captioned debtors and debtors-in-possession (the “Debtors”) in the amount of \$1,998,368.00, consisting of \$1,862,883.00 in fees and \$135,485.00² in expenses payable under the terms of the Agency Agreement and the Retention Order for the period commencing August 5, 2024, through and including December 10, 2024 (the “Fee Period”). In support of its Application, Hilco respectfully represents as follows:

BACKGROUND

1. On August 5, 2024, (the “Petition Date”), the Debtors filed voluntary petition for relief under chapter 11 of the Bankruptcy Code (collectively, the “Chapter 11 Cases”). During the Chapter 11 Cases, the Debtors operated its business and managed its properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On August 16, 2024, the Office of the United States Trustee for the District of Delaware appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Committee”) [Docket No. 147].

3. Hilco was employed for marketing and liquidation purposes for the Debtors in connection with these Chapter 11 Cases, pursuant to that certain *Final Order (I) Approving Agency Agreement with Hilco Commercial Industrial, LLC Effective As Of The Petition Date, (II) Authorizing the Sale of Remaining Assets Free and Clear of Liens, Claims, Interests, and Encumbrances; and (III) Granting Related Relief* dated August 29, 2024 [Docket No. 286] (the “Retention Order”). The Retention Order authorized Hilco to be compensated in the ordinary course of business and in accordance with the terms of the Agency Agreement by and between Hilco and the Debtors (as amended, the “Agreement”). However, the Retention Order also

² Expenses for which reimbursement is sought hereby consist of \$63,485 in expenses incurred by Hilco, including for legal fees (including estimated fees for preparing this fee application) and bonuses paid by Hilco (reimbursed up to cap) totaling \$72,000.

required Hilco to submit a final fee application with a summary of fees earned and expenses incurred along with a summary of what fees and expenses have been paid, as well as a copy of Hilco's invoices in connection with these Chapter 11 Cases.

COMPENSATION PAID AND ITS SOURCE

4. All services for which compensation is requested by Hilco were performed for or on behalf of the Debtors.

5. Attached hereto as Exhibit A is a summary of the fees and expenses sought by Hilco through this Application. Attached hereto as Exhibit B is a detailed sales report setting forth the assets sold by Hilco in accordance with the Retention Order and the Agency Agreement.

SUMMARY OF SERVICES RENDERED AND BASIS FOR RELIEF

6. The Debtors retained Hilco, under the terms of the Agreement to sell certain assets of the Debtors. To that end, Hilco has provided marketing and sales services to the Debtors including, but not limited to the following: (i) developing an advertising and marketing plan for the sale of the assets; (ii) implementing the advertising and marketing plan as deemed necessary or appropriate by Hilco to maximize the net recovery on the assets; (iii) preparing for the sale of the assets, including gathering specifications and photographs for pictorial brochures and organizing the assets in a manner which in Hilco's judgment would be designed to enhance the net recovery on the assets; (iv) providing fully qualified and experienced personnel who will prepare and sell the assets in accordance with the terms of the agreement; and (v) selling the assets for cash or other immediately available funds on an "AS IS," "WHERE IS" basis and in accordance with the terms of the Agency Agreement and the Retention Order.

7. Hilco submits this Application for final allowance of reasonable compensation for the actual, reasonable and necessary professional services that it has for the Debtors in these

bankruptcy cases for the period August 5, 2024, through and including December 10, 2024. For the period covered by this Application, Hilco seeks final approval of fees in the amount of \$1,862,883, and expenses totaling \$135,485.

8. As a direct result of Hilco's efforts, the Debtors were able to make significant strides toward achieving their goals and objectives for the marketing and sale of remaining inventory. By way of specific example, from the Petition Date and continuing through the Fee Period, Hilco worked hand-in-hand with the Debtors to sell assets of the Debtor.

9. As acknowledged by the Debtors and other interested parties throughout these cases, Hilco's resources, capabilities, and experience were crucial to the Debtors achieving the successful results realized in these Chapter 11 Cases. In providing the foregoing prepetition services, Hilco worked closely with the Debtors, their management, and their other advisors, becoming well acquainted with, among other things, the Debtors' operations, business needs, and assets to be sold.

10. Specifically, in consultation with the Debtors and its bankruptcy counsel, Hilco developed a strategy to sell the Debtors' assets and inventory. Hilco was able to collect more than \$18 million in total sales, of which more than \$16 million was returned to the Debtors.

11. Given the results obtained, Hilco respectfully submits that the services for which it seeks compensation in this Application were necessary for, beneficial to, and in the best interests of, the Debtors. Hilco further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors.

12. Hilco has endeavored to perform its services for the Debtors in the most efficient manner possible. Moreover, Hilco has endeavored to coordinate with the other professionals involved in this case so as to minimize any duplication of effort and to minimize fees and expenses

to the Debtors.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

13. Section 328(a) of the Bankruptcy Code provides the trustee, or a committee appointed under section 1102, with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103, on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis. 11 U.S.C. § 328(a). Section 328 also says:

The court may allow compensation different from the compensation provided under such terms and conditions after the conclusion of such employment, if such terms and conditions prove to have been improvident in light of developments not capable of being anticipated at the time of the fixing of such terms and conditions.

11 U.S.C. § 328(a).

14. Section 330(a)(1) provides that the court may award to a professional person employed under section 327 or 1103 reasonable compensation and reimbursement for actual, necessary expenses:

(1) After notice to the parties in interest and the United States Trustee and a hearing, and subject to sections 326, 328, and 329, the court may award to a Trustee, a consumer privacy ombudsman appointed under section 332, an examiner, an ombudsman appointed under section 333, or a professional person employed under section 327 or 1103 –

(A) reasonable compensation for actual, necessary services rendered by the trustee, examiner, ombudsman, professional person, or attorney and by any paraprofessional person employed by any such person; and

(B) reimbursement for actual, necessary expenses.

11 U.S.C. § 330(a)(1)(A)-(B).

15. The foregoing professional services performed by Hilco were appropriate and necessary. They were in the best interests of the Debtors and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity,

importance and nature of the problems, issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

WHEREFORE, Hilco requests that final allowance be made to it in the sum of \$1,998,368 as compensation for necessary professional services rendered to the Debtors for the Fee Period, and further requests such other and further relief as this Court may deem just and proper.
