GLOBAL DISCLAIMERS

Commencing with the February 2026 Monthly Operating Report, Novo Advisors has assumed responsibility for the preparation of the Debtor's Monthly Operating Reports ("MORs"). Novo Advisors has not independently verified, and expressly disclaims any responsibility for, the accuracy, completeness, or reliability of any information contained in MORs previously prepared prior to Novo Advisors' engagement. Accordingly, no representation is made with respect to any prior MOR, and parties in interest should not rely on any prior MOR as having been verified or approved by Novo Advisors.

In addition, commencing with this MOR, the Debtor is reporting its financial information on a cash basis of accounting rather than an accrual basis. This change in reporting methodology may result in differences as compared to prior MORs and should be considered when making any comparison to previously filed reports.

This monthly operating report ("MOR") is unaudited and does not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), and it is not intended to fully reconcile to the consolidated financial statements prepared by the Debtor. Information contained in this MOR has been derived from the Debtor's bank records but does not reflect in all circumstances presentation for GAAP or SEC reporting purposes. Therefore, to comply with its obligations to provide MORs during these chapter 11 cases, the Debtor has prepared this MOR using the best information presently available to it, which has been collected, maintained, and prepared on a cash basis of accounting. Accordingly, based on currently available data, this MOR is true and accurate to the best of the Debtor's knowledge, information, and belief. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the current reporting period or the full year and may not necessarily reflect the Debtor's future consolidated results of operations and financial position.

This MOR is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Debtor's chapter 11 case. The unaudited financial statements have been derived from the Debtor's books and records. The information presented herein has not been subject to all procedures that typically would be applied to financial information presented in accordance with GAAP. Upon the application of such procedures, the Debtor believes that the financial information could be subject to material change. The information furnished in this MOR includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial statements presented in accordance with GAAP.

Inadvertent errors or omissions may have occurred in the preparation of this MOR. Accordingly, the Debtor hereby reserves all of its rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtor reserves the right to amend or supplement this MOR, if necessary.
