REPRESENTED PARTIES SHOULD ACT THROUGH THEIR ATTORNEY.

The above-captioned debtors and debtors-in-possession (collectively, the "Debtors") respectfully state as follows in support of this motion (the "Motion").

¹ The Debtors in these chapter 11 cases, along with the last four digits of the Debtors' federal tax identification number, are TM36, LLC (5051), StopLoss Specialists, LLC (3801), StopLoss, LLC (8840), StopLoss Response Services, LLC (3350), and StopLoss Logistics, LLC (3569). The Debtors' service address is: 716 S. Frio Street, Suite 110, San Antonio, TX 78207.

Preliminary Statement

1. By this Motion, the Debtors seek entry of an order (the “Proposed Order”), substantially in the form attached hereto, directing Command 247 LLC (“Command”), Scott Butaud, and Lauren Ashley Noel a/k/a Lauren Ashley Segura (“Noel”) to turn over all of the Debtors’ (a) equipment and vehicles, (b) related titles, and (c) books and records that are in their possession.

2. Shortly after the Petition Date, the Debtors made a request through counsel to Command and Butaud to allow a representative of the Debtors to inspect the Broussard Location (defined below) to determine if there is any property of the estate remaining in Command and Butaud’s possession. The Debtors offered to include reasonable guardrails around the site visit. The Debtors’ request was denied without any engagement on terms which results in the filing of this Motion.

3. In support of the Motion, the Debtors rely upon and incorporate by reference the *Declaration of Pablo Bonjour in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”).²

Jurisdiction and Venue

4. This Court has jurisdiction to consider this Motion under 28 U.S.C. § 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of Texas*, dated May 24, 2012 (the “Amended Standing Order”). This matter is a core proceeding under 28 U.S.C. § 157(b). The Debtors confirm their consent to the entry of a final order by the Court. Venue is proper under 28 U.S.C. § 1408.

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the First Day Declaration.

Basis for Relief Requested

5. The bases for the relief requested herein are sections 105(a), 362, 541, and 542 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”), Rules 2002, 2004, 6002, 9013, 9014, and 9020 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Rules 2002, 4001-1(b), 4002-1, and 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”), and the *Procedures for Complex Cases in the Southern District of Texas* (the “Complex Case Procedures”).

Background Facts

6. On March 5, 2026 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”). The Debtors continue to operate their business and manage their property as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108. The Debtors’ Chapter 11 Cases are being jointly administered. On April 24, 2026, the United States Trustee appointed the official committee of unsecured creditors (the “Committee”).

7. Additional information regarding the Debtors and the Chapter 11 Cases, including the Debtors’ business operations, capital structure, financial condition, and the reasons for and objectives of the Chapter 11 Cases, is set forth in the First Day Declaration.

Command 247 LLC and Scott Butaud

8. StopLoss, LLC (“StopLoss”) was originally founded in 2023 with two members each owning 50%--StopLoss Specialists LLC (“Specialists”) (owned by John Lewis and his wife) and Command (owned by Scott Butaud).

9. The Debtors operated out of 1048 Forum Drive, Broussard, Louisiana 70518 (the “Broussard Location”). The Broussard Location is comprised of an office, a warehouse and a yard.

10. The Debtors' equipment was stored at the Broussard Location when not in use. The Debtors' electronic and paper business records were also maintained at the Broussard Location. Upon information and belief, any paper titles to the Debtors' vehicles and equipment are at the Broussard Location.

11. Upon information and belief, Butaud also stored certain of the Debtors' assets at 354 Christ the King Road, Opelousas, Louisiana 70570 (the "Opelousas Location").

12. The Debtors were forced to cease operations in mid-2025 as a result of mounting unpaid invoices incurred in connection with the Renaissance Tower project. At this time, the Debtors had equipment at several job sites (including the Renaissance Tower), but a significant amount of equipment was located at the Broussard Location.

13. On August 18, 2025, Command delivered a letter stating that it was formally withdrawing as a member of StopLoss and all subsidiaries and affiliates, effective as of September 18, 2025.³

14. Upon information and belief, Butaud is operating a new business called Core 247 out of the Broussard Location. According to Core 247's website,⁴ part of its business is providing the same emergency disaster recovery and remediation services that were performed by the Debtors.

Prepetition Lawsuit and Rule 11 Agreement

15. On October 20, 2025, 431 KW, LLC, StopLoss and Specialists filed suit against Butaud and Command in Harris County state district court. On December 8, 2025, Butaud and

³ On September 17, 2025, Command sent a second letter purporting to rescind his withdrawal on the basis that he only emailed the notice and did not send it by mail.

⁴ <https://core247.us/>

Command removed that case to the Texas Business Court—Eleventh Division (the “Business Court Lawsuit”).

16. After filing an answer to the Business Court Lawsuit, Command and Butaud initially permitted StopLoss to begin retrieving assets in Command’s possession from the Broussard Location. The Debtors alleged to the Business Court that Command wrongfully withheld significant amounts of equipment (e.g. vehicles, tractors, box trucks, trailers, and generators) from StopLoss.

17. On January 21, 2026, the Debtors, Command, and Butaud executed and filed a Rule 11 Agreement in the Business Court Lawsuit. A copy of the Rule 11 Agreement is attached hereto as Exhibit A.

18. Among other things, the parties agreed in the Rule 11 Agreement that Command and Butaud would permit the Debtors and their representatives to pick up all the Debtors’ equipment and vehicles in the possession of Command and Butaud. A lengthy list of the equipment and vehicles was attached to the Rule 11 Agreement.

19. However, Command and Butaud restricted the Debtors to picking up equipment and vehicles from the yard outside of the Broussard Location. Command would not allow the Debtors’ representative to enter any indoor spaces at the Broussard Location. Command and Butaud additionally agreed that the Debtors could pick up equipment and vehicles from “any offsite storage controlled by the Defendants” but did not identify such locations. Command and Butaud also prohibited the Debtors from taking possession of any paper files, computers or other electronics, even if they were the Debtors’ property.

Efforts to Collect Equipment

20. Prior to the Petition Date, the Debtors retained JMN Enterprise LLC (“JMN”) to pick up the equipment and vehicles from the Broussard Location. Recently, after soliciting numerous other offers which came in higher, the Debtors also contracted with JMN to collect their equipment from multiple locations.

21. JMN made multiple trips to the Broussard Location from mid-January to mid-February 2026. Command did not make all of the Debtors’ equipment and vehicles available at the same time. Instead, Command moved the equipment and vehicles in a piecemeal fashion from inside its building to the yard, and JMN picked up items in batches from the yard but never entered the building. At one point, Command called local law enforcement to prevent JMN from further access to the Broussard Location.

22. Command informed JMN that it had turned over all of the Debtors’ equipment and vehicles. Because the Rule 11 Agreement prohibited the Debtors from entering the Broussard Location, they were never able to determine what equipment remains in Command and Butaud’s possession.

23. JMN has identified several large items that were not turned over and were not located at other job sites. Among other things, the missing items include:

- a. 59 2000 CFM dehumidifiers
- b. A forklift
- c. 18 600 CFM dehumidifiers
- d. A drone
- e. A/C units (20 ton and 40 ton)
- f. Cargo Trailer

- g. Utility Trailer
- h. Generator Sets that JMN last saw at the Opelousas Location
- i. All computers and office FF&E

24. During a visit when JMN was collecting equipment from the yard, the doors to the warehouse were open which allowed Jake Nelson to take these photographs. Command did not turn these items over to JMN and the Debtors.

25. This photograph shows a Hyundai forklift which is property of the Debtors. The large items marked StopLoss were turned over by Command, but the forklift was not.

26. The next photograph shows some of the missing dehumidifiers discussed above.

27. This equipment is property of the estate. It also collateral of Recovery Logistics Finance, LLC (“RLF”). RLF has alleged that certain of its collateral is missing or unaccounted for. The Debtors believe that some of the equipment that RLF alleged is missing is in Command’s possession.

28. Command has not turned over possession of the Debtors’ computers or paper files, including any titles for the vehicles.

Debtor’s Books and Records

29. Given his former role as COO of StopLoss, Butaud is in possession of paper files and books and records of the Debtors which are property of the estate. Upon information and belief, these records are located at the Broussard Location.

30. Prior to the Petition Date, Noel acted as the Debtors’ general counsel. In that capacity, she had access to and maintained certain of the Debtors’ corporate records and files. To

the extent that any titles, books, or records that are the Debtors' property remain in Noel's custody and control, they must be turned over to the Debtors.

Argument and Authority

31. Section 542(a) requires persons in possession of property of the estate to turnover that property to the Trustee. Specifically, the Code provides that

[e]xcept as provided in subsection (c) or (d) of this section, an entity, other than a custodian, in possession, custody, or control, during the case, of property that the trustee may use, sell, or lease under section 363 of this title . . . shall deliver to the trustee, and account for, such property or the value of such property, unless such property is of inconsequential value or benefit to the estate.

11 U.S.C. § 542(a).

32. Bankruptcy Code section 541 is broadly construed to include all property interests, whether reachable by state-law creditors or not, and whether vested or contingent. *United States v. Rauer*, 963 F.2d 1332 (10th Cir. 1992); *In re Yonikus*, 996 F.2d 866 (7th Cir. 1993) (virtually all property of debtor becomes property of the estate; in fact, every conceivable interest of debtor, including future, non-possessory, contingent, speculative, and derivative, is within the scope of Section 541).

33. Section 542(e) of the Bankruptcy Code provides:

Subject to any applicable privilege, after notice and a hearing, the court may order an attorney, accountant, or other person that holds recorded information, including books, documents, records, and papers, relating to the debtor's property or financial affairs, to turn over or disclose such recorded information to the trustee.

11 U.S.C. § 542(e).⁵

⁵ "A debtor in possession shall have all the rights . . . and powers . . . of a trustee serving in a case under this chapter." 11 U.S.C. § 1107(a). Accordingly, the rights of a trustee under Bankruptcy Code section 542(e) equally are available to the Debtor.

34. This Court has the power under Fed. R. Bankr. P. 2004 to compel a party to appear and be examined about a debtor's property. In addition, 11 U.S.C. § 105(a) gives the Court the power to issue any order that is necessary or proper to carry out the provisions of title 11.

35. The Debtors believe that Command and Butaud remain in possession of equipment and vehicles, the titles of these and other assets, and the Debtors' books and records. Noel has possession of the Debtor's business records. There is no dispute that these assets are all property of the Debtors' estate. Command and Butaud already agreed to turnover the equipment and vehicles pursuant to the Rule 11 Agreement. They are now obligated to do so pursuant to Section 542(a), and they are obligated to turnover the titles, books, and records pursuant to Section 542(e).

WHEREFORE, the Debtors respectfully request that the Court enter an order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

RULE 11 AGREEMENT

This will confirm a binding and enforceable agreement effective January 22, 2026 pursuant to Texas Rule of Civil Procedure 11 (the "Agreement") between Plaintiffs 431 KW, LLC, StopLoss, LLC, StopLoss Specialists, LLC, the StopLoss Subsidiaries¹ and Third-Party Defendant John Lewis (collectively, the "Plaintiffs"), Defendants Command 247, LLC and Scott Butaud (collectively, the "Defendants"), and Paul Black to the following terms:

- 1) Defendants agree to immediately permit Plaintiffs and their representatives and agents to identify, retrieve, collect, preserve, and pick up all of Plaintiffs' equipment or vehicles in Defendants' possession, custody, or control, including without limitation, any of the equipment or vehicles listed on the attached Exhibit A that are in Defendants' possession. Defendants make no representations regarding any vehicles or equipment in their possession. Nothing in this paragraph is intended to cover assets other than equipment and

vehicles outside of the building at 1048 Forum Drive, Broussard, LA (the "yard"), in that building, and any offsite storage controlled by Defendants. Excluding repossessions by creditors and items previously taken by Plaintiffs, Defendants represent and warrant that they have not voluntarily moved or transferred any of such assets from the yard, building, or offsite storage to any other location since the initiation of this lawsuit. To the extent any vehicles or equipment are located in the building, Defendants will move the equipment outside of the building for pickup. Plaintiffs will not be allowed inside the building.

Nothing herein is intended to cover office equipment or supplies (ie, copiers, scanner, computers, desks, chairs, electronics, paper files, etc.).

- 2) Plaintiffs agree to a limited release of claims for damages against Defendants solely related to the Plaintiffs' inability to possess and use their equipment and vehicles, including without limitation, such property set forth in Paragraph 1 for the time period of October 18, 2025 through January 22, 2026.
- 3) Defendants agree that from the effective date of this Agreement and moving forward until final resolution of all issues in this case, Defendants will not: (a) act on behalf of, (b) purport to act on behalf of, (c) bind, or (d) purport to bind—including but not limited to negotiating or executing any documents—any of the Plaintiffs to any agreements, contracts, loans, purchases, leases, sales, encumbrances, liens, factoring agreements, or other sales of accounts receivable.
- 4) Except as expressly set forth herein, nothing in this Agreement shall be construed as a waiver of rights or remedies by Plaintiffs or Defendants, and all rights and claims are expressly reserved by Plaintiffs and Defendants. Except as expressly set forth herein, the Parties are not releasing any claims against any parties or non-parties, and nothing herein shall adversely affect the Parties' claims, if any. To the extent any claim is an asset, nothing is intended to transfer any claims or causes of action.
- 5) By executing this Agreement, no party to this Agreement is making any admission of liability and all parties to this Agreement expressly deny any liability for any claim asserted against them. Other than in an action to enforce its terms, this Agreement shall not be admissible or be used for any purpose at trial.
- 6) Paul Black, individually and as Trustee of the Paul Patrick Black Heritage Trust, agrees to file answers in the above-referenced cause 21 days after service to counsel of a new petition adding Paul Black, as Trustee of the Paul Patrick Black Heritage Trust, as a party.
- 7) Plaintiffs and Defendants agree to drop their current respective January 23, 2026 hearings on the pending Application for Temporary Injunction and Plea in Abatement and will immediately notify the Court of the same.

- 8) Defendants have advised Plaintiffs that it is Defendants' understanding that a involuntary bankruptcy proceeding has been filed for StopLoss LLC. Nothing herein is intended to violate any automatic stay in bankruptcy. To the extent any bankruptcy court determines that all or part of this Agreement is in violation of the automatic stay, the agreement shall be reformed by the bankruptcy court, or, if unable to be equitably reformed, the Agreement shall be void.
