of Interest. The Indication of Interest must also

list which external advisors have been retained to support any further diligence efforts and the submission of a binding proposal.

(h) **Material Assumptions, Conditions, and Other Information.** Any other material information, assumptions or conditions (including an outline of any remaining due diligence that the Prospective Bidder deems necessary to submit a binding proposal), and any other information that a Prospective Bidder considers relevant for the Debtors and their advisors in evaluating such Indication of Interest or that a Prospective Bidder believes will distinguish its organization and capabilities in consummating the Transaction.

Notwithstanding the foregoing, the Debtors shall (i) not prohibit any Prospective Bidder from receiving due diligence information solely on the basis that the Prospective Bidder did not submit an Indication of Interest by the Indication of Interest Deadline, and (ii) in consultation with the Consultation Parties, retain the ability to consider a timely Bid submitted by a Prospective Bidder that did not submit an Indication of Interest by the Indication of Interest Deadline or otherwise.

2. No Communications Among Bidders

There must be no communications with respect to bids or potential bids between and amongst Prospective Bidders (including the any Stalking Horse Bidders or Qualified Bidders), or between Prospective Bidders and the Consultation Parties, unless the Debtors, in consultation with the Consultation Parties, have authorized such communication in writing in advance or with the participation of representatives of the Debtors or their advisors. Should any Prospective Bidder attempt to communicate directly with a Consultation Party, such Consultation Pary shall immediately inform Debtors' counsel and financial advisor of such communication and include the Debtors' counsel or financial advisor in any future communications between the Prospective Bidder and Consultation Party. The Debtors reserve the right, in consultation with the Consultation Parties and in their reasonable business judgment, to disqualify any Prospective Bidders that have engaged in communications between or amongst themselves without the participation of the Debtors (or a representative of the Debtors) or the Debtors' prior written consent. The Debtors further reserve their right, in their reasonable business judgment, to strip any Consultation Party that violates this provision of its consultation rights hereunder.

IV. Supporting Shareholder and Management

Any Insider or Affiliate (as those terms are defined in the Bankruptcy Code), or member of the Debtors' current or former management team, including, but not limited to, Mr. Eric Persson (the "***Supporting Shareholder***"), either as an individual or through a person or entity affiliated with the respective member of the Debtors' current or former management, participating in a bid to purchase the Assets, shall be excluded from evaluating bids from other parties on behalf of the Debtors and shall be screened from receipt of any non-public information regarding any such competing bids and shall not advise the Debtors on the same.

V. Procedures for Designation of Stalking Horse Bids

The Debtors, in consultation with the Consultation Parties, may, in the exercise of their business judgment and as they may reasonably determine to be in the best interests of their estates, select a stalking horse bidder or stalking horse bidders (each, a "***Stalking Horse Bidder***") for any groupings or subgroupings of the Assets for the purposes of establishing one or more minimum acceptable bids with which to begin the applicable Auction with respect to certain or all of the foregoing Assets (each, a "***Stalking Horse Bid***"). The Debtors may provide any such Stalking Horse Bidder with Bid Protections (described below) pursuant to an agreement with such Stalking Horse Bidder (the "***Stalking Horse Agreement***") and consistent with the designation procedures set forth in these Bidding Procedures and the Bidding Procedures Order (such procedures, the "***Stalking Horse Designation Procedures***").

Any designation of Stalking Horse Bidder for any assets shall be made no later than 4:00 p.m. (prevailing Central Time) on September 2, 2025 (the "***Stalking Horse Designation Deadline***"). The Debtors shall file a notice of such Stalking Horse Agreement (the "***Stalking Horse Notice***") with the Court and provide such Stalking Horse Notice to: (a) the parties on the Debtors' Master Service List; (b) counsel to the Ad Hoc Group and Backstop Parties; (c) counsel to the Prepetition Agent; (d) counsel to the Committee; (e) all Interested Parties; and (f) all parties reasonably known to the Debtors to assert an interest in the assets. In the event that the Debtors designate a Stalking Horse Bidder and the Stalking Horse Bidder is not the Successful Bidder with respect to the Stalking Horse Bid, the Debtors shall be authorized, but not directed, to make certain payments in consideration of its being the Stalking Horse Bidder, including (a) any break-up fee (the "***Break-Up Fee***") and (b) any reimbursement of reasonable, documented and necessary out-of-pocket expenses incurred in connection with such Stalking Horse Bid (the "***Expense Reimbursement Amount***"). The amount of any consensual Break-Up Fee and Expense Reimbursement Amount shall, in the aggregate, not exceed 1.5% of the cash portion of the applicable Transaction Purchase Price (as defined below) for such Stalking Horse Bid, with such amount to be paid solely in accordance with the terms and conditions set forth in the applicable Stalking Horse Agreement and as approved by the Bankruptcy Court in the Bidding Procedures Order (the "***Bid Protections***"). The sole remedy against the Debtors of any Stalking Horse Bidder in connection with its Stalking Horse Bid shall be the return of the applicable deposit (if applicable) and the Bid Protections, in the event that the applicable Stalking Horse Agreement is terminated pursuant to the applicable provisions of such agreement.

The following parties shall not be entitled to any Bid Protections or any other expense reimbursement, break-up fee, termination fee or any other similar fee or payment: any (a) party making a credit bid (irrespective of whether it is a Stalking Horse Bidder), (b) Insider or Affiliate, and any other person or entity that is, or is otherwise affiliated with, any member of the Debtors' current or former management team; *provided*, *however*, that solely with respect to any stalking-horse bid submitted for the PokerCo assets by the Supporting Shareholder or its designee (a "***Supporting Shareholder Stalking Horse Bid***"), the Debtors may, pursuant to these Stalking Horse Designation Procedures, seek approval of the bid protections for the Supporting Shareholder

or its designee contemplated by the Transaction Support Agreement (including the expense reimbursement and overbid protections specified therein) (such bid protections, the "***Supporting Shareholder Bid Protections***"); *provided further* that nothing in these Bidding Procedures or the Bidding Procedures Order shall be deemed to permit or approve any Bid Protections (including the Supporting Shareholder Bid Protections), and the rights of all parties in interest, including the Committee, to object to any Stalking Horse Bid (including the Supporting Shareholder Stalking Horse Bid) and/or proposed Bid Protections (including the Supporting Shareholder Bid Protections), pursuant to and in accordance with the Stalking Horse Designation Procedures, are expressly reserved in all respects; and (c) bidder other than a Stalking Horse Bidder (each on the terms described herein and in the Bidding Procedures).

If there is no objection timely filed to any Stalking Horse Notice prior to the Stalking Horse Objection Deadline, including with respect to the Bid Protections or the Supporting Shareholder Bid Protections (or if such an objection is timely filed but is consensually resolved before a hearing thereon), the designation of the Stalking Horse Bid and Stalking Horse Bidder and associated Bid Protections or Supporting Shareholder Bid Protections (as modified by any such consensual resolution) shall be deemed approved with no further action needed by the Court. If a timely filed objection is consensually resolved, the Debtors shall promptly file a notice on the docket identifying the objection that has been resolved, and such notice shall include the revised stalking horse bid documents and a brief description of the modifications, if any. If such an objection is timely filed and not consensually resolved, the Court will schedule a hearing to resolve such an objection, subject to its availability.

(h) **Deposit.** Each Bid (except a credit bid by the Existing Lenders or their designee) must be accompanied by a good faith deposit in the form of cash in an amount equal to not less than 10% of the cash portion of the Transaction Purchase Price of the Bid, to be held in an escrow account to be identified and established by the Debtors (the "***Deposit***"); *provided* that the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, may elect to waive or modify the requirement of a Deposit on a case-by-case basis.

(i) **Executed Agreement.** Each Bid must be based on the proposed purchase agreement with respect to such Assets, which will be posted to the Data Room by the Debtors (a "***Purchase Agreement***"), and must include executed transaction documents, signed by an authorized representative of such Potential Bidder, pursuant to which the Potential Bidder proposes to effectuate a Sale Transaction (a

"***Modified Purchase Agreement***"). Each Bid must also include a copy of the Modified Purchase Agreement marked against the respective Purchase Agreement to show all changes requested by the Potential Bidder (including those related to the assumption and assignment of contracts and licenses, and other material terms such that the Debtors may determine how such Bid compares to the terms of competing Bids). Each Modified Purchase Agreement must provide a commitment to close as soon as practicable but in any event within five business days after all closing conditions are satisfied.

Modified Purchase Agreement ultimately accepted and executed by the Debtors,

(iii) the Prospective Bidder's agreement to not use information obtained from the Data Room or the diligence process in connection with, or related to, any litigation or other legal actions between such Prospective Bidder (including its affiliates and any related persons) and any Debtor, any current or former directors and officers of the Debtors, the Debtors' non-Debtor affiliates, or any of the Existing Lenders; and

(iv) acknowledgement in writing that (A) in connection with submitting its Bid, it has not engaged in any collusion that would be subject to section 363(n) of the Bankruptcy Code with respect to any Bids or the Sale, specifying that it did not agree with any Prospective Bidders or Qualified Bidders to control price; and (B) it agrees not to engage in any collusion that would be subject to section 363(n) of the Bankruptcy Code with respect to any Bids, the Auction, or the Sale.

(p) **Authorization.** The Bid must include evidence that the Prospective Bidder has obtained authorization or approval from its board of directors (or comparable governing body) acceptable to the Debtors with respect to the submission, execution, and delivery of its Bid and the Modified Purchase Agreement, participation in the Auction (if any), and closing of the proposed Sale Transaction(s) contemplated in such Bid.

(q) **No Bid Protections or Fees.** Each Bid (other than a Stalking Horse Bid, subject to these Bidding Procedures and the Bidding Procedures Order) must disclaim any right to receive a fee analogous to a break-up fee, expense reimbursement, "topping" or termination fee, or any other similar form of compensation. For the avoidance of doubt, no Qualified Bidder (other than a Stalking Horse Bidder, subject to these Bidding Procedures and the Bidding Procedures Order) will be permitted to request, nor be granted by the Debtors, at any time, whether as part of an Auction or otherwise, a break-up fee, expense reimbursement, termination fee, or any other similar form of compensation, and by submitting its Bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under section 503(b) of the Bankruptcy Code.

(r) **Time Frame for Closing.** Each Bid must be reasonably likely (based on antitrust or other regulatory issues, experience, and other considerations in the Debtors' business judgment) to be consummated, if selected as the Successful Bid, within a time frame reasonably acceptable to the Debtors in consultation with the Consultation Parties, and, in any event, subject to the Milestones contained in the DIP Orders. The Prospective Bidder must commit to closing the proposed Sale Transaction(s) contemplated by the Bid as soon as practicable and provide perspective on any potential regulatory issues that may arise in connection with such Prospective Bidder's acquisition of the Assets including timing for resolution thereof. Each Bid shall state the expected date of closing of the Sale Transaction.

(s) **Compliance with Bankruptcy Code and Non-Bankruptcy Law; Adherence to Bidding Procedures.** Each Bid must include (i) a statement that the Prospective Bidder has acted in good faith consistent with section 363(m) of the Bankruptcy Code; and (ii) a statement that the Prospective Bidder agrees to be bound by, and has complied with, the Bidding Procedures Order, the Bankruptcy Code, and applicable non-bankruptcy law (including any applicable gaming laws or requirements).

(t) **Back-Up Bidder Commitment.** Each Bid (other than a credit bid by the Existing Lenders or their designee) must include a written commitment by the applicable Prospective Bidder to serve as a Back-Up Bidder (as defined below) in the event that such Prospective Bidder's bid is not selected as the Successful Bid.

(u) **Other Information.** The Bid contains such other information as may be reasonably requested by the Debtors and the Consultation Parties, with such requests made through the Debtors.

A Bid received that meets the above requirements, as determined by the Debtors, in consultation with their advisors and the Consultation Parties, in the Debtors' reasonable business judgment will constitute a "***Qualified Bid***" for such Assets (and the Prospective Bidder submitting such Qualified Bid will constitute a "***Qualified Bidder***"); *provided* that, if the Debtors receive a Bid that does not meet the requirements for a Qualified Bid, the Debtors may provide the Prospective Bidder with the opportunity to remedy any deficiencies before the Auction to render such Bid a Qualified Bid; *provided*, *further*, that, if any Qualified Bidder fails to comply with reasonable requests for additional information and due diligence access requested by the Debtors to the satisfaction of the Debtors, the Debtors may, after consulting with the Consultation Parties, disqualify any Qualified Bidder and Qualified Bid and such Qualified Bidder will not be entitled to attend or participate in the Auction (if any). The Debtors may also, after consulting with the Consultation Parties, waive or modify any of the above requirements in the exercise of their reasonable business judgment.

The Debtors reserve the right, in the exercise of their business judgment and in consultation with the Consultation Parties, to work with (A) Prospective Bidders to aggregate two or more Bids into a single consolidated Bid prior to the Bid Deadline and (B) Qualified Bidders to aggregate two or more Qualified Bids into a single Qualified Bid prior to the conclusion of the Auction (if any); *provided, however*, the Debtors reserve the right, in the exercise of their business judgment, to condition any pairing or combination of Bids as set forth in this paragraph on conditions, pertaining to the ultimate disposition of any Assets sought by the relevant Bid(s) or otherwise, as the Debtors believe, in consultation with their advisors and the Consultation Parties, is in the best interests of the Debtors and their estates.

Notwithstanding anything to the contrary in these Bidding Procedures, (a) the Existing Lenders or their designee credit bidding pursuant to Section VIII of these Bidding Procedures and shall be deemed to be a Qualified Bidder, and any credit bid submitted by the Existing Lenders or their designee pursuant to Section VIII of the Bidding Procedures shall be deemed to be a Qualified Bid and (b) any Stalking Horse Bidder(s) shall be deemed to be a Qualified Bidder, and any

Stalking Horse Bid(s) shall be deemed to be a Qualified Bid, such that such Qualified Bidders shall not be required to submit an additional Qualified Bid.

VII. Bid Review Process

The Debtors will evaluate Bids submitted by the Bid Deadline, in consultation with the Consultation Parties, and may, based upon their evaluation of each Bid, engage in negotiations with Prospective Bidders who submitted Bids, as the Debtors deem appropriate in their reasonable business judgment and in a manner consistent with their fiduciary duties and applicable law. The Debtors, in consultation with the Consultation Parties, will evaluate whether a Bid constitutes a Qualified Bid using any and all factors that the Debtors deem reasonably pertinent, including, without limitation, (a) the amount of the purchase price set forth in the Bid, including, for the avoidance of doubt, whether the purchase price provides for the full or partial satisfaction of the DIP Obligations, the Prepetition Secured Obligations, and any ordinary course operational liabilities and accrued and unpaid administrative claims; (b) the risks and timing associated with consummating a sale transaction(s) with the Prospective Bidder; (c) any Assets included in or excluded from the Bid, including any proposed assumed contracts or leases; (d) any liabilities and obligations assumed as part of the Bid; (e) the ability to obtain any and all necessary regulatory approvals (including gaming regulatory approvals) for the proposed Sale Transaction, including any considerations related to the timing of such approvals or potential risk of non-approval, (f) the net benefit to the Debtors' estates, (g) the tax consequences of such Bid, and (h) the impact on employees (including unionized employees) and the proposed treatment of employee obligations, including assumption of collective bargaining agreements and other employee-related agreements, as applicable. For the avoidance of doubt, the Debtors shall promptly produce to the Consultation Parties copies of all bids, indications of interest, and other documentation submitted by any Prospective Bidder.

The Debtors and their advisors (in consultation with the Consultation Parties) will determine which Potential Bidders are Qualified Bidders and whether Bids submitted constitute Qualified Bids. Any Bid that is not deemed a Qualified Bid will not be considered by the Debtors. As soon as reasonably practicable, and by no later than 24 hours before the commencement of the Auction, the Debtors shall notify each Prospective Bidder whether such party is a Qualified Bidder. If any Bid is determined by the Debtors (in consultation with the Consultation Parties) not to be a Qualified Bid, the Debtors will refund such Prospective Bidder's Deposit on or before the date that is five business days after the Bid Deadline.

Between the date that the Debtors notify a Prospective Bidder that it is a Qualified Bidder and the Auction, the Debtors may discuss, negotiate, or seek clarification of any Qualified Bid from a Qualified Bidder. Without the prior written consent of the Debtors (email being sufficient) in consultation with the Consultation Parties, a Qualified Bidder may not modify, amend, or withdraw its Qualified Bid, except for proposed amendments to increase the consideration contemplated by, or otherwise improve the terms of, the Qualified Bid, during the period that such Qualified Bid remains binding as specified in the Bidding Procedures; *provided* that any Qualified Bid may be improved at the Auction as set forth herein. Any improved Qualified Bid must continue to comply with the requirements for Qualified Bids set forth in the Bidding Procedures.

If only one Qualified Bid, including, without limitation, a Stalking Horse Bid, is received by the Bid Deadline, then the Debtors may cancel the Auction and designate the applicable Qualified Bid as the Successful Bidder(s), and the Debtors may immediately pursue entry of an order by the Court, in form and substance acceptable to the applicable Qualified Bidder, approving the Sale Transaction to the applicable Qualified Bidder at the Sale Hearing (as defined below).

VIII. Right to Credit Bid

Any Qualified Bidder who is a Secured Creditor shall have the right to credit bid all or a portion of the value of such Secured Creditor's claims within the meaning of section 363(k) of the Bankruptcy Code; provided that a Secured Creditor shall have the right to credit bid its claim only with respect to the collateral by which such Secured Creditor is secured, and subject to the right of the Committee and any party in interest to contest the right of any Secured Creditor to credit bid unless, in the case of the Existing Lenders, as limited by the terms of the DIP Orders; *provided* that if the Committee commences a timely Challenge in accordance with the DIP Orders, then the Existing Lenders will not be permitted to credit bid on the Assets subject to such timely Challenge (but will be permitted to credit bid for all other Assets constituting the Existing Lenders' collateral that is not subject to a timely Challenge) until such time that the Challenge has been resolved by the Court or as agreed by the parties.

Notwithstanding anything to the contrary contained herein, subject to the terms of the DIP Orders, including those regarding Challenges, the DIP Lenders, the DIP Agent (acting on behalf of the DIP Lenders), the Prepetition Lenders, and the Prepetition Agent (acting on behalf of the Prepetition Lenders) (together, the "***Existing Lenders***") or a designee of the foregoing shall be deemed Qualified Bidders for all purposes and shall have the right to bid or credit bid all or any portion of the loans under the DIP Facility and the Prepetition Credit Agreement subject to section 363(k) of the Bankruptcy Code with respect to some or all of the Assets, and any such bid will be considered a Qualified Bid to the extent such bid is received by the Bid Deadline. If the Existing Lenders submit a credit bid for particular assets, including any credit bid by a designee of the Existing Lenders (including, without limitation, MC BidCo, as defined in the Transaction Support Agreement), with respect to all or any portion of the DIP Obligations or Prepetition Secured Obligations, then the Existing Lenders shall cease to be Consultation Parties with respect to such Assets; *provided* further that, excluding any credit bid by the Existing Lenders, a credit bid shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid that are senior in priority to those of the party seeking to credit bid, which, for the avoidance of doubt, shall include, among other things, satisfaction of the DIP Obligations and Prepetition Secured Obligations and comply with the terms of any order approving (a) the DIP Motion, the DIP Documents, and the Prepetition Credit Documents and (b) the Bidding Procedures and the Bidding Procedures Order. In the event the Existing Lenders or their designee credit bid pursuant to Section VIII of these Biddings Procedures, such Existing Lenders or their designee must submit an executed Purchase Agreement and Modified Purchase Agreement prior to the Bid Deadline to be considered a Qualified Bid. Further, if a credit bid submitted by the Existing Lenders has not been withdrawn prior to the commencement of the Auction, such bid shall become irrevocable, subject to the terms of these Bidding Procedures.

If the Existing Lenders submit a credit bid for any or all of the Debtors' Assets that constitute their collateral as a Stalking Horse Bid with respect to such Assets and the Debtors designate the Existing Lenders as a Stalking Horse Bidder with respect to such Assets, the Existing Lenders shall thereafter cease to be Consultation Parties with respect to such Assets.

Nothing herein shall affect or in any way limit the right or ability of any party in interest, including the Committee, to object to the right of the Existing Lenders to credit bid, including the nature, amount, or scope of such credit bid, subject to the applicable provisions of the DIP Orders and the Challenge Period (as defined therein), as the same may be modified in accordance with their terms. Notwithstanding anything to the contrary herein, if the Committee commences a timely Challenge in accordance with the DIP Orders, then the Existing Lenders will not be permitted to credit bid on the Assets subject to such timely Challenge (but will be permitted to credit bid for all other Assets constituting the Existing Lenders' collateral that is not subject to a timely Challenge) until such time that the Challenge has been resolved by the Court or as agreed by the parties.

IX. Auction

The Debtors may, in consultation with the Consultation Parties, conduct any Auction in any manner to facilitate a Sale Transaction for all or different subgroupings of the Assets and individual Assets, including conducting multiple Auctions for different subgroupings of the Assets and individual Assets. If two or more Qualified Bids (including a Stalking Horse Bid or credit bid) are received by the Bid Deadline, the Debtors may conduct the Auction with respect to the Debtors' Assets subject to such Qualified Bids. If only one Qualified Bid (including a Stalking Horse Bid or credit bid) with respect to a Sale Transaction is received by the Bid Deadline, the Debtors may, after consulting with the Consultation Parties, select the Modified Purchase Agreement or Stalking Horse Agreement, as applicable, of such Qualified Bidder to be the Successful Bid and such Qualified Bidder shall be the Successful Bidder with respect to the applicable Sale Transaction, and will promptly file the Notice of Successful Bidder with respect to such Sale Transaction, but in no event later than September 19, 2025. To the extent there are no Qualified Bids or Stalking Horse Bids with respect to certain of the Debtors' assets, the Debtors will determine the next phase of the Sale and chapter 11 process in consultation with the Required DIP Lenders (as defined in the DIP Term Sheet annexed to the DIP Credit Agreement) and the Committee.

Prior to the commencement of the Auction, the Debtors will notify all Qualified Bidders of the highest or otherwise best Qualified Bid, as determined in the Debtors' reasonable business judgment (in consultation with the Consultation Parties) (the "***Baseline Bid***") with respect to a proposed Sale Transaction, and provide copies of the Modified Purchase Agreement supporting the Baseline Bid to all Qualified Bidders who have submitted a Qualified Bid with respect to the proposed Sale Transaction. The determination of which Qualified Bid constitutes the Baseline Bid and which Qualified Bid constitutes the Successful Bid with respect to a proposed Sale Transaction shall take into account any factors the Debtors (in consultation with the Consultation Parties) reasonably deem relevant to the value of the Qualified Bid to the Debtors' estates, including, among other things, the following: (a) the amount and nature of the consideration, including any obligations to be assumed; (b) the executory contracts and unexpired leases of the Debtors, if any, for which assumption and assignment or rejection is required, and the costs and delay associated with any litigation concerning executory contracts and unexpired leases necessitated by such bid;

(c) the number, type and nature of any changes to the Purchase Agreement or Stalking Horse Agreement, as applicable, requested by each Qualified Bidder; (d) the extent to which such modifications are likely to delay closing of the sale of the Assets and the cost to the Debtors of such modifications or delay; (e) the likelihood of the Qualified Bidder being able to close the proposed Sale Transaction (including obtaining any required regulatory approvals, including any required gaming regulatory approvals) and the timing thereof; (f) the net benefit to the Debtors' estates; and (g) the tax consequences of such Qualified Bid.

A. Participation and Attendees

The Auction (if held) shall take place on **September 22, 2025, at 10:00 a.m. (prevailing Central Time)**, at a location designated by the Debtors (in consultation with the Consultation Parties) or via a virtual meeting (either telephonic or via videoconference) the information to join which virtual meeting shall be provided by the Debtors to each Qualified Bidder prior to the Auction. The applicable Auction may be postponed, adjourned or cancelled as the Debtors (in consultation with the Consultation Parties) deem appropriate. Reasonable notice as is reasonably practicable under the circumstances of such postponement or adjournment and the time and place for the commencement or resumption of the applicable Auction or cancellation shall be given to all Qualified Bidders.

The Debtors, with the assistance of their advisors, shall direct and preside over the Auction. Only the Debtors, the Consultation Parties (including the members of the Committee), the Unions, and any Qualified Bidders that have submitted Qualified Bids by the Bid Deadline, in each case, along with their representatives and counsel, are eligible to attend the Auction, subject to other limitations as may be reasonably imposed by the Debtors (in consultation with the Consultation Parties) in accordance with the Bidding Procedures. Qualified Bidders participating in the Auction must appear in person (or through a duly authorized representative), telephonically, or through a video teleconference. Only Qualified Bidders (including any Stalking Horse Bidders) will be entitled to make any further Bids at the Auction.

Each Qualified Bidder participating in the Auction will be required to confirm in writing and on the record at the Auction that (a) it has not engaged in any collusion with respect to the submission of any bid or the Auction and (b) each Qualified Bid that it submits at the Auction is a binding, good faith and bona fide offer to purchase the Assets identified in such bid.

B. Auction Procedures

The Auction shall be governed by the following procedures, subject to the Debtors' right to modify such procedures in their reasonable business judgment (in consultation with the Consultation Parties):

1. **Baseline Bids**. Bidding shall commence at the amount of the Baseline Bid.

2. **Minimum Overbid**. Bidding shall commence at the amount of the Baseline Bid(s). Qualified Bidders may submit successive bids higher than the previous bid, based on and increased from the Baseline Bid(s). The Debtors shall, in consultation with the Consultation Parties, determine and announce at the outset of the Auction the minimum required increments for successive Qualified Bids (the "***Minimum***

Overbids"). The Debtors may, in their reasonable business judgment and in consultation with the Consultation Parties, announce increases or reductions to Minimum Overbids at any time during the Auction.

3. **Highest or Best Offer**. After the first round of bidding and between each subsequent round of bidding, the Debtors (in consultation with the Consultation Parties) shall announce the bid that they believe in their reasonable business judgment to be the highest or otherwise best offer for the relevant Assets (the "***Leading Bid***") and describe the material terms thereof. Each round of bidding will conclude after each participating Qualified Bidder has had the opportunity to submit a subsequent bid with full knowledge of the Leading Bid. All participating Qualified Bidders are required to bid in each round or they forfeit their right to participate in subsequent rounds.

4. **Rejection of Bids**. The Debtors may, in their reasonable business judgment (in consultation with the Consultation Parties) reject, at any time before entry of an order of the Court approving a Qualified Bid, any bid that the Debtors determine is (a) inadequate or insufficient, (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of the Sale, or (c) contrary to the best interests of the Debtors, their estates, their creditors, and other stakeholders.

5. **Additional Information**. The Debtors (in consultation with the Consultation Parties) shall have the right to request any additional financial information that will allow the Debtors to make a reasonable determination as to a Qualified Bidder's financial and other capabilities to consummate the transactions contemplated by their proposal and any further information that the Debtors believe is reasonably necessary to clarify and evaluate any bid made by a Qualified Bidder during the Auction.

6. **Modification of Procedures**. The Debtors may announce at the Auction modified or additional procedures for conducting the Auction, or otherwise modify the Bidding Procedures, in consultation with the Consultation Parties to the extent any such modifications are material.

7. **Remaining Terms Are the Same as for Qualified Bids:** Except as modified herein or by the Debtors at the Auction, in consultation with the Consultation Parties, an Overbid at an Auction must comply with the conditions for a Qualified Bid set forth above, *provided*, *however*, that no additional Deposit shall be required beyond the Deposit previously submitted by a Qualified Bidder, *provided* that the Successful Bidder (other than the Existing Lenders or their designee in connection with a credit bid) with respect to a Sale Transaction shall be required to make a representation at the end of an Auction that it will provide any additional deposit necessary so that its Deposit is equal to 10% of the cash portion of the Transaction Purchase Price of the Bid.

The Auction shall include open bidding in the presence of all other Qualified Bidders. All Qualified Bidders shall have the right to submit additional bids and make modifications to any prior Qualified Bid or Overbid at the Auction to improve their bids; *provided* that any Overbid made by a Qualified Bidder (including with respect to any Backup Bid) must remain open and binding on the Qualified Bidder until the close of the Auction, and, if selected as a Successful Bid, until the closing of the Sale Transaction contemplated by such Successful Bid. The Debtors may, in their reasonable business judgment (in consultation with the Consultation Parties), negotiate with any and all Qualified Bidders participating in the Auction.

C. Adjournment of the Auction

The Debtors reserve the right, in their reasonable business judgment (in consultation with the Consultation Parties), consistent with, and subject to, the Milestones under the DIP Orders, to adjourn the Auction one or more times to, among other things, (i) facilitate discussions between the Debtors and Qualified Bidders, (ii) allow Qualified Bidders to consider how they wish to proceed, and (iii) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence as the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, may require, that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt or equity funding commitments to consummate the proposed Sale Transaction(s) at the prevailing bid amount.

X. Successful Bidder

Immediately prior to the conclusion of the Auction, the Debtors shall (a) determine (in consultation with the Consultation Parties) consistent with the Bidding Procedures, which Bid constitutes the highest or otherwise best Bid with respect to each Sale Transaction (each such bid, a "***Successful Bid***" and such Qualified Bidder's purchase agreement, the "***Successful Bidder Purchase Agreement***"); and (b) notify all Qualified Bidders at the Auction for the Assets under a Sale Transaction of the identity of the bidder that submitted the Successful Bid (each such bidder, the "***Successful Bidder***") and the amount of the purchase price and other material terms of the Successful Bid with respect to such Sale Transaction.

The Debtors shall file a notice identifying the Successful Bidder and Backup Bidder (if selected) (the "***Notice of Successful Bidder***") with respect to each Sale Transaction as soon as reasonably practicable after closing of the Auction with respect to such Sale Transaction, if any, and in any event not later than one day after the closing of the Auction. In the event there is no Auction with respect to a Sale Transaction, the Debtors shall file the Notice of Successful Bidder identifying the Successful Bidder on September 19, 2025.

The Debtors' presentation of a particular Qualified Bid to the Court for approval does not constitute the Debtors' acceptance of such Qualified Bid. The Debtors will be deemed to have accepted a Bid only when the Bid has been approved by the Court at the Sale Hearing. The Debtors shall seek approval by the Court to consummate the Backup Bid, solely in the event the Successful Bidder fails to close the transaction as provided in the Successful Bid and with all rights reserved against the Successful Bidder.

Unless otherwise required pursuant to the Debtors' fiduciary duties, the Debtors may not consider any Bids submitted after the conclusion of an Auction with respect to the Assets subject to such Auction (such Bid, a "***Late Bid***"). Notwithstanding anything in the Bidding Procedures to the contrary, a Bid shall not be considered a Late Bid if such Bid does not apply to the Assets that were the subject of an Auction, as applicable.

XI. Backup Bidder

Notwithstanding anything in the Bidding Procedures to the contrary, if an Auction is conducted, the Qualified Bidder with the next-highest or otherwise second-best Qualified Bid as compared to the Successful Bid at the Auction for the Assets under a Sale Transaction, as determined by the Debtors in the exercise of their reasonable business judgment (in consultation with the Consultation Parties) (the "***Backup Bid***"), shall be required to serve as a backup bidder (the "***Backup Bidder***") with respect to such Sale Transaction, and each Qualified Bidder with respect to a Sale Transaction shall agree and be deemed to agree to be the Backup Bidder with respect to such Sale Transaction if so designated; *provided* that if any Stalking Horse Bidder(s) are selected as the Backup Bid with respect to its Stalking Horse Bid(s), such bid must remain irrevocable only for so long as is required under the applicable Stalking Horse Agreement; *provided*, *further* that neither the Existing Lenders nor their designee shall be required to serve as a backup bidder.

The identity of the Backup Bidder and the amount and material terms of the Qualified Bid of the Backup Bidder shall be announced by the Debtors at the conclusion of the Auction at the same time the Debtors announce the identity of the Successful Bidder.

The Backup Bid shall remain binding on the Backup Bidder until the earlier of (a) closing of a Sale Transaction for the applicable Assets pursuant to the Successful Bid or (b) the date that is 90 calendar days after the Sale Hearing (such date, the "***Backup Bid Outside Date***"). If a Successful Bidder fails to consummate the approved transactions contemplated by its Successful Bid prior to the Backup Bid Outside Date, the Debtors may select the Backup Bidder as the Successful Bidder with respect to such Sale Transaction, and such Backup Bidder shall be deemed a Successful Bidder for all purposes.

XII. Return of Deposit

The Deposits of all Qualified Bidders (including any Stalking Horse Bidders) shall be held in escrow by the Debtors, or their agent, and shall not become property of the Debtors' estates unless and until released from escrow to the Debtors pursuant to the terms of the applicable escrow agreement or order of the Bankruptcy Court. The Deposit of the Successful Bidder with respect to a Sale Transaction shall be applied to the purchase price of such transaction at closing. The Deposits for each Qualified Bidder that is neither the Successful Bidder nor the Backup Bidder with respect to a Sale Transaction shall be returned on or before the date that is five business days after the Auction. The Backup Bidder's Deposit shall be held in escrow until the earlier of (a) the closing of the Sale with the Successful Bidder or (b) the Backup Bid Outside Date. In the event the Successful Bidder fails to close prior to the Backup Bid Outside Date and the Debtors opt to close on the Sale Transaction(s) set forth in the Backup Bid, the Backup Bidder's Deposit shall be applied to the purchase price of such transaction(s) at closing. In the event the Debtors close the

Sale Transaction with the Successful Bidder or have not closed such transaction by the Backup Bid Outside Date, the Backup Bidder's Deposit shall be returned on or before the date that is five business days after the occurrence of the Backup Bid Outside Date. In the event of a breach or failure to consummate a Sale by the Successful Bidder or the Backup Bidder, as applicable, the defaulting Successful Bidder's Deposit or Backup Bidder's Deposit, as applicable, shall be forfeited to the Debtors, and the Debtors specifically reserve the right to seek all available remedies against the defaulting Successful Bidder or Backup Bidder, as applicable.

Notwithstanding any provision hereof, the terms pertaining to any Deposit submitted by any Stalking Horse Bidder pursuant to a Stalking Horse Agreement (including, without limitation, the entitlements of such Stalking Horse Bidder and the Debtors to such Deposit and the timing of return of any good faith deposit to a Stalking Horse Bidder) shall be governed by the terms of such Stalking Horse Agreement.

XIII. Consultation by the Debtors

The term "***Consultation Parties***" as used in the Bidding Procedures shall mean: (a) the ad hoc group of term lenders represented by Ropes & Gray LLP (the "***Ad Hoc Group***") and their advisors; (b) the Official Committee of Unsecured Creditors (the "***Committee***"); and (c) any other official committee appointed in the Chapter 11 Cases; *provided* that to the extent that any party in the preceding clauses (a) through (c) submits a Bid in connection with any potential Sale Transaction for particular Assets, such party shall not be a Consultation Party with respect to such Assets to the extent that doing so would violate the Procedures for Complex Cases in the Southern District of Texas. If a member of the Committee submits a Bid for the Assets, the Committee will maintain its consultation rights as a Consultation Party; *provided* that the Committee excludes the bidding Committee member from any discussions or deliberations regarding a transaction involving any Assets, and shall not provide any confidential information regarding the Assets or otherwise involving the Sale Process to such bidding Committee member.

Throughout the Sale process, the Debtors and their advisors will consult with the Consultation Parties as provided in these Bidding Procedures, or as is otherwise necessary or appropriate, as determined in the Debtors' business judgment.

The Debtors shall consult with the Consultation Parties in good faith regarding the Sale process, any diligence and other information requested by the Consultation Parties, and, upon reasonable request from the Consultation Parties, the Debtors will provide to the Consultation Parties reports concerning the sale process, including parties contacted, buyer feedback, copies of all letters of intent, drafts of definitive agreements and updates on proposals. For the avoidance of doubt, and without limitation, the Debtors shall consult with the Consultation Parties on modifications to these Bidding Procedures, which bidders qualify as Qualified Bidders and which bids qualify as Qualified Bids, selecting any Stalking Horse Bid(s) and providing any such Stalking Horse Bidder(s) with Bid Protections, the selection of the Baseline Bid, the selection of the Leading Bid, determining the amount of each Minimum Overbid, how the Auction is conducted, any additional material Auction procedures, adjourning the Auction, canceling the Auction, and selecting the Successful Bidder and the Backup Bidder.

XIV. Sale Is "As Is/Where Is"

Except as otherwise provided in the applicable Successful Bidder Purchase Agreement or the applicable Sale Order, any Assets of the Debtors sold pursuant to the Bidding Procedures shall be conveyed at the closing of a transaction with a Successful Bidder in their then-present condition, "**AS IS, WITH ALL FAULTS, AND WITHOUT ANY WARRANTY WHATSOEVER, EXPRESS OR IMPLIED**." Except as may be set forth in the applicable Successful Bidder Purchase Agreement or the applicable Sale Order, the Assets are sold free and clear of any and all liens, claims, interests, restrictions, charges and encumbrances of any kind or nature to the fullest extent permissible under the Bankruptcy Code, with such liens, claims, interests, restrictions, charges, and encumbrances to attach to the proceeds of sale paid directly to the Debtors (to be held by the Debtors for the benefit of, and pending the distribution of such proceeds to, the Existing Lenders and other holders of liens in accordance with the priority of their respective liens and otherwise subject to the debtor-in-possession financing orders in place in the Chapter 11 Cases) with the same validity and in the same order of priority.

XV. Reservation Of Rights

The Debtors (in consultation with the Consultation Parties) reserve the right to, in their reasonable business judgment and consistent with the exercise of their fiduciary duties, to (a) determine which bidders are Qualified Bidders; (b) determine which bids are Qualified Bids; (c) determine whether to enter into a Stalking Horse Agreement; and (d) determine which Qualified Bid is the highest or otherwise best proposal and which is the next highest or otherwise best proposal with respect to a Sale Transaction; and (e) modify the Bidding Procedures in good faith, and consistent with to further the goal of attaining the highest or otherwise best offer for the Assets, or impose, at or prior to selection of the Successful Bidder, additional customary terms and conditions on the Sale of the Assets, including, without limitation: (i) extending the any of the deadlines set forth in the Bidding Procedures; (ii) adjourning the Auction (if held) without further notice; (iii) adding or modifying procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction or adjourning the Sale Hearing in open court (if held); (iv) canceling the Auction or electing not to hold an Auction; (v) rejecting any or all Bids or Qualified Bids; (vii) adjusting the applicable Minimum Overbid increment, including by requesting that Qualified Bidders submit last or final bids on a "blind basis." The Debtors shall provide reasonable notice of any such modification to any Qualified Bidder, including any Stalking Horse Bidder. Nothing in this section XV or elsewhere in these Bid Procedures will be construed to limit the rights of the Existing Lenders under the DIP Orders or DIP Documents.

XVI. Consent to Jurisdiction

All Prospective Bidders and Qualified Bidders shall be deemed to have consented to the exclusive jurisdiction of the Court for any and all matters related to, or in connection with, the Bidding Procedures, including, without limitation, any finding or determination that such Prospective Bidders or Qualified Bidders have waived any right to a jury trial in connection with any disputes relating to the Auction, the construction and enforcement of the Bidding Procedures, any credit bid, the Stalking Horse Agreement or Modified Purchase Agreement, as applicable.

XVII. Sale Hearing

A hearing to consider approval of the sale of the Debtors' Assets to the Successful Bidder(s), Backup Bidder(s) (if applicable), or to approve any Successful Bidder Purchase Agreement with respect to a Sale Transaction (the "***Sale Hearing***"), is currently scheduled to take place on **September 26, 2025, at [____] [a/p].m. (prevailing Central Time)**, before the Honorable Alfredo R. Perez at the United States Bankruptcy Court for the Southern District of Texas, 515 Rusk Street, Courtroom No. 400, Houston, Texas 77002.

Subject to the Milestones contained in the DIP Orders, the Sale Hearing may be continued to a later date by the Debtors (in consultation with the Consultation Parties) by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

The Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

At the Sale Hearing, the Successful Bidder(s) and the Backup Bidder(s) must acknowledge on the record at the start of the hearing that in connection with submitting their Bids, they did not engage in any collusion that would be subject to section 363(n) of the Bankruptcy Code with respect to any Bids, the Auction or the Sale, specifying that they did not agree with any Prospective Bidders, or Qualified Bidders to control the price or any other terms of the Sale.

XVIII. Fiduciary Out

Nothing in the Bidding Procedures will require the board of directors, board of managers, or such similar governing body of a Debtor to take any action, or to refrain from taking any action, with respect to the Bidding Procedures or the Sale process, to the extent such board of directors, board of managers, or such similar governing body determines in good faith, after consultation with counsel, that taking such action, or refraining from taking such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law.

Subject to the Milestones contained in the DIP Orders, the Sale Hearing may be continued to a later date by the Debtors (in consultation with the Consultation Parties) by sending notice prior to, or making an announcement at, the Sale Hearing. No further notice of any such continuance will be required to be provided to any party.

The Debtors reserve the right to seek an expedited Sale Hearing or multiple Sale Hearings as may be useful or necessary to effectuate any Sale Transaction(s); *provided* that the Debtors shall not reduce the time provided herein for a party in interest to file any objection to the Sale absent further order of the Court.

II. Consequences of Failing to Timely Assert an Objection

Unless you file a timely objection to the Cure Cost or the assumption or assignment of your contract or lease in accordance with the instructions and deadlines set forth herein, you shall be (a) barred from objecting to the Cure Cost set forth on Exhibit 1, (b) estopped from asserting or claiming any Cure Cost against the Debtors, or the Successful Bidder(s) that is greater than the cure cost set forth on Exhibit 1 and (c) deemed to have consented to the assumption and assignment of your contract or lease.

GLC's professionals include those who have previously served as the heads of restructuring and leveraged finance teams at: Credit Suisse First Boston LLC; Donaldson, Lufkin & Jenrette Securities Corporation; Morgan Stanley & Co. GLC's professionals have served as advisors to companies, creditors, and other stakeholders in dozens of restructurings, including acting as the investment banker to debtors, creditors, ad hoc groups and creditors' committees.

6. I have a broad range of experience in investment banking assignments, including extensive experience with sale and marketing processes. Prior to joining GLC, I served as the Managing Director of Rossoff & Company LLC, a boutique investment bank I founded in 2009. Rossoff & Company specialized in gaming assignments. Prior to founding Rossoff & Company, I was a Managing Director in Banc of America Securities, LLC's M&A group. Prior to that, I served as head of M&A at Wit Soundview Group; Head of Global Media and Entertainment Investment Banking at JP Morgan; Head of Investment Banking at Schroder & Co. Inc.; Managing Director and Co-Head of Investment Banking at Dillon Read & Co.; and as an original partner and Co-Head of Investment Banking at Wasserstein Perella & Co. My investment banking experience includes representing debtors, purchasers, potential purchasers, and other significant stakeholders in a number of complex transactions in the gaming industry, including, without limitation, the acquisition of Delaware Park Casino, the sale of Bally's Atlantic City; the sale of Harrah's Louisiana Downs Casino, Racing & Entertainment; the sale of Club Fortune Casino; the sale of Nevada Gold & Casinos, Inc. (NYSE:UWN); the acquisition of Aztar Corporation by Columbia Sussex; the Acquisition of London Clubs by Harrah's Entertainment; and the IPO of Everi Holdings.

8. In my role as a Managing Director of GLC, I have been closely involved in the Debtors' financing, restructuring, and sale efforts to date. Accordingly, I have personal knowledge of the matters discussed herein, including the business and financial affairs of the Company.

GLC'S ROLE AS INVESTMENT BANKER

9. The GLC team that I supervise and I began working with the Debtors in April 2025, as the Company's investment banker. GLC was engaged to lead the Debtors' restructuring process, to provide general restructuring advice to the Company, to aid the Debtors in obtaining debtor-in-possession financing, if necessary, and to pursue a potential restructuring of the Company's business through an investment, sale, or other process.

10. I, along with others on the GLC team that I supervise, have developed in depth knowledge regarding, among other things, the Debtors' businesses and operations, debt structure, creditors and related matters. The GLC team has worked closely with the Debtors' management and advisors both prior to and after the filing of the Chapter 11 Cases to, among other things, explore various strategic alternatives and market and position for sale some or all of the Debtors' assets (the "***Sale Process***").

THE TRANSACTION SUPPORT AGREEMENT

11. The Company, through GLC and under the oversight of the Special Committee, the Supporting Shareholder (Eric Persson), and prepetition lenders that collectively beneficially own or control approximately (a) 78% of the aggregate principal amount of outstanding First Out Term Loans (as defined in the First Day Declaration) and (b) 70% of the aggregate principal amount of Second Out Term Loans (as defined in the First Day Declaration) under the Prepetition Credit Facility (collectively, the "***Supporting Lenders***") negotiated and entered into the Transaction Support Agreement, dated as of June 25, 2025, which forms the basis of the Debtors' consensual restructuring path for the Chapter 11 Cases. The Transaction Support Agreement contemplates, among other things, the sale or other disposition of substantially all of the Company's core assets through either a section 363 sale process or a plan of reorganization.

12. At the time of the negotiations leading to the Transaction Support Agreement, a key goal in the negotiations leading to the Transaction Support Agreement was ensuring the Company's orderly transition into chapter 11 once it became clear to the parties that an in-court process would be necessary. Because the Supporting Shareholder holds most of the gaming licenses required to run the Debtors' businesses,[3] the Debtors determined, based on advice from their advisors, that access to the Supporting Shareholder's services regarding the gaming licenses would substantially facilitate any sale process. Accordingly, as part of the global resolution with the Supporting Lenders and the Supporting Shareholder reflected in the Transaction Support Agreement, the Debtors required that the Supporting Shareholder agree to, among other things, support, pursue, and take in good faith all reasonably necessary and appropriate actions to maintain all licenses necessary for the Company to operate in the ordinary course and support and facilitate the implementation of the transfer of any assets.

13. The parties also agreed to enter into a stalking horse agreement with the Supporting Shareholder for the PokerCo Assets (as defined below). As part of the Transaction Support Agreement, the Debtors required that such bid from the Supporting Shareholder for the PokerCo Assets be subject to a court-approved marketing and sale process under section 363 of the Bankruptcy Code pursuant to which it would be subject to higher and/or better offers. To this end, the Debtors would ensure continued, necessary services from the Supporting Shareholder during and following their sale process, while obtaining the benefit of a stalking-horse bid that would set the floor for the value of the PokerCo Assets. In contrast, without continued access to the gaming licenses held by the Supporting Shareholder as negotiated in the Transaction Support Agreement,

[3] The Supporting Shareholder also directly or indirectly owns 100% of the equity in the Licensed Operator Affiliate Debtors.

the Debtors might have had to cease business operations and face potential liquidation, to the detriment of all stakeholders.

14. The terms of the Transaction Support Agreement, including those associated with a stalking horse bid for the PokerCo Assets by the Supporting Shareholder, were negotiated and agreed by the Debtors, the Ad Hoc Group, and the Supporting Shareholder without collusion, in good faith, and from arm's-length bargaining positions. Further, the terms of the Transaction Support Agreement were reviewed and approved by the Debtor's Special Committee, with the recusal of the Supporting Shareholder.

THE SALE PROCESS

15. As noted above, the Transaction Support Agreement contemplates, among other things, a court-approved sale and marketing process (the "***Sale Process***") pursuant to section 363 of the Bankruptcy Code for any or all of the Debtors' assets (the "***Assets***"). To facilitate the marketing of the Assets, the Transaction Support Agreement separates the Debtors' business operations into three categories: (a) "PokerCo," which is composed of the following Washington card rooms: Aces Poker Lakewood, Aces Poker Mountlake Terrace, Caribbean Casino and Caribbean Cardroom (including any working capital available that is required to operate the businesses) (the "***PokerCo Assets***"), (b) "LeaseCo," which is composed of the properties subject to the Blue Owl Master Lease, and (c) "MainCo," which is composed of the remainder of the Debtors' existing businesses, interests, and tangible and intangible assets.

16. The Sale Process contemplated by the Transaction Support Agreement was also buttressed by the stalking horse bid for the PokerCo Assets. Specifically, a designee of the Supporting Shareholder, Maverick Gaming LLC, submitted a bid for the sale and purchase of the PokerCo Assets for a purchase price of $13 million and certain non-cash consideration valued at

$3 million (the "***Non-Cash Consideration***"). The Debtors and the Supporting Shareholder arrived at the value of the Non-Cash Consideration following extensive negotiations in connection with the Transaction Support Agreement. In assessing the value of the Non-Cash Consideration, the Debtors considered, among other things, the (a) value of facilitating an orderly transition of operations from the Supporting Shareholder, in his capacity as CEO of the Debtors, to the Debtors' current and/or future leadership (depending on the outcome of the sale processes contemplated in the Chapter 11 Cases), (b) value of facilitating continued operations under licenses held by the Supporting Shareholder and/or his affiliated entities, (c) value of agreeing to a non-compete and non-solicitation with respect the Debtors' Egads! subsidiary, critical to making Egads! attractive to a third-party bidder, given the Supporting Shareholder's relationships with Egads! customers and leadership, (d) the agreement by the Supporting Shareholder to share 25% of earnings for three years from any future poker business he formed that utilized the Maverick and Aces brand names, and (e) the agreement by the Supporting Shareholder to share 50% of any profits from any sale of the PokerCo Assets within the following five years, should the Supporting Shareholder be successful in acquiring the PokerCo Assets in the Sale Process. Ultimately, I believe that the fair value of the Non-Cash Consideration to the Debtors, in the context of the facts and circumstances of the Debtors' business and the Chapter 11 Cases, exceeds $3 million. Consistent with the Bidding Procedures, the Debtors, at the direction of the Special Committee, selected the Supporting Shareholder's bid for the PokerCo Assets as the Stalking Horse Bid for those assets [Docket No. 271].

17. Throughout the Sale Process, GLC did not provide the Supporting Shareholder with any communications—whether oral, written, or otherwise—regarding any other bidder's bid or

any copies of any other bidder's bids, whether such bids were embodied in indications of interest, letters of intent, term sheets, asset purchase agreements, or otherwise.

18. In connection with the Sale Process and consistent with the Bidding Procedures, GLC has worked diligently to engage with interested parties, make themselves available for calls with these interested parties upon request, and provide access to preliminary diligence materials with respect to the Debtors' Assets. Specifically, the Sale Process included (a) identifying the Assets, (b) developing marketing materials describing the Assets, their history, their use, and the opportunities the Assets present, (c) creating a virtual data room containing information about the Assets, (d) identifying and contacting potential strategic and financial buyers for the Assets, (e) facilitating due diligence gathering with potential buyers, and (f) negotiating transaction structures with potential buyers interested in acquiring the Assets.

19. Throughout the Sale Process, I and others of the Debtors' advisors provided routine updates to the Special Committee regarding the status of the Sale Process, indications of interest, bids received, and related information. I and others from my team with GLC made ourselves available to answer any questions from the Special Committee and to ensure they had sufficient information to make informed decisions throughout the process. The Debtors also worked collaboratively with the Consultation Parties and their advisors to ensure a robust marketing process and maximize the value of the Debtors' Assets.

20. After several weeks of working with interested parties, the Debtors, under the direction of the Special Committee and following consultation with the Consultation Parties, determined to proceed with an auction for the PokerCo Assets and certain of the MainCo assets, specifically Z Casino, the Mobil Gas Station, and related Assets (the "***Z Casino Assets***"). An auction for the PokerCo Assets and the Z Casino Assets was scheduled and noticed for September

19, 2025 (the "***Auction***") [Docket No. 450]. Prior to the commencement of the Auction, the Debtors evaluated all bids received and determined, with the oversight of the Special Committee and after consultation with the Consultation Parties, which bids would be deemed qualified bids. The Debtors, in consultation with the Consultation Parties, determined that there were two qualified bidders for the PokerCo Assets and two qualified bidders for the Z Casino Assets.

21. The Debtors held the Auction for the PokerCo Assets and the Z Casino Assets as scheduled on September 19, 2025. The Auction was conducted remotely and I personally attended and participated in the Auction. I believe that the process employed by the Debtors, including, without limitation, the Auction, was non-collusive and conducted in good faith and at arm's-length. Each interested party and qualified bidder represented on the record at the Auction that they had not engaged in any collusion. Based on my participation in the marketing and sale process and the Auction, I believe the Debtors have complied in all respects with the Bidding Procedures and the Bidding Procedures Order. I believe that the process has been substantively and procedurally fair to all parties in interest. I believe that all parties that expressed an interest in purchasing the Debtors' Assets had an opportunity to participate in the sale process and the Auction. I believe each party acted in good faith and without collusion or fraud of any kind.

22. In consultation with the Special Committee during the Auction, the Debtors selected (i) as the successful bidder for the Z Casino Assets, the credit bid submitted by the Supporting Lenders in the amount of $26.25 million, with 101 Gregory Street LLC as the backup bidder for $25.6 million in total cash and non-cash consideration, and (ii) as the successful bidder for the PokerCo Assets, the bid submitted by Maverick Gaming LLC (the Supporting Shareholder) for a total price of $28 million (with $25 million in cash and $3 million in non-cash consideration pursuant to the term sheet attached to the Transaction Support Agreement and the Stalking Horse

Bid), with TIL Gaming Bidco LLC as the backup bidder for $27 million in total cash and non-cash consideration. The Auction was closed on September 19, 2025, following the Debtors' selection, in consultation with the Consultation Parties, on the successful bidder and backup bidder for each of the Z Casino Assets and the PokerCo Assets.

23. At a meeting of the Special Committee held on September 22, 2025, the Special Committee, in consultation with the Debtors' advisors, with the benefit of the Consultation Parties' views, and with the material and information necessary to make well-informed decisions, ratified the selection of the successful bids during the Auction and authorized the Debtors to proceed with seeking the Court's approval of the Debtors' entry into asset purchase agreements consistent with the terms of the successful bids.

24. Following the close of the Auction, the Debtors have agreed to postpone the Sale Hearing solely with respect to the Z Casino Assets in order to facilitate discussions between the Debtors; the Supporting Lenders, as the successful bidder selected at the Auction for the Z Casino Assets; and 101 Gregory Street LLC, as the backup bidder for the Z Casino Assets, on the terms of a potential Sale. The Debtors will seek Court approval of the sale of the Z Casino Assets at the hearing scheduled for October 9, 2025 (*see* Docket No. 477). Consistent with the *Notice of Successful Bidders and Backup Bidders for Sale of (A) PokerCo Assets and (B) Z Casino, the Mobil Gas Station, and Related Assets* [Docket No. 469], the only sale for which the Debtors are seeking approval at the September 24, 2025 hearing is the sale of the PokerCo Assets.

CONCLUSION

25. Ultimately, the sale of the PokerCo Assets offers substantial consideration to the Debtors and their estates. For all of the foregoing reasons and based on my professional experience and personal knowledge working having worked on the Sale Process, I believe that the Debtors

conducted the Sale Process without collusion and in accordance with the Bidding Procedures and that the Debtors should be authorized to enter into the asset purchase agreement for the PokerCo Assets as a sound exercise of the Debtors' business judgment. Accordingly, I respectfully submit that the Court should approve the sale of the PokerCo Assets.

Pursuant to 28 U.S.C. § 1746, I declare under the penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

DECLARATION OF TOBIAS S. KELLER IN SUPPORT OF DEBTORS' SALE OF CERTAIN ASSETS

I, Tobias S. Keller, hereby declare as follows:

1. I was appointed and serve as an independent member of the board of managers (the "***Board***") of RunItOneTime LLC and certain of its debtor affiliates (collectively, the "***Debtors***" or the "***Company***") in the above-captioned chapter 11 cases (the "***Chapter 11 Cases***").

2. I submit this declaration (this "***Declaration***") in support of in support of the aspect of the *Debtors' Emergency Motion for Entry of Orders (I) Establishing Bidding, Noticing, and Assumption and Assignment Procedures; (II) Approving the Sale of Certain or All of the Debtors' Assets, and (III) Granting Related Relief* [Docket No. 93] (the "***Sale Motion***") that seeks entry of an order approving the sale of certain of the Debtors' assets.[2]

3. The statements in this Declaration are, except where specifically noted, based on: (i) my personal knowledge; (ii) my review of relevant documents, including the Debtors' books

and records; and/or (iii) information that I have received from the Debtors' management team, other employees, or the Debtors' other advisors. Although I am being compensated for my work as an independent member of the Board, I am not being specifically compensated for this testimony. I am over the age of 18, and I am authorized to submit this Declaration on behalf of the Debtors. If I were called upon to testify, I could and would competently testify as to the facts set forth herein.

BACKGROUND AND QUALIFICATIONS

4. I received a Bachelor of Arts from Harvard College in 1985, and a Juris Doctorate degree from Stanford Law School in 1990. I have over 30 years of experience in the restructuring field with a heavy emphasis on chapter 11 reorganization matters. These matters have included debtor and creditor representations, in both in- and out-of-court restructurings. Prior to founding Keller Benvenutti Kim LLP in 2013, I was a Partner with Jones Day from 2006 to 2013 and a Partner with Pachulski, Stang, Ziehl & Jones, LLP from 2000 to 2006. I was also inducted as a Fellow of the American College of Bankruptcy.

5. Over recent years, I have served as an independent member of boards of directors for several companies dealing with financial distress.

APPOINTMENT AS INDEPENDENT MEMBER OF THE BOARD

6. I was appointed as an independent manager to serve on the Company's Board on or about June 8, 2025. Along with Larry Perkins and Stephen McCall, I serve on the Special Committee of the Board. I am not performing legal services for the Company, and the law firm with which I am affiliated has no relationship to the Company or any of its major stakeholders.

7. The Company, through its advisors and under the oversight of the Special Committee, the Supporting Shareholder (Eric Persson), and the Company's lenders negotiated and

entered into the Transaction Support Agreement. The Transaction Support Agreement forms the basis of the Debtors' consensual restructuring path for the Chapter 11 Cases, and contemplated certain governance changes, including the appointment of a Chief Restructuring Officer and the delegation of the right to approve or manage the Chapter 11 Cases and any transactions to the Special Committee. The disinterested members of the Board approved the Transaction Support Agreement on behalf of the Company on June 25, 2025, with the Debtors' Supporting Shareholder abstaining from that decision. Pursuant to the Transaction Support Agreement, the Supporting Shareholder agreed to, among other things, support, pursue, and take in good faith all reasonably necessary and appropriate actions to maintain all licenses necessary for the Company to operate in the ordinary course and support and facilitate the implementation of the transfer of any assets.[3]

8. Consistent with the Transaction Support Agreement, the Supporting Shareholder agreed to serve as the Stalking Horse Bidder for certain of the Debtors' assets (the "***PokerCo Assets***"). Particularly given the Supporting Shareholders' interest in acquiring certain of the Debtors' assets through a court-approved sale process, the Debtors, in consultation with their advisors, felt it was imperative to ensure an independent fiduciary had oversight of the sale process and was vested with full authority over the sale-related decisions to ensure: (i) that the sale process would be conducted in a fair, transparent manner; and (ii) to eliminate any potential conflicts of interest that could arise absent the installation of an independent fiduciary. Accordingly, as contemplated by the Transaction Support Agreement, effective July 1, 2025, the Special Committee was delegated the sole and exclusive authority to negotiate, manage, and approve

[3] I understand the Supporting Shareholder holds of most of the gaming licenses required to run the Debtors' businesses. I further understand that the Supporting Shareholder directly or indirectly owns 100% of the equity in the Licensed Operator Affiliate Debtors.

strategic and/or financial alternatives on behalf of the Company, including the sale of the Debtors' assets.

THE SALE PROCESS

9. As is discussed in greater detail in the Declaration of Mack Rossoff, the Debtors ran a robust post-petition marketing and sale process (the "***Sale Process***"), which was designed, in accordance with the Debtors' fiduciary duties, to maximize the value of the Debtors' assets for the benefit of the estates and all of the Debtors' stakeholders. Throughout the Sale Process, the Special Committee was kept apprised of pertinent developments by the Debtors' advisors, including, but not limited to, receiving regular updates from GLC Advisors & Co., LLC ("***GLC***") and the Debtors' counsel. We were promptly provided with information concerning any indications of interest and/or bids submitted by bidders. We were also provided, by the Debtors' advisors, with information submitted by bidders regarding such bidder's financial wherewithal and relevant industry experience. The members of the Special Committee had the opportunity to discuss such materials and any questions we had with the Debtors' advisors throughout the Sale Process, and the Debtors' advisors were able to answer all of our questions. Accordingly, I believe that we were provided all of the materials and information that we needed to make well-informed decisions on the Debtors' behalf throughout the Sale Process.

10. Under the oversight of the Special Committee, the Debtors' advisors, including Mr. Rossoff of GLC, worked with various bidders in an attempt to promote a robust Sale Process. The Debtors, at the direction of the Special Committee, selected the Supporting Shareholder's bid for the PokerCo Assets as the Stalking Horse Bid for those assets [Docket No. 271]. The Supporting Shareholder, however, did not participate on behalf of the Debtors in connection with the Sale Process. Specifically, the Supporting Shareholder (i) was excluded from any and all

communications—whether oral, written, or otherwise—regarding any other bidder's bid; (ii) was not provided with copies of any other bidder's bids, whether such bids were embodied in indications of interest, letters of intent, term sheets, asset purchase agreements, or otherwise; and (iii) took no part in evaluating any other bidder's bids, whether in connection with the PokerCo Assets or otherwise.

11. During a meeting of the Special Committee held on September 18, 2025, the Special Committee delegated its authority to me to oversee the auction scheduled for September 19, 2025 in connection with the sale of certain of the Debtors' assets (the "***Auction***") and to work with the Company's advisors consistent with the court-approved Bid Procedures to select the successful bid or bids for the Z Casino assets and the PokerCo Assets.

12. The Auction was held as scheduled on September 19, 2025. During the course of the Auction, I spoke with the Debtors' advisors to provide guidance and oversight. In consultation with the Debtors' advisors, I selected (i) as the successful bidder for the Z Casino assets, the credit bid submitted by the Company's lender group in the amount of $26.25 million, with 101 Gregory Street LLC as the backup bidder for $25.6 million in total cash and non-cash consideration, and (ii) as the successful bidder for the PokerCo Assets, the bid submitted by Maverick Gaming LLC (the Supporting Shareholder) for a total price of $28 million (with $25 million in cash and $3 million in non-cash consideration pursuant to the term sheet attached to the Transaction Support Agreement and the Stalking Horse Bid), with TIL Gaming Bidco LLC as the backup bidder for $27 million in total cash and non-cash consideration.

13. As noted above, consistent with the Bid Protections, the Supporting Shareholder's bid for the PokerCo Assets includes $3 million in non-cash consideration (the "***Non-Cash Consideration***"). The Debtors and the Supporting Shareholder arrived at the value of the Non-

Cash Consideration following extensive negotiations in connection with the Transaction Support Agreement. In assessing the value of the Non-Cash Consideration, the Debtors, in consultation with GLC and their other advisors, considered, among other things, the (a) value of facilitating an orderly transition between the Supporting Shareholder, in his capacity of CEO of the Debtors, and the Debtors' current leadership, (b) value of preserving the Supporting Shareholder's relationships with key customers and stakeholders for the Debtors' benefit, and (c) value of facilitating continued operations under licenses held by the Supporting Shareholder and/or his affiliated entities. Ultimately, I believe that the fair value of the Non-Cash Consideration to the Debtors, in the context of the facts and circumstances of the Debtors' business and the Chapter 11 Cases, exceeds $3 million. As a result, I believe that the Debtors' decision to adhere to the previously negotiated provisions of the term sheet attached to the Transaction Support Agreement, which contemplated that the Non-Cash Consideration of any bid by the Supporting Shareholder, including the Stalking Horse Bid, would be valued at $3 million, is a reasonable exercise of the Debtors' business judgment and fair under the circumstances.

14. I also understand that, as part of the sale of the PokerCo Assets, the Supporting Shareholder (through Maverick Gaming LLC) will acquire certain avoidance actions against him and another former employee related to compensation and expense reimbursements under their respective employment agreements along with avoidance actions related to the purchased assets (the "***Acquired Avoidance Actions***"). The Debtors, with the assistance of their advisors, reviewed the Acquired Avoidance Actions and determined, in their business judgment, that the purchase price under the PokerCo asset purchase agreement represents fair consideration for the PokerCo Assets, including the Acquired Avoidance Actions. Importantly, the Debtors will retain all potential D&O claims against the Supporting Shareholder along with any other claims not

specifically acquired or released under the PokerCo asset purchase agreement. I further understand that the Debtors' advisors and advisors for the Official Committee of Unsecured Creditors negotiated with the Supporting Shareholder to narrow the scope of the Acquired Avoidance Actions from the original proposal and preserve additional estate causes of action. I understand that, as a result, the Official Committee of Unsecured Creditors supports the scope of the Acquired Avoidance Actions. I further understand that the proposed order approving the sale of the PokerCo Assets will expressly preserve all estate causes of action against the Supporting Shareholder that are not specifically being acquired notwithstanding any findings of good faith in such order.

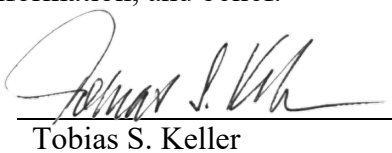

15. I believe, in my capacity as an independent member of the board of managers and a member of the Special Committee, that the PokerCo asset purchase agreement is the product of good-faith, arm's-length negotiations amongst sophisticated parties represented, at all times, by able counsel of their choosing. While I understand, based on my experience in restructuring-related engagements and based on my discussions with Debtors' counsel, that the Supporting Shareholder may be considered an "insider," as that term is defined in § 101(31) of the Bankruptcy Code, the Supporting Shareholder did not have any role in the Debtors' decision to enter into the PokerCo asset purchase agreement (nor, for that matter, with respect to the Debtors' decisions as to any other bidder's bid), and, at all relevant times, the Supporting Shareholder's participation in the Sale Process complied with the Bidding Procedures Order.

16. At a meeting of the Special Committee held on September 22, 2025, the Special Committee, in consultation with the Debtors' advisors, with the benefit of the Consultation Parties' views, and with the material and information necessary to make well-informed decisions, ratified the selection of the successful bids during the Auction and authorized the Debtors to proceed with seeking the Court's approval of the Debtors' entry into asset purchase agreements consistent with

the terms of the successful bids. The sale of the Z Casino assets and the PokerCo Assets offers substantial consideration to the Debtors and their estates. Accordingly, I believe the Debtors' entry into the asset purchase agreements is a sound exercise of the Debtors' business judgment and respectfully submit that the Court should approve the sale of such assets.

Pursuant to 28 U.S.C. § 1746, I declare under the penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Debtors.[1]	:	(Jointly Administered)

DECLARATION OF ERIC PERSSON IN SUPPORT OF THE PROPOSED SALE OF THE POKERCO ASSETS

I, Eric Persson, declare under penalty of perjury as follows:

1. I am the manager of Maverick Gaming LLC, a Nevada limited liability company ("**Buyer**"). I submit this declaration on behalf of Buyer and in support of the proposed sale by the Debtors of certain assets (the "**PokerCo Assets**") to Buyer (the "**Sale**") pursuant to the Debtors' motion [Docket No. 93] (the "**Sale Motion**"), the Court's order approving bidding procedures for such sale [Docket No. 178] (the "**Bidding Procedures Order**"), and the Debtors' notice designating Buyer as the successful bidder for the PokerCo Assets [Docket No. 469].

2. All facts set forth in this declaration are based upon my personal knowledge. If called upon to testify, I could and would testify competently to the facts set forth in this declaration.

3. Neither Buyer nor I controlled or exerted undue influence over the Debtors with respect to the Sale or the APA (as defined below). Neither Buyer nor I engaged in any collusion or fraudulent conduct with respect to the bidding on or potential sale of the PokerCo Assets.

[1] A complete list of the Debtors in the Chapter 11 Cases may be obtained on the website of the Debtors' claims and noticing agent at https://restructuring.ra.kroll.com/RunItOneTime/. The Debtors' mailing address is 12530 NE 144th Street, Kirkland, Washington 98304.

Neither Buyer nor I engaged in any negotiations with, and have no understandings or agreements with, other potential bidders with respect to the PokerCo Assets.

4. Buyer and the Debtors, through their respective agents and representatives, engaged in extensive arms'-length and good faith negotiations with respect to the proposed sale, ultimately resulting in a stalking horse asset purchase agreement executed by Buyer and the Debtors on September 4, 2025, a copy of which has been filed as Exhibit 1 to Docket No. 271. This agreement was subsequently amended (as amended, the "**APA**") to reflect certain comments from the Official Committee of Unsecured Creditors and an increased Base Purchase Price (as defined in the APA) after a competitive auction held on September 19, 2025 in accordance with the Bidding Procedures Order. A true and correct copy of the APA has been filed as Exhibit 1 to the proposed order approving the Sale (the "**Sale Order**").

5. Buyer is entering into this transaction in reliance on, and subject to, the findings and other provisions of the Sale Order, including but not limited to that creditors have received sufficient notice of the Sale, that Buyer is not a continuation or a successor of the Debtors, that Buyer has no successor liability for claims against the Debtors under any theory, that Buyer is entitled to the good faith protections available under the Bankruptcy Code, and the prohibition against the assertion of such claims against Buyer.

6. For the avoidance of doubt and without limiting the foregoing, Buyer would not have agreed to acquire, and does not agree to acquire, any assets from the Debtors without the sale of such assets by the Debtors being free and clear of all interests, rights, obligations, restrictions, debts, encumbrances, options, judgments, liabilities, liens (as such term is defined in section 101(37) of the Bankruptcy Code), or claims (as such term is defined in section 101(5) of the Bankruptcy Code) of any kind, nature or description in, against or relating to the Debtors or their

assets, except for the Permitted Liens or Assumed Liabilities (each as defined in the APA), whether direct or indirect, absolute or contingent, choate or inchoate, fixed or contingent, matured or unmatured, liquidated or unliquidated, arising under or imposed by agreement, law, equity or statute, including without limitation under any theory of successor or transferee liability arising from or relating to such assets, in each case having arisen or accrued or otherwise existing as of the closing of the Sale to Buyer, or if Buyer would, or in the future could, be liable for any such claims or interests, all as further set forth in the proposed Sale Order.

7. Buyer is ready and able to close the Sale and perform its obligations under the APA and any Assigned Contracts. I am familiar with the PokerCo Assets and have substantial experience working with regulatory authorities and operating cardrooms in the relevant market. In my opinion, Buyer has more than sufficient cash resources, including committed equity financing, to satisfy all closing conditions and requirements, including all cure obligations. Buyer will be able to pay its debts as they come due and perform its obligations in the ordinary course after closing.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

the Buyer having been determined by the Debtors to be the Successful Bidder for the Acquired Assets (also referred to as the PokerCo Assets) following an Auction held and concluded on September 19, 2025, and as further set forth in the *Notice of Successful Bidders and Backup Bidders for Sale of (A) PokerCo Assets and (B) Z Casino, the Mobil Gas Station, and Related Assets* [Docket No. 469]; and upon the declarations of Mack Rossoff [Docket No. [●]], Tobias Keller [Docket No. [●]] (the "***Keller Declaration***"), and Eric Persson [Docket No. [●]], in support of the Debtors' sale process; and upon the record of the Chapter 11 Cases and the hearing held on September 24, 2025 (the "***Sale Hearing***"), and all parties in interest having had due and adequate notice and an opportunity to be heard with respect to the relief requested in the Sale Motion and granted herein; the Court having determined that the legal and factual bases set forth in the Sale Motion and at the Sale Hearing establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:[3]

A. *Jurisdiction and Venue*. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. This Court may enter a final order consistent with Article III of the United States Constitution.

B. *Statutory and Legal Predicates*. The statutory and legal predicates for the relief requested in the Sale Motion are sections 105(a), 363, 365, 503, and 507 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, and 6006, the applicable Bankruptcy Local Rules, and the Complex Case Procedures.

[3] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

C. *Sale Notice*. Notice of the Sale Motion and the relief requested therein, including the free and clear sale of the Acquired Assets and the assumption and assignment of the Assigned Contracts, and the Sale Hearing, has been provided as set forth in the certificates or affidavits of service filed with this Court [Docket Nos. 453, 454, 455, 457, 462, 466, 468] or by evidence adduced at the Sale Hearing. Such notice was given in compliance with the Bidding Procedures Order and, under the circumstances of these cases, constitutes due, reasonable, timely, adequate and sufficient notice in compliance with all applicable requirements of the Bankruptcy Code and the Bankruptcy Rules. No other or further notice is necessary for the relief requested by the Sale Motion or granted herein.

D. *Opportunity to Object*. A fair and reasonable opportunity to object and be heard with respect to the relief granted by this Order has been afforded to all interested parties.

E. *Compliance with Bidding Procedures*. As demonstrated by the testimony or other evidence adduced on the record at the Sale Hearing, (i) each of the Debtors and the Buyer have complied in all material respects with the Bidding Procedures Order; (ii) the Debtors have marketed the Acquired Assets in a fair and reasonable process; and (ii) a full, fair and reasonable opportunity has been given to any interested party to make a higher or better offer for the Acquired Assets.

F. *Good Faith*. The sale of the Acquired Assets and the APA was negotiated by the Debtors and Buyer, without collusion, in good faith, and from arm's length bargaining positions. Neither any of the Debtors nor the Buyer have engaged in any conduct that would cause or permit the Sale Transaction or the APA to be avoided or subject to monetary damages under section 363(n) of the Bankruptcy Code. Specifically, the Buyer has not acted in a collusive manner with any person and the consideration and purchase price under the APA was not controlled by any

agreement among bidders. Buyer has acted in good faith and is entitled to the protections of section 363(m) of the Bankruptcy Code solely with respect to the finality of the transactions contemplated by the APA (the "***Sale Transaction***") and consistent with this Order, including paragraph 20.

G. *Fair Consideration*. The consideration to be provided by Buyer pursuant to the APA (a) is fair and reasonable, (b) is the highest or otherwise best offer for the Acquired Assets and (c) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia (including the Uniform Fraudulent Transfer Act, Uniform Voidable Transactions Act, and the Uniform Fraudulent Conveyance Act). No other person or entity or group of entities has offered to purchase the Acquired Assets for higher or otherwise better value for the Debtors' estates and creditors than Buyer. Neither the Debtors nor Buyer have entered into the APA or propose to consummate Sale Transaction for the purpose of hindering, delaying or defrauding the Debtors' present or future creditors.

H. *Free and Clear*. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell the Acquired Assets to Buyer free and clear of all Interests (as defined below), except for any Permitted Liens or Assumed Liabilities (including Cure Costs), in accordance with, and to the fullest extent permitted by, section 363(f) of the Bankruptcy Code because, in each case, one or more of the standards set forth in sections 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Without limiting the foregoing, those holders of Interests against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the Sale Motion are deemed to have consented thereto pursuant to section 363(f)(2) of the Bankruptcy Code. All other holders of Interests are adequately protected by having their Interests attach to the net proceeds of the Sale Transaction attributable to the

Acquired Assets in which such Interest is alleged with the same priority, validity, force and effect as existing prior to the Closing, subject to all claims and defenses that the Debtors may possess with respect thereto. The DIP Secured Parties and Prepetition Secured Parties continue to have DIP Liens, Adequate Protection Liens and Prepetition Liens on the proceeds of all DIP Collateral and Prepetition Collateral, subject to the terms set forth in the Final DIP Order.

I. *No Successor Liability*. Buyer is not an alter-ego of, or a successor to, or a mere continuation of or substantial continuation of any Debtor or its estate, and there is no continuity of enterprise between Buyer and the Debtors as a result of the consummation of the Sale Transaction. Buyer shall not be deemed to be holding itself out to the public as a continuation of any Debtor based on the Sale Transaction, the APA, this Order, or the continuation of the business operations after closing of the Sale Transaction. Buyer is not, and shall not be, considered a successor in interest to any of the Debtors or their estates, by reason of any theory of law or equity, including but not limited to under any federal, state or local statute, regulation or common law, including but not limited to any tax, revenue, pension, labor, discrimination or environmental laws. Buyer shall not be deemed to be a "successor employer" for purposes of any federal, state or local statute, regulation or common law, including but not limited to the Internal Revenue Code of 1986, Civil Rights Act of 1866, Civil Rights Act of 1964, Age Discrimination in Employment Act of 1967, Americans with Disabilities Act of 1990, Federal Rehabilitation Act of 1973, Equal Pay Act of 1963, Family and Medical Leave Act of 1993, Fair Labor Standards Act of 1938, National Labor Relations Act of 1935, Labor Management Relations Act of 1947, Worker Adjustment and Retraining Notification Act of 1988, Employee Retirement Income Security Act of 1974, Consolidated Omnibus Budget Reconciliation Act of 1985, Older Workers Benefit Protection Act of 1990, Pension Protection Act of 2006, Multiemployer Pension Plan Amendments Act of 1980,

each as amended from time to time, or any other federal or state discrimination, employee, workers' compensation, occupational disease, unemployment, or disability-related laws or regulations. The Sale Transaction does not amount to a consolidation, succession, merger, or de facto merger of Buyer with any of the Debtors or any of their respective estates. A sale of the Acquired Assets that is not free and clear of Interests as set forth herein would have substantially less benefit to and would adversely affect the Debtors' estates and creditors. Buyer would not have entered into the Sale Transaction without, and the consideration being provided under the APA reflects Buyer's reliance on, this Order providing Buyer, pursuant to sections 105(a), 363 and 365 of the Bankruptcy Code, with title to, interest in and possession of the Acquired Assets free and clear of all Interests, including but not limited to any claims based on or sounding in successor, alter-ego or vicarious liability, except for any Permitted Liens or Assumed Liabilities (including Cure Costs).

J. *No* Sub Rosa *or* De Facto *Plan*. The Sale Transaction does not constitute a *sub rosa* or *de facto* plan of reorganization or liquidation as it does not propose to (i) impair or restructure existing debt of, or equity interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan that may be proposed by the Debtors, (iii) circumvent chapter 11 safeguards, such as those set forth in sections 1125 and 1129 of the Bankruptcy Code, or (iv) classify claims or equity interests or extend debt maturities. Accordingly, the Sale Transaction neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a chapter 11 plan for the Debtors.

K. *Assumption and Assignment*. In accordance with the Bidding Procedures Order, the Debtors have timely filed and served the *Notice of Possible Assumption and Assignment of Certain Executory Contracts and Unexpired Leases* [Docket No. 466] (the "***Cure Notice***"), identifying the

Debtors' good faith estimate of the proposed amount required to cure any and all defaults and actual pecuniary losses to the non-Debtor counterparty to such Assigned Contracts as of the date of the Cure Notice resulting from such defaults including, but not limited to, all claims, demands, charges, rights to refunds, and monetary and non-monetary obligations that the non-Debtor counterparties can assert under the Assigned Contracts, whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate, relating to money now owing or owing in the future, arising under or out of, in connection with, or in any way relating to, the Assigned Contracts (the foregoing amounts, collectively referred to as the "***Cure Costs***") upon each non-Debtor counterparty to an Assigned Contract. The service and provision of the Cure Notice was good, sufficient, and appropriate under the circumstances, and no further notice need be given in respect of assumption and assignment of the Assigned Contracts or establishing a Cure Cost for any respective Assigned Contract. Non-Debtor counterparties to the Assigned Contracts have had or will have, as applicable, an adequate opportunity to object to assumption and assignment of the applicable Assigned Contract and the Cure Cost set forth in the Cure Notice (including objections related to the adequate assurance of future performance and objections based on whether applicable law excuses the non-Debtor counterparty from accepting performance by, or rendering performance to, the Buyer for purposes of section 365(c)(1) of the Bankruptcy Code). For the avoidance of doubt, all defaults or other obligations of the Debtors under the Assigned Contracts arising or accruing between the filing of the Cure Notice and the effective date of assumption must be paid as a Cure Cost for the applicable executory contract or unexpired lease to be assumed and assigned, and all non-Debtor counterparties' rights are reserved with respect to any defaults occurring within that time period.

L. Except with respect to any executory contract or unexpired lease that is or becomes the subject of any Contract Objection (as defined below) (until such Contract Objection is consensually resolved or determined by this Court), the Debtors have, including by way of entering into the APA and the provisions therein relating to the Assigned Contracts, (i) cured, or provided adequate assurance of cure, of any existing default under any of the Assigned Contracts, within the meaning of section 365(b)(l)(A) of the Bankruptcy Code, and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the effective date of assumption of the Assigned Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code, and Buyer has provided adequate assurance of future performance of and under the Assigned Contracts, within the meaning of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. Buyer's promises to perform the obligations under the Assigned Contracts after the Closing constitutes adequate assurance of future performance under the Assigned Contracts being assigned to it within the meanings of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

M. *Subsequent Determinations*. The executory contracts or unexpired leases to be assumed by the Debtors and assigned to Buyer pursuant to the APA are listed on **Exhibit 2** hereto. As of the Sale Hearing, the deadline for counterparties to executory contracts or unexpired leases identified on the Cure Notice to object to the Debtors' proposed cures or to adequate assurance of future performance of Buyer in connection with the Sale Transaction (the "***Cure Objection Deadline***") has not expired. Any findings of fact or conclusions of law contained in this Order regarding cures or adequate assurance or future performance of Buyer shall not be binding prior to the expiration of the Cure Notice Objection Deadline. Any such objections that are timely filed in accordance with the Cure Notice (each, a "***Contract Objection***") by the counterparties to those

contracts or leases to be assumed by the Debtors and assigned to Buyer pursuant to the APA shall be consensually resolved among the parties or determined by order of this Court in accordance with the procedures set forth in the Cure Notice. Any findings of fact or conclusions of law contained in this Order regarding cures or adequate assurance of future performance of Buyer shall not be binding with respect to any contract or lease that is the subject of a Contract Objection (until such Contract Objection is consensually resolved or determined by this Court), nor shall any such findings of fact or conclusions of law be the basis for an argument of issue preclusion, res judicata, or collateral estoppel in connection with the adjudication of a Contract Objection.

N. *Personally Identifiable Information*. The Sale Transaction complies with the Debtors' privacy policies, and the appointment of a consumer privacy ombudsman pursuant to section 363(b)(1) or section 332 of the Bankruptcy Code is not required with respect to the Sale Transaction.

O. *Necessary Approvals*. Subject to the entry of this Order, the Debtors have full power and authority to execute the APA and all other documents contemplated thereby, and the Sale Transaction has been duly and validly authorized. No consents or approvals other than those provided for in the APA are required for the Debtors to consummate the transactions described therein.

P. *Business Judgment*. The Debtors' determination that the Sale Transaction with Buyer provides the highest or otherwise best offer for the Acquired Assets, and to pursue consummation of the Sale Transaction as set forth herein and in the APA, each constitutes a reasonable exercise of business judgment. Good and sufficient reasons for approval of the APA and the transactions to be consummated in connection therewith and hereunder have been articulated, and the relief requested in the Motion is in the best interests of the Debtors, their

estates, their creditors and other parties in interest. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications and (ii) compelling circumstances for the Sale Transaction other than in the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code, outside of a plan of reorganization, in that, among other things, the immediate consummation of the Sale Transaction with the Buyer is necessary and appropriate to preserve and maximize the value of the Debtors' estates.

Q. *Entire Fairness.* Although this Court concludes that it should examine the Debtors' decision to enter into the APA and consummate the Sale Transaction with the Buyer under the business-judgment standard, this Court has also considered the overall fairness of the transaction consistent with the "entire fairness" standard, which subsists of two inquiries: fair dealing and fair price. Here, however, as set forth in the Keller Declaration, the Sale Transaction was approved by the Special Committee, which is comprised entirely of independent directors. Accordingly, the burden of demonstrating that the Sale Transaction was not entirely fair shifts entirely to any party in interest challenging the entire fairness of the Sale Transaction. Here, no party has challenged the entire fairness of the Sale Transaction. In any event, the Court concludes that on any standard the evidence established that Debtors' decision should be sustained.

R. The Sale Transaction must be approved and consummated promptly in order to preserve the viability of the Debtors' businesses as a going concern and to maximize the value of the Debtors' estates. Time is of the essence to implement the APA and to consummate the Sale contemplated thereby without any interruption. Given all of the circumstances of the Chapter 11 Cases and the adequacy and fair value of the consideration offered under the APA, including the Buyer's payment of the consideration under the APA, payment of Cure Costs, and assumption of

the Assumed Liabilities, the proposed Sale constitutes a reasonable and sound exercise of the Debtors' business judgment and should be approved.

S. The consummation of the Sale Transaction and the assumption and assignment of the Assigned Contracts are legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code including, without limitation, sections 105(a), 363, and 365 of the Bankruptcy Code, and all of the applicable requirements of such sections have been (or will be upon payment of the Cure Costs) complied with in respect of the Sale and the transactions contemplated thereby.

T. *Waiver of Stay*. The Debtors have articulated good and sound business reasons for waiving the stay otherwise imposed by Bankruptcy Rules 6004(h) and 6006(d).

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. All objections to the relief granted in this Order that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby overruled and denied on the merits with prejudice, except for any Contract Objections. All persons and entities notified or deemed notified of the relief sought in the Sale Motion and set forth in this Order that failed to timely object thereto are deemed to consent to such relief.

A. Approval of the Sale Transaction

2. The Sale Transaction, on the terms and conditions of the APA, is hereby approved as set forth herein. The APA and all other ancillary documents related thereto or contemplated thereby (as may be technically or immaterially modified from time to time, collectively, the "***Sale Documents***") and all of the respective terms and conditions thereof, are hereby approved in all respects and shall be enforceable against each of the parties thereto. The Debtors are authorized and directed to enter into the APA and the other Sale Documents to be executed in connection with

the APA as may be necessary to consummate the Sale Transaction and to perform their obligations thereunder.

3. The Acquired Assets will be transferred pursuant to the APA upon the Closing or any later date expressly set forth in the APA or the Sale Documents for the transfer of an Acquired Asset (a "***Transfer Date***"). Upon the Closing or any such Transfer Date, and subject to the last sentence of this paragraph, the transfer of the Acquired Assets to Buyer pursuant to the APA shall constitute a legal, valid and effective transfer of the Acquired Assets, and all right, title and interest of the Debtors in and to the Acquired Assets shall vest in Buyer free and clear of all interests, obligations, liabilities, liens (as such term is defined in section 101(37) of the Bankruptcy Code), claims (as such term is defined in section 101(5) of the Bankruptcy Code), rights, restrictions, or encumbrances, of any kind or nature whatsoever, in, against or relating to any of the Acquired Assets, whether direct or indirect, known or unknown, choate or inchoate, fixed or contingent, matured or unmatured, liquidated or unliquidated, arising under or imposed by agreement, law, equity or statute, including but not limited to any of the foregoing under any theory of successor, alter ego, transferee, or vicarious liability arising from or relating to such assets or the consummation of the Sale Transaction, in each case to the extent having arisen or accrued or otherwise existing as of the Closing (collectively, the "***Interests***"), except for any Permitted Liens or Assumed Liabilities (including Cure Costs). For the avoidance of doubt and without limiting the generality of the foregoing, the Interests include all Excluded Liabilities, any claims under any collective bargaining agreement of the Debtors, any claims for any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' business prior to the Closing (unless otherwise provided in the APA or the Sale Documents), and all successor liability or "successor employer" claims under or based on any federal, state or local

statute, regulation or common law, including but not limited to the Internal Revenue Code of 1986, Civil Rights Act of 1866, Civil Rights Act of 1964, Age Discrimination in Employment Act of 1967, Americans with Disabilities Act of 1990, Federal Rehabilitation Act of 1973, Equal Pay Act of 1963, Family and Medical Leave Act of 1993, Fair Labor Standards Act of 1938, National Labor Relations Act of 1935, Labor Management Relations Act of 1947, Worker Adjustment and Retraining Notification Act of 1988, Employee Retirement Income Security Act of 1974, Consolidated Omnibus Budget Reconciliation Act of 1985, Older Workers Benefit Protection Act of 1990, Pension Protection Act of 2006, Multiemployer Pension Plan Amendments Act of 1980, each as amended from time to time, or any other federal or state discrimination, employee, workers' compensation, occupational disease, unemployment, or disability-related laws or regulations. Upon the Closing, all Interests (including the DIP Liens) will automatically attach to all proceeds, products, profits, and offsprings under the APA or attributable to the Acquired Assets, together with the right to receive the same (collectively, the *"**Sale Proceeds***") encumbered by such Interests with the same priority, validity, force and effect as existing in or to the Acquired Assets prior to the Closing, including as set forth in the Final DIP Order.

4. All Sale Proceeds will be held by the Debtors in trust or a segregated account for the benefit of the DIP Secured Parties. Contemporaneously with the Closing or receipt of any Sale Proceeds, the Debtors will prepay all Sale Proceeds to the outstanding New Money DIP Loans in accordance with Section 2.09 of the DIP Credit Agreement (and after full satisfaction of the New Money DIP Loans, the Incremental Roll-Up DIP Loans (as defined in the DIP Credit Agreement) if the Challenge Period under the Final DIP Order has expired (subject to any extensions as agreed by the applicable parties)), unless the Required DIP Lenders consent in writing (e-mail from counsel being sufficient) to a different application or treatment; subject to (a) funding the Carve-

Out in amounts required under the Final DIP Order, as set forth in the Approved Budget then in effect and (b) any repayments of or reserves by the Debtors for indebtedness secured by a Permitted Prior Lien (as defined in the Final DIP Order) on Acquired Assets.

5. Without limiting the foregoing, except for the Permitted Liens and Assumed Liabilities (including the Cure Costs), Buyer has not assumed and does not assume any liabilities or obligations of the Debtors, and the transfer of the Acquired Assets to Buyer, and the assignment to Buyer of the Assigned Contracts, do not and will not subject Buyer to any liability under any theory of law or equity, including but not limited to any theory of successor or transferee liability, or as a "successor employer" under any state or federal statute, law, rule or regulation, for the Interests or otherwise arising from or relating to any of the Acquired Assets or the Debtors' operations or existence before the Closing. For the avoidance of doubt, the Excluded Assets are not Acquired Assets, and the Excluded Liabilities are not Assumed Liabilities, and nothing in the APA or in this Order effects any assumption or assignment of the Excluded Assets or Excluded Liabilities by or to Buyer.

6. Except as provided in the APA, the Sale Documents or this Sale Order, after the Closing, the Debtors and their estates shall have no further liabilities or obligations with respect to any Assumed Liabilities, and all holders of such Interests are forever barred and estopped from asserting such Interests against the Debtors, their successors or assigns, their property, or their assets or estates. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assigned Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the Buyer's rights to enforce every term and condition of the Assigned Contracts.

7. Except with respect to the Permitted Liens and Assumed Liabilities (including Cure Costs) or as expressly provided herein, upon the Closing, all persons or entities holding Interests

against or in the Debtors or the Acquired Assets of any kind or nature whatsoever hereby are forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing against Buyer or its managers, officers, directors, equity interest holders or partners, its property or its successors and assigns or the Acquired Assets, as an alleged successor or otherwise, any Interest of any kind or nature whatsoever that such person or entity had, has or may have against or in the Debtors, their estates, or the Acquired Assets. All persons and entities are hereby prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Acquired Assets to Buyer in accordance with the terms of the APA and this Sale Order. Following the Closing, no such person or entity shall interfere with Buyer's title to or use and enjoyment of the Acquired Assets based on or related to such Interest or any actions that the Debtors may take in the Chapter 11 Cases or any successor case.

8. This Order is and shall be binding upon and govern the acts of all persons and entities, including but not limited to all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA. The provisions of this Order authorizing the sale of the Acquired Assets free and clear of any Interests shall be self-executing and neither the Debtors nor the Buyer shall be required to execute

or file releases, termination statements, assignments, consents, or other instruments to effectuate, consummate, and implement the provisions of this Order. Nevertheless, the Debtors, Buyer, and their respective officers, employees, professional advisors, and agents are each hereby authorized and empowered to execute and file, on behalf of any person or entity which has filed statements or other documents or agreements evidencing any Interests (except for the Permitted Liens and Assumed Liabilities) in, against or on all or any portion of the Acquired Assets, any termination statements, instruments of satisfaction, releases of liens and easements and any other documents appropriate to document the release of such Interests in accordance with this Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the recorder to cancel any liens and other encumbrances of record existing as of the Closing with respect to any Acquired Assets.

9. All persons and entities that, as of the Closing or any applicable Transfer Date, are in possession of some or all of the Acquired Assets (wherever located) are hereby directed to surrender possession of such Acquired Assets to Buyer on or as soon as practicable after the Closing or such Transfer Date. To the extent that any such person or entity fails or refuses to surrender possession of such Acquired Assets after the Closing or such Transfer Date, Buyer has the right to commence a turnover action and request that it be considered by this Court on an expedited basis; *provided*, that prior to the enforcement of any remedy that would relate to taking custody or possession of any property of the Debtors' estates, the Purchaser shall provide five business days' advance notice to the Debtors and the Committee.

B. Executory Contracts and Unexpired Leases

10. Subject to and conditioned on the Closing, and except for any executory contract or unexpired lease that is or becomes the subject of a Contract Objection (until such Contract

Objection is consensually resolved or determined by this Court), upon payment of the Cure Costs, the assumption and assignment of the Assigned Contracts by the Debtors to Buyer is hereby approved pursuant to section 365 of the Bankruptcy Code. The Debtors are authorized to execute and deliver to Buyer such documents or other instruments as Buyer deems is necessary or appropriate to assign and transfer the Assigned Contracts to Buyer.

11. With respect to the Assigned Contracts: (a) the Debtors may assume each of the Assigned Contracts at the Closing in accordance with section 365 of the Bankruptcy Code; (b) the Debtors may assign each of the Assigned Contracts at the Closing in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assigned Contracts that prohibit or condition the assignment of such Assigned Contracts or allow the party to such Assigned Contracts to terminate, recapture, set off (if not exercised pre-petition), impose any penalty, condition renewal or extension or modify any term or condition upon the assignment of such Assigned Contracts, constitute unenforceable anti-assignment provisions that are void and of no force and effect to the extent relating to the Chapter 11 Cases or the Sale Transaction; (c) all other requirements and conditions under sections 363 and 365 (including without limitation, the satisfaction of the requirements under section 365(c)(1) of the Bankruptcy Code) for the assumption by the Debtors and sale and assignment to Buyer of each of the Assigned Contracts have been satisfied; (d) following the Closing, the Assigned Contracts shall remain in full force and effect for the benefit of Buyer, notwithstanding any provision in any such Assigned Contracts (including those of the type described in sections 365(b)(2) and 365(f) of the Bankruptcy Code) that prohibits, restricts or conditions such assignment or transfer and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Assigned Contracts thereafter; and (e) upon the Closing and payment of the Cure Costs, in

accordance with sections 363 and 365 of the Bankruptcy Code, Buyer shall be fully and irrevocably vested in all right, title and interest of each of the Assigned Contracts. For the avoidance of doubt, no contract or lease that is subject to a Contract Objection shall be an Assigned Contract unless and until such objection is consensually resolved or determined by the Court as set forth in the Cure Notice.[4]

12. Unless a different Cure Cost amount has been agreed to by the Debtors, Buyer and counterparty to an Assigned Contract or has been ordered by this Court, or such Cure Cost amount is the subject of an Contract Objection, the Cure Costs are the sole amounts necessary under section 365(b) of the Bankruptcy Code to cure all defaults under the Assigned Contracts to the extent existing as of the Closing. To the extent then outstanding, Buyer shall pay the applicable Cure Costs at Closing, or at such later time as may be mutually agreed upon by Buyer and any applicable counterparties, and such payment shall satisfy all requirements under section 365(b)(1) of the Bankruptcy Code (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code).

13. To the extent that any counterparty to an Assigned Contract did not object to its Cure Cost or adequate assurance of future performance by the applicable Cure Objection Deadline, such counterparty is deemed to have consented to such Cure Cost and the assumption and assignment of its respective Assigned Contract from the Debtors to Buyer; *provided*, that a counterparty to an Assigned Contract shall not be barred from seeking prior to the effective date of assumption and assignment additional amounts on account of any defaults occurring between the deadline to object to the Cure Costs set forth in the Cure Notice and the assumption of the executory contract or unexpired lease.

[4] **Raines Note:** Counterparty rights to pursue gap period amounts are covered in the next paragraph.

14. The Debtors are authorized, without further order of this Court, to enter into any amendment of an Assigned Contract on terms acceptable to Buyer and executed by the counterparty to such Assigned Contract in connection with the proposed assumption and assignment of such Assigned Contract, and the assumption and assignment of such contract or lease as authorized by this Order shall be of such contract or lease as so amended or modified.

15. Within two (2) business days after the Closing, the Debtors will file with the Court and serve on the applicable counterparties, a notice containing the final list of Contracts that have been assumed and assigned as of the Closing to Buyer pursuant to the APA.

16. Notwithstanding anything herein to the contrary, any executory contract or unexpired lease that is the subject of a Contract Objection shall not be an Acquired Asset or Assigned Contract, and shall not be assumed by the Debtors or assigned to Buyer, unless and until such pending objection is resolved by agreement among the parties or by further order of this Court. For the avoidance of doubt, nothing in this Order shall be deemed to adjudicate or determine any Contract Objection. Within two (2) business days of a resolution by this Court of any Contract Objection in a manner less favorable to Buyer than set forth in the Cure Notice or APA, Buyer may by written notice to the Debtors and the Official Committee of Unsecured Creditors remove the subject contract(s) or lease(s) from the list of Assigned Contracts, whereupon such contract(s) or lease(s) shall be deemed to be Excluded Assets and the Debtors shall promptly file and serve on the applicable counterparty a notice of such removal.

C. Other Related Relief

17. The Buyer shall be authorized, as of the Closing, to operate under any license, permit, approval, certificate of occupancy, authorization, operating permit, registration, plan, and the like of any governmental unit related to the Acquired Assets or held by the Debtors' estates,

subject only to further consent or authorization as may be required by any such governmental unit to effect such transfer and maintain such related authorization. Nothing in this Order or the APA or Sale Documents releases, nullifies, precludes or enjoins the enforcement by any governmental unit of any police or regulatory liability that any entity would be subject to as the post-sale owner or operator of property after the Closing. Nor shall anything in this Order limit any governmental unit in the exercise of its police or regulatory powers in accordance with 11 U.S.C. § 362(b)(4) or 28 U.S.C. § 959. Further, nothing in this Order or APA or Sale Documents authorizes the transfer or assignment of any governmental license, permit, or registration without compliance with all applicable requirements and approvals under applicable police or regulatory laws.

18. The consideration provided by Buyer to the Debtors pursuant to the APA for the Acquired Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the laws of the United States, any state, territory, possession or the District of Columbia. The sale of the Acquired Assets may not be avoided pursuant to any statutory or common law fraudulent conveyance or fraudulent transfer theories, whether under the Bankruptcy Code, including under sections 363(n), 548, or 549, or under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

19. The transactions contemplated by the APA are undertaken by Buyer without collusion and in good faith, within the meaning of section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale Transaction shall not affect the validity of the Sale Transaction, unless such authorization and the Sale Transaction are duly stayed pending such appeal. Neither any of the

Debtors nor the Buyer has engaged in any conduct that would cause or permit the Sale Transaction or the APA to be avoided or subject to monetary damages under section 363(n) of the Bankruptcy Code. Buyer is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code solely with respect to the finality of the Sale Transaction approved by this Order.

20. Notwithstanding the foregoing, the determination that the Buyer is a good faith purchaser shall not serve to release the Buyer or any affiliates of the Buyer from any claims or causes of action held by the Debtors' estates that are not expressly acquired or released under the APA.

21. Buyer is a party in interest and shall have the ability to appear and be heard on all issues related to or otherwise connected to this Order, the Sale Transaction, the assumption and assignment of the Assigned Contracts, and any issues related to or otherwise connected to the APA and the Sale Transaction.

22. No bulk sales law, bulk transfer law or any similar law of any state or other jurisdiction shall apply to the Debtors' conveyance of the Acquired Assets or this Order.

23. The Debtors are authorized to take all steps and pay all amounts (subject to the Final DIP Order) necessary or appropriate to implement the relief granted in this Order. The Debtors and Buyer shall cooperate as provided in the APA to ensure that that transactions contemplated in the APA are consummated, and to provide an orderly transition of the Acquired Assets and Assumed Liabilities from the Debtors to Buyer. The Debtors are authorized and empowered to execute, deliver, perform under, consummate, and implement the APA, together with all additional instruments and documents that Buyer reasonably deems necessary or appropriate to implement the APA and effectuate the Sale Transaction, and to take all other and

further actions as may be reasonably requested by Buyer for the purpose of assigning, transferring, granting, conveying and conferring to Buyer the Acquired Assets, or as may be necessary or appropriate to the performance of the obligations of Buyer and the Debtors as contemplated by the APA.

24. At any time prior to the Closing, Buyer may assign its rights to or designate one or more of its affiliates to perform in accordance with section 12.4 of the APA, and such designee(s) shall be deemed to be the Buyer for all relevant purposes under this Sale Order.

25. The APA and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto and in accordance with the terms thereof, in consultation with the Consultation Parties but without further order of this Court; *provided* that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates.

26. The failure specifically to include any particular provisions of the APA in this Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the APA is hereby authorized and approved in its entirety, as it may be amended or supplemented in accordance with its terms and this Order.

27. The terms of this Order shall control in the event of any conflict or inconsistency with the Sale Motion, the APA, or any ancillary documents executed in connection therewith.

28. Notwithstanding anything to the contrary, the Acquired Assets shall not include any of the Debtors' Causes of Action, including but not limited to any and all (a) D&O Claims and (b) Avoidance Actions; *provided*, that any of the Debtors' Causes of Action that are encompassed by subsections (m) or (n) of the definition of "Acquired Assets" on page A-2 of the Appendix to the APA shall be Acquired Assets. Notwithstanding anything to the contrary, no party that is or

could be the subject of a D&O Claim or the Co-Founders shall be released under the APA or this Order. As used herein, "Causes of Action" means any and all Claims, Actions, causes of action, suits, or judgments belonging to the Debtors of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or noncontingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law. For the avoidance of doubt, "Causes of Action" includes: (i) any rights of setoff, counterclaim, or recoupment, and any Claims for breach of contract or for breach of duties imposed by law or in equity; (ii) any and all rights to dispute, object to, compromise, or seek to recharacterize, reclassify, subordinate, or disallow Claims against or interests in the Debtors; (iii) any and all Claims pursuant to section 362 or chapter 5 of the Bankruptcy Code; (iv) any and all Claims or defenses, including fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; (v) any and all state or foreign law fraudulent transfer or similar Claims; and (vi) any Avoidance Actions.

29. This Order shall be binding on the Debtors and their successors and assigns, including any chapter 7 or chapter 11 trustee or other fiduciary appointed for the estates of the Debtors. Nothing in any plan of reorganization or liquidation, or any other order entered in these cases, shall impair or derogate the effectiveness of any provision of this Order.

30. The automatic stay provisions of section 362 of the Bankruptcy Code are vacated and modified solely to the extent necessary to implement the terms and conditions of the APA and the provisions of this Order.

31. This Order shall be effective and enforceable immediately upon entry, and any stay of the effectiveness and enforceability of this Order otherwise applicable under the Bankruptcy Rules or Local Rules is hereby waived.

32. This Court shall retain exclusive jurisdiction over any and all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

ASSET PURCHASE AGREEMENT

This ASSET PURCHASE AGREEMENT (this "Agreement") is made and entered into as of September 19, 2025, by and among RunItOneTime LLC, a Washington limited liability company ("RunItOneTime"), and certain of its direct and indirect subsidiaries that are listed as "Sellers" on the signature pages hereto (collectively with RunItOneTime, the "Sellers"), RunItOneTime, in its capacity as the representative of Sellers (in such capacity, the "Seller Representative"), and Maverick Gaming LLC, a Nevada limited liability company ("Buyer", and together with Sellers and Seller Representative, the "Parties").

RECITALS

WHEREAS, on July 14, 2025 (the "Petition Date"), each Seller and certain of their respective affiliates (collectively, the "Debtors") commenced voluntary cases under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas, Houston Division ("Bankruptcy Court", and such cases, collectively, the "Bankruptcy Cases");

WHEREAS, Sellers wish to sell, transfer, convey, assign and deliver to Buyer, in accordance with sections 363 and 365 and all other applicable provisions of the Bankruptcy Code, all of the Acquired Assets (as defined below), together with the Assumed Liabilities (as defined below), upon the terms and subject to the conditions set forth in this Agreement;

WHEREAS, Buyer wishes to purchase and take delivery of the Acquired Assets and assume the Assumed Liabilities, upon such terms and subject to such conditions set forth in this Agreement;

WHEREAS, the Acquired Assets will be sold pursuant to a Sale Order (as defined below) of the Bankruptcy Court approving such sale under section 363 of the Bankruptcy Code, and such Sale Order will include the assumption and assignment of certain executory contracts and unexpired leases under section 365 of the Bankruptcy Code and pursuant to the terms and conditions of this Agreement; and

WHEREAS, the performance under this Agreement and Sellers' ability to consummate the Contemplated Transactions are subject to, among other things, the entry of the Sale Order by the Bankruptcy Court.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, representations and warranties contained in this Agreement, the Parties hereby agree as follows:

ARTICLE I.
DEFINITIONS; CERTAIN RULES OF CONSTRUCTION

1.1 Defined Terms. Unless otherwise defined in this Agreement, all capitalized terms shall have the meanings set forth in Annex A hereto.

1.2 Certain Matters of Construction.

(a) The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

(b) Section and subsection headings are not to be considered part of this Agreement, are included solely for convenience, are not intended to be full or accurate descriptions of the content of the Sections or subsections of this Agreement and shall not affect the construction hereof.

(c) Except as otherwise explicitly specified to the contrary herein, (i) the words "hereof," "herein," "hereunder" and words of similar import shall refer to this Agreement as a whole and not to any particular Section or subsection of this Agreement and reference to a particular Section of this Agreement shall include all subsections thereof, (ii) references to a Section, Exhibit, Annex, or Schedule means a Section of, or Exhibit, Annex, or Schedule to this Agreement, unless another agreement is specified, (iii) definitions shall be equally applicable to both the singular and plural forms of the terms defined, and references to the masculine, feminine or neuter gender shall include each other gender, (iv) the word "including" means including without limitation, (v) any reference to "$" or "dollars" means United States dollars, (vi) any accounting term not otherwise defined shall have its meaning prescribed by GAAP, (vii) unless the context clearly requires otherwise, when used herein "or" shall not be exclusive (*i.e.*, "or" shall mean "and/or"), and (viii) references to a particular statute or regulation include all rules and regulations thereunder and any successor statute, rule or regulation, in each case, as amended or otherwise modified from time to time.

(d) Only that information which has been made available to Buyer in the "virtual data room" created for purposes of the sale of the Acquired Assets as such data room existed as of three (3) Business Days prior to the date hereof or otherwise delivered in writing to Buyer on the date immediately prior to the date hereof shall be considered to have been "delivered" or "made available" to Buyer for purposes of this Agreement; provided that this shall not include information or documents to be delivered under Article III or otherwise at the Closing, including this Agreement and any Ancillary Document, or any information or documents to be delivered following the Closing.

(e) Any fact disclosed in any Schedule with respect to any representation or warranty set forth herein shall be deemed disclosed and incorporated by reference in any other Schedule with respect to any other representation or warranty set forth herein only to the extent such fact is disclosed in such a way as to make its relevance to the information called for by such other Schedule reasonably apparent on its face.

(f) The Parties intend that each representation, warranty and covenant contained herein will have independent significance. If any Party has breached or violated, or if there is an inaccuracy in, any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty, or covenant relating to the same subject matter (regardless of the relative levels of specificity) which the Party has not breached or violated, or in respect of which there is not an inaccuracy, will not detract from or mitigate the fact that the Party has breached or violated, or there is an inaccuracy in, the first representation, warranty, or covenant.

(g) Time is of the essence with regard to all dates and time periods set forth or referred to in this Agreement.

ARTICLE II.
PURCHASE AND SALE; BANKRUPTCY TRANSACTIONS

2.1 Purchase and Sale; Acquired Assets. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, subject to the entry and terms of the Sale Order and on the terms and subject to the conditions of this Agreement, at the Closing, each Seller shall sell, transfer, convey, assign and deliver, or cause to be sold, transferred, assigned, conveyed, and delivered, to Buyer, and Buyer shall purchase and acquire from such Seller, all of such Seller's right, title and interest in, to, and under, as of the Closing, the

Acquired Assets, free and clear of all Liens (other than Permitted Liens) and Liabilities (other than Assumed Liabilities), and interests existing as of the Closing.

2.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, the Acquired Assets shall not include, and Sellers shall not sell, convey, transfer, assign, or deliver to Buyer, the Excluded Assets, which the applicable Sellers shall specifically retain.

2.3 Assumption of Liabilities. Subject to the terms and conditions of this Agreement, at the Closing, Buyer shall irrevocably assume and agree to pay, perform, and discharge when due, or otherwise satisfy in accordance with their terms, the Assumed Liabilities (and no other Liabilities).

2.4 Excluded Liabilities. Notwithstanding anything to the contrary in this Agreement, Buyer shall not assume and shall not be responsible to pay, perform, or discharge any Liabilities of any Seller or any of its Affiliates of any kind or nature whatsoever other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the "Excluded Liabilities"), and such Excluded Liabilities shall be retained by and remain the Liabilities of the applicable Seller or its Affiliates, as applicable.

2.5 Assumption/Rejection of Contracts; Assignment of Contracts.

(a) Assumption and Assignment of Executory Contracts. In accordance with the Bidding Procedures Order and to the maximum extent permitted by the Bankruptcy Code, and subject to the other provisions of this Section 2.5, at the Closing, Sellers shall, pursuant to the Sale Order or other order of the Bankruptcy Court with respect to any Assigned Contract, assume and assign to Buyer (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by Sellers to Buyer pursuant to sections 363 and 365 of the Bankruptcy Code, subject to the provision of adequate assurance by the Buyer as may be required under section 365 of the Bankruptcy Code and payment by the Buyer of the Cure Costs in respect of the Assigned Contracts. Any Contracts not listed as an Assigned Contract on Schedule 2.1 of the Disclosure Schedule may be rejected pursuant to section 365 of the Bankruptcy Code at any time.

(b) Cure Costs.

(1) Buyer shall pay or otherwise satisfy all Cure Costs and shall assume, and thereafter in due course and in accordance with their respective terms, pay and fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code. Except for any Real Property Leases, Buyer is and shall remain obligated to timely consummate the Closing (including paying the Purchase Price in full at Closing) and comply with its obligations under this Agreement and any Ancillary Document and shall not have the right to terminate this Agreement as a result of the failure to assume and assign any such Contract. Notwithstanding anything to the contrary herein, no Seller Party shall be required to pay or assume any Cure Costs or provide any assurances, and no Seller shall be obligated to assume and assign any Contract with respect to which Buyer fails to pay the full Cure Costs at Closing or fails to satisfy the party to the proposed Assigned Contract and the Bankruptcy Court as to adequate assurance of future performance.

(2) To the extent a counterparty to a Contract objects or otherwise challenges the Cure Costs determined by Sellers and asserts a different monetary amount that must be paid or nonmonetary obligations that otherwise must be satisfied, including pursuant to Section 365(b)(1)(A) and (B) of the Bankruptcy Code, in order for Buyer to assume such Contract (any such Contract, a "Disputed Contract"), and such objection or challenge has not been resolved prior to the Closing, then Buyer shall provide prompt written notice prior to the Closing Date (or such earlier date on which the Bankruptcy Code

or Bankruptcy Court otherwise would require a determination to assume or reject any such Contract) either (x) electing to remove any such Disputed Contract from Schedule 2.1 of the Disclosure Schedule, in which case the Contract will be an Excluded Contract and not assigned to Buyer or (y) requesting an extension of the period of time following the Closing to resolve any such dispute (such period, an "Extension Period"); provided that any such Extension Period shall be no longer than sixty (60) days following the Closing Date. If Buyer does not deliver written notice agreeing to assume such Disputed Contract and pay all Cure Costs associated with such Disputed Contract within three (3) Business Days prior to the expiration of the Extension Period or such dispute is not resolved by the expiration of the Extension Period, such Disputed Contract shall automatically be deemed an Excluded Contract. Without limiting the foregoing, in the event that a dispute relating to a Disputed Contract is resolved adversely to Buyer by the Bankruptcy Court, upon written notice from Buyer to Seller Representative within one (1) Business Day thereafter, such Disputed Contract shall thereafter be deemed an Excluded Contract for all purposes under this Agreement. Buyer shall be responsible for and reimburse Sellers for any Liabilities or obligations of Sellers arising following the Closing during any Extension Period, including any incremental costs or expenses (A) that arise out of Sellers' extension and continuation of the Bankruptcy Cases that is attributable to the Extension Period and (B) are incurred as a result of the any Seller's performance of its obligations under this Section 2.5(b)(2).

(3) Buyer shall have the right to notify Sellers in writing up to three (3) Business Days prior to the Sale Hearing of any previously designated Assigned Contracts which Buyer no longer wishes to have assumed and assigned to Buyer and any such Contracts shall be deemed added or removed from the Schedules and from being an Assigned Contract, in each case without any adjustment to the Purchase Price.

(c) Non-Assignment.

(1) To the extent that any Acquired Asset, Assigned Contract or any claim, right or benefit arising thereunder or resulting therefrom (the "Non-Assignable Asset") is not capable of being sold, assigned, transferred or conveyed without the approval, consent or waiver of another party thereto, or any third party (including a Governmental Authority), or if such sale, assignment, transfer or conveyance or attempted sale, assignment, transfer or conveyance would constitute a breach thereof or a violation of any law, decree, order, regulation or other governmental edict, this Agreement shall not constitute a sale, assignment, transfer or conveyance thereof, or an attempted assignment, transfer or conveyance thereof, and the Closing shall proceed without any reduction in Purchase Price without the sale, transfer, assignment, conveyance or delivery of such asset. From the date hereof until the earlier of the termination of this Agreement and the Closing Date, Sellers shall, if requested by Buyer, use their respective commercially reasonable efforts, subject to the Conditions, and Buyer shall reasonably cooperate with Sellers, to obtain all necessary approvals, consents or waivers, or to resolve any such impediments to transfer as necessary to convey to Buyer each such Non-Assignable Asset as soon as practicable; provided, however, that neither any Seller nor Buyer shall be obligated to pay any fees or other consideration to obtain such third party consent for the transfer thereof, except for Cure Costs which shall be paid by Buyer and filing fees and other ordinary administrative or other charges provided for in the Assigned Contracts which shall be paid by Buyer to the third party from whom such approval, consent or waiver is requested.

(2) To the extent that any of the approvals, consents or waivers referred to in Section 2.5(c)(1) herein have not been obtained by Sellers and Buyer as of the Closing, or until the impediments to transfer referred to in Section 2.5(c)(1) are resolved, Sellers shall, if requested by Buyer, for a period of time equal to the shorter of (I) the remaining term of such Non-Assignable Asset, if applicable, and (II) until the applicable Seller(s) are liquidated and wound down, use their respective commercially reasonable efforts to (x) obtain the consent of any such third party, (y) cooperate with Buyer in any reasonable and lawful arrangements designed to provide the benefits of such Non-Assignable Asset to Buyer so long as Buyer cooperates with Sellers in such arrangements and reimburses Sellers for all

expenses incurred by Sellers (including ongoing operating expenses of Sellers exclusively relating to such Non-Assignable Asset) and payments made by Sellers in connection therewith and indemnifies Sellers with respect thereto; and (z) enforce, at the reasonable request of Buyer and at the expense and for the account of Buyer, any rights of Sellers arising from such Non-Assignable Asset against the respective owner of or counterparty to such asset (including the right to elect to terminate any such Non-Assignable Asset in accordance with the terms thereof upon the advice of, and together with indemnification from, Buyer); provided, that (A) the foregoing shall not restrict or limit wind-down or liquidating plan of any Seller following the Closing Date and (B) the foregoing shall be subject to (1) any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code, obligations or limitations arising under or related to the DIP Facility or the DIP Credit Agreement, and each Seller's obligations to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order) and each Seller's duty to seek and obtain the highest or otherwise best price for its assets as required by the Bankruptcy Code, (2) limitations on operations imposed by the Bankruptcy Court or the Bankruptcy Code or agreements governing Sellers' debtor-in-possession financing or use of cash collateral, and (3) limitations arising out of or related to the financial distress of Sellers and their respective Affiliates and the Bankruptcy Cases, including limitations on personnel, funds and other resources (the limitations to Sellers' obligation to use commercially reasonable efforts in accordance with this Section 2.5(c)(2) described in clauses (A) and (B), collectively, and as applicable as used herein, the "Conditions").

(3) Notwithstanding anything to the contrary herein, no Seller shall be required to compensate any applicable third party, commence or participate in any proceeding or offer or grant any accommodation (financial or otherwise, including any accommodation or arrangement to indemnify, remain primarily, secondarily or contingently liable for any Liability) to any applicable third party in connection with Sellers' obligations under this Section 2.5 or otherwise. Receipt of any third-party consent, approval or waiver shall not be a condition to Buyer's obligation to timely consummate the Closing (including Buyer's obligation to pay the Purchase Price in full) or comply with Buyer's obligations under this Agreement or any Ancillary Document and the failure to receive any third party consent, approval or waiver or any actions taken by Sellers in connection therewith shall not give Buyer the right to terminate this Agreement.

2.6 Real Property Leases. Buyer has reviewed, or prior to the Closing will review, all Real Property Leases and, except as may be otherwise provided below, acknowledges that the amount of term remaining under each such lease (specifically excluding any option renewals) is acceptable to Buyer. At Buyer's request, Sellers will reasonably cooperate with Buyer in connection with any negotiations relating to renewals, extensions or amendments of the Real Property Leases.

2.7 Assumption of Liabilities under Assigned Contracts. At the Closing, Buyer shall assume, discharge and become liable for, all Liabilities arising after the Closing Date under the Assigned Contracts, but only to the extent such Liabilities are required to be performed and satisfied after the Closing Date and excluding Liabilities arising as a result of any breach of or default or failure to perform by any Seller under any Assigned Contract prior to the Closing, other than Cure Costs or as otherwise contemplated under Section 2.5 or any Assumed Liabilities.

2.8 Approval by Bankruptcy Court. This Agreement is subject to and conditioned upon approval by the Bankruptcy Court. At Closing, Sellers will convey to Buyer the Acquired Assets pursuant and subject to an Order, entered by the Bankruptcy Court approving the sale of the Acquired Assets, which order shall be in form and substance reasonably acceptable to Buyer, and shall include the following provisions: (x) pursuant to Section 363(f) of the Bankruptcy Code, sale of the Acquired Assets shall be free and clear of all Liens (other than Permitted Liens), Liabilities (other than Assumed Liabilities), interests and rights of set-off, whether known or unknown, disputed, fixed or contingent, or actual or otherwise, in

each case arising at any time prior to the Closing, in each case, to the greatest extent permitted by the Bankruptcy Code or applicable non-bankruptcy law, (y) Buyer shall be deemed a good faith purchaser, and (z) Buyer shall have no liability or obligation with respect to Excluded Liabilities and no successor liability (including with respect to any Withdrawal Liability or contribution obligations, whether arising prior to, on or after, the Closing Date, or with respect to the assumption of contribution history associated with any Multiemployer Plan), in each case, to the greatest extent permitted by the Bankruptcy Code or applicable non-bankruptcy law (the "Sale Order"). The Parties shall work in good faith to promptly prepare a mutually acceptable form of Sale Order after the date hereof.

2.9 "As Is" Transaction. Buyer hereby acknowledges and agrees, on its own behalf and on behalf of the Buyer Group, that the sale of the Acquired Assets is and will be made on an "as is, where is and with all faults" basis (except for the express representations contained in Article IV, as qualified, amended, supplemented and modified by the Disclosure Schedule and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement (the "Express Representations")). The occurrence of Closing shall constitute an acknowledgement by Buyer, on its own behalf and on behalf of the Buyer Group, that the Acquired Assets have been accepted without representation or warranty, express or implied (except for the Express Representations). Buyer, on its own behalf and on behalf of the Buyer Group, waives any right to assert any claim against any Seller, at Law or in equity, relating to any such matter, whether latent or patent, disclosed or undisclosed, known or unknown, in contract or tort, now existing or hereafter arising, other than resulting from such Seller's Fraud or willful misconduct. Except for the Express Representations, each Seller and any other Person on behalf of Sellers hereby specifically negate and disclaim any further representations, warranties, or guaranties of any kind or character, whether express or implied, oral or written, past, present, future, or otherwise, of, as to, concerning, or with respect to any Seller, the Acquired Assets, or the Assumed Liabilities or with respect to any information, statements, disclosures, documents, projections, forecasts or other material of any nature made available or provided by any Person, or elsewhere to Buyer or any of its Affiliates or advisors on behalf of Sellers or any of their respective Affiliates or Representatives, including (i) any implied representation of merchantability or fitness for any particular use or purpose, (ii) any implied representation regarding the use or operation of the Acquired Assets after the Closing in any manner, and (iii) any implied representation regarding the probable success or profitability of the Acquired Assets. Buyer further acknowledges that the information provided and to be provided with respect to Sellers, the Acquired Assets and the Assumed Liabilities was obtained from a variety of sources and, except as set forth in the Express Representations, no Seller, and no other Person on behalf of any Seller, (x) has made any independent investigation or verification of such information and (y) has made any express or implied, oral or written, representations as to the accuracy or completeness of such information. Notwithstanding the generality of the foregoing, Buyer, on its own behalf and on behalf of the Buyer Group, acknowledges and agrees that it and the Buyer Group have received from Sellers (and their respective Affiliates and Representatives) certain projections, forward-looking statements, forecasts, or other material made available to Buyer, its Affiliates or Representatives in the Data Room, teaser, confidential information memorandum, management presentations or other prospective or third-party information relating to Sellers, the Acquired Assets, the Business, the Excluded Assets, the Assumed Liabilities and the Excluded Liabilities (whether in written, electronic, or oral form) (collectively, "Projections"). Buyer, on behalf of itself and the Buyer Group, acknowledges that (1) such Projections are being provided solely for the convenience of Buyer and the Buyer Group to facilitate their own independent investigation; (2) there are uncertainties inherent in attempting to make such Projections; (3) Buyer and the Buyer Group are familiar with such uncertainties and are taking responsibility for making their own evaluation of the adequacy and accuracy of all such Projections (including the reasonableness of the assumptions underlying such Projections); (4) Buyer and the Buyer Group are taking full responsibility for making their own evaluation of the adequacy and accuracy of any such Projections provided to it in connection with the Contemplated Transactions (including the reasonableness of the assumptions underlying such Projections); (5) no Seller or any other Person makes any representations or warranties with respect to such Projections (other than Express Representations);

and (6) Buyer and the Buyer Group shall have no claim against anyone with respect thereto. Buyer, on its own behalf and on behalf of the Buyer Group, hereby disclaims reliance on any such Projections. Buyer acknowledges, on its own behalf and on behalf of the Buyer Group, that it has conducted to its reasonable satisfaction an independent investigation and verification of the Business including the Acquired Assets, its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of Sellers, and, in making its determination to proceed with the Contemplated Transactions, Buyer has relied solely on the results of the Buyer Group's own independent investigation and verification, and has not relied on, is not relying on, and will not rely on, Sellers, the Projections or any information, statements, disclosures, documents, projections, forecasts or other material made available to Buyer or any of its Affiliates or Representatives in the Data Room or otherwise, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or Sellers or any of their respective Affiliates or Representatives, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations. Without limiting the foregoing, except for breach of the Express Representations and subject to the limitations set forth herein, neither any Seller nor any other Person will have or be subject to any Liability whatsoever to Buyer, or any other Person in the Buyer Group, resulting from the distribution to Buyer or any of its Affiliates or advisors, or Buyer's or any of its Affiliates' or advisors' reliance on, any such information. None of Sellers or any of their respective Representatives make or provide, and the Buyer Group hereby waives, any warranty or representation, express or implied, as to the quality, merchantability, fitness for a particular purpose, conformity to samples, or condition of Sellers' assets or any part thereof. This Section 2.9 shall survive the termination of this Agreement and the Closing.

ARTICLE III.
PURCHASE CONSIDERATION; CLOSING

3.1 Consideration; Closing Date Payment to Sellers.

(a) The aggregate consideration for the purchase and sale of the Acquired Assets will be equal to an amount calculated as follows (such aggregate consideration, the "Purchase Price"):

(1) $25,000,000.00 (the "Base Purchase Price");

(2) *plus* the Cure Costs;

(3) *plus* the Net Working Capital Adjustment Amount (which may be a positive or negative number);

(4) *plus* the assumption by Buyer of the Assumed Liabilities.

(b) At the Closing, Buyer shall (i) pay, or cause to be paid, to the Seller Representative by wire transfer of immediately available funds to one or more accounts as designated by the Seller Representative by written notice to Buyer at least two (2) Business Days prior to the Closing Date, an amount equal to the sum of (A) the Base Purchase Price, *plus* (B) if positive, the Estimated Working Capital Adjustment Amount, *minus* (C) if negative, the Estimated Working Capital Adjustment Amount, *minus* (D) the Deposit, *minus* (E) the Closing Adjustment Escrow Amount (collectively, the "Closing Date Payment"), and (ii) assume the Assumed Liabilities, and satisfy the Cure Costs, in accordance with the Sale Order.

(c) Prior to the Closing, Buyer and the Seller Representative shall cause the Escrow Agent to create a separate, segregated, interest-bearing escrow account (the "Closing Adjustment Escrow Account") to be maintained by the Escrow Agent under a written agreement among the Seller Representative, Buyer and the Escrow Agent in form and substance reasonably acceptable to each of them

(the "Escrow Agreement"). Buyer, Seller Representative and the Escrow Agent entered into the Escrow Agreement on September 17, 2025. At the Closing, Buyer shall pay, or cause to be paid, to the Escrow Agent, the Closing Adjustment Escrow Amount, to be deposited by the Escrow Agent into the Closing Adjustment Escrow Account, to be held and distributed in accordance with the terms of this Agreement and the Escrow Agreement.

3.2 Deposit.

(a) No later than 4:00 p.m. (prevailing Central Time) on September 29, 2025, Buyer shall make one or more earnest money deposits with the Escrow Agent, in the amount equal to $2,500,000.00 in the aggregate (the "Deposit"), by wire transfer of immediately available funds for deposit into a separate, segregated, non-interest-bearing escrow account maintained by the Escrow Agent under the Escrow Agreement in accordance with the Bidding Procedures Order (the "Deposit Escrow Account"). The Deposit Escrow Account shall be subject to the Escrow Agreement. The Deposit shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any Seller or Buyer and shall be applied in full, without any deduction for escrow costs, against payment of the Purchase Price on the Closing Date.

(b) If this Agreement has been validly terminated by Seller Representative pursuant to Sections 10.1(e) or 10.1(f) (or by Buyer pursuant to Sections 10.1(b) or 10.1(c), in each case, in circumstances where Seller Representative would be entitled to terminate this Agreement pursuant to Sections 10.1(e) or 10.1(f)), then Sellers shall retain the Deposit together with all received investment income, if any (it being understood and agreed by the Parties that Sellers' right to the Deposit shall be in addition to any and all other remedies that Sellers may have against Buyer with respect to any breach, violation, or default by Buyer under this Agreement).

(c) If this Agreement has been validly terminated by Buyer or Seller Representative, other than as contemplated by Section 3.2(b), then the Deposit, together with all received investment income, if any, shall be returned to Buyer within five (5) Business Days after such termination.

(d) The Parties agree that Sellers' right to retain the Deposit, as set forth in Section 3.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Contemplated Transactions, which amount would otherwise be impossible to calculate with precision. If Buyer fails to take any action necessary to cause the delivery of the Deposit to Sellers pursuant to the Escrow Agreement under circumstances where Sellers are entitled to the Deposit and, in order to obtain such Deposit, Sellers commence a suit which results in a judgment in favor of Sellers, Buyer shall pay to Sellers an amount in cash equal to the costs and expenses (including attorney's fees) incurred by Sellers in connection with such suit. If Sellers fail to take any action necessary to cause the delivery of the Deposit to Buyer pursuant to the Escrow Agreement under circumstances where Buyer is entitled to the Deposit and, in order to obtain such Deposit, Buyer commences a suit which results in a judgment in favor of Buyer, Sellers shall pay to Buyer an amount in cash equal to the costs and expenses (including attorney's fees) incurred by Buyer in connection with such suit.

(e) If the Closing occurs, the Escrow Agent shall release from the Deposit Escrow Account to Sellers at the Closing an amount equal to the Deposit.

3.3 Cash Count. As of 12:01 AM (local time) on the Closing Date (or at such other day or time as mutually agreed by Buyer and Sellers or otherwise dictated by applicable Gaming Laws), Sellers shall, at the request of Buyer given not less than two (2) Business Days prior to the Closing Date, conduct a

physical count of all Cage Cash (including reading the meters for the slot machines and running a slot system report) and all Register Cash (such count, the "Cash Count"). The Cash Count shall be conducted in accordance with the policies, procedures and methodologies mutually agreed by the parties and otherwise in accordance with applicable Gaming Laws. Buyer shall be entitled to have its Representatives present during the Cash Count, which Representatives shall, to the extent permitted by applicable Law, have full access to the Cash Count proceedings and cooperate with Sellers' Representatives in good faith to resolve any disputes regarding the conduct of the Cash Count. The Cash Count will be used in connection with the preparation of the Closing Statement.

3.4 Net Working Capital Adjustment.

(a) Not less than two (2) Business Days prior to the Closing Date and in no event more than five (5) Business Days prior to the Closing Date, the Seller Representative shall deliver, or cause to be prepared and delivered, to Buyer a written statement ("Estimated Closing Statement") setting forth Sellers' separate good faith calculations of the Closing Date Net Working Capital ("Estimated Net Working Capital") and the related Estimated Working Capital Adjustment Amount; provided that if there is any disagreement or dispute between Buyer and the Sellers with respect to the Estimated Closing Statement or the calculation of the Estimated Working Capital Adjustment Amount, such disagreement shall not delay or impede the Closing and Sellers' calculation of the Estimated Working Capital Adjustment Amount set forth in the Estimated Closing Statement shall control.

(b) As soon as reasonably practicable following the Closing Date, and in any event within sixty (60) days thereof, Buyer shall prepare and deliver to the Seller Representative a written statement (the "Closing Statement") setting forth Buyer's calculation of the Closing Date Net Working Capital and the resulting Net Working Capital Adjustment Amount, determined without giving effect to the consummation of the transactions contemplated by this Agreement to occur at the Closing (including any adjustments as a result of the application of purchase accounting), as though the Closing occurred as of the time of such determination. Following the Closing, Buyer shall provide the Seller Representative and its Representatives access to the records, properties, personnel and (subject to the execution of customary work paper access letters if requested by such applicable party) auditors of Buyer and its Representatives relating to the preparation of the Closing Statement and shall cause the personnel of Buyer and its Representatives to cooperate with the Seller Representative in connection with its review of the Closing Statement.

(c) If the Seller Representative disagrees with the calculation of the Closing Date Net Working Capital or the resulting Net Working Capital Adjustment Amount as set forth in the Closing Statement, it shall notify Buyer of such disagreement in writing (a "Dispute Notice"), setting forth in reasonable detail the particulars of such disagreement, within thirty (30) days after its receipt of the Closing Statement. In the event that the Seller Representative does not provide a Dispute Notice within such thirty (30)-day period, Sellers shall be deemed to have accepted the Closing Statement and the calculation of the Closing Date Net Working Capital and the resulting Net Working Capital Adjustment Amount delivered by Buyer, which shall be final, binding and conclusive for all purposes hereunder. In the event any Dispute Notice is timely provided, Buyer and the Seller Representative shall use commercially reasonable efforts for a period of thirty (30) days after Buyer's receipt of the Dispute Notice (or such longer period as they may mutually agree) to resolve any disagreements with respect to the calculations set forth in the Closing Statement, and any resolution agreed to in writing by Buyer and the Seller Representative shall be final and binding upon the Parties, and the Closing Statement shall be adjusted in accordance with such resolution. If, at the end of such period, Buyer and the Seller Representative are unable to resolve such disagreements, then an independent accounting or financial consulting firm of recognized national standing as may be mutually selected by Buyer and the Seller Representative (the "Auditor") shall resolve any remaining disagreements. The Auditor shall be instructed to determine as promptly as practicable, but in any event within forty-five (45) days after the date on which the Auditor is retained to resolve such dispute, based

solely on written submissions provided by Buyer and the Seller Representative to the Auditor promptly following the date on which the Auditor is retained, to resolve any remaining disagreements regarding the calculations set forth in the Closing Statement. In resolving any such dispute, the Auditor (i) may not assign a value to any item greater than the greatest value claimed for such item by either Buyer in the Closing Statement or Seller Representative in the timely delivered Dispute Notice or less than the smallest value claimed for such item by either Buyer in the Closing Statement or Seller Representative in the timely delivered Dispute Notice, (ii) shall base its determination solely on the terms and conditions of this Agreement and the written materials submitted by Buyer and the Seller Representative and any subsequent oral presentations, rebuttal submissions or responses to written questions submitted by the Auditor (and not on any independent review), (iii) shall be bound by the terms and conditions of this Agreement, and the applicable definitions contained herein, and (iv) shall deliver to Buyer and the Seller Representative a report setting forth its calculation thereof and its reasons for its determination and the resulting Closing Statement and the Net Working Capital Adjustment Amount taking into account such resolution. The Auditor shall not have any *ex parte* communications with Buyer or the Seller Representative or their respective Representatives. All negotiations pursuant to this Section 3.4(c) shall be treated as compromise and settlement negotiations for proposes of Rule 408 of the Federal Rules of Evidence and comparable state rules of evidence. The Parties acknowledge and agree that the Auditor shall function solely as an expert and not as an arbitrator. The fees and expenses of the Auditor shall be allocated between Buyer and Sellers based upon the percentage of such fees and expenses equal to the dollar value of the disputed amounts determined in favor of the other party by the Auditor divided by the aggregate dollar value of all disputed items submitted to the Auditor. For example, if the Seller Representative challenges the Closing Statement in the net amount of $1,000, and the Auditor determines that Buyer has a valid claim for $400 of the $1,000, Buyer shall bear 60% of the fees and expenses of the Auditor and Sellers shall bear the remaining 40% of the fees and expenses. All other costs and expenses incurred by the Parties in connection with resolving any dispute hereunder before the Auditor shall be borne by the Party incurring such cost and expense. The determination of the Auditor shall be final, conclusive and binding on the Parties. The date upon which the Closing Statement (including the Net Working Capital Adjustment Amount) is finally determined in accordance with this Section 3.4(c) is referred as to the "NWC Adjustment Amount Determination Date."

(d) The "Net Working Capital Adjustment Amount," which may be positive or negative, shall mean (i) the Closing Date Net Working Capital (as finally determined in accordance with Section 3.4), *minus* (ii) the Estimated Net Working Capital. If the Net Working Capital Adjustment Amount is a positive number, then the Purchase Price shall be increased by the Net Working Capital Adjustment Amount (the "Increase Amount"), and if the Net Working Capital Adjustment Amount is a negative number, then the Purchase Price shall be decreased by the absolute value of the Net Working Capital Adjustment Amount (the "Deficit Amount"). The Net Working Capital Adjustment Amount shall be paid in accordance with Section 3.4(e) or Section 3.4(f).

(e) If there is an Increase Amount, then, promptly following the NWC Adjustment Amount Determination Date, and in any event within five (5) Business Days following the NWC Adjustment Amount Determination Date, Buyer shall pay, or cause to be paid, the Increase Amount in cash by wire transfer of immediately available funds to the Escrow Agent to be deposited into the Closing Adjustment Escrow Account to be held and distributed in accordance with the terms of this Agreement.

(f) If there is a Deficit Amount, then, promptly following the NWC Adjustment Amount Determination Date, and in any event within five (5) Business Days following the NWC Adjustment Amount Determination Date, Buyer and the Seller Representative shall jointly instruct the Escrow Agent to pay, from the Closing Adjustment Escrow Funds, to Buyer an amount in cash by wire transfer of immediately available funds equal to the Deficit Amount to an account designated by Buyer.

(g) Subject to the payment of the Deficit Amount (if any), the balance of the Closing Adjustment Escrow Funds shall be held by the Escrow Agent for a period thereafter ending ninety (90) days after the Closing Date (or if such date is not a Business Day, the first Business Day thereafter), and during such period shall be available for and used to satisfy any indemnification obligations in accordance with and pursuant to Section 3.10. After the expiration of such ninety (90) day period, to the extent there are any remaining Closing Adjustment Escrow Funds, each of Buyer and Seller Representative agree to jointly instruct the Escrow Agent to pay such remaining Closing Adjustment Escrow Funds to the Seller Representative by wire transfer of immediately available funds to an account designated by the Seller Representative for distribution to Sellers.

(h) The Parties agree that any payment of the Net Working Capital Adjustment Amount shall be treated as an adjustment to the Purchase Price for applicable Tax purposes to the extent permitted by applicable Law.

3.5 Prorations. On the Closing Date, all utility charges and other similar periodic obligations and expenses (but not including those items reflected in the calculation of the Net Working Capital Adjustment Amount as finally determined pursuant to Section 3.4 and not including any Taxes addressed in Section 9.4), related to the Acquired Assets and/or Business will be prorated as of the Closing Date, with Sellers responsible for such charges, obligations and expenses for the period up to the Closing Date, and Buyer to be responsible for the period on and after the Closing Date. Whenever possible, such prorations will be based on actual, current payments by Sellers, and to the extent such actual amounts are not available, such prorations will be estimated as of the Closing Date based on actual amounts for the most recent comparable billing period. When the actual amounts become known, such prorations will be recalculated by Buyer and Sellers, and Buyer or Sellers, as the case may be, promptly (but not later than five (5) Business Days after notice of payment due) will make any additional payment or refund by wire transfer of immediately available funds so that the correct prorated amount is paid by each of Buyer and Sellers.

3.6 Closing. Subject to the terms and conditions of this Agreement, the consummation of the purchase and sale of the Acquired Assets and the assumption of the Assumed Liabilities (the "Closing") shall take place by video conference and electronic exchange of documents at 9:00 a.m. Pacific Time, which time shall be as promptly as practicable following, but not later than the second (2nd) Business Day following, full satisfaction or waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII and Article VIII (other than those conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at the Closing), or at such other place and time as Buyer and the Seller Representative may agree in writing. That date on which the Closing actually occurs is referred to herein as the "Closing Date." Subject to the provisions of Article X, the failure of any Party to consummate the Closing on the date and time determined pursuant to this Section 3.6 shall not result in the termination of this Agreement and shall not relieve such Party of any obligation under this Agreement.

3.7 Items to be Delivered by Sellers at Closing. At the Closing, the applicable Sellers shall execute and deliver, or cause to be executed and delivered, to Buyer:

(a) A certificate from a duly authorized officer of Seller Representative dated as of the Closing Date certifying the satisfaction of the conditions set forth in Sections 7.1(b), 7.1(c), and 7.1(d);

(i) A copy of the Sale Order which has become final and non-appealable; and

(j) A copy of the Order of the Bankruptcy Court approving the Shareholder Services Agreement (which Order may be the Sale Order), which Order has become final and non-appealable.

(h) All other documents, certificates and agreements reasonably necessary to evidence and effect the sale, assignment transfer and delivery of the Acquired Assets to Buyer and assumption of the Assumed Liabilities by Buyer, in each case, other than those related to the Non-Assignable Assets (which shall be subject to Section 2.5(c)).

3.9 Contingent Cash Payment. If Buyer is the Successful Bidder, then prior to Closing, Buyer, on the one hand, and Seller Representative or its designee (together, "EarnoutCo"), on the other hand, shall enter into an agreement (the "Earnout Agreement") in form and substance reasonably acceptable to Buyer and EarnoutCo, granting EarnoutCo the contingent payment rights described in the Support Agreement.

3.10 Express Indemnities. Notwithstanding anything to the contrary in this Agreement, Sellers shall indemnify and hold harmless Buyer for (A) any shortfall in the Cage Cash at the Closing from the Target Cage Cash Amount, and (B) any Liability imposed on Buyer or its Affiliates arising prior to the Closing under or relating to the Maverick CBA, any Withdrawal Liability, any Multiemployer Plan or any Employee Benefit Plan.

Sellers and their respective Affiliates, collectively, have in full force and effect all material licenses, permits and other authorizations required for the operation of the Business and in a manner consistent with Ordinary Course of Business, except where the failure to hold the same would not reasonably be expected to have a Material Adverse Change on the Business or the Acquired Assets, and no Seller has received notice of any material default or violation in respect of or under any of the foregoing which could reasonably be expected to have a Material Adverse Change on the Business or the Acquired Assets. In the past two (2) years, no Seller has received any non-compliance orders, warning letters, notices of violation, claims, suits, actions, proceedings, judgments, penalties, fines or judicial or administrative investigations of any nature pending or, to the Knowledge of Sellers, threatened against or involving the Business or the Acquired Assets, in each case, which would reasonably be expected to have a Material Adverse Change on the Business or the Acquired Assets and which remains outstanding.

Each Employee Benefit Plan that is intended to qualify under Section 401(a) of the Code has received a favorable determination, advisory or opinion letter from the IRS regarding its qualification thereunder and, to the Knowledge of Sellers, nothing has occurred since the date of the most recent such determination, advisory or opinion letter that would reasonably be expected to adversely affect the qualified status of any of such Employee Benefit Plans.

ARTICLE V.
REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers as of the date hereof and as of the Closing as follows:

5.1 Organization. Buyer is a limited liability company duly organized, validly existing, and in good standing (to the extent such concept is legally recognized under the laws of the jurisdiction in which it was incorporated or otherwise organized) under the laws of the State of Nevada.

5.2 Power and Authority; Authorization. Buyer has all requisite power and authority to enter into, deliver, and perform its obligations under this Agreement and each Ancillary Document to which it is (or will be prior to or at the Closing) a party, to carry out its obligations hereunder and thereunder, and to consummate the Contemplated Transactions. The execution, delivery and performance of this Agreement and the Ancillary Documents to which Buyer is a party, the performance by Buyer of its obligations hereunder and thereunder, and the consummation by Buyer of the Contemplated Transactions have been (or in the case of any Ancillary Document to be entered into prior to or at the Closing, will be when executed and delivered) duly authorized by all requisite action.

5.3 Enforceability. This Agreement and each of the Ancillary Documents to which Buyer is a party constitute (assuming due authorization, execution, and delivery by the other parties hereto and thereto, and in the case of any Ancillary Document to be entered into prior to or at the Closing, will constitute when executed and delivered) valid and legally binding obligation of Buyer, enforceable in accordance with the terms hereof or thereof, as applicable, except as such enforceability may be limited by Enforceability Exceptions.

5.4 No Consents or Approvals. Except for applicable Gaming Approvals, no consent, approval, or authorization of, or notice, declaration, filing, or registration with, any Governmental Authority or any other third-party Person is required to be made or obtained by Buyer in connection with the execution, delivery, and performance of this Agreement and the Ancillary Documents or the consummation of the Contemplated Transactions.

5.5 Non-Contravention. Neither the execution, delivery, and performance of this Agreement or any Ancillary Document by Buyer nor the consummation by Buyer of the Contemplated Transactions or the Ancillary Documents will result in or constitute (a) a violation of any Law or Order to which Buyer is subject, (b) a conflict or breach under Buyer's organizational documents, or (c) a breach or violation of, a default (or an event that, with notice or lapse of time or both, would constitute a default) under, a termination of or acceleration of the performance required by (or a right of termination or acceleration under), any action by or notice to or consultation with any Person, or a requirement of any offer to purchase or prepayment of any debt or liability under any Contract to which Buyer is a party or by which its assets are subject.

5.6 Gaming Approvals. Neither Buyer nor any of its officers, directors, partners, managers, members, principals, or Affiliates which may reasonably be considered in the process of determining the suitability of Buyer for a Gaming Approval by a Gaming Authority, or any holders of any Equity Interests in Buyer who will be required to be licensed or found suitable under applicable Gaming Laws (the foregoing Persons collectively, the "Licensing Affiliates"), has ever abandoned or withdrawn (in each case in response to a communication from a Gaming Authority regarding a likely or impending denial, suspension or revocation) or been denied or had suspended or revoked a Gaming Approval, or an application for a Gaming Approval, by a Gaming Authority. Buyer and each of its Licensing Affiliates which is licensed or holds any Gaming Approval pursuant to applicable Gaming Laws (collectively, the "Licensed Parties") are in good standing in each of the jurisdictions in which Buyer or such Licensed Party owns, operates, or manages gaming facilities or is otherwise required to be licensed. There are no facts which, if known to any Gaming Authority, would be reasonably likely to (i) result in the denial, revocation, limitation or suspension of a Gaming Approval of any of the Licensed Parties or (ii) result in a negative outcome to any finding of suitability proceedings of any of the Licensed Parties currently pending, or under the suitability proceedings necessary for the consummation of the Contemplated Transactions.

5.7 Finder's or Broker's Fees. Buyer has not engaged a broker or finder in connection with any transaction contemplated by this Agreement, and no broker, finder, or other Person is entitled to any commission or finder's fee in connection with any of the Contemplated Transactions based on agreements, arrangements, or understandings made by or on behalf of Buyer.

5.8 Litigation. There are no Actions or Orders pending or, to Buyer's knowledge, threatened against or affecting Buyer that will have a material adverse effect on Buyer's performance of its obligations under this Agreement or the consummation of the Contemplated Transactions.

5.9 Financing. Buyer has, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Purchase Price, to perform the Assumed Liabilities as they become due in accordance with their terms and to consummate all of the other Contemplated Transactions, including the payment of the Purchase Price and all fees, expenses of and other amounts required to be paid by Buyer in connection with the Contemplated Transactions. Buyer is and shall be capable of satisfying the conditions contained in Sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Contracts and the related Assumed Liabilities.

5.10 Solvency. Buyer is, and immediately after giving effect to the Contemplated Transactions shall be, solvent and at all times shall: (a) be able to pay its debts as they become due, (b) own property that has a fair saleable value greater than the amounts required to pay its debt (including a reasonable estimate of the amount of all contingent Liabilities), and (c) have adequate capital to carry on its business. No transfer of property is being made and no obligation is being incurred in connection with the Contemplated Transactions with the intent to hinder, delay or defraud either present or future creditors of Buyer or any Seller. In connection with the Contemplated Transactions, Buyer has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

5.11 No Other Representations or Warranties. Except for the representations and warranties contained in this Article V, neither Buyer nor any other Person makes any other express or implied representation or warranty with respect to the transactions contemplated hereby, and Buyer disclaims any other representations or warranties, whether made by Buyer, any Affiliate of Buyer or any of Buyer's or its Affiliates' respective Representatives.

ARTICLE VI.

(i) continue in full force and effect without material modification all Insurance Policies, except as required by applicable Law;

(j) defend and protect the properties and assets included in the Acquired Assets from infringement or usurpation;

(k) not (A) materially increase the wages, salaries, or bonuses payable to any Business Service Provider except as may be directed by an order of the Bankruptcy Court, (B) [reserved], (C) enter into, adopt, materially amend or terminate, or materially increase any benefits under any material Employee Benefit Plan or any plan, program, arrangement, policy, practice or agreement that would have been a material Employee Benefit Plan if it had been in existence on the date of this Agreement, (D) grant or agree to grant any equity or equity-based award, deferred compensation, material severance, material termination, material change-in-control or material retention pay to any Business Service Provider except as may be directed by an order of the Bankruptcy Court, (E) make any loans to any Business Service Provider (other than advances of expenses made in the Ordinary Course of Business), or (F) accelerate or agree to materially accelerate the time of payment or vesting of, or the lapsing of restrictions with respect to, or fund or

otherwise secure the payment of, any compensation or benefits under any Employee Benefit Plan, except, in each case of (A) through (F), as required by a Collective Bargaining Agreement or by any Employee Benefit Plan, as applicable, or to comply with any applicable Laws or as may be directed by an order of the Bankruptcy Court;

(l) not hire, engage, terminate (other than for cause) or furlough the employment or engagement of any Business Service Provider who earns or is reasonably expected to earn (or prior to such termination, did earn) annual cash compensation in excess of $120,000;

(n) not (A) recognize any union (other than the Union) as the bargaining representative for any Business Employee, or (B) enter into, amend, extend, or terminate any Collective Bargaining Agreement;

(o) timely pay when due all applicable state, city or municipal quarterly gaming Taxes or gaming license fees relating to the Acquired Assets or the Business;

(p) comply in all material respects with all Laws applicable to the conduct of the Business or the ownership and use of the Acquired Assets;

(q) maintain all accounts held in the name of any PokerCo Company that are progressive jackpot or player supported jackpot accounts (collectively, the "Player Accounts") with the funds therein being disbursed solely in the Ordinary Course of Business; provided, that Buyer acknowledges and agrees that the progressive jackpot and/or player supported jackpot accounts may be paid out to players in the Ordinary Course of Business prior to the Closing if such jackpots are triggered;

(r) take necessary action to allow for the legal transfer of such Player Accounts or to allow for Buyer to legally control such Player Accounts as of the Closing; and

(s) not take or permit any action that would cause any of the changes, events or conditions described in Section 4.7 to occur.

6.3 Contact with Company Related Persons. Subject to and except as may otherwise be provided in the Shareholder Services Agreement, prior to the Closing, each Party shall not (and shall cause its Affiliates and Representatives to not) contact in any manner (a) any vendors, suppliers, customers, contractors or consultants, manufacturers, lessees, lessors, licensees or employees of the other Party or its Affiliates, or (b) any other Persons having a known business, regulatory or supervisory relationship with the other Party, in each case, regarding the other Party, the Business or the Contemplated Transactions without the prior written consent of the applicable Party (such consent not to be unreasonably withheld, conditioned or delayed), and any such permitted contacts shall be conducted in a manner which will not adversely interfere with the operations or business relationships of the applicable Party with such Persons.

6.4 Closing Conditions; Reasonable Efforts. From the date hereof until the Closing (or earlier termination of this Agreement), each Party shall (and in the case of Sellers, subject to the applicable Conditions) use commercially reasonable efforts (a) to take all such actions as are reasonably necessary to expeditiously satisfy the closing conditions set forth herein and to cause the Contemplated Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, and (b) to cooperate

with the other Parties and their respective Affiliates and Representatives in connection with any step required to be taken as a part of its obligations hereunder.

6.5 Required Licenses.

(a) To the extent any applications for Permits necessary for the ownership of the Acquired Assets or the operation of the Business by Buyer may be made prior to Closing, within a reasonable period of time, but no later than 7 days following entry of the Sale Order, each Party shall have completed and filed with the applicable Governmental Authorities all applications for such Permits. To the extent requested by the applicable Governmental Authority, each Party shall promptly respond and provide such additional information or documentation as may be requested. The applicable Party shall keep the other Parties informed regarding the status of such applications and provide such information as any such other Party may reasonably request in connection therewith. Buyer and Sellers each covenant and agree to comply with all applicable obligations with respect to the Permits and other matters set forth therein. For the avoidance of doubt, this Section 6.5(a) shall not include Gaming Approvals.

(b) Without limiting the generality of the foregoing, (i) no later than ten (10) Business Days following the date of Buyer being determined to be the Successful Bidder, Buyer and Seller Representative will meet and confer with the Gaming Authorities in order to determine what Gaming Approvals will be required in order to allow the Closing to take place, and (ii) Buyer and Sellers and their respective Representatives and Affiliates (as applicable), shall file, or cause to be filed, as soon as reasonably practicable after the date of such meeting(s) but no later than fourteen (14) days following entry of the Sale Order, all Gaming Approvals and shall act diligently and promptly to pursue the Gaming Approvals and shall cooperate with each other in connection with the making of all filings referenced in the preceding sentence, including providing copies of all such non-confidential documents to the non-filing parties hereto and their advisors prior to filing and, if requested, to accept all reasonable additions, deletions or changes suggested in connection therewith. Buyer and Sellers (as applicable) shall use reasonable best efforts to schedule and attend any hearings or meetings with Gaming Authorities to obtain the Gaming Approvals as promptly as possible. Buyer and Sellers shall have the right to review in advance and, to the extent practicable, each will consult all of the parties hereto on, in each case, subject to applicable Laws relating to the exchange of information (including any antitrust Laws and any Gaming Laws), all the non-confidential information relating to Buyer or Sellers, as the case may be, and any of their respective Affiliates or Representatives which appear in any filing made with, or written materials submitted to, any third party or any Governmental Authority in connection with the Contemplated Transactions. Without limiting the foregoing, Buyer and Sellers will notify all of the other parties hereto promptly of the receipt of material comments or requests from any Governmental Authority relating to Gaming Approvals, and will supply all of the other parties hereto with copies of all material non-confidential correspondence between the notifying party or any of its Representatives and Governmental Authorities with respect to Gaming Approvals. Buyer shall cause its Affiliates to make all filings and take all actions reasonably necessary or advisable to facilitate the receipt by Buyer of all required Gaming Approvals.

6.6 Antitrust Matters. Each Seller and Buyer agrees to file all appropriate notifications and required filings pursuant to any applicable regulatory, antitrust or competition laws with respect to the Contemplated Transactions in the most expeditious manner practicable, and to supply promptly any additional information and documentary material that may be requested of such Party by the relevant Governmental Authorities in connection with any such applicable regulatory, antitrust or competition laws. Buyer agrees to take, and to cause its Affiliates to take, any and all steps necessary to avoid or eliminate as soon as possible each and every impediment under any such applicable regulatory, antitrust or competition laws that may be asserted by any United States or other Governmental Authority so as to enable the Parties to expeditiously consummate the Contemplated Transactions (and, for the avoidance of doubt, so as to avoid an in-depth or second-phase review by the relevant Governmental Authority), including

(i) committing to or effecting, by consent decree, hold separate order or otherwise, the sale or disposition of such assets, securities, facilities or other properties as are required to be divested in order to obtain all applicable merger control clearances under any applicable regulatory, antitrust or competition laws and (ii) defending through litigation on the merits, including appeals, any claim asserted in any court or other proceeding by any Person. Buyer shall pay the filing fees associated with filings under any applicable regulatory, antitrust or competition laws. Each Seller and Buyer agrees not to participate in any substantive meeting or discussion, either in person or by telephone, with any Governmental Authority in connection with the Contemplated Transactions unless it (a) consults with the other Parties in advance, if at all possible and (b) to the extent not prohibited by such Governmental Authority, gives the other Parties the opportunity to attend and participate. Sellers and Buyer will permit each other to review in advance of any proposed material written communications to any such Governmental Authority and incorporate the other Parties' reasonable comments and will supply each other with copies of all correspondence, filings or communications with Governmental Authorities, with respect to the Contemplated Transactions; provided, however, that to the extent any of the documents or information are commercially or competitively sensitive, Sellers or Buyer, as the case may be, may satisfy its obligations by providing such documents or information to the other Parties' outside antitrust counsel, with the understanding that such antitrust counsel shall not share such documents and information with its client.

6.7 Notice of Breach. From the date hereof until the Closing, each Party shall promptly notify the other Parties of any material breach by such Party of any representation, warranty or covenant made by such Party hereunder or occurrence of any event or circumstance which will reasonably result in such a breach.

6.8 Bankruptcy Matters.

(a) Bankruptcy Filings. Sellers shall (A) reasonably cooperate with Buyer concerning the Sale Order and any other orders of the Bankruptcy Court relating to the Contemplated Transactions, (B) use commercially reasonable efforts to cause the Sale Hearing to be held no later than September 30, 2025; and (C) use commercially reasonable efforts to provide Buyer with copies of all applications, pleadings, notices, proposed orders and other documents relating to this Agreement or the Contemplated Transactions, at least one (1) day in advance of the proposed filing date so as to permit Buyer sufficient time to review and comment on such drafts and, with respect to all provisions that materially impact Buyer, such pleadings and proposed orders shall be reasonably acceptable to Buyer and consistent with this Agreement. Sellers shall give Buyer reasonable advance notice of any hearings regarding the motions required to obtain the issuance of the Sale Order.

(b) Sellers shall use good faith, commercially reasonable efforts to comply with the requirements of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure and any applicable local rules or orders, for service on and noticing of all known and unknown creditors, and any other parties entitled to receive notice, in connection with the Contemplated Transactions or the Sale Order, in each case as may be modified under the Bidding Procedures Order or otherwise approved by the Bankruptcy Court.

6.9 Receipt of Misdirected Assets; Liabilities. From and after the Closing, if any Party or any of its Affiliates receives any right, property or asset that is an Acquired Asset (in the case of any Seller) or Excluded Asset (in the case of Buyer), such Party shall promptly transfer or cause such Affiliates to promptly transfer such right, property or asset (and shall promptly endorse and deliver any such right, property, or asset that is received in the form of cash, checks or other documents) to the applicable other Party, and such other party shall be obliged to accept such return or transfer, without the payment of any consideration therefor, and such asset will be deemed the property of the applicable other Party held in trust by such Party for the applicable other Party until so transferred. From and after the Closing, if any Party or any of its Affiliates is subject to a Liability that should belong to another Party pursuant to the terms of this

Agreement, such Party shall promptly transfer or cause such Affiliates to promptly transfer such Liability to such other Party, and such other Party shall assume and accept such Liability without the payment of any further consideration therefor.

6.10 Duplication of Records. Prior to the Closing, the Seller Representative may make, and retain and use following the Closing, duplicate copies of any Records (including archival copies of all Assigned Contracts, books, records and other documents or materials conveyed hereunder); provided that such Seller shall, and shall cause its controlled Affiliates to, only use duplicated copies of Records solely (i) to comply with reporting, disclosure, filing or other requirements imposed on such Seller or its Affiliates by a Governmental Authority (including if so required under the Bankruptcy Code, Bankruptcy Court local rules or requested by the Bankruptcy Court), (ii) to prepare financial statements or Tax Returns, or in order to satisfy audit, accounting or other similar requirements of such Seller or its Affiliates, (iii) to defend any Action (including any Tax audit or examination) against or by any Seller or any of their respective Affiliates or (iv) as necessary to administer any wind-down, dissolution, liquidation, reorganization or plan of reorganization of such Seller or its Affiliates. In the event any Records are used both by the Business and the Retained Business, each Party agrees to use its commercially reasonable efforts to enter into mutually acceptable arrangements to share such Records with both the Seller Representative (on behalf of Sellers and their Affiliates) and any buyers of, or successors to, the Retained Business, including any trustee.

6.11 Backup Bidder. If an Auction is conducted, and Sellers do not choose Buyer as the Successful Bidder, but instead choose Buyer as the Backup Bidder in accordance with the Bidding Procedures Order, Buyer will serve as the Backup Bidder. If Buyer is chosen as the Backup Bidder, Buyer will be required to keep its bid to consummate the Contemplated Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer prior to or at the Auction) open and irrevocable until the closing of the sale of the Acquired Assets to the Successful Bidder, subject to the Backup Bid Outside Date. If the Alternative Transaction with the Successful Bidder is terminated prior to the termination of this Agreement, Buyer will be deemed to be the Successful Bidder and will forthwith consummate the Contemplated Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer prior to or at the Auction).

6.12 Disclosure Schedules. The Sellers shall use good faith efforts to promptly provide the Disclosure Schedules applicable to Articles II, IV and VI, with such schedules to be provided to Buyer no later than fourteen (14) days before the Sale Hearing, and for such Disclosure Schedules to be in form and substance reasonably acceptable to each Party at least three Business Days prior to the Closing Date. Sellers, jointly and severally, hereby (a) represent and warrant to Buyer that the information set forth in the Disclosure Schedules will not be different in any material respect than if such schedules had been delivered as of the date of the Support Agreement (and true and correct as of such date), other than changes resulting from the Business operating in the Ordinary Course of Business or (b) agree to consider in good faith any amendments to this Agreement as may be reasonably necessary to deliver the Acquired Assets as of the date of the Support Agreement, after accounting for or giving effect to the Sale Order and other than changes resulting from the Business operating in the Ordinary Course of Business.

6.13 General Seller Assistance. Subject to compliance with applicable Law (including antitrust Laws and Gaming Laws), from the date of this Agreement until Closing, Sellers shall, and shall cause their respective Affiliates to, reasonably cooperate with Buyer and use their respective commercially reasonable efforts to assist Buyer in connection with the transition of the Business to Buyer.

6.14 No Control. Except as permitted by the terms of this Agreement or as reasonably necessary or appropriate to comply with all applicable Gaming Laws, prior to the Closing, Buyer or the Buyer Group shall not directly or indirectly control, supervise, direct or interfere with, or attempt to control, supervise, direct or interfere with, the Business. Until the Closing, the operations and affairs of the Business are the

sole responsibility of and under the complete control of Sellers, except as expressly provided for in this Agreement.

6.15 Employees & Benefit Plans.

(a) Buyer recognizes that the International Brotherhood of Teamsters (Teamsters Local Union Nos. 38, 117, 760 and 839) (the "Union") is the exclusive collective bargaining agent for certain Business Employees pursuant to the Maverick CBA. For the avoidance of doubt, no Seller is a party to the Maverick CBA, and the Maverick CBA is an Excluded Contract. Buyer agrees to negotiate in good faith with the Union for a new Collective Bargaining Agreement with respect to the Union Business Employees. For the avoidance of doubt, Seller Representative consents to facilitate discussions among Buyer, the Union and Seller Representative with respect to the Contemplated Transactions from and after the date hereof. Subject to the foregoing, at least five (5) Business Days prior to the Closing, Buyer or one of its Affiliates will make offers of employment, and commence employment as so offered, to Union Business Employees who are then employed by any Seller or its Affiliates, to be effective as of the Closing, on initial terms and conditions of employment set by Buyer. Any Union Business Employee who accepts such offer and commences employment with Buyer or its Affiliate immediately after the Closing is referred to herein as a "Union Transferred Employee." Effective as of the Closing, all Union Transferred Employees shall be deemed to have resigned from their employment with the Sellers and their Affiliates.

(b) At least ten (10) Business Days prior to the Closing Date, Sellers shall provide Buyer with an updated Business Service Provider Census reflecting any new hires or engagements and terminations or departures of any Business Service Provider.

(c) At any time after being selected as the Successful Bidder, but in any event no later than five (5) Business Days prior to the Closing Date, Buyer or one of its Affiliates shall make a written offer of at-will employment to all Non-Union Business Employees then employed by Sellers or an applicable Affiliate, to be effective as of the Closing Date, on terms and conditions substantially similar to the current terms and conditions of such Person's employment. Any Non-Union Business Employee who accepts such offer and commences employment with Buyer or its Affiliate immediately after the Closing is referred to herein as a "Non-Union Transferred Employee" (together with the Union Transferred Employees, the "Transferred Employees"). Effective as of the Closing, all Non-Union Transferred Employees shall be deemed to have resigned from their employment with the Sellers and their Affiliates.

(d) Notwithstanding anything to the contrary herein, the hiring by Buyer or its Affiliate of any Business Employee as set forth in this Section 6.15 is conditioned upon the occurrence of the Closing, and upon satisfaction, at Buyer's reasonable discretion, of such reasonable standard hiring practices or requirements as Buyer or its Affiliate may include in its written offer or employment letter to such employees (including, without limitation, completion of Form I-9, minimum qualifications for specific positions and standard pre-employment screenings or background checks and similar requirements that are imposed on similarly situated employees of Buyer or its applicable Affiliate in the same or similar geographic area and business).

(e) With respect to each other Business Service Provider who is not a Business Employee, and who is engaged by Sellers or any Affiliate prior to the Closing Date, Buyer or one of its Affiliates may, in their sole discretion, make a written offer of engagement, to be effective as of the Closing Date, on terms and conditions determined in Buyer or its Affiliate's sole discretion.

(f) Prior to the Closing, Sellers shall, or shall cause their applicable Affiliates to, satisfy any pre-Closing notice, consultation, or consent right, if any, that is required to be provided or afforded to a Union after signing this Agreement and before the Closing.

(g) Buyer shall not assume any Employee Benefit Plan or any Liabilities thereunder.

(h) [Reserved.]

(i) Notwithstanding the provisions of this Section 6.15 or any provision of this Agreement, nothing in this Section 6.15 or this Agreement is intended to or shall (i) create in any Person any third-party rights with respect to the subject matter contained in this Section 6.15, (ii) amend any Employee Benefit Plan or other benefit plan, program, policy, or arrangement, (iii) require Buyer or any of its Affiliates, or any Seller or any of its Affiliates, to continue any Employee Benefit Plan or other benefit plan, program, policy or arrangement beyond the time when it otherwise lawfully could be terminated or modified or as otherwise required herein or (iv) provide any Business Employee or any Transferred Employee with any rights to employment or continued employment.

ARTICLE VII.
CONDITIONS PRECEDENT TO BUYER'S PERFORMANCE

7.1 Buyer's Closing Conditions. The obligations of Buyer to consummate the Contemplated Transactions shall be subject to the satisfaction, at the Closing, of all the conditions set out below. Buyer may, in its sole discretion, waive any or all of these conditions in whole or in part by giving written notice to Seller Representative.

(a) No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Order which is in effect and has the effect of making the Contemplated Transactions illegal, otherwise restraining or prohibiting consummation of such transactions or causing any of the Contemplated Transactions to be rescinded following completion thereof.

(b) Sellers shall have obtained all consents, approvals, interim authorization, findings of qualification and/or suitability, licenses, permits, orders or authorizations of and registrations, declarations or filings with any Governmental Authority with jurisdiction in respect of the Gaming Laws (including Gaming Approvals) required or necessary to close the Contemplated Transactions shall be in full force and effect.

(c) (i) The representations and warranties made by Sellers in Article IV (other than Fundamental Representations) shall be true and correct in all respects (disregarding all qualifications or limitations as to "materiality" or "Material Adverse Change" and words of similar import set forth therein) as of the Closing Date as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), except where the failure of such representations and warranties to be true and correct has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Change and (ii) the Fundamental Representations shall be true and correct in all respects, except for *de minimis* inaccuracies, as of the Closing Date as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct in all respects only as of such date).

(d) Sellers shall have performed and complied in all material respects with all of the covenants and agreements required by this Agreement to be performed or complied with by Sellers on or before the Closing.

(e) The Bankruptcy Court shall have entered the Sale Order.

(f) The Bankruptcy Court shall have entered an Order approving the Shareholder Services Agreement, in form and substance reasonably acceptable to Buyer.

(g) Buyer shall have received the deliverables set forth in Section 3.7 required to be delivered by Sellers to Buyer.

7.2 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by Buyer as of and after the Closing. Buyer may not rely on the failure of any condition set forth in this Article VII to be satisfied if such failure was caused by Buyer's failure to perform any of its obligations under this Agreement.

7.3 Support Agreement Conditions. Notwithstanding anything to the contrary in this Agreement:

(a) Any obligation of Buyer to perform under this Agreement or consummate the Contemplated Transactions is subject to the receipt at Closing by the Buyer of the executed Intellectual Property Assignment Agreement providing rights to Buyer and the Debtors consistent with the Support Agreement and otherwise in form and substance reasonably satisfactory to each Party; *provided*, *however*, that if the subject Intellectual Property is acquired by a third party in the course of the Debtors' pending sale process prior to the Closing, then the Intellectual Property Assignment Agreement may, with the agreement of the Debtors, be substituted for all purposes hereunder by an agreement between Buyer and such third party that provides Buyer with equivalent or better rights and is otherwise in form and substance reasonably acceptable to Buyer (or substituted agreement in accordance with the foregoing sentence); *provided*, *further*, that Buyer shall pay $100,000 at the Closing to the Debtors as additional consideration for the Intellectual Property Assignment Agreement (or to its counterparty to a substituted agreement in accordance with the foregoing sentence).

(b) Any obligation of Buyer to perform under this Agreement or consummate the Contemplated Transactions is subject to the full execution and Bankruptcy Court approval of the Shareholder Services Agreement.

(c) Any obligation of Buyer to perform under this Agreement or consummate the Contemplated Transactions is subject to the designation of this Agreement as the Stalking Horse Bid with respect to the Business, and approval thereof by the Bankruptcy Court, with the following bid protections: (i) in the event that this Agreement is not determined to be the Successful Bid or Backup Bid on or before September 30, 2025, or the Closing Date does not occur by the Outside Date and Buyer validly terminates this Agreement pursuant to Section 10.1, then within three (3) Business Days the Sellers shall pay $150,000 to Buyer, without deduction, setoff or counterclaim, as an expense reimbursement; (ii) [reserved]; (iii) no bid shall be considered as topping this Agreement unless it provides the Debtors with net present value of not less than $16 million (as shall be determined by the Debtors consistent with the Bidding Procedures Order); and (iv) if the Auction takes place, the Acquired Assets shall be auctioned as a single package (without additions thereto) with bidding increments of not less than $500,000.

ARTICLE VIII.
CONDITIONS PRECEDENT TO SELLERS' PERFORMANCE

8.1 Sellers' Conditions. The obligations of Sellers to consummate the Contemplated Transactions shall be subject to the satisfaction, at the Closing, of all the conditions set out below. Seller Representative may, in their sole discretion, waive any or all of these conditions in whole or in part by giving written notice to Buyer.

(a) No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Order which is in effect and has the effect of making the Contemplated Transactions illegal, otherwise restraining or prohibiting consummation of such transactions or causing any of the Contemplated Transactions to be rescinded following completion thereof.

(b) Buyer and the Buyer Group shall have obtained all consents, approvals, interim authorization, findings of qualification and/or suitability, licenses, permits, orders or authorizations of and registrations, declarations or filings with any Governmental Authority with jurisdiction in respect of the Gaming Laws (including Gaming Approvals) required or necessary to close the Contemplated Transactions shall be in full force and effect.

(c) The representations and warranties made by Buyer in Article V shall be true and correct in all respects as of the Closing Date as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), except to the extent that the failure of such representations and warranties to be true and correct has not had a material adverse effect on the ability of Buyer to consummate the Contemplated Transactions.

(d) Buyer shall have performed and complied in all material respects with all of the covenants and agreements required by this Agreement to be performed or complied with by Buyer on or before the Closing.

(e) The Bankruptcy Court shall have entered the Sale Order.

(f) Seller Representative shall have received the deliverables set forth in Section 3.8 required to be delivered by Buyer to Seller Representative.

8.2 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VIII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by Sellers as of and after the Closing. No Seller may rely on the failure of any condition set forth in this Article VIII to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement.

ARTICLE IX.
TAXES

9.1 Transfer Taxes. Buyer shall bear all stamp, documentary, registration, value-added, transfer, sales, use, reporting, recording, filing and other similar fees, Taxes and charges including any interest and penalties with respect thereto ("Transfer Taxes") resulting from the transfer of the Acquired Assets and the assumption of the Assumed Liabilities effected pursuant to this Agreement to the extent determined to not be exempt in accordance with Section 1146 of the Bankruptcy Code. Buyer or the applicable Seller, as required by applicable Law, shall prepare and file all necessary Tax Returns or other documents with respect to all such Transfer Taxes, provided that any Seller that prepares (or causes to be prepared) a Transfer Tax Return shall provide Buyer with a draft of such Tax Return no less than five (5) days prior to its due date (or, if due within five (5) days of the Closing, as soon as reasonably practicable) for Buyer's review and comment and shall make any changes reasonably requested by Buyer. Buyer shall pay any Transfer Taxes either to the appropriate Seller (or Affiliate of the Seller) or to the relevant Governmental Authorities as required by applicable Law, or the Buyer shall reimburse any Seller (or its Affiliate) for any Transfer Taxes paid by any Seller (or its Affiliate).

9.2 Allocation of Purchase Price. Each Seller and Buyer agree that the purchase price (plus the Assumed Liabilities and other items to the extent properly taken into account for Tax purposes) shall be allocated for Tax purposes among the Acquired Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local or foreign law, as appropriate) (the "Allocation"). The Allocation shall be prepared and delivered by Buyer to Seller Representative within 30 days of the NWC Adjustment Amount Determination Date for Seller Representative's review and comment. If Seller Representative does not notify Buyer in writing of its objection or comment to any allocation set forth thereon within 30 days after Buyer's delivery of the Allocation, the Allocation prepared by Buyer shall be the final Allocation. If, within 30 days after Buyer's delivery of the Allocation, Seller Representative notifies Buyer in writing that Seller Representative objects to any allocation set forth thereon, Buyer and Seller Representative shall negotiate in good faith to resolve such objection. If Seller Representative and Buyer are unable to resolve all disputed items within 15 days after the delivery of the Seller Representative's written objection to Buyer, the Parties shall jointly retain a mutually agreed independent internationally recognized accounting firm (the "Accounting Firm") (which may in turn select an appraiser, if needed) to resolve any disputed item(s). The costs, fees and expenses of the Accounting Firm shall be borne by Buyer. The Accounting Firm shall resolve any such dispute within thirty 30 days after its retention, and the Allocation shall be adjusted to reflect any such resolution of any disputed item(s). Each Seller and Buyer agree that said Allocation (as finally determined pursuant to this Section 9.2) shall be used by Sellers and Buyer in reporting the transactions (including IRS Form 8594) covered by this Agreement for Tax purposes and neither any Seller nor Buyer will take any position (or will allow any of their respective Affiliates to take any position) (whether in audits, Tax Returns, or otherwise) that is inconsistent with the Allocation (as finally determined pursuant to this Section 9.2), except, in each case, to the extent otherwise required by a final determination pursuant to Section 1313(a) of the Code (or any comparable provision of state, local or foreign law) or as Buyer or Seller (as applicable) determines is necessary to settle a dispute with a Taxing Authority after making a good faith effort to defend the Allocation. In the event that a Taxing Authority disputes the final Allocation (as finally determined pursuant to this Section 9.2), the Party receiving notice of such dispute shall promptly notify the other Party hereto, and the Parties shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to defend such final Allocation in any applicable proceeding. The Sellers and Buyer shall reasonably cooperate in determining any allocation necessary for the determination of the amount of any Transfer Tax payable prior to the determination of the final Allocation.

9.3 Withholding. Buyer and its Affiliates and designees shall be entitled to deduct and withhold any amounts as are required to be deducted and withheld under any applicable Tax Law in connection with payments required to be made pursuant to the terms of this Agreement. To the extent any such withheld amounts are properly deducted and withheld pursuant to applicable Tax Law, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such withholding was made and shall be timely paid to the appropriate Taxing Authority. Buyer and its Affiliates and designees shall provide at least five (5) Business Days' notice to the applicable Person prior to making such withholding or deduction (except to the extent that such applicable Person has failed to comply with Section 9.8), and the Parties shall reasonably cooperate with each other to minimize or eliminate any potential deductions and withholdings that may be required under applicable Tax Law.

9.4 Straddle Period. In the case of any Straddle Period, Taxes shall be treated as attributable to the portion of such period that ends on the Closing Date as follows: (i) in the case of any sales, use, value-added, employment, or withholding Tax or other Taxes not described in clause (ii), or any Tax based on or measured by income, profits, gains, receipts, or activities, the level of any item shall be determined based on an interim closing of the books as of the end of the Closing Date (and for such purpose, the taxable period shall be deemed to terminate at such time), except that exemptions, allowances or deductions that are calculated on a periodic basis (including depreciation and amortization deductions), other than with respect to property placed in service after the Closing, shall be allocated on a *per diem* basis ending on the

Closing Date and (ii) in the case of real property, personal property and similar *ad valorem* Taxes (other than Transfer Taxes), shall be deemed to be the amount of such Taxes for the entire period multiplied by a fraction, the numerator of which is the number of calendar days in the portion of the period ending on the Closing Date and the denominator of which is the number of calendar days in the entire period.

9.5 Cooperation. Each Party and its Affiliates shall reasonably cooperate, as and to the extent reasonably requested by any other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes.

9.6 *Pierce*. Each Seller agrees that neither such Seller nor its Affiliates shall report on any Tax Return a deemed payment or deduction in connection with the Contemplated Transactions under James M. Pierce Corp. v. Comm., 326 F.2d 67 (8th Cir. 1964), with respect to any prepaid amount (if any) of Sellers in respect of the Acquired Assets or the Business or with respect to any Acquired Asset the income recognition of which has been deferred pursuant to IRS Revenue Procedure 2004-34, 2004-22 I.R.B. 991, IRS Notice 2018-35, 2018-18 I.R.B. 522, Section 451(c) of the Code, or Treasury Regulations Section 1.451-8.

9.7 Washington State Gaming Taxes. The Sellers shall pay (or cause to be paid), when due, any applicable state, city or municipal quarterly gaming Taxes or gaming license fees relating to Washington State gaming license Taxes in respect of the Acquired Assets or the Business through and including the third quarter of 2025.

9.8 IRS Form W-9. Not later than eight (8) Business Days prior to the Closing Date, the Seller Representative shall deliver to Buyer a properly completed and duly executed IRS Form W-9 of each applicable Seller (or, if applicable, its regarded owner for U.S. federal income tax purposes).

9.9 Net Working Capital. Notwithstanding anything to the contrary herein, in order to avoid double counting, if any Taxes are accounted for as a liability in the calculation of Net Working Capital as finally determined pursuant to Section 3.4, (a) Sellers shall have no obligation under this Agreement to reimburse Buyer for such Taxes or fees (other than through the calculation of the Net Working Capital Adjustment Amount), and (b) if it is determined that such Taxes or fees were properly paid by Sellers to the applicable Governmental Authority and such Taxes or fees reduced the amount that would have otherwise been due to Sellers under Section 3.4, Buyer shall promptly reimburse such amount to Seller Representative upon the delivery by Seller Representative of reasonable written evidence that such Taxes or fees have been so paid to the applicable Governmental Authority.

9.10 [Reserved].

9.11 Bulk Sales. The Parties intend that, pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any liens or claims arising out of the bulk transfer laws to the greatest extent permissible, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the "bulk sales," "bulk transfers" or similar laws and all other similar laws in all applicable jurisdictions in respect of the Contemplated Transactions.

ARTICLE X.
TERMINATION

10.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 10.1. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written consent of Buyer and Seller Representative;

(b) by written notice of either Buyer or Seller Representative, upon the issuance of an Order by a court of competent jurisdiction restraining, enjoining, or otherwise prohibiting the consummation of the Contemplated Transactions or declaring unlawful the Contemplated Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 10.1(b) if the issuance of such Order was caused by such Party's breach of, or failure to perform any of its obligations under, this Agreement;

(c) by written notice of either Buyer or Seller Representative, if the Closing shall not have occurred on or before the Outside Date; provided, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 10.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's breach of, or failure to perform any of its obligations under, this Agreement or failure to negotiate in good faith or engage with respect to any Ancillary Document;

(d) by written notice from Buyer to Seller Representative, if any Seller or Seller Representative has breached, or failed to perform, any of its representations, warranties, covenants or agreements set forth in this Agreement, in each case, such that the conditions set forth in Section 7.1(b) or 7.1(c) would not be satisfied; provided, that (i) if such breach or failure is curable by such Seller or Seller Representative, then Buyer may not terminate this Agreement under this Section 10.1(d) unless such breach or failure has not been cured by the date that is two (2) Business Days prior to the Outside Date and (ii) the right to terminate this Agreement pursuant to this Section 10.1(d) shall not be available to Buyer at any time that Buyer is in material breach of any representation, warranty, covenant or agreement hereunder;

(e) by written notice from Seller Representative to Buyer, if Buyer has breached, or failed to perform, any of its representations, warranties, covenants or agreements set forth in this Agreement, in each case, such that the conditions set forth in Section 8.1(b) or 8.1(c) would not be satisfied; provided, that (i) if such breach or failure is curable by Buyer, then Seller Representative may not terminate this Agreement under this Section 10.1(e) unless such breach or failure has not been cured by the date that is two (2) Business Days prior to the Outside Date and (ii) the right to terminate this Agreement pursuant to this Section 10.1(e) will not be available to Seller Representative at any time that any Seller is in material breach of any representation, warranty, covenant or agreement hereunder;

(f) by written notice from Seller Representative to Buyer if (i) all of the conditions set forth in Section 7.1 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and (ii) Buyer fails to complete the Closing at the time required by Section 3.6;

(g) by written notice from Seller Representative to Buyer, if the board of managers or similar governing body of any Seller determines in good faith, after consultation with outside legal counsel, that proceeding with the Contemplated Transactions or failing to terminate this Agreement would be inconsistent with such Person's or body's fiduciary duties.

(h) automatically if the Bankruptcy Court enters an Order approving an Alternative Transaction and Sellers close on such Alternative Transaction;

(i) by written notice of either Buyer or Seller Representative in the event the Bankruptcy Case is dismissed or converted to cases under Chapter 7 of the Bankruptcy Code; or

(j) by written notice of either Buyer or Seller Representative if Buyer is not the Successful Bidder or the Backup Bidder at the Auction;

(k) notwithstanding anything to the contrary in this Agreement, by written notice from Buyer to Seller Representative if the Intellectual Property Assignment Agreement (or such other agreement as provided by Section 7.3(a)), is not in effect on or before the Outside Date; or

(l) notwithstanding anything to the contrary in this Agreement, by written notice from Buyer to Seller Representative if the Bankruptcy Court has not entered an Order approving the Shareholder Services Agreement by the Outside Date.

10.2 Effect of Termination. In the event of termination of this Agreement pursuant to Section 10.1, this Agreement shall forthwith become void and there shall be no liability on the part of any Party or any of its partners, officers, directors, managers, equity holders or shareholders; provided that (a) Section 2.9, this Section 10.2, Section 12.9 and Article XII and the definitions referenced in such Sections and Articles, even if not included in such Sections and Articles, shall survive any such termination and (b) nothing herein shall relieve any Party from liability for any willful breach of any provision hereof.

10.3 Alternative Proposals. Notwithstanding anything in this Agreement to the contrary, Sellers may participate in discussions or negotiations with, or furnish information with respect to Sellers or the Business to any Person if (a) (i) such Person has submitted to Sellers a bona fide written proposal to acquire the stock or assets of Sellers, upon receipt of which Sellers shall give prompt written notice to Buyer and (ii) Sellers determine in their good faith judgment that taking such action is consistent with their fiduciary duties or (b) in accordance with the Bidding Procedures Order and the Bidding Procedures.

ARTICLE XI.
SURVIVAL; POST-CLOSING MATTERS

11.1 Survival; Certain Waivers. Except as provided in Section 3.10, each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for three (3) years following the Closing Date, and nothing in this Section 11.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Buyer and each Seller acknowledge and agree, on their own behalf and on behalf of the Buyer Group or the Seller Parties, as the case may be, that the agreements contained in this Section 11.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for three (3) years and (b) are an integral part of the Contemplated Transactions and that, without the agreements set forth in this Section 11.1, none of the Parties would enter into this Agreement. In furtherance of the foregoing, except as provided in Section 3.10, from and after the Closing, each Party hereby waives and fully and finally releases (on behalf of itself, each of its Affiliates and each of its Representatives), to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation or warranty or covenant or obligation to have been performed at or prior to the Closing set forth herein, or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder arising under or based upon any theory whatsoever, under any Law, contract, tort or otherwise. Notwithstanding anything to the contrary in this Section 11.1 or elsewhere in this Agreement, nothing herein shall be deemed to limit the rights and remedies of any Party with respect to claims based on Fraud or of Buyer with respect to any claim that may be asserted under Section 509 of the Bankruptcy Code. Notwithstanding anything to the contrary in this Agreement, Sellers shall be able to wind-down the Business promptly after the Closing. Nothing in this

Section 11.1 shall prohibit any Seller from ceasing operations or winding up its affairs or of the Business following the Closing.

11.2 Post-Closing Access.

(a) Notwithstanding anything to the contrary herein, from and after the Closing Date and for a period of three (3) years following the Closing Date, Buyer shall provide Sellers and their respective Representatives reasonable access, during normal business hours and upon reasonable advance notice of not less than forty-eight (48) hours before the requested date of access, and at Seller's (or the applicable Affiliate's) sole expense, to such Records that are Acquired Assets and to certain key employees for the purposes of (i) the preparation or amendment of Tax Returns, (ii) the determination of any matter relating to the rights or obligations of any Seller under this Agreement or (iii) as necessary to administer, or satisfy their obligations in connection with, the Bankruptcy Cases and the wind-down of Sellers and their assets, in each case in such a manner as not to unreasonably interfere with the conduct of the Business; provided, that such access shall not include any books, records, other documents and electronically stored information that are not (or were not) Acquired Assets as of the Closing, and shall not include any confidential or privileged information or work product of Buyer or its Affiliates; provided, further, that Buyer agrees it will, and will cause its employees to, provide Seller and their respective Affiliates with reasonable assistance, support and cooperation with respect to the actions and access described in this Section. Notwithstanding anything to the contrary in this Agreement, Buyer and its Affiliates shall not be required to disclose any information to any Seller if such disclosure would (x) jeopardize any attorney-client or other legal privilege or (y) contravene any applicable Law or fiduciary duty.

(b) Notwithstanding anything to the contrary herein, unless otherwise consented to in writing by Seller Representative, Buyer will not, for a period of three (3) years following the Closing Date, destroy, alter, or otherwise dispose of any of the Records that are Acquired Assets without first offering to surrender to Seller Representative such Records or any portion thereof that Buyer may intend to destroy, alter, or dispose of.

11.3 Post-Closing Transition. The Sellers shall provide to Buyer, for a period not to exceed 90 days after the Closing, all services reasonably necessary to orderly transition the Business and the Transferred Employees after the Closing; *provided, however* that Sellers agree to provide to Buyer a license of longer term with respect to the Sonoma Assets. Such services shall be provided on reasonable terms and conditions, solely at the cost of Buyer, pursuant to an agreement (the "Business Services Agreement") in form and substance reasonably acceptable to Buyer and the Seller Representative.

12.2 Entire Agreement; Modification; Waiver. This Agreement, the Ancillary Documents, and the Disclosure Schedule, as may be amended and updated, together with all Exhibits and schedules hereto or thereto and agreements or instruments executed in connection herewith or therewith, together with the Confidentiality Agreement, constitute the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior and contemporaneous discussions, negotiations, proposals, undertakings, agreements, representations and understandings of the Parties. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all the Parties. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, and no waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver. No course of dealing, nor any failure or delay in exercising any right, shall be construed as a waiver, and no single or partial exercise of a right shall preclude any other or further exercise of that or any other right.

12.3 Parties in Interest. Except as otherwise expressly provided herein, including in Section 12.14 (*Non-Recourse*) and Section 12.18 (*Legal Representation*), nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any Persons other than the Parties and their respective permitted successors and assigns.

12.4 Binding Effect; Assignment. This Agreement and the rights, interests, and obligations hereunder shall be binding upon Buyer, and, subject to the entry and terms of the Sale Order, on Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases. No Party may assign or delegate this Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other Parties, and any attempted assignment or delegation without such prior written consent shall be null and void *ab initio*; provided that (a) Buyer may assign this Agreement and any or all of its rights and interests hereunder or designate one or more Persons to perform its obligations hereunder, in each case, so long as Buyer is not relieved of any liability or obligations hereunder and (b) Buyer may assign this Agreement and any or all of its rights and interest hereunder to any purchaser of all or substantially all its assets or designate such purchaser to perform its obligations hereunder.

12.5 Signatures. The signatures of the Parties to this Agreement, or to any related document, may be delivered by electronic transmission (such as electronic mail of a PDF signature page or any electronic signature). This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

12.6 Governing Law; Jurisdiction.

(a) Except to the extent mandatory provisions of the Bankruptcy Code apply, this Agreement, and any Action that may be based upon, arising out of or related to this Agreement or the negotiation, execution or performance of this Agreement or the Contemplated Transactions will be governed by and construed in accordance with the internal Laws of the State of New York, as applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of New York or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of New York to apply.

(b) Each of the Parties irrevocably agrees that any Action that may be based upon, arising out of, or related to this Agreement or the negotiation, execution or performance of this Agreement and the Contemplated Transactions brought by any other Party or its successors or assigns will be brought and determined in (i) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (ii) in the event the Bankruptcy Cases are closed, or if the Bankruptcy Court is unwilling or unable to hear such Action, in any state or federal court within Las Vegas, Nevada (the courts described clauses (i) and (ii), the "Chosen Courts"), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such Action arising out of or relating to this Agreement and the Contemplated Transactions. Each of the Parties agrees not to commence any Action relating thereto except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any Chosen Court, and no Party will file a motion to dismiss any Action filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of such Action. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 12.1. Nothing in this Agreement will affect the right of any Party to this Agreement to serve process in any other manner permitted by Law.

12.7 Severability. If any provision of this Agreement is held invalid or unenforceable by any arbitrator or court of final jurisdiction, it is the intent of the Parties that all other provisions of this Agreement be construed to remain fully valid, enforceable and binding on the Parties and such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

12.10 Further Assurances. Each Party, as requested by any other Party, shall use commercially reasonable efforts to execute, acknowledge and deliver from time to time any further deeds, assignments, conveyances and other assurances, documents and instruments of transfer, reasonably requested by such other Party, and shall take any other action consistent with the terms of this Agreement that may reasonably be requested by the other, for the purpose of assigning, transferring, granting, conveying and confirming to such Party, or reducing to possession, any or all property to be conveyed and transferred under this Agreement or any Ancillary Document; provided that (i) Buyer or its Affiliates shall not be required to incur liabilities or obligations pursuant to any such arrangement beyond those liabilities and obligations included as Assumed Liabilities, (ii) Sellers and their respective Affiliates shall not be required to incur any Assumed Liabilities pursuant to any such arrangement and (iii) Buyer shall be entitled to communicate with Seller Representative rather than any Seller with respect to any requests or other matters under this Section 12.10.

12.13 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Contemplated Transactions. It is accordingly agreed that (a) Seller Representative and Buyer will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 12.6 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Contemplated Transactions and without that right, neither Sellers nor Buyer would have entered into this Agreement. If, prior to the Outside Date, any Party brings any action, in each case, in accordance with this Section 12.13, to enforce specifically the performance of the terms and provisions hereof by the other Parties, the Outside Date will automatically be extended (i) for the period during which such action is pending *plus* three (3) Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be.

(c) each Non-Recourse Party is and shall be an intended third-party beneficiary of this Section 12.14 and shall have the right to enforce such provisions to the same extent as if it were a party hereto; and

(d) this Section 12.14 may not be terminated or modified in any manner that adversely affects any Non-Recourse Party without the prior written consent of such affected Non-Recourse Party.

12.15 Right of Set-Off. Notwithstanding anything to the contrary contained herein, Buyer and its Affiliates shall have the right to withhold and set off against any amount otherwise due to be paid by Buyer or its Affiliates to Sellers or their Affiliates (other than any licensed operator entities owned by the Supporting Shareholder) pursuant to this Agreement or any Ancillary Documents any amount to which Buyer or any of its Affiliates may be entitled pursuant to this Agreement or any Ancillary Documents that has not otherwise been paid to Buyer or any of its Affiliates.

Nothing in this Agreement, or any document related to the Contemplated Transactions, will require any Seller or any of its directors, managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law. Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers' business judgment, will maximize the value of their estates. For the avoidance of doubt, (i) Sellers' ability to conduct the sale process (including any Auction) and to consider or advance alternative proposals shall not be impaired in any respect by this Agreement; (ii) any failure by a Seller to perform under this Agreement shall constitute a breach thereof (in the event such failure to perform would otherwise constitute a breach under this Agreement) notwithstanding anything to the contrary in this Section 12.16, provided there shall be no remedy or recourse under this

Agreement or otherwise in the event of such breach; and (iii) any termination of this Agreement by either Party may be solely pursuant to Section 10.1, including a Party determining it is inconsistent with their fiduciary obligations to not terminate consistent with this Section 12.16.

(a) Each Seller irrevocably appoints RunItOneTime as its representative (solely in such capacity, the "Seller Representative") with power of designation and assignment as such Seller's true and lawful attorney-in-fact and agent with full power of substitution, to act for and on behalf of, and in the name of, such Seller with the full power, without the consent of such Seller, to exercise as Seller Representative in its sole discretion deems appropriate, the powers which such Seller could exercise under the provisions of this Agreement or any Ancillary Document and to take all actions necessary or appropriate in the judgment of Seller Representative in connection with this Agreement or any Ancillary Document. Without limiting the generality of the foregoing, each Seller hereby irrevocably grants Seller Representative full power and authority: (i) to give and receive notices and communications relating to the transactions and other matters contemplated by this Agreement and any Ancillary Documents; (ii) to execute and deliver, on behalf of such Seller, and to accept delivery of, on behalf of such Seller, such documents as may be deemed by Seller Representative, in its sole discretion, to be appropriate to consummate the Contemplated Transactions or any Ancillary Document; (iii) to make decisions on behalf of Sellers with respect to the transactions and other matters contemplated by this Agreement or any Ancillary Document; (iv) to receive funds, make payments of funds on behalf of Sellers, and give receipts for funds or to receive funds for the payment of expenses of Sellers or to deposit such funds in such accounts as Seller Representative deems appropriate and apply such funds in payment for such expenses; (v) to enforce, on behalf of such Seller, any claim against Buyer arising under this Agreement; (vi) to provide legal advice and to engage attorneys, accountants and other agents at the expense of Sellers; (vii) to amend this Agreement (other than this Section 12.17), any Ancillary Document, or any of the instruments to be delivered to Buyer by such Seller pursuant to this Agreement or any Ancillary Document; and (viii) to give such instructions and to take such action or refrain from taking such action, on behalf of such Seller, as Seller Representative deems, in its sole discretion, necessary or appropriate to carry out the provisions of this Agreement or any Ancillary Document, including the exercise of all rights granted to Sellers under this Agreement or any Ancillary Document. Buyer shall be entitled to rely exclusively upon any notices and other acts of Seller Representative as being final and legally binding acts of each Seller individually and Sellers collectively. The appointment and power of attorney granted by each Seller to Seller Representative shall be deemed coupled with an interest and all authority conferred hereby shall be irrevocable of any such Seller.

(b) Each Seller acknowledges and agrees that Seller Representative shall not be liable to any Seller or Buyer for any act done or omitted hereunder as Seller Representative. Sellers shall jointly and severally indemnify Seller Representative and hold Seller Representative harmless from and against any losses incurred without gross negligence or bad faith on the part of Seller Representative and arising out of or in connection with the acceptance or administration of its duties under this Agreement. Without limiting the generality or effect of the foregoing, (i) Seller Representative may rely, and shall be fully protected in acting, upon a good faith legal opinion from its counsel or upon the advice or opinion of any attorney, accountant or consultant retained by Seller Representative in connection with any matter relating to this Agreement or the Contemplated Transactions, (ii) Seller Representative may rely, and shall be fully protected in relying, upon the genuineness of any document believed by it to be genuine and to be signed by the proper party or parties, and (iii) Seller Representative shall not be liable for any error in judgment in the construction of this Agreement. Each Seller's obligation with respect to Seller Representative under this Section 12.17(b) shall survive the Closing and continue indefinitely.

(c) If Seller Representative shall be unable or unwilling to fulfill its responsibilities hereunder, then Sellers shall, within ten (10) days after such event, appoint a successor representative. Any such successor shall become "Seller Representative" for purposes of this Agreement.

12.18 Legal Representation.

(a) Buyer agrees, on its own behalf and on behalf of each of its Affiliates and its and their respective successors and assigns (collectively, the "Waiving Parties"), that, following the Closing, Latham & Watkins LLP ("Sellers' Counsel") may serve as counsel to Sellers and their respective Affiliates in connection with any matters related to this Agreement or the Contemplated Transactions, including any litigation, claim or obligation arising out of or relating to this Agreement or such transactions. Buyer, on its own behalf and on behalf of the other Waiving Parties hereby (i) waives any claim they have or may have that Sellers' Counsel has a conflict of interest relating to this Agreement or is otherwise prohibited from engaging in such representation and (ii) agrees that, in the event that a dispute arises after the Closing between any of the Waiving Parties, on the one hand, and any Seller or any of its Affiliates, on the other hand, Sellers' Counsel may represent any Seller or any of its Affiliates in such dispute even though the interests of such Person may be directly adverse to the Waiving Parties. The Waiving Parties also further agree that, as to all communications among Sellers' Counsel and Sellers or their respective Affiliates, subsidiaries or Representatives, that relate in any way to this Agreement, the negotiation thereof, or the Contemplated Transactions, the attorney-client privilege and the expectation of client confidence belongs to Sellers and may be controlled by Seller Representative (collectively, "Pre-Closing Privileges") and shall not pass to or be claimed by Buyer or any other Waiving Party.

(b) All such Pre-Closing Privileges, and the portion of any books and records and other documents of any Seller containing any advice or communication that is subject to any Pre-Closing Privilege ("Pre-Closing Privileged Materials"), shall be excluded from the Contemplated Transactions, and shall be retained by Sellers. Absent the prior written consent of Seller Representative (not to be unreasonably withheld, conditioned or delayed), neither Buyer nor any other Waiving Party shall have a right of access to Pre-Closing Privileged Materials. The Parties further agree and acknowledge that Sellers have taken reasonable efforts to segregate and retain Pre-Closing Privileged Materials, that the existence of any remaining Pre-Closing Privileged Materials found in the custody of Buyer after Closing will not be deemed a waiver of any Pre-Closing Privileges, and that the same will be returned to Seller Representative promptly after any discovery thereof.

(c) Buyer acknowledges that it has consulted with independent counsel of its own choosing with respect to the meaning and effect of this Section 12.18 and understands such meaning and effect.

Licensor has the sole and exclusive right (but not the obligation) during the License Term to bring legal claims and other enforcement actions against third-party infringement, violation, or misappropriation of any Maverick/Aces Trademarks, and shall take all such actions to the extent commercially reasonable. At Licensor's expense, Licensee will take all reasonable steps and provide such materials, cooperation, and assistance as reasonably requested to assist Licensor in enforcing the Maverick/Aces Trademarks.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

5.1 **Mutual Representations and Warranties**. Each Party hereby represents and warrants to the other Party that (a) such Party has the requisite rights, authority, and power, and has taken all requisite actions, to execute and perform this Agreement, (b) this Agreement constitutes a legal, valid, and binding obligation of such Party, enforceable against such Party in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect, and (c) the rights granted by such Party to the other Party in this Agreement do not conflict with any agreement or rights of any Person.

5.2 **Additional Representations and Warranties**. Licensor represents and warrants and further agrees that: (a) Licensor is the sole and exclusive owner of all right, title, and interest in and to the Maverick/Aces Trademarks; (b) Licensor has the right to license and assign the Maverick/Aces Trademarks and Maverick/Aces IP in accordance with the terms of this Agreement; (c) the Maverick/Aces Trademarks are valid and subsisting; (d) the Maverick/Aces Trademarks include all trademarks and other intellectual property of Licensor relating to its operations as of the Effective Date, (e) as of the Effective Date, Licensor has not licensed any Maverick/Aces IP to any third party, and (f) to Licensor's knowledge, the Maverick/Aces Trademarks do not infringe upon any intellectual property or other rights of any third party.

5.3 **Disclaimer of Warranty.** EXCEPT AS OTHERWISE EXPLICITLY PROVIDED HEREIN, LICENSOR MAKES NO REPRESENTATIONS OR WARRANTIES HEREUNDER, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, WITH RESPECT TO THE SUBJECT MATTER HEREOF, AND LICENSOR EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

ARTICLE VI
CONFIDENTIALITY

6.1 **Confidentiality Obligations**. Each of the Parties acknowledges that during the term of this Agreement such Party may receive (the "***Recipient***") Confidential Information from the other Party (the "***Discloser***"). Each Recipient will (a) not use the Confidential Information other than as necessary to exercise its rights and perform its obligations under this Agreement and (b) maintain the Confidential Information in strict confidence and, except as expressly permitted in Section 6.2 (Disclosure), not disclose the Confidential Information without the Discloser's prior written consent. Upon expiration or termination of this Agreement, Recipient will return to the Discloser or destroy all documents and records in its possession containing the Confidential Information of the Discloser; provided that Recipient will not be required to return or destroy any Confidential Information contained in any computer system back-up

records maintained in the ordinary course of business for business continuity or disaster recovery purposes. Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 6.1 (Confidentiality Obligations) will survive the termination of this Agreement.

6.2 **Disclosure**. The Recipient may disclose the Confidential Information to any of its (a) Affiliates, shareholders, partners, officers, directors, managers, employees, agents, contractors, advisors, financing sources, or representatives or (b) actual or potential acquirers, investors, co-investors, financing sources, or permitted sublicensees ((a) and (b) collectively, "***Representatives***") to the extent that disclosure is necessary for the purposes of this Agreement or in connection with a contemplated or actual merger, business combination, financing, investment, acquisition, licensing, or change-of-control transaction; provided that the Recipient ensures that any such Representative is informed in writing of the confidentiality requirements under this Agreement and further that such Representative is itself bound by a written nondisclosure agreement that is at least as restrictive as the one set forth in this Article VI (Confidentiality). The Recipient will be responsible for ensuring each Representative's compliance with, and will be liable for any breach by, a Representative of, this Article VI (Confidentiality). The Recipient may also disclose Confidential Information to the extent required by applicable Law, subpoena, court order, or legal process, including in connection with filings with the United States Securities and Exchange Commission and other Governmental Bodies; provided that the Recipient will promptly inform the Discloser of any such requirement and cooperate with any attempt by the Discloser to obtain a protective order or other similar treatment.

ARTICLE VII
INDEMNIFICATION

7.1 **Indemnification Obligations**. Each Party (the "***Indemnitor***") shall indemnify and hold the other Party (the "***Indemnitee***"), its parent, subsidiaries, and Affiliates, and its and their respective officers, directors, successors, and assigns, harmless from any and all Losses resulting from any Action related to or arising out of: (a) the material breach of any representation, warranty, covenant, agreement, undertaking or provision of this Agreement by Indemnitor; (b) Indemnitor's or its sublicensees' use of the Maverick/Aces Trademarks; and (c) the manufacture, distribution, advertising, marketing, and sale of products and services containing the Maverick/Aces Trademarks by the Indemnitor or its sublicensees, including, without limitation, any personal injury claims or product liability claims related to the foregoing. The Indemnitee shall promptly notify the Indemnitor of any Action to which the indemnity set forth in this Section 7.1 (Indemnification Obligations) applies; provided, however, that the failure to promptly notify the Indemnitor shall diminish the Indemnitor's indemnification obligation only to the extent Indemnitor actually is prejudiced by such failure.

7.2 **Indemnification Process**. Licensee may, at its option, undertake the defense of an Action for which it has an obligation to indemnify Licensor pursuant to this Agreement by counsel of its own choosing, at its own expense, and shall provide written notice of any such undertaking within thirty (30) days of receipt of notice of the applicable Action to the Licensor. Licensor shall be permitted to participate in any such defense at its own cost and expense. Notwithstanding anything to the contrary in this Article VII (Indemnification), (a) Licensor shall not settle any such Action for which it is indemnified without the prior written consent of Licensee, which consent shall not be unreasonably withheld, conditioned, or delayed and (b) Licensee shall not enter into any settlement or compromise of any such Action or consent to the entry of any judgment for relief that includes any admission of liability by or on behalf of Licensor, other than solely for monetary damages to be borne by Licensee, without the prior written consent of Licensor, which consent shall not be unreasonably withheld, conditioned, or delayed.

ARTICLE VIII
CONDITIONAL ASSIGNMENT

8.1 **IP Assignment**. Upon the Transfer Date and provided that each Assignment Condition (defined below) is met, Licensor shall be deemed, without further action by any Party, to have assigned, transferred, conveyed, and delivered to Licensee (or to one or more designees identified in writing by Licensee to Licensor) all of Licensor's rights, title, and interests in and to the Maverick/Aces IP (the "***IP Assignment***"), subject to the rights retained by the Licensor through the Retained License. Licensor shall execute and deliver all documents, instruments, and agreements, and take such further actions, and Licensee is authorized to take such actions and execute such documents and instruments on behalf of Licensor, as may be reasonably necessary or desirable to effectuate and evidence the IP Assignment.

8.2 **Assignment Conditions**. The effectiveness of the assignment of the Maverick/Aces IP to Licensee pursuant to Section 8.1 (Assignment) is expressly conditioned upon each of the following conditions (each, an "***Assignment Condition***") being met on the Transfer Date:

(a) Licensee has not breached any material provision of this Agreement that remains uncured more than 30 days after delivery of written notice thereof from Licensor to Licensee;

(b) Eric Persson has not breached any material provision of the TSA that remains uncured more than 30 days after delivery of written notice thereof from Licensor to Licensee; and

(c) Licensee shall deliver documentation to Licensor of the grantback license set forth in Section 8.3 (Retained License) in form and substance reasonably acceptable to Licensor.

8.3 **Retained License**. During the Retained License Period, Licensee shall grant and hereby grants to Licensor a non-exclusive, royalty-free license to use the Maverick/Aces IP solely for the same purpose and in a manner consistent with usage of such intellectual property by Licensor as of the Effective Date (the "***Retained License***"); *provided, however*, that the Licensor shall promptly transition from use of the Maverick/Aces Domain Names, with such transition to be completed within 60 days of the Transfer Date; *provided, further*, that the Licensor's use of the Retained License shall not impair or conflict with Licensee's operations. For the avoidance of doubt, the Retained License shall be valid solely for facilities or locations operated by Licensor as of the Effective Date. In addition to and without limiting anything in this paragraph, the Retained License is subject to the same restrictions and obligations as applicable to Licensee during the License Term under Article IV of this Agreement. The Retained License is personal to the Licensor and shall not be assignable without the prior written consent of Licensee. Any attempted assignment of the Retained License without prior written consent of Licensee shall be null and void.

ARTICLE IX
LICENSE FEE AND REVENUE SHARING

9.1 **Upfront Payment**. As partial consideration for the rights granted by Licensor to Licensee pursuant to the terms of this Agreement, Licensee shall pay to Licensor a one-time, non-refundable payment equal to one hundred thousand dollars ($100,000), payable and due on the Effective Date.

9.2 **Revenue Sharing**. During the Revenue Sharing Period, in consideration for the rights granted by Licensor to Licensee pursuant to the terms of this Agreement, Licensee shall pay to the Licensor, on an annual basis, a revenue share amount equal to twenty-five percent (25%) of the Adjusted EBITDA (such amount, the "***Revenue Share***"). Licensee shall pay each Revenue Share for any year by April 15 of the following year. Licensee shall not enter into any transaction or series of transactions, whether directly or indirectly, (x) with any Affiliate of Licensee on terms which are less favorable to Licensee than if such transaction or series of transactions were a bona-fide arms'-length transaction between unaffiliated parties

or (y) the purpose or effect of which is to avoid or circumvent any amounts payable to Licensor in accordance with this Section 9.2.

9.3 **Method of Payment**. Unless otherwise agreed by the Parties, all payments due under this Agreement will be paid in U.S. Dollars by wire transfer or electronic funds transfer of immediately available funds to an account designated by the Licensor.

9.4 **Late Payments**. Any amount required to be paid by Licensee hereunder that is not paid on the date due, and not subject to a good faith dispute or an audit pursuant to Section 9.6 (Reporting, Records, and Audits), shall bear interest at a rate equal to the U.S. dollar prime rate *plus* three percent (3%) (the "***Interest Rate***"), effective for the date that payment was first due as reported by the Wall Street Journal (U.S. Internet edition), or the highest rate permitted under applicable Law, whichever is lower. Such interest shall be computed on the basis of a year of three hundred sixty (360) days, calculated from the due date until the date of payment.

9.5 **Payment of Tax**. Each Party will be responsible for any income taxes, fees, duties, levies or similar amounts imposed on its share of income arising directly or indirectly under this Agreement.

9.6 **Reporting, Records, and Audits**. Licensee shall provide Licensor with annual statements reasonably detailing the calculation of Adjusted EBITDA and the corresponding Revenue Share. Licensee will keep and maintain accurate and complete records regarding Adjusted EBITDA in sufficient detail for Licensor to ascertain properly and to verify the payments due hereunder for a minimum of one (1) year following the end of the period to which they pertain. Upon thirty (30) days' prior written notice to Licensee, Licensor will have the right to inspect all records of Licensee applicable to the calculation of such Adjusted EBITDA during the prior year during normal business hours of Licensee (such inspection referred to as an "***Audit***"). Such Audit may not be conducted more than once in any calendar year. Licensor will conduct or use an independent auditor (reasonably acceptable to both Licensor and Licensee) to conduct or assist with an Audit. Upon completion of the audit, the auditor will provide both Licensor and Licensee a written report solely disclosing whether the reports submitted or payments made by Licensee are correct or incorrect and the specific details concerning any discrepancies. If the auditor determines that the report submitted or payments made by Licensee understated the amount due to Licensor, then Licensee will promptly pay such understated amount. If the auditor determines that the report payments made by Licensee understated the amount due to Licensor by ten percent (10%) or more, then Licensee will promptly pay such understated amount together with interest at the Interest Rate and the Licensor's reasonable out of pocket costs for performing such Audit. If the auditor determines that the report submitted or payments made by Licensee overstated the amount due to Licensor, then Licensor will promptly refund such overstated amount.

9.7 **Licensee Offset**. Notwithstanding anything to the contrary herein, any payment obligation of Licensee to Licensor may, at the sole discretion of Licensee, be reduced by any amounts owing by Licensor to Licensee under or relating to this Agreement.

ARTICLE X
TERM AND TERMINATION

10.1 **Term**. This Agreement will commence on the Effective Date and shall terminate upon the expiration of the last to expire of the Retained License Period and the Revenue Sharing Period, unless sooner terminated in accordance with this Agreement.

10.2 **Termination for Material Breach of this Agreement**. Either Party may terminate this Agreement upon thirty (30) days' written notice if the other Party materially breaches this Agreement and fails to fully cure such breach within such thirty (30)-day cure period.

10.3 **Effects of Termination or Expiration**. Within 90 days after the termination of this Agreement, the Licensee (if during the License Term) or the Licensor (if not during the License Term) will discontinue and cease all use of the Maverick/Aces IP and promptly destroy all materials bearing any Maverick/Aces IP (to the extent commercially reasonable). An authorized officer of such Party will promptly certify to the other Party in writing that such discontinued use, destruction, and delivery has taken place. Notwithstanding the termination or expiration of this Agreement or anything to the contrary set forth herein, nothing in this Agreement will relieve any Party from liability for any breach hereof prior to such termination, and any such termination or expiration will be without prejudice to any rights or remedies any Party may have with respect thereto.

10.4 **Survival**. Article VI (Confidentiality), Article VII (Indemnification), Section 9.3 (Method of Payment) through Section 9.6 (Reporting, Records, and Audit), Section 10.3 (Effects of Termination or Expiration), this Section 10.4 (Survival), and Article XI (General) will survive the termination or expiration of this Agreement.

ARTICLE XI
GENERAL

11.1 **Independent Contractor Relationship**. Nothing in this Agreement will be deemed to create any relationship between Licensor and Licensee other than that of independent parties contracting with each other solely for the purpose of carrying out the provisions of this Agreement. Neither of the Parties, nor any of their respective officers, directors, managers, employees, or consultants, will be deemed or construed to be the agent, officer, director, manager, employee, or consultant, representative, partner, member, or joint venturer of the other Party.

11.2 **Notices**. Any notice, request, demand, waiver, consent, approval, or other communication that is required or permitted hereunder will be in writing and will be deemed to have been duly given (a) when delivered in person, (b) on the next Business Day when sent by a nationally recognized overnight courier, or (c) by email with a subject line beginning with the phrase "Maverick IP – Notice" (in which case, it will be effective on the date of transmission if sent before 9:00 p.m. Eastern Time on a Business Day and on the next Business Day if sent after such time on a Business Day or at any time on a non-Business Day, provided no notice of non-delivery is generated), in each case to the recipient Party at the following addresses:

If more than one method for sending notice as set forth above is used, the earliest notice date established as set forth above will control.

11.3 **Amendment; Waiver**. This Agreement may be amended, modified, or supplemented at any time only by an instrument in writing signed by Licensor and Licensee. No waiver of any provision hereof will be effective unless signed in writing by the Party waiving its rights and benefits under such provision.

11.4 **Assignability**. Licensor may freely assign its rights with respect to the Revenue Share, and may freely assign its rights under this Agreement to MainCo in a sale to Supporting Lenders or an Affiliate thereof, but otherwise may not assign any rights or obligations under this Agreement without the prior written consent of Licensee. Licensee may not assign its rights and obligations under this Agreement without the prior written consent of Licensor; *provided, however*, that Licensee may freely assign its rights and obligations under this Agreement to any Person that acquires Licensee or all or substantially all of the assets of Licensee, or the surviving entity of any merger, consolidation, or reorganization between Licensee and any other Person. Any attempted assignment in contravention of this Section 11.4 (Assignability) will be null and void. Subject to the foregoing, this Agreement and all of the provisions hereof will be binding upon and will inure to the benefit of the Parties and their respective successors and permitted assigns.

11.5 **No Third-Party Beneficiaries**. This Agreement is exclusively for the benefit of Licensor, and its successors and permitted assigns, with respect to the obligations of Licensee under this Agreement, and for the benefit of Licensee, and its successors and permitted assigns, with respect to the obligations of Licensor under this Agreement, and this Agreement will not be deemed to confer upon or give to any other third party any remedy, claim, liability, reimbursement, cause of action, or other right.

11.6 **Governing Law**. This Agreement, and all Actions arising out of, resulting from, or relating to the subject matter hereof or the transactions contemplated hereby or the actions of such Party in the negotiation, administration, performance, and enforcement hereof will be governed by, interpreted under, and construed in accordance with the Laws of the State of New York (including in respect of the statute of limitations or other limitations period applicable to any state Law claim, controversy, or dispute) that apply to agreements made and performed entirely within the State of New York, without regard to the conflicts of law provisions thereof or of any other jurisdiction, as to all matters, including matters of validity, construction, effect, performance, and remedies. Each Party agrees and acknowledges that the application of the Laws of the State of New York is reasonable and appropriate based upon the Parties' respective interests and contacts with the State of New York. Each of the Parties waives any right or interest in having the Laws of any other state, including specifically, state Law regarding the statute of limitation or other limitations period, apply to any Party's state Law claim, controversy, or dispute that in any way arises out of, results from, or relates to this Agreement, the subject matter hereof, or the transactions contemplated hereby.

11.7 **Consent to Jurisdiction; Service of Process**. Each Party hereby irrevocably agrees that any Action arising out of or relating to this Agreement, the subject matter hereof, or any transaction contemplated hereby or the actions of such Party in the negotiation, administration, performance, and enforcement hereof will be brought in the State of Nevada, and each Party hereby submits to the exclusive jurisdiction of such courts in any such Action. A final judgment in any such Action may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each Party irrevocably and unconditionally waives any objection to the laying of venue of any Action arising out of or relating to this Agreement, the subject matter hereof, or any transaction contemplated hereby or the actions of such Party in the negotiation, administration, performance, and enforcement hereof in such courts, and hereby irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Action brought in any such court has been brought in an inconvenient forum. Each Party further agrees that service of any process, summons, notice, or document sent to such Party pursuant to Section 11.2 will be effective service of process for any such Action.

11.8 **Waiver of Jury Trial**. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE SUBJECT MATTER HEREOF, OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF SUCH PARTY IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE, AND ENFORCEMENT HEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY SUCH ACTION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.8 (WAIVER OF JURY TRIAL).

11.9 **Entire Agreement**. This Agreement constitutes the entire agreement between the Parties with respect to the transfer of any Maverick/Aces IP to Licensee and supersedes all other prior agreements and understandings, both written and oral, between the Parties with respect to such subject matter.

11.10 **Counterparts**. This Agreement may be executed in counterparts, each of which will be deemed to be an original, but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by email will be as effective as delivery of a manually executed counterpart of this Agreement.

11.11 **Specific Performance**. Each Party acknowledges that the rights of each Party to consummate the transactions contemplated hereby are unique and recognizes and affirms that in the event of a breach of this Agreement by either Party, money damages would be inadequate and the non-breaching Party would have no adequate remedy at law. Accordingly, the Parties agree that such non-breaching Party will have the right, in addition to any other rights and remedies existing in its favor at law or in equity, to enforce its rights and the other Party's obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive, or other equitable relief (without posting of bond or other security). Each Party further agrees that the only permitted objection that it may raise in response to any action for equitable relief is that it contests the existence of a breach or threatened breach of this Agreement.

11.12 **Severability**. If any provision of this Agreement (or portion thereof) is invalid, illegal, or incapable of being enforced by any rule of Law or public policy, all other provisions of this Agreement

(or the remaining portion thereof) will nevertheless remain in full force and effect. Upon such determination that any provision of this Agreement (or portion thereof) is invalid, illegal, or incapable of being enforced, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually agreeable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

11.13 **Further Assurances**. On and after the Effective Date, upon the request of either Party, the other Party will take any further actions (including the execution and delivery of such further instruments and documents) as are necessary to carry out the purposes of this Agreement or the transactions contemplated hereby, in each case at the requesting Party's expense.

11.14 **Construction**. Unless the context of this Agreement otherwise clearly requires, (a) references to the plural include the singular, and references to the singular include the plural, (b) references to one gender include the other gender, (c) references to "or" will be construed in the inclusive sense of "and/or", (d) the words "include", "includes" and "including" do not limit the preceding terms or words and will be deemed to be followed by the words "without limitation", (e) the terms "hereof", "herein", "hereunder", "hereto" and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement, (f) the terms "day" and "days" mean and refer to calendar day(s), (g) the terms "year" and "years" mean and refer to calendar year(s), (h) where a word or phrase is defined herein, each of its other grammatical forms will have a corresponding meaning, and (i) references to a particular statute or regulation include all rules and regulations thereunder and any successor statute, rule, or regulation, in each case as amended or otherwise modified from time to time. When calculating the period of time before which, within which, or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period will be excluded. If the last day of such period is a non-Business Day, the period in question will end on the next succeeding Business Day. Unless otherwise set forth in this Agreement, references in this Agreement to any document, instrument, or agreement (including this Agreement) (i) include and incorporate all exhibits, schedules, and other attachments thereto, (ii) include all documents, instruments, or agreements issued or executed in replacement thereof, and (iii) mean such document, instrument, or agreement, or replacement or predecessor thereto, as amended, modified, or supplemented from time to time and in effect at any given time. All Article and Section references herein are to Articles and Sections of this Agreement, unless otherwise specified. The Article and Section headings contained in this Agreement are exclusively for the purpose of reference, are not part of the agreement of the Parties, and will not in any way affect the meaning or interpretation of this Agreement.

Dmitri,

Thank you for the call earlier. Regarding the Union's motion to reconsider the sale order, please see the below proposed language that both the Debtors and Buyer's counsels think resolve and clarify the Union's concern with the existing language in the sale order:

Proposed Language

For the avoidance of doubt, nothing in this paragraph shall eliminate any liability of the Buyer under the National Labor Relations Act or other applicable law for actions of the Buyer that occur after closing of the Sale Transaction.

Please let us know at your next convenience whether you agree this language resolves your concern.

As to the Union's request for information, we will be following up shortly.

Thank you,
Catherine

Confirming receipt of the letter, we will review with our client and get back to you.
