**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING
DEBTOR'S SCHEDULES AND STATEMENT**

The Schedules of Assets and Liabilities (collectively, the “**Schedules**”) and the Statement of Financial Affairs (the “**Statement**” and, together with the Schedules, the “**Schedules and Statement**”) filed by the debtor and debtor in possession (the “**Debtor**” or the “**Company**”) in the above-captioned chapter 11 case pending in the United States Bankruptcy Court for the Middle District of Florida (Tampa Division) (the “**Bankruptcy Court**”), were prepared, pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), by management of the Debtor, with the assistance of the Debtor’s advisors, and are unaudited.

While the members of management responsible for the preparation of the Schedules and Statement have made a reasonable effort to ensure that the Schedules and Statement are accurate and complete based on information known to them at the time of preparation and after reasonable inquiries, inadvertent errors may exist and/or the subsequent receipt of information may result in material changes to financial and other data contained in the Schedules and Statement that may warrant amendment of the same. Moreover, because the Schedules and Statement contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statement are complete or accurate.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtor’s Schedules and Statement (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of, the Debtor’s Schedules and Statement, as further amended, supplemented or revised. In the event of any inconsistency between the Global Notes and the Schedules and Statement, the Global Notes shall control and govern.

¹ The last four digits of the Debtor’s federal tax identification number are 6812. The Debtor’s mailing address is 2211 Reach Road, Suite B4, Williamsport, Pennsylvania 17701.

The Schedules and Statement have been signed by an authorized representative of the Debtor. In reviewing and signing the Schedules and Statement, this representative relied upon the efforts, statements and representations of the Debtor's other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

The Schedules and Statement and Global Notes (as defined below) should not be relied upon by any persons for information relating to current or future financial conditions, events, or performances of the Debtor.

1. **Case.** On November 26, 2025 (the "**Petition Date**"), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. This chapter 11 case is being administered under Case No. 8:25-bk-08937-CPM. The Debtor continues to operate its business and manage its properties as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The asset and liability information provided herein, except as otherwise noted, represents the asset and liability data of the Debtor as of November 25, 2025 (the "**Reporting Date**"). A description of the Debtor's capital and corporate structures, businesses, and the events leading to the commencement of this chapter 11 case are set forth in the *Chapter 11 Case Management Summary* [Docket No. 4] (the "**Case Management Summary**").

2. **Amendments.** The Debtor reserves the right to amend the Schedules and Statement in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statement as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtor that such claim is not "contingent," "unliquidated," or "disputed."

3. **Estimates and Assumptions.** The preparation of the Schedules and Statement requires the Debtor to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statement, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. **Unknown Amounts.** Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Unliquidated." Because certain scheduled liabilities are unknown and unliquidated, the Schedules and the Statement do not accurately reflect the aggregate amount of the Debtor's liabilities.

5. **Pre-Petition vs. Post-Petition.** The Debtor has sought to allocate liabilities between the pre-petition and post-petition periods based on the information derived from research and investigation conducted during the preparation of these Schedules and Statement. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all rights to dispute or challenge the validity of any asserted

claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

6. **GAAP.** Given the difference between the information requested in the Schedules and Statement, and the financial information utilized under generally accepted accounting principles in the United States ("**GAAP**"), the aggregate asset values and claim amounts set forth in the Schedules and Statement do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

7. **Causes of Action.** The Debtor reserves rights with respect to all causes of action. Neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any such cause of action. Likewise, the failure to list a cause of action in question 74 of Schedule A/B or Statement question 7 shall not be deemed a waiver of any such cause of action. Furthermore, nothing contained in the Schedules and Statement shall constitute a waiver of rights with respect to this chapter 11 case, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers.

8. **Other Contingent and Unliquidated Claims or Causes of Action.** The failure to list any such claims or causes of action in the Schedules and Statement, including in response to Schedule A/B question 75, is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

9. **Insiders.** The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, the employees included in this disclosure are for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

10. **Intercompany Claims.** As described more fully in the *Debtor's Motion for Entry of Interim and Final Orders (I) Authorizing the Debtor to (A) Maintain Its Cash Management System and Existing Bank Accounts, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms; and (D) Perform Intercompany Transactions; and (II) Granting Related Relief*, filed on the Petition Date [Dkt. No. 5] (the "**Cash Management Motion**"), the Debtor regularly engages in a range of intercompany transactions in the ordinary course of business and has requested authority to continue its historical practice while operating as a debtor in possession in this case.

11. **Intellectual Property.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred.

The Debtor reserves all rights with respect to the legal status of any and all such intellectual property rights.

12. **Fiscal Year.** The Debtor's fiscal year ends on December 31.
13. **Currency.** All amounts are reflected in U.S. dollars.
14. **Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtors in preparation of the Schedules and Statements:
 - (a) **Fair Market Value; Book Value, Bank Balance.** Unless otherwise noted therein, (i) the Schedules and Statement reflect the carrying value of the liabilities as listed in the Debtor's books and records and (ii) all asset amounts and claim amounts are listed as of the Reporting Date. Where the current market value of assets is unknown, the Debtor has based its valuation on book values net of depreciation, apart from cash balances, which are bank balances, or listed the values as undetermined. The Debtor reserves the right to amend or adjust the value of each asset or liability set forth herein.
 - (b) **Disputed, Contingent and/or Unliquidated Claims.** Schedules D, E, and F permit the Debtor to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these Schedules and Statement as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtor reserves the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules and Statement as to amount, liability, or status. Finally, listing any claim does not constitute an admission of liability on the obligation by the Debtor.
 - (c) **Statement of Financial Affairs – Payments to Insiders.** Questions 3, 4 and 30 in the Statement request information that may encompass payments or transfers to or for the benefits of insiders, and such information is provided in response to Statement question 4 but any such transfers have only been listed once at Statement question 4 in order to minimize confusion by listing the same payment or transfer in multiple places. The Debtor reserves all rights with respect to the characterization of payments listed in response to questions 3, 4 and 30. Additionally, certain insiders or others in control of the Debtor may indirectly own stock through entities the insider's control.
 - (d) **Statement of Financial Affairs – Prepayments.** Payments to the Debtor's professionals are on question 11 of the Statement. The amounts reflected in response to Statement question 11 and in response to Schedule A/B question 6 and 8 may vary from the balance of any pre-payment to a professional as of the Reporting Date due to the professional firm's application of retainers. The Debtor expects that professionals employed by the Debtor will disclose

the extent of any pre-payments in connection with the disclosures made in the corresponding applications to employ.

- (e) Statement of Financial Affairs – Suits and Administration Proceedings. Although the Debtor has attempted to list in Statement question 7 all known claimants with pending suits or administrative proceedings, certain actions may have been inadvertently omitted. The Debtor reserves all of their rights with respect to any such claims or causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.
- (f) Statement of Financial Affairs – Books, Records, and Financial Statements. The Debtor files periodic consolidated financial reports that include financial statements that are available to the public. The Debtor has also provided financial statements in the ordinary course of business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent, the Debtor may not have disclosed all parties that may have received such financial statements for the purposes of Question 26.

15. **Schedule D.** Although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights (unless waived pursuant to Bankruptcy Court order) to dispute or challenge the secured nature of any such creditor's claim or the recharacterization of the structure of any such transaction or any document or instrument related to such creditor's claim except as otherwise agreed to pursuant to a stipulation or an agreed order or any other order entered by the Bankruptcy Court. No claim set forth on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The Debtor reserves all rights to amend Schedule D to the extent that the Debtor determine that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtor of the legal rights of a claimant or a waiver of the Debtor's rights to recharacterize or reclassify a claim or contract.

16. **Schedule E/F.** The Debtors' analysis of potential priority claims is ongoing, and any amounts listed as priority claims on Schedule E/F remain subject to such analysis. Amendments will be made to Schedule E/F as necessary.

The Debtor is unaware of any claims of state and local taxing authorities but listed certain taxing authorities out of an abundance of caution. In the event such claims due exist, they ultimately may be deemed to be secured claims pursuant to state or local laws. The Debtor reserves the right to dispute or challenge whether a claim that may be owing to various taxing authorities are entitled to

priority and any reference herein does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code

Schedule E/F may contain potential claims on account of pending litigation involving the Debtor. Any potential claim associated with any such pending litigation is marked as contingent, unliquidated and disputed in the Schedules and Statements. Some of the potential litigation listed on Schedule E/F may be subject to subordination pursuant to section 510 of the Bankruptcy Code. Any information contained in Schedule E/F with respect to pending or potential litigation shall not be a binding representation of the Debtor's liabilities with respect to any of the potential suits and proceedings included therein.

Parties who have asserted asbestos-related, talc-related, or other tort claims (collectively, the "Talc Personal Injury Claims") involving the Debtor (such claimants, the "Talc Personal Injury Claimants") are listed on Part 2 of Schedule E/F as holders of nonpriority unsecured claims. The Talc Personal Injury Claimants have been listed on Schedule E/F with respect to any unsecured claim they may have or assert against the Debtor. The Talc Personal Injury Claimants have been identified from the Debtor's books and records and are based on the known Talc Personal Injury Claims filed against the Debtor as of the Petition Date. In accordance with the *Debtor's Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Filing of a List of the Law Firms Representing the Largest Numbers of Talc Claims Against the Debtor, (II) Authorizing the Listing of Addresses of Counsel for Talc Asbestos Claimants in Creditor Matrix In Lieu of Claimant's Addresses, (III) Approving Notice Procedures for Such Claimants, and (IV) Granting Related Relief* [Dkt. No. 7] the Debtor provided the addresses of counsel for Talc Personal Injury Claimants in lieu of their personal addresses. The amounts for these Talc Personal Injury Claims are listed as "undetermined." By including the Talc Personal Injury Claimants on Schedule E/F, the Debtor does not concede that any claims that such claimants have asserted or would assert against the Debtor have merit (and in fact, the Debtor vigorously disputes such claims and such claims are marked and designated and deemed by the Debtor to be contingent, unliquidated, and disputed) or that any amounts are owed by the Debtor to such claimants. The Debtor reserves its rights to assert any and all defenses to claims asserted by Talc Personal Injury Claimants.

The Debtor has not included on Schedule E/F, Part 2 the numerous co-defendants involved in pending litigation against the Debtor. The Debtor reserves the right to, but undertakes no obligation to, supplement or amend this response in the future to notify any co-defendant should it determine that it is necessary or beneficial.

17. **Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement was an executory contract or unexpired lease as of the Petition Date, or that it is valid or enforceable. The Debtor hereby reserves all rights to dispute or challenge the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G, including contracts, agreements or leases that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents that may not be listed on

Schedule G, and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtor reserves all rights with respect to such agreements, including their rights to challenge whether such related materials constitute an executory contract, a single contract, or multiple, severable or separate contracts. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. Further, the Debtors reserve all rights to later amend the Schedules and Statements to the extent that additional information regarding the Debtor obligor to an executory contract becomes available.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Any and all of the Debtor's rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are reserved and preserved. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

18. **Schedule H.** The Debtor has not listed any litigation-related co-defendants on Schedule H. Additionally, the Debtor reserves all rights to amend the Schedules to the extent that any guarantees are discovered to have expired or be unenforceable.

Neither the Debtor, its agents, nor its attorneys guarantee or warrant the accuracy, the completeness, or correctness of the data that is provided herein or in the Schedules and Statements, and neither are they liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtor or its agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not, and however caused, even if the Debtor or its agents, attorneys and advisors are advised of the possibility of such damages.
